Dr. John Schulman, Jr., left of 7 Ashmont Rd., Newton, member of the N.E. Committee for Project Hope, discusses forthcoming drive with Dr. Felix Santos, Ecuadorian Consul, at recent committee meeting.

"Project Hope" To Get Newton Help

1200 Newton volunteers will take part in the "March For Hope" to be conducted here during the week of October 27th to help raise funds for Project Hope.

Dr. John Schulman, Jr., of 7 Ashmont road, Newton, a member of the New England Committee for Project Hope, and chairman of the Newton march, served aboard the famed hospital ship S.S. Hope during its voyage last year to Peru.

The Newton campaign will be held in conjunction with the national campaign to raise \$5-million dollars to finance its next planned trip to Ecuador.

Dr. Schulman discussed the forthcoming trip and fund-

raising campaign with Dr. Felix Santos, Ecuadorian Consul in New England, at a recent committee meeting held in Boston.

POLITICAL HIGHLIGHTS

By JAMES G. COLBERT

Lt. Gov. Bellotti Blasted For Barnstorming Tactics

Lieutenant Governor Francis X. Bellotti is coming under a growing fire of criticism for the manner in which he is campaigning across the State. Bellotti's critics are blasting him on several counts.

One is that he is seeking to promote his political cause at substantial expense to the public.

A second is that he is indulging in "soup kitchen" politics, with promises that while he has little patronage to dispense now, he will reward his supporters "with whatever is available" if and when he achieves higher office.

A third is that he is guilty of ingratitude and disloyalty to Governor Peabody who stepped in and prevented Bellotti from being dumped at last year's Democratic State Convention when a move was started by party leaders to renominate former Lieutenant Governor Edward F. McLaughlin, Jr., after McLaughlin had been defeated by Peabody for the endorsement for Governor.

Exactly what office Bellotti is campaigning for is unclear to political observers and apparently to Bellotti himself.

\$4 - Million Long Range School Plan

A long-range development program totaling \$4,000,000 by 1970 was launched by Andover Newton Theological School, Newton Centre, at a leadership dinner held Tuesday, October 1 at the Harvard Club in Boston.

President Herbert Gezork told more than 300 key leaders in the Boston community attending the dinner that the 137 full-time students now enrolled and the 32-member faculty have made Andover Newton's present educational facilities inadequate. Andover Newton's enrollment has increased by more students since 1956 than the enrollment of any seminary in the United States and Canada.

Dr. Gezork explained that a total of \$2,500,000 is required to construct four urgently-needed buildings — library, classrooms and faculty offices, chapel and women's dormitory—and to provide additional endowment income for scholarships and faculty salaries. The balance of the \$4,000,000 goal by 1970 is designated to strengthen endowment for scholarships and professorships.

Dean Roy Pearson declared, "If Andover Newton is to continue to provide quality education for a learned ministry, it must have additional faculty together with new study, lecture, and research facilities. For that reason, this development program is a mandate we must carry out if we are to be faithful to the churches who look to us for leadership."

Victor A. Lutnicki, senior vice president of the John Hancock Life Insurance Company and general chairman for the Andover Newton development program, spoke of "Your Stake in Theological Education." He pointed out that reliance on materialism and over-concentration of American skills in developing military and scientific hardware have given us an imbalance in our sense of values. "Belief in God and the nourishment of our personal faith is still the greatest essential in every human life. Theological education and the schools that educate ministers to serve our spiritual needs are our forgotten offspring which we neglect at our own peril."

Toastmaster for the dinner was Howard W. Cole, Boston attorney and president of the

BC Law School Alumni To Hear Court Judge

Superior Court Judge Cornelius J. Moynihan of Newton will be speaker at the Boston College Law School Alumni dinner to be held next Thursday, October 10 at 6:30 p.m. at the Law School, Chestnut Hill.

Governor's Councilor Margaret M. Heckler, chairman of the dinner committee, announced that Judge Moynihan has agreed to speak on the subject of "Looking at the Bar from the Bench."

Alumni from all parts of the state will attend to honor Judge Moynihan who served for many years as a professor at the law school before being appointed to the Superior Court bench last Spring by Governor Peabody.

Prior to the dinner meeting, a memorial mass for deceased alumni will be celebrated at 5:30 p.m. at St. Ignatius Church, Chestnut Hill, adjoining the Law School.

Assisting Mrs. Heckler on the dinner committee are Miss Sheila McGovern and Charles Birmingham, alumni president.

Stephen Roy Is On Merit List

Stephen B. Roy, son of Mr. and Mrs. John R. Roy, 36 Fairmount avenue, Newton, is a semi-finalist in the National Merit Scholarship competition.

He is a senior at the Noble and Greenough School in Dedham where he is on the starting lineup of the varsity football squad. He also is captain of the wrestling team at the school.

A list of Merit Newton semi-finalists released to The Graphic and published last Thursday did not contain his name inasmuch as he was not enrolled in a Newton high school.

Aldermen's Vote On Motel Zoning Change Is Stalled

A parliamentary maneuver prevented the Board of Aldermen from voting Monday night on the question of allowing the construction of a \$4 million motel on a 10-acre tract in Norumbega Park.

Indications were that the zoning change and permission for the use of the land as the site for a motel would have been approved by a close vote with nine restrictions imposed upon the de-

velopers and the owners of Norumbega.

Twenty-three Aldermen were in attendance, the lone absentee being Alderman William H. Prentice.

Sixteen votes were necessary to sanction the zoning change, and observers at the session believe that at least 16 Aldermen were prepared to vote in the affirmative with the specified restrictions.

However, Alderman Earle D. Wood of Auburndale prevented the issue from being put to a vote by raising a charter objection.

This was a delaying tactic which had the effect of putting the matter off until the next meeting scheduled for the night of Oct. 14.

A charter objection can be raised again at that session by five Aldermen.

Should such a device again be employed to block a vote on the motel question, the matter would be postponed until the meeting of Nov. 4, the night before election.

Mayor Donald L. Gibbs, however, could call a special meeting prior to Nov. 4 if he chose to do so.

Monday night's Aldermanic session was interrupted while the committee on claims and rules held a 50-minute conference on the petition of the Marriott Motor Hotels of Newton, Inc.

At the close of the conference, Alderman Harry H. Ham, Jr., committee chairman, announced that the committee had voted 7-1 to accept the Marriott proposal. He added that he cast the lone negative vote.

Ham listed nine restrictions the committee had voted to impose in connection with its approval of the motel proposition.

He explained that the Kanaivos and Perini interests, who own the Norumbega Park property and from whom Marriott has leased 10 acres of the park land, would be required to agree in writing to the first three conditions before the Board could approve the Marriott petition.

When Ham concluded his report, Alderman Wood rose to offer his charter objection. "In view of the report," said Wood, "I feel I must offer a charter objection." That stalled the matter at least until Oct. 14.

Ham thereupon announced that prior to the next meeting his committee would call in

Enrollment In Schools Shift; No Total Drop

Enrollments in Newton public schools totalled 18,135 pupils, one less than last year, it was reported by Superintendent Charles E. Brown.

A lower enrollment in some schools has not given the city a surplus of teachers, Dr. Brown said, because in other schools there are more pupils, making it necessary to add to the teaching staffs.

There were 412 students at Newton Junior College, of which 356 were full time. The ratio there of 85-15 in favor of Newton residents has been maintained, the report pointed out.

Underwood School, near Newton Corner, showed the greatest drop in pupils, with 48 fewer than last year, and Lincoln-Eliot on Pearl St., and Davis in West Newton were next.

A decline of 28 at the Countryside School, Newton Highlands, was not anticipated, the superintendent said, and attributed it to population mobility.

Election Guide To Be Featured

The Graphic in next week's issue will publish an election guide prepared by the Newton League of Women Voters. It will contain a brief summary of each candidate seeking office in the November 5 municipal election.

The election guide will be printed as a public service to Newton voters to aid them in knowing who the candidates are and something about each of them.

Zoning Change Debate Tangles Local Aldermen

Prolonged debate on a pair of zoning change proposals during Monday night's Aldermanic meeting produced so many motions and proposed amendments that President Wendell R. Bauckman was called on to employ his knowledge of parliamentary procedure in order to untangle the situation in which the members found themselves.

In the end, both proposals were sent back to the committee on claims and rules.

One was a petition of the Linda Land Corporation for permissive use and site plan approval of a proposed garden type apartment building at 29 Vernon St. in the Newton Corner area.

The other was a recommendation of John P. McCarthy, Alderman-at-large from Ward 7. In an effort to block granting of the Linda Land Corporation petition, McCarthy had recommended a change of zone in that area from Residence D to Private Residence District.

The Planning Board had disapproved of the McCarthy recommendation.

Following a report by Alderman Earle D. Wood as chairman of the finance committee, and reports by the chairmen of the committees on finance and public works, the committee on claims and rules and the committee on franchises and licenses, the following matters were approved by the board:

Acceptance of the Mayor's program for health insurance for city employees who had retired prior to 1959. (Alderman Wood had estimated its cost at \$40,000.) The city would pay half the costs and

"Good Neighbor Night" To Be Held On Tuesday

"Religion and Human Rights," will be the theme of the fourth annual Good Neighbor Night to be sponsored by the Brotherhood of Temple Mishkan Tefila next Tuesday evening, October 8, in the social hall of the Temple, 300 Hammond Pond Parkway, Chestnut Hill.

Three outstanding theologians and educators, Dr. Harold C. Case, president of Boston University; Rev. Robert F. Drinan, S. J., dean of the Boston College Law School, and Dr. Israel J. Kazis, rabbi of Temple Mishkan Tefila, will be speakers and will explore the evening's theme.

The meeting is scheduled for 6:30 p.m. with a social hour during which time a tour

of the Temple will be conducted. A full course catered dinner will follow at 7:30 p.m.

The annual Good Neighbor Night, in Newton, a national winner as the outstanding single program awarded to the Brotherhood of Jewish Men's Clubs, has increased in popularity with attendance growing each year.

"Good Neighbor Night" is designed to bring about a better understanding between members of the Catholic, Protestant and Jewish faiths.

Dr. Case is an ordained Methodist minister and a leading educator who holds many honorary degrees. He is an active member of sev-

eral councils and committees dealing with education and religion.

Father Drinan, a noted Jesuit educator, is a member of the Massachusetts Bar, the District of Columbia Bar, and is a practicing attorney before the United States Supreme Court. He is a noted writer and speaker.

Navy Chief Is Transferred To Sub-Air Group

Ronald J. Murphy, Senior Chief Yeoman, U. S. Navy, of West Newton, currently attached to the staff of Commander Carrier Division 4 on board the carrier Forrestal, has received orders for transfer this month to the staff of Commander Carrier Anti-Submarine Air Group 60.

The Carrier Air Group is homeported at the Naval Air Station, Quonset Point, R. I.

Chief Murphy, a Navy veteran of 23 years service, is a native of Newton. He resides with his wife, the former Marie L. Norton, and their six children, at 51 Clark Rd., West Newton.

Hallowe'en Funds Urged By Chamber

Executive Director Justin T. Horan of the Newton Chamber of Commerce has urged the business community to join civic minded citizens in support of the Garden City's 23rd annual Halloween observance.

The joint appeal for financial support for the city-wide celebration was directed to Newton residents and firms. It was signed by Mr. Horan, Mayor Donald L. Gibbs, General Chairman Dr. R. Emerson Sylvester and Recreation Commissioner John B. Penney.

The letters addressed to

"Dear Newton Neighbor," read in part as follows:

"We are again asking for your help! This year we hope to provide Halloween Parties for nearly 22,000 Newton School Children.

"This is a city-wide program. It saves you money each year by keeping vandalism and property damage to a minimum, and it also provides good, clean fun for all Newton children.

"Please, give us your support! Your contribution is tax

High School Grid Teams Seek Win

The football teams of Newton High School and Newton South High, both defeated in their opening games last week, hope to get back on the victory trail Saturday.

Chairman Freedman Reported Improving

School Committee Chairman Haskell C. Freedman is making an excellent recovery after a recent mild heart attack and expects to resume his normal School Board duties at the first meeting in November.

Newton High's Tigers will journey to Brockton to clash with a formidable Brockton High aggregation.

Newton South's Lions will meet Framingham North at Dickinson Stadium with the kickoff scheduled for 1:30 Saturday afternoon. The game at Brockton will start at the same time.

Of the two Newton teams, Coach Jim Ronayne's Newton High pupils have the tougher assignment on Saturday as they attempt to regain their winning ways.

Brockton defeated Quincy 14-6 last Saturday and will not

Ballot Questions To Be Condensed

An appropriation of \$1580 was voted by the Board of Aldermen at their meeting Monday night to cover the printing and mailing to every registered voter of a summary of the two referendum questions that will appear on the November ballot.

One question relates to approval of increasing the mayor's salary to \$20,000 per year.

The other would determine whether the voters approve of fluoridation of Newton's water supply.

City Solicitor Matt B. Jones will submit a draft of the summarized questions to the Board for its approval.

WILLIAM E. HOPKINS

Hopkins In Contest For Re-election

Alderman William E. Hopkins of 11 Willard St. is standing for reelection as Alderman-at-Large from Ward 7.

Hopkins is now serving his second term as Alderman. Before his election to the Aldermanic Board, he was chairman of the Planning Board and the Park Commission for many years, receiving his appointments during the administrations of Mayors Gibbs, Whitmore and Lockwood.

He is chairman of the Aldermanic education committee and a member of the public buildings, franchises and licenses, city planning, workmen's compensation, and Kendrick Fund committees.

Hopkins reports that during the time he has been on the public buildings committee he has inspected all but a few of the public schools, libraries and playgrounds in the city and has actively promoted conservation and upgrading of these facilities.

He declares that with his background as a registered professional engineer, he has assisted the school department in establishing needs for physical improvements at the schools.

Alderman Hopkins asserts that now that modern facilities have been provided for the large increase in school enrollment on the south side of the city, he has promoted equalization of opportunity in the schools by the replacement, renovation and enlargement of the schools on the north side.

He introduced a resolution in the Board of Aldermen this year which was instrumental in securing appointment of architects for study of remodeling and enlargement of the Bigelow and Day Junior High Schools.

Current considerations in which he has an active part

are the building of new fire stations on Commonwealth ave. and Washington st. and at Newton Corner.

He points out that he has worked in favor of extension of workmen's compensation among city employees and that he has advocated the principle of higher wages for improved performances of service resulting in overall economy.

Alderman Hopkins has resided in Newton for 26 years and has been active in community affairs since 1948. He is a director of the Newton YMCA having been chairman of youth work involving their Chickami, Massasoit and Frank A. Day camps. He has served as chairman of Troop 22 of the Boy Scouts, as president of the Underwood PTA, as a member of the Newton Community Council and as

president of the Newton Improvement Association.

During his eight years of service on the Planning Board he promoted enlargement of that function in the city government, upgrading of the city ordinances covering subdivision control and zoning requirements and the development of new ordinances which give the city better control of land uses.

As a member of the Aldermanic committee on city planning he conferred with the planning consultants concerning the development of their report on the Community Renewal Program.

Alderman Hopkins expresses the belief "that the controlled redevelopment of Newton Corner and West Newton must be pushed at this time in view of the many changes caused by the toll

Crime and Television

As one video wit said "It's the hottest thing on television. This is 'The Untouchables' for real."

He was lightly alluding to the top banana on the new fall season of better network fare—Senator McClellan's Senate Sub-Committee crime hearing starring Mr. Joseph Valachi.

Can this be the stark story of big-time crime and the steel-nerved, icy-eyed men who roam the underworld jungles?

Joe Valachi, a gentle, demure, cold-blooded killer and avowed assassin of the bizarre Cosa Nostra, projects a television image less sinister than some of the Senators who confront him.

Whatever happened to the suave, well-tailored gentlemen who so often have been screened as the king-pins of the gangster world? Valachi and his hoodlums are illiterate, uncouth and brutal men. He publicly discusses a series of major crimes with the deadly intonation of a genial grandfather recounting his 9-holes on the local golf course.

Even, the Olympian members of the U. S. Senate often veer to the jocular in their tete-a-tete with the amazing former "soldier" and they drop the strange Valachi mentality with an almost small-boy amazement. Some viewers come away with the feeling that the Senators are as titillated as kids reading an old-time "dime novel" out behind the barn.

Is this television coverage worthwhile as family viewing fare? Many people question its value as a crime deterrent considering the slanted interpretations placed on such exhibitions by the mentally deficient, criminally inclined.

Somehow, the viciousness, brutality and complete disregard for society and its laws as lived by Valachi and his Cosa Nostra associates fail to seep through to the public mind in this particular television Senate spectacular.

Maybe it's Joe Valachi, who looks more like a retired fruit peddler than a hardened killer and criminal. Maybe it's Senator McClellan who often behaves more the comedy straight-man than an aroused defender of public morals.

The stench and horror of the nation's mounting crime problem just doesn't smash through with the impact needed to help prevent any repeated and constant duplication of the awesome story, as recounted with inoffensive illiteracy by Mr. Valachi.

And, if this is our answer to Britain's recent and fragrant scandals, Joe Valachi needs new writers.

Request Letters Of Some Brevity

The Newton Graphic welcomes letters from its readers and considers them an important item in putting together a complete community newspaper.

However, because of space commitments it is necessary to caution writers to hold their letters to a reasonable length. A page and a half of typewritten paper double spaced and using one side of the paper usually is acceptable.

Letters should be typewritten if possible, or written in a legible hand, and must be signed.

The Graphic realizes that many readers entertain strong feelings with regard to certain local plans, programs and problems but brevity still can be used to good advantage in a concise, well written letter.

LETTERS

Thanks Newton Workers

The Editor,
The Newton Graphic:

I would like to borrow a few inches from The Graphic to express my deep thanks to the many citizens of Newton who helped secure over 2,000 of the 112,282 signatures on the Legislators' Pay Raise Referendum Petitions. These citizens, by giving up hours of their time to this drive, have helped prove that Democracy still works, and that the people are the masters of the Legislature, not the Legislators' servants.

To William Bruce of 934 Centre Street, who handled the huge task of co-ordinator for Newton, I owe a special debt of thanks for his many hours of service organizing and directing the drive in his home city. The fact that Newton turned in 2,377 signatures is a credit to Mr. Bruce and proof of his dedication.

PAUL J. KELLEY,
Executive Director for "Referendum"

Praises Colbert Column

Editor:

I generally read Mr. Colbert's column with a great deal of interest. Many times I disagree with him, however, I must compliment him and fully agree with the stand he has taken in the September 19th issue of the Graphic wherein he discusses the problem of trucks on major highways.

I think we have all seen with apprehension the tremendous high speed with which trucks and buses travel on the major highways, and we marvel at the fact that more of these are not involved in terrible accidents.

I would like very much to see him continue unrelenting pressure towards the correction of these abuses along these lines.

Sincerely yours,
ALEXANDER S. BEAL

Where Can She Get Pure Water?

Editor,
The Graphic

It appears as though we shall have fluoridation with us at least until the end of the year. It would therefore seem to me to be very much in the public interest if you would publish an article explaining how one can obtain water free of fluorine.

As it is evident from the great opposition in this city to fluoridation, there must be many of us who would prefer, for one reason or another, not to use the fluoridated water.

These people, like myself, would like to know, I am sure, what other alternatives there are than buying the Belmont Spring water which constitutes quite an expense for a large family living on a small income.

I understand that methods for removing chlorine such as boiling or using a charcoal filter are not effective against fluorine. Is there some device which can be used to purify the water? How expensive would it be and how could it be obtained? If water is brought from a country well or spring, how should it be preserved? How long could it be kept, etc? Any suggestion along these lines would be greatly appreciated.

Sincerely,
Justine W. Kelliher
(Mrs. Giles C.)

Political Highlights

(Continued from Page 1)

News releases issued in Bellotti's behalf, however, have stated that he may all aim for the Governorship if Peabody should "lose popularity." Bellotti has refused to make any comment when questioned by newsmen as to whether he believes Peabody actually has lost popularity. That in itself has incensed some Peabody backers who have bluntly termed Bellotti "an ingrate."

What has left Bellotti most vulnerable to criticism is the grand style in which he has conducted his political excursions to receptions which are described as being held for the purpose of renewing old acquaintances and making new friends.

He travels in a State-owned Cadillac limousine chauffeured by a State trooper.

On a recent trip into the Berkshires, Bellotti was accompanied by nine employees from his State House office, in addition to his police officer-chauffeur.

The employees, all of whose salaries are paid with state funds, included a \$9950-a-year executive secretary, a \$5600-a-year state administrative coordinator, a \$5450-a-year project coordinator, a \$5200-a-year administrative assistant and five young women employees who receive lesser pay.

No Lieutenant Governor in all the history of Massachusetts has stamped the Commonwealth with such an entourage of employees paid with public funds.

In fact, no Lieutenant Governor in the annals of the State had as big a staff as does Bellotti.

On the basis of cold figures Mr. Bellotti is the most expensive Lieutenant Governor Massachusetts ever has had.

Earlier this year, he persuaded the Legislature to add about \$18,000 to the budget for the operation of his office, boosting it to \$49,600.

Why Bellotti needs aides to money to run his office when the only duties delegated to him by law are serving as a member of the Executive Council and sitting in for the Governor when he is absent from the Commonwealth, remains a mystery.

Bellotti convinced the easily persuaded Legislature at the time that he needed four more employees in his office, one of them an administrative assistant for "intensive and extensive research in the field of legislation," another who would do "departmental research."

Why Bellotti needs aides to make this type of research puzzles Beacon Hill onlookers almost as much as does the fact that the Legislature gave him the money he requested.

Bellotti's barnstorming journeys are likely to continue to draw brickbats if they follow the present trend. And the people certainly have a right to wonder about the free-handed manner in which their money is spent for the operation of the Lieutenant Governor's office.

Peabody Not To Lack Democratic Opponents

Lieutenant Governor Bellotti, of course, has a right to oppose Governor Peabody if he chooses to do so.

Relations between Peabody and Bellotti, which were once extremely cordial, are understood to have cooled to the frigid point.

It is Bellotti's method of campaigning rather than the fact that he may challenge Peabody which is the real basis for the criticism directed at him although the Peabody partisans understandably are angered by the obvious implication when Bellotti refuses to say whether he thinks Peabody's popularity has fallen.

Regardless of the office on which Bellotti finally sets his sights next year, Peabody is not likely to lack for opposition within the Democratic party when he seeks renomination.

Middlesex County District Attorney John J. Droney is planning to stand against Peabody.

State Treasurer John T. Driscoll has been importuned by supporters in all sections of the Commonwealth to move into the gubernatorial fight.

Driscoll, who would be an extremely formidable candidate for the Governorship if he decided to make the run, has remained silent and has given no hint as to his political plans for 1964.

Another prospective opponent against Peabody is State Senator Kevin H. Harrington of Salem who more than any other single individual was responsible for swinging last year's Democratic State Convention to Peabody.

Harrington, who is extremely popular with his colleagues on Beacon Hill, was the only prominent public figure in Peabody's camp prior to the convention.

Without the votes Harrington swung, Peabody would not have received the convention endorsement which led eventually to the Governorship.

Now Peabody and Harrington have split, and Harrington is seriously considering running against the man he did so much to put in the Governor's chair.

Harrington is an able and articulate Senator. He has an excellent voting record in the upper legislative chamber. He is 6 feet 9 inches tall and makes a striking appearance.

He would not be a candidate to be taken lightly if he steps into the gubernatorial contest.

First showings: the 1964 Lincoln Continental.
Discover the greater spaciousness behind its classic profile.

When you inspect the new Continental you will discover why more than half the people who buy in our price range choose the Continental.

Notice the greater passenger room.

Come in, and inspect the new Continental yourself. Its profile is only three inches longer than in 1961-2-3. Yet you will find a roomier rear compartment, with four inches more leg room and 2.5 inches more knee room than in 1963. This makes for twice the knee room of the 1961 and 1962 Continental. And the luggage compartment is 15% larger, for a total increase of 33% over 1961-2.

But with all this added space, the Continental retains all the qualities that set it apart from every other automobile:

1. Timeless styling is a prime reason the Continental retains so high a value.
2. The Continental is available in just two models: the sedan and the convertible. There are no lower priced models, because there is no compromise of its standards to offer lesser versions.
3. Both the sedan and the convertible have four doors opening at the center for the easiest entrance. Continental offers the only American four-door convertible.
4. The unusual rigidity of integral construction contributes to its unequalled ride.

5. Within, virtually every luxury is included as standard equipment.
6. The Continental also includes full power auxiliaries as standard equipment.
7. The Continental is built at Wixom, Michigan, in a special plant which sets the world's highest standards of precision automotive engineering.
8. No other car is so thoroughly tested. Every Continental must pass 189 road performance tests in addition to thousands of examinations and inspections during manufacture.
9. The Continental is uniquely free from maintenance. It is constructed to last.

Before you decide on your next automobile, drive the Continental. It is the world's finest automobile. Please call us, and we will be happy to arrange a demonstration at your convenience.

Fluoridation Gets Added Local Assist

Newton's \$115,000 water fluoridation system, now in operation, was given added support this week by twenty-five prominent local citizens joining the educational campaign begun by the Newton Citizens Committee for Dental Health.

The system is under fire by opponents of the program which will be abandoned if petitioners for a November 5th referendum are successful.

The group of 25, many of them prominent in local church, government, school and welfare activity, were named to the advisory board of the dental health committee, which has already enlisted the active endorsement of 140 physicians and dentists in Newton.

In addition, fluoridation in Newton is supported by the Newton - Wellesley Dental Society; Charles River District Medical Society; Newton Board of Health; Gov-

erning Board, Newton Community Council; Newton Pharmacists Association; Newton Tuberculosis and Health Association; and Newton Visiting Nurses Association.

The 25 Newton citizens are: Mrs. Henry Whitmore, Jr., honorary chairman; Alan S. Barkin, George P. Buell, Douglas C. Danner, Irving Fishman, Rev. Harold R. Fray, Jr., Mrs. Winifred N. Geiger, Mrs. William P. Giles, William M. Glovsky, Mrs. Emanuel Goldberg, Mrs. Arno H. A. Heyn, Mr. and Mrs. Richard F. Jarrell, Rev. Thomas Lehman, Joel B. Leighton, Richard H. Chorus Meets For Rehearsal On October 8

Chandler Gregg, well-known choral director, has been appointed music director of the Newton Community Chorus, according to the announcement by Thomas Brehm, president, as the organization begins another season.

The first weekly meeting of the new music year was held at Newton Junior College Music Annex on Tuesday, September 24.

"Our main purpose is the enjoyment of singing," said Mr. Brehm, "and we enhance this individual pleasure by also singing at hospitals, homes for the aged and hospitals for retarded children," Mr. Gregg added.

"This requires a varied repertoire, and makes our weekly rehearsals more enjoyable. We want people to join without the pressure of auditions. The rest takes care of itself."

Those interested are invited to attend the next weekly rehearsal at 7:45 p.m. on Tuesday, October 8, at the Newton Junior College Music Annex, Washington Park, Newtonville, or call Mrs. Miller at BI 4-4424.

NUF Women To Gather Oct. 7

Newton Upper Falls Woman's Club holds its first fall meeting in the Emerson School all-purpose room Monday evening, October 7, at 7:45 o'clock.

Mrs. Otis R. Fischer will give the Invocation. Mrs. John J. Donoghue will report on the Swampscott convention. A reception will be held for new members.

A colorful do-it-yourself program, "Heritage of Flavor," will feature a movie in color, games, prizes and recipes.

Chairman of the evening will be Mrs. George E. Eames. Mrs. Alfred S. Carroll will be hostess. Pourers will be Mrs. Harry H. Brookins and Mrs. Louis DeSimons.

Newton board of trustees. The invocation was given by Dr. Frederick M. Meek, minister of Old South Church, Boston, and president of the Andover board of trustees.

Guests at the dinner saw the premiere showing of the Andover Newton sound color motion picture, "For a Learned Ministry in Today's World" and received copies of the school's new brochure, "Landmarks for the Future," which includes color sketches of the four proposed buildings designed by Robert Dean of the architectural firm of Perry, Shaw, Hepburn and Dean.

Announcement of the development program was based on one of the most historic decisions made by the Andover Newton boards of trustees since the school's founding in 1807. The joint boards voted unanimously on May 8 to conduct this fund effort to satisfy the school's urgent new building and endowment needs. The trustees' decision incorporated two years of planning by faculty, administration and trustee committees.

As the result of a professional survey, the development program will have a challenge goal of \$2,500,000 and a minimum goal of \$1,200,000, with a long-range total of \$4,000,000 by 1970.

A leadership convocation for other Andover Newton friends, alumni and area ministers will be held on the seminary's Newton Centre campus on Friday, November 15.

Newton South High Students On Radio Panel

A panel of three Newton South High School students will take part in the "News Analysis of the Month" series sponsored by the World Affairs Council of Boston, and broadcast over Station WCRB AM and FM, on Sunday, October 13, from 7 to 7:30 p.m.

The students, David Kaufman, Franklin Pierce, James Murdock and Rachael Radio (alternate), will discuss Viet Nam, which they have chosen as the month's most important story in international affairs.

They will discuss and analyze this problem with Dr. I.

Ward 6 GOP Group Sets Member Drive

Wallace F. Forbes, president of the Newton Republican Club, today stated that the special membership program announced last Summer is now fully underway with a pilot mailing being completed in Ward 6 of Newton.

A committee under the chairmanship of William R. Haney, assisted by Mrs. Dennis E. Myers, a vice-president of the club, has sent invitations to membership to several hundred residents of the ward.

In the communication Mr. Forbes states that, "We feel we have accomplished a great deal over the years by keeping our community informed and by offering platforms and activities to make politics more than just something that we read about in the papers. Forbes points out that the club started the annual Newton Lincoln Day dinners which have become a major activity."

Upon completion of the committee's work in Ward 6 other wards will be similarly canvassed.

To Help Honor U. of P. Head

Richard T. Kanter of 60 Drumlum Rd., Newton Centre, as chairman of President's Day, will take a leading part in honoring Dr. Gaylord P. Harnwell on Saturday, October 5, when students at the University of Pennsylvania mark the 10th anniversary of his becoming their president. Dr. Harnwell will be made an honorary member of Kite and Key in a ceremony on the day of the Pennsylvania-Dartmouth football game.

Den Mothers, New Members Sought By Cub Scout Pack

Emil Wenning, Newton Cub Scoutmaster, Thomas Ward, assistant Cubmaster, and Thomas Doyle, representing the Norumbega Council Boy Scout headquarters, met with an interested Parents' Committee on Wednesday, September 25th, to activate this year's Cub Scout Pack 243 program.

The Hyde School P.T.A., sponsoring organization for Pack 243, has designated Ralph S. Sisson as institutional representative to maintain liaison with the Scout group. Pack 243 has elected Joseph A. Alexander chairman of its managing committee.

Other officers are Marcus G. Grodberg, treasurer; Robert J. Quinlan, executive committee member; John J. Tedeschi, manager of transportation; Charles Adcock, entertainment director; and Helen Ward, secretary.

Present den mothers are Mrs. Joan M. Monahan, Alice Merian, Jean P. Thompson, and June D. Wenning. Mrs. Wenning pointed out that more volunteers were needed to help out as den mothers or assistant den mothers for new

dens forming and for one existing den which will not be able to function unless a den mother is found for it.

There is still time for boys 8 to 10 years old to join these groups. Den meetings start soon at each den mother's home. Pack meetings are expected to be held at the Bee-thoven School starting on or about October 25th, but parents are advised to have their den meetings prior to that date — usually once a week after school. For further information, applications forms, phone Mrs. Manning at 969-7614.

D. L. Daniels Of Waban On Pension Plan Panel

Donald L. Daniels, C.L.U., of Waban, senior consultant for Estate Planners Association, 200 Boylston St., Chestnut Hill, was a principal panelist at the recent national convention in Chicago of the major pension planning companies.

He discussed the several recent cases described in his article on "Trust and Estates" in the July "Digest of Tax Articles."

Voice Of Women Here Sponsors Moscow Circus

Newton Voice of Women will stage a benefit performance of the Moscow Circus on Sunday, October 13.

The circus is in this country under the auspices of the U. S. State Department Cultural Exchange program. At the same time, one of our circuses is touring the Soviet Union.

The idea for International Cooperation Year, adopted for 1965 by the United Nations, was initiated by Voice of Women, and the members hope that this circus tour will be the first of many international visits by women from all parts of the world.

Proceeds from the circus ticket sale will be applied to a fund being set up to entertain 12 women from the Soviet Union who will tour the Eastern Seaboard in November.

All those who are interested in seeing Popov the Clown, the famous Bear Acts, and many more exciting spectacles, in addition to helping further international relations on a people-to-people basis, should call Mrs. Mindel Shore, 969-6939, before Oct. 9.

Newton women who are active in VOW include Mrs. Kay Stein of Druid Hill Rd., president of the New England Voice of Women, and Mrs. Edmund Berkeley, Otis St., Newtonville, president of the Voice of Women-Newton.

Pharmacy Ass'n

Northeastern University's student chapter, 150 strong, formed among students of the new College of Pharmacy, was accepted into the American Pharmaceutical Association in the recently-opened Life Science Building at noon today (Thursday).

Stop & Shop Position For Carol Goldberg

Carol R. Goldberg of Brookline has been named director of advertising and sales promotion, it was announced by Donald A. Gannon, executive vice president of Stop & Shop Inc.

Mrs. Goldberg joined the firm in 1958. Since then, she has had responsibility for consumer relations, store communications, and publicity; and, for the last year, has been manager of sales promotion. In her new capacity, she will have overall responsibility for the company's advertising, sales promotion, and public relations programs.

Before joining Stop & Shop, Mrs. Goldberg was active for several years in retail fashions, working with department stores as well as free lance in the Boston area. Her last position was troussseau coordinator for Joseph Magnin of San Francisco.

A graduate of Tufts University, where she received her B.A. degree, magna cum laude, in 1955, Mrs. Goldberg is a member of the Tufts President's Council, member-at-large of the board of the Greater Boston Council of Girl Scouts, and a board member of the Young Women's Division of the Combined Jewish Appeal.

Mrs. Goldberg lives at 37 Hyslop Road, Brookline, with her husband, Avram, and her two children, Deborah, 9 years old, and Joshua, who is 6.

Local Woman Is Chairman Of Luncheon

Mrs. Ralph L. Karol of Newton Centre has been appointed chairman of the Beth Israel Hospital Women's Auxiliary 37th Annual Luncheon to be held at the Hotel Bradford October 21, 22, and 23.

Mrs. Karol has been actively identified with luncheon programs for many years. She served most recently as chairman of hostesses for the 1961 and 1962 luncheons.

Mrs. Karol this week announced that proceeds from this event will benefit the renovation and reconstruction of the Emergency Unit and Out Patient Department, for which the auxiliary has pledged 500,000.

FALL PLANTING TIME!

Now is the time to plant for fall and winter enjoyment
Take advantage of the long growing season
For better spring and summer showing next year

Professionally planned selection and placement
Of a bit of fence, a tree,
A harmonizing shrub border,

Will give years of pleasure
And enhance the individuality of your home

I have had much training and experience
And should love to help you.

WELCOMED TO 25-YEAR CLUB—Newton residents receive Paul Revere bowls in recognition of their quarter century of service with John Hancock Mutual Life Insurance Company. Left to right, F. Lloyd Gilroy, Paul E. Tierney, Mrs. Marion E. Carpenter, and Mrs. Greta P. Parkinson. Raymond A. Bowman, club president, at right, makes the presentations.

Honored For 25 Years Service In Insurance

Four Newton residents, one a second vice president in the firm, were among those honored with membership in the Quarter Century Club of the John Hancock Mutual Life Insurance Company, at a dinner held in Boston's Sheraton-Plaza Hotel recently.

Receiving Paul Revere bowls in recognition of their 25 years of service were Mrs. Marion E. Carpenter, 72 Homer St., Mrs. Greta P. Parkinson, 15 Beech St., F. Lloyd Gilroy, 9 Burdean Rd., and Paul E. Tierney, 1611 Center

who were welcomed at the dinner by Byron K. Elliott, president and chairman of John Hancock. Raymond A. Bowman, president of the club made the presentations of the silver bowls.

Over 740 members of the 25-year service club attended the dinner. They represent a combined total of over 25-thousand years of service to the insurance firm.

KC-ettes Begin Season's Events

Mrs. Barbara McLellan, Mrs. Elaine Calabro, Mrs. Gloria Mead and Mrs. Mary Cacuzzo, president, vice president, secretary and treasurer, respectively, of Newton's KC-ettes, welcomed many new members at their recent meeting that opened the season.

A number of interesting future activities were discussed, among them a box lunch social, a rummage sale, a demonstration dinner and a car wash.

Their bowling league, under the chairmanship of Mrs. Nellie Tambascia, has also begun its season, with many new teams this year. A banquet and presentation of trophies is planned for the season's end.

Community Center Lists Varied Activity Program

The activity list at the Newton Community Center for 1963-64 is now available upon request at the agency.

Among the activities scheduled for youngsters up to 12 years of age are a formal nursery program, dance school, and baton school. Classes and clubs are quite varied with some of these being: Kiddie Klub for children up to 6 years of age, friendship clubs for youngsters up to 12 years of age in the afternoon, mainly arts for boys, woodworking, sports clinics, modeling (airplane, automobiles, etc.), arts and crafts, art, cooking, sewing, and knitting.

Anthony J. Bibbo, executive director of the Center, stated that both the Kiddie Klub and Friendship Clubs for youngsters are new to the Center this year. The Kiddie Klub is scheduled for boys and girls 4-6 years of age. The activity is varied to meet individual needs. Nursery facilities and equipment are utilized.

In commenting on the friendship clubs, Mr. Bibbo stated that children will be put into groups with other youngsters within their own chronological age and sex. Activity will vary with athletics, arts and crafts, and trips among some of the things groups will involve themselves. Children will have an opportunity to share in planning of their program, meet new friends, and participate in exciting and varied type activities.

Teenage program will center around three specific areas. Dances are scheduled for Friday evenings. Friendship groups, both those already formed and those to be formed by the Center will be assigned adult leadership and then be scheduled to meet at a time which is convenient for the group members. The friendship groups will participate in both the planning and carrying out of their own program.

The athletic program for teenagers will focus in two specific areas. A sports clinic for individuals up to fourteen years of age is scheduled for

Saturday mornings. A second area is that of basketball and organized games on Thursday evenings at the Warren Junior High School. The Center will also sponsor teams in the Newton Recreation Basketball League over the winter months. Center teams will also participate against squads from Cambridge, Somerville, and Dorchester.

Activity for senior citizens is scheduled for Monday afternoons beginning at 1 p.m. This is a friendly, warm, sociable, and enjoyable club open to all senior citizens both male and female. Among some of the activities are parties, movies, discussions, activity planning, and cards. This year's first meeting included refreshments and an exciting movie. Mrs. Grace Lepore of the Center staff is meeting with the Seniors this year.

Among some of the adult activity planned thus far are the mothers club, the arts and crafts group, the art group, the golf school, the sewing class, and cake decorating class. Mr. Dan Meany, popular golf professional will head the golf school. Classes get underway on Wednesday evening, October 9th. Three classes are scheduled with the first at 6:30 P.M. Other classes will follow at 7:30 and 8:30 with each class running for one hour.

Mrs. Ruth Lucas is heading the cake decorating class which is also scheduled for Wednesday evenings. Mrs. Marie Riccio will instruct the women's sewing class to be held on Monday mornings beginning on October 14th.

For additional information with regards to the Center program, please visit the Center at 429 Cherry street in West Newton or phone 244-2260.

the retired workers the other half.

Another recommendation of the Mayor that would pay 50 percent of the premium cost of group life insurance issued to retired city employees, received Aldermanic okay.

Also adopted were recommendations of the street commissioner for transmitting cost of work done in Albert Rd., Ward 4; Country Club Rd., Ward 8; Manitoba Rd., Ward 5; Mary Mount Rd., Ward 4; Mt. Alvernia Rd., Ward 6; Pine Ridge Rd., Ward 5; Roberta Rd., Ward 4; Doris Cir., Ward 1, and White Ave., Ward 6. The total amount involved is \$179,931.89.

A petition of Salvatore F. Madaglia for extension to his one-bay lubrication at 1010 Chestnut St., Newton Upper Falls, was approved with the usual restrictions relative to advertising signs and exclusive use of the service station for selling gasoline and servicing cars.

Denied was a petition of Newton Foreign Auto Imports, Inc., for installation of 400-watt floodlights at 1180 Washington St., Ward 3, in Business B district.

Just prior to adjourning the meeting at 11:15 p.m., President Bauckman read a communication from Haskell Freedman, chairman of the School Committee, who expressed appreciation of the members' good wishes for his return to good health, and in which he said that he would return to his School Committee duties "about the middle of November." Mr. Freedman has been absent from his duties because of a mild heart attack that confined him to Beth Israel Hospital.

Alderman Ernest F. Dietz' motion that a message of condolence be sent to the survivors of former Alderman Maynard Hutchinson was approved by the Board.

Lee Loumos Says:

I am happy to announce that the addition to our new (but historically very old) building, has come to a happy ending, and we are now ready to receive you through our front door. Many thanks to all who put up with our growing pains.

You may be interested to know, that in enlarging our new premises, we have been able to preserve the old building, which was the original Newton Post Office, in the Lower Falls.

In keeping with our early American environment, we intend to display the largest possible selection of colonial styled Television and Hi-Fi Phonographs. I am sure that our building and merchandise will be of particular interest to lovers of old-America.

As you may know, we have closed both our West Newton and Wellesley Hills stores, and have consolidated our operation at this new address. (2306-10 Washington Street, Newton Lower Falls.)

19 Boston Traveler 63 SCHOLARSHIP AWARDS PROGRAM

Open to all High School Students
Grades 10, 11, 12 in Mass.

THE BOSTON TRAVELER Scholarship Awards have been created to promote greater interest in the study of current events and to benefit deserving high school students seeking a higher education.

THREE individual grants in the amounts of \$3000, \$1500 and \$500 will be made on the basis of grades attained in a series of tests based on material published daily in The Boston Traveler. Sixty-five merchandise prizes also will be awarded.

THE SECOND in a weekly series of 10 multiple-choice answer tests — prepared by a Boston University teaching fellow — will appear in The Traveler on Monday, October 7, 1963. A Master Test will be published on Monday, December 9.

ANSWERS to these tests will be mailed to The Traveler. Entrants scoring the highest grades will be required to take a monitored test at a place to be designated later.

SCHOLARSHIP AWARDS will be made in the form of four equal annual installments. The payment of each will be made only upon presentation of proof by the winners that they are enrolled in accredited institutions of higher learning at the time the installment payment is due.

Test No. 2 will appear Monday, October 7, in The Boston Traveler

Ronald Rucker and Bride Living On West Coast

Now making their home at 2315 Parker street, Berkeley, California, are Mr. and Mrs. Ronald Eugene Rucker (Nancy Turtle). They exchanged vows recently at the Appleton Chapel at Harvard University.

Dr. and Mrs. William J. Turtle of 130 Dudley road, Newton Centre, and Mr. and Mrs. Eugene Rucker of Whittier, Calif., are the couple's parents.

The Rev. Howard Dunbar officiated at the 4 o'clock afternoon single-ring service. A reception was held at the home of the bride's parents.

Given in marriage by her father, the bride wore a white embroidered Swiss organdy gown. Her veil was made of sheer French illusion and she

carried white roses and stephanotis.

Miss Penelope Pope of New Haven, Ct., was her cousin's sole attendant.

Thomas Pasqua of Whittier, Calif., served as best man. John P. Turtle of Newton Centre, brother of the bride, joined William E. Valente of Tulsa, Okla., as ushers.

The bride is a graduate of the Winsor School, Radcliffe College and Harvard University, where she received her master's degree in music.

Mr. Rucker, a graduate of Pomona College, received his master's degree in music from Harvard University. He is now doing graduate work in library science at the University of California.

Home Reception Followed Long - Riley Wedding

A reception at the home of the bride's parents followed the recent marriage of Miss Kathleen Marie Riley to William P. Long, which took place recently at the Sacred Heart Church, here.

The bride is the daughter of Mr. and Mrs. John T. Riley of 74 Kenwood avenue, Newton Centre. Mr. and Mrs. John A. Long of 136 Ridge avenue, Newton Centre, are the bridegroom's parents.

Celebrating the 10 o'clock nuptial mass was the Rt. Rev. William Long, who also performed the double-ring ceremony.

Given away by her father, the bride wore a long sleeved shirtwaist gown of white silk organza accented with a pale blue cummerbund. Inserts of French re-embroidered lace marked the bodice. The full skirt terminated in a chapel-length train.

A shoulder-length veil was caught to a self-material flower. She carried a bouquet of stephanotis.

Miss Martha E. Riley of Newton Centre was honor maid for her sister, Mrs. Clement Kacegeris of Newton was matron of honor. Miss Gertrude Long of Newton Centre, sister of the bridegroom, Miss Martha McKenna, also of Newton Centre, and the Chandler School for Women.

A graduate of Newton High School, the bridegroom is now attending Boston College.

Anne Bossi Future Bride Of Robert Troie

Announcement from Mr. and Mrs. Quentin A. Bossi of Darien, Ct., comes the announcement of the engagement of their daughter, Miss Anne Nicoll Bossi, to Robert Renfrew Troie. He is the son of Dr. and Mrs. Fortunat A. Troie of Newton Highlands and North Eastham.

A graduate of Abbott Academy and Middlebury College, Miss Bossi attended the Yale University School of Drama. She was presented to society at the Darien-New Canaan Cotillion in Darien during the 1958 season. She is the granddaughter of the late Dr. and Mrs. Arnold L. Bossi of North Adams and Dennis and the late Dr. and Mrs. Matthias Nicoll, Jr., of New York City.

A June wedding is planned.

Ruth P. Reynolds Married To Mr. Lyndall F. Carter

Ruth Plummer Reynolds of Weston and Lyndall F. Carter of Waban, president of the William Carter Company, Needham Heights, were married on Saturday, September 21, in the First Parish Church of Weston.

The marriage, at which Rev. Miles Hansen, Jr., officiated, was announced by the bride's mother, Mrs. John D. Plummer of Weston, formerly of Springfield.

Mr. Carter is the grandson of the company's founder, William Carter, and son of the late Horace A. Carter, whom he succeeded to the presidency of the 98-year-old company in 1959.

He was graduated from Phillips Exeter Academy, Williams College and the Harvard Graduate School of Business Administration.

Mr. Carter is a member of the board of directors of the Underwear Institute and served as its chairman for two years. During World War II, he was secretary, then chairman of the OPA advisory committee for the underwear industry.

He is a past president of the Rotary Club of Needham, a director of the Needham National Bank and of the United Fund of Greater Boston, and a trustee of the Modern School of Fashion Design, Inc., Boston.

Both Mr. and Mrs. Carter were widowed in former marriages.

Six From Here Enter Pembroke

Six Newton residents have been enrolled as freshmen at Brown University's Pembroke College.

Those who prepared for college at Newton High School are Diane K. Sones of 19 Holden road, West Newton; Beverly J. Alpert of 34 Whittier road, Newtonville; Marsha A. Hurst of 8 Devon terrace, Newton Centre, and Laura M. Cerf, 193 Ward street, Newton.

Newton South High School graduates are Deborah J. Glaser, 133 Woodcliffe road, Newton, and Jane E. Rosenthal, 21 Indian Ridge road, Newton Centre.

Teams

(Continued from Page 1)

be an easy foe for the Tigers who in their losing game with Everett had not yet jelled into a smoothly operating team.

Newton South, on the other hand, will be a heavy favorite over Framingham North which was beaten 22-0 by Weston last week.

The Newton South Lions missed victory by inches and seconds in their game with Fitchburg High last Friday. They were a mere six inches from the Fitchburg goal line when the final whistle ended the encounter and left them on the short end of an 8-6 score.

Despite their loss to a powerful Everett team, Newton High School shapes up as a strong football team which will win its share of games this season and may start doing exactly that this Saturday.

Despite the 20-8 score, the game with Everett was no one-sided affair, and Everett was not certain of victory until late in the contest.

Newton played a sluggish first half, had difficulty puncturing the big Everett defensive unit which averaged 225 pounds from tackle to tackle and failed to penetrate Everett territory at any time during the half. Yet at half-time Everett led only 6-0.

The Tigers started the second half with a surge as Marty O'Gorman raced the kickoff back 35 yards to his own 49-yard line, and full-back Ron Arra burst off-tackle for nine yards.

Then the Newton attack faltered, and Ken O'Connell punted to the Everett four-yard stripe. Everett marched back for its second touchdown, with quarterback Will Tatarounds diving across for the score. The conversion attempt failed, and Newton trailed 12-0.

Newton fought its way to the Everett 20 but then surrendered the ball to the Crimson tide after three incomplete forward passes.

The Tigers held Everett for downs, took the ball on their own 39-yard line and launched a drive which culminated when Sam Rosenberg swept across for a touchdown after catching a pass from O'Connell.

O'Connell passed to O'Gorman for a two-point conversion. At that stage the score was 12-8 in favor of Everett, and it was anybody's game.

But the rugged Everett team took the ensuing kickoff and in 10 plays scored its third touchdown which sewed up the game, adding a two-point conversion.

Coach Jim Ronayne was obviously disappointed at the trend of the game and observed that his boys had been "outmuscled." Everett Coach Moody Sarno thought Newton had a good team and will be tough to beat.

It's possible that Everett, the defending Class A champion, will be the strongest team Newton will meet all season, and brighter days should be shaping up for the Tigers.

Newton South showed its inexperience and suffered an acute attack of opening-game jitters, yet almost defeated Fitchburg High.

The Lions surged to a touchdown the first time they received the ball, the score coming on a neatly executed pass from quarterback Ted Clarke to end Mark Young, the play covering a total of 48 yards.

Fitchburg came back to tie the score after a sustained march following the next kickoff.

At halftime the count was deadlocked at 6-6. A safety which was the margin of victory for Fitchburg came in the third period after Newton South had held for downs on its four-yard line. Chuck Spear was tackled behind his own goal line.

The Lions roared back in the final period and just missed a second touchdown. Coach George Winkler had words of praise for several of his players, including Clarke and Young who teamed up for the touchdown, but did not think his team played well enough to warrant a victory.

It should be a different story for South on Saturday.

Comet Caliente

This is the beginning of a new kind of Comet. Hot, husky, handsome—top series in Comet's '64 lineup. Engines range up to a 4-barrel Cyclone 289 cu. in. V-8 in all Comets. "Caliente" means hot... in Spanish. And this new Comet speaks the language. It looks hot. And it is! Your choice of four engines provides the punch. The topper is a big Cyclone 289 V-8—most responsive in Comet's field. More choices.

Now Comet offers 3 series...
the top-of-the-line Caliente, and the economical 202 and 404 series. Ten models... all bold and racy. A wide transmission choice, too, including a smooth, silent, new Multi-Drive Merc-O-Matic—unmatched at the price.

Elegance at a compact price
Prime example of Comet's new elegance is the Caliente, with the warm look of walnut on the interior trim... plus lavish biscuit-pattern upholstery.

Power steering... power brakes...
AM-FM radio... air conditioning... every luxury option is available in the new Comets. You can even get... but no! Ask your Mercury dealer about it. Soon.

There will be a rummage sale Saturday, October 19, and members are asked to leave donated articles at the Parish House, or call Mrs. Baker at LA 7-6460.

Parents of Church School children are invited to remain in church on Sunday, October 20, in order that Mrs. Hunt may speak briefly of the school's plans.

It is announced that the Carillon Fair, scheduled for Nov. 15 and 16, is in need of jewelry boxes, flower containers (not pots), white elephants, candy and food, and remnants, lace and buttons.

MR. AND MRS. MAXWELL C. WILLS
Maxwell Wills And Bride Living In West Newton

There were guests from Colorado, Indiana, Vermont and Connecticut at the recent marriage of Miss Pauline Leona Smith to Maxwell Clark Wills.

The bride is the daughter of the late Mrs. Marion E. Smith of Wellesley. Mr. and Mrs. Maxwell B. Wills of Newton Upper Falls are the bridegroom's parents.

The altar of Christ Church Methodist in Wellesley was decorated with white gladioli and chrysanthemums for the pretty 3 o'clock afternoon service. The Rev. Guy Morrison officiated at the double ceremony.

Given in marriage by Mr. George Dewnap of Newton, the bride wore a sheath made of silk organza marked with jeweled Alencon lace and fashioned with a scoop neckline, long petal-point sleeves and a detachable bouffant train.

A matching lace crown held in place her elbow-length illusion veil. She carried a bouquet of miniature carnations, stephanotis and ivy.

Mrs. Charles Dozois of Natick was matron of honor for her sister, whose other attendants were Mrs. David Keyes and Mrs. David Jackson will be hostesses, assisted by Group One.

The day chairman will be Mrs. LeRoy Faulkner. Mrs. John Draper of the Congregational Church will give the invocation.

The "Three Arts Trio," a program filled with interest and variety, demonstrating the relationship between music, poetry and drawing, will be presented through the courtesy of the Auburndale Cooperative Bank.

Two art corners will display arts and crafts of Scandinavian countries, collections of Mrs. Allard M. Valentine and Miss Lillian Birrell.

Coffee will be served at 1:00 p.m. Mrs. Richard Keyes and Mrs. David Jackson will be hostesses, assisted by Group One.

The Auburndale Woman's Club will hold its first regular meeting of the fall season at the clubhouse, October 9, 1963. This will be an open meeting—guests will be welcome free of charge.

After a honeymoon in the Adirondacks the couple are now living in West Newton.

The bride was graduated from Forsyth School for Dental Hygienists in Boston.

Mr. Wills attended Wentworth Institute and the Franklin Institute in Boston.

RECENT BRIDE — Mrs. George Warren Parker, the former Arlene Janice Postar, daughter of Mr. and Mrs. Henry Postar of Newton. Mrs. Parker, a graduate of Boston University, is now a teacher. Mr. Parker, a graduate of Dartmouth College, is in his second year at the Dartmouth Medical School. (Abdo)

Horace Mann School Seen Ready In 1965

A new Horace Mann School, to replace the one destroyed by fire last May, may not be ready for occupancy before September of 1965, the architect advised the School Committee last week.

Calling that date a "conservative and pessimistic estimate," David L. Morse of William Hoskins Brown Associates, said there was a possibility the 12-room elementary school could be ready by February or March of that year, but explained that construction would require 16 months at least.

Construction bids will be advertised Oct. 10, and bids will be opened a month later.

News of the delay caused Mrs. Norma Mintz, Ward 2 committee member, to express disappointment.

Buses have been unable to meet the schedule of the Horace Mann pupils who are attending the Carr, Stearns and Oak Hill schools and so to accommodate them, Charles E. Brown, superintendent of schools, has ordered that all buses will leave the Horace Mann School 15 minutes later mornings, and 15 minutes later afternoons. That

means 12:15 p.m. Tuesdays and Thursdays and 2:45 p.m. other days.

The new school site is on Watertown St. at Albemarle Playground. According to plans shown the committee by Mr. Morse, there will be an auditorium seating 225 and a gymnasium. The lower level will house an administration unit, health room, supply area and kindergarten. Classrooms will be on the second level. There will be parking space for 25 cars.

The architect explained that plans include provision for air conditioning, with a hot and chilled water system that allows for a chilled water cycle whose piping can be added at any time.

"Cinderella" To Be Staged Here Saturday

Curtain time for Theatre-crafters gay musical, Cinderella, will be Saturday, Oct. 5, at 2:30 p.m., at the Meadowbrook Jr. High School, Meadowbrook Rd., Newton Centre. This performance is sponsored by Stephens College Alumnae Club of Greater Boston.

Mrs. Gustav Konitzky, 33 Copley Street, Newton, and Mrs. Gene David Phillips, 512 Beacon St., Boston, are in charge of arrangements. Also helping with this project are: Mrs. Richard J. Butze and Mrs. Robert Pruyn of Wellesley, Mrs. Ronald G. Perry and Mrs. Joe C. Walker of Framingham, Mrs. John Moreton and Mrs. Lowell DeCoursey of Weston, Mrs. Sherman J. Crough of Dover and Mrs. Gerhard R. Schade, Jr., of Natick, Mrs. Hardy Thomas of Cambridge, and Mrs. William Gorham of Needham.

Much of the dialogue and songs are directed to include audience participation for the purpose of adding to the entertainment of the matinee audience.

Tickets are on sale at Garb Drug Co., Newton Centre, and Hubbard Drug Co., Newton Corner, or from Mrs. Gustav Konitzky, 33 Copley St., Newton, or Mrs. Richard J. Butze, 27 Skyline Drive, Wellesley.

Exams Set For School Cashier

Friday, September 16, is the last date for filing applications for a state civil service examination for the position of cashier in the Newton School system. The test will be held on Oct. 5.

The position's duties are described by W. Henry Finnegan, director of civil service, as follows:

"To total the cost of items purchased in a school cafeteria, receive cash, and make change quickly and accurately; to notify supervisor when cashier's supplies need to be replenished; at the close of lunch period, to prepare cash receipts for deposit and to keep the necessary records; to follow instructions accurately; to perform related work as required.

"The duties require a pleasant disposition and good appearance.

"Experience in cashiering is desirable."

GEORGE L. WHITE JR.

Alderman Post In Ward 1 Goal Of George White

George L. White, Jr., of 36 Walnut park is standing for election as Ward Alderman from Ward 1.

A lifelong resident of Newton, White, who is 26 years old, has an exceptional educational background.

He attended the Newton Schools, graduated from Holy Cross College in 1958, received the degree of Master of Business Administration at the University of Pennsylvania in 1962 and last June graduated from the Harvard Law School.

He presently is employed as a tax accountant in the Boston office of a national accounting firm.

"The face of Newton is changing," White declared in opening his campaign for a place on the Aldermanic board. "The construction of the toll road provides new evidence of this fact every day. And the years ahead will see more changes in the city as we try to solve the problems caused by the turnpike extension.

"These problems have no easy solution. But with a fresh attitude, we can meet our responsibilities and keep Newton moving ahead," White concluded.

Harold Chooljian of 18 Cheney St., Newton Upper Falls, received an award of \$20 for his suggestion that was adopted by Watertown Arsenal officials.

Printing Awards To Youngsters Of Warren Jr. High

Arriving belatedly last week at Warren Junior High School was news that two pupils of H. Ward Manghue, Graphic Arts instructor there, were among winners of awards at the first International Exhibit of Student Printing held at Macdonald College and the Graphic Arts Institute of Montreal.

There were several hundred entries from students of printing schools throughout the world. Twenty-two of the 47 awards for excellence went to U.S. students, and two of these were Donald Russo, son of Mr. and Mrs. S. G. Russo, 1595 Washington street, West Newton, and David Okuma, son of Mr. and Mrs. T. M. Okuma, 144 Hancock street, Auburndale.

Donald was given a first-place award under the greeting card section in the junior high school area. David won honorable mention in the same class. Both have received specially designed certificates.

Award winning entries are now being assembled by the

field on Lake Quicumquasset. 228 boys enjoyed an excellent season including weather, good staff and plenty to eat. Trips of interest were taken to Benson's Wild Animal Farm, Mt. Monadnock, and Sturbridge Village.

Camp Massasoit, the Y's building centered camp enrolled 193 different boys for the eight week season. Special events included trips to the Children's Museum, Stoneham Zoo, Walden Pond and Camp Chickami Cook out. Two special efforts for "World Service" were held. A "Bottle Drive" and a carnival.

Camp Chickami, located in Wayland, celebrated its 18th season by dedicating a new 75' x 30' swimming pool and a new administration building. The camp enrolled 240 different campers during the season.

James H. Rogers, chairman of the Newton Y.M.C.A. Physical Education Committee announced that fall Physical Education Classes at the Y would begin on Monday, Sept. 30th. A new addition to the program will be a men's exercise class that will be held every Monday and Friday

STUDY BOOK FOR PLAY — Mrs. Gustav Konitzky, 53 Copley St., Newton, and her daughter, Sigrid, look over the book in anticipation of musical play, "Cinderella" to be given Saturday afternoon at 2:30 o'clock at Meadowbrook Junior High School, Newton Centre.

Style Corner

We recently heard a lackluster song called "Promise me anything, but give me love." It recalled that other advertising nearsire, "Promise her anything, but give her Lanvin." Well, really now!

Such deceit, such contrariness to the American way of good sportsmanship and fair play! We like to think that people stand back of what they say, even in the realm of amour. If all you intend to give her, Mister, is a lousy bottle of perfume, tell her that in the first place. Yeah!

Now we'd like to relate this to Jacques, which is a veritable oasis in the vast wasteland of good men's clothing stores, and which offers our only chance of staying off nudism in these parts.

Jacques does not resort to deception and subterfuge. Let the phoney-baloney messages of "sales" and "reduced prices" be the clarion-call of those who would not long withstand the withering eye and judgment of intelligent men and women.

Now, there's no tom-foolery about Jacques' clothes — they do cost money, and a pretty penny, too. And why not? If one expects solid-citizen apparel with expert tailoring, smart styles, and personalized service to the very eyeballs.

Another thing. You can't expect to get basement prices in an atmosphere of refinement that characterizes the new Jacques' quality in a basement operation than you might think of flapping your wings and flying!

Beth El-Atereth Party Planned

Mrs. Nathan Finkelstein, membership chairman of Beth El-Atereth Israel Women, held a meeting last week in her home at 271 Cypress St., Newton Centre, to discuss plans for the annual party of new and paid-up members.

This year's affair will be a supper party on Dec. 5.

Committee members present were Mrs. Samuel Kurr, president; Mrs. Louis Andler, Mrs. Hyman Andler, Mrs. Max Andler, Mrs. Morton Ross, Mrs. Israel H. Rotman and Mrs. Aaron Silver.

Garden Club To Meet October 10

The Newtonville Garden Club will meet on October 10 at 10:15 a. m. in the Newtonville Library Hall.

Mrs. Ora R. Derderian of Watertown will give a talk on the "Introduction to Bonsai." Mrs. Derderian will have plants with her to explain the art of bonsai. She received her training at the Brooklyn Botanical Gardens, Brooklyn, N. Y.

division of Canada Dry. The couple plan to be married on the seventh of June.

Miss Lee Isenberg, daughter of Mr. and Mrs. Abraham C. Isenberg, 20 Ascenta Terr., West Newton, has registered at Cazenovia College, near Syracuse, N. Y.

Miss Schenk - Mr. Eley Marry At Newton Church

Miss Judith Ann Schenk, daughter of Mr. and Mrs. William T. Schenk of 33 Hunter street, West Newton, was married here recently to John W. Eley. He is the son of Mr. and Mrs. Finos C. Eley of Shelbyville, Tenn.

The Second Church in Newton was the scene of the pretty 3 o'clock afternoon service at which two rings were exchanged. Dr. Ross Cannon was the officiating clergyman. A reception followed the ceremony.

Given in marriage by her father, the bride wore a gown made of antique ivory peau de soie appliqued with Alencon lace. The bouffant skirt terminated in a chapel-length train. She carried a cascade of white roses and stephanotis.

Miss Arlene Schenk of West Newton was her sister's honor maid. Miss Marjorie Munroe of Auburndale was bridesmaid.

The best man was Barney Haynes of Fayette, Alabama. Gary Holten of Riverside, Ct., and Paul Schenk of West Newton, brother of the bride, were ushers.

The couple who left on a southern trip, plan to live in Nashville, Tenn.

The bride received her B.A. degree from Chatham College, where she was elected to Phi Beta Kappa, and belongs to Phi Kappa Phi and Pi Sigma Alpha.

Mr. Eley received his B.S. degree from the University of Tennessee. He belongs to Sigma Chi and Pi Sigma Alpha. Both the bride and groom have been working for their master's degree at the University of Massachusetts.

ANNE WHELAN

Gets Visiting Nurse Position

The Newton Visiting Nurse Association this week announced the promotion of Miss Anne Whelan to the position of assistant director.

Miss Whelan graduated from the Hospital of St. Raphael in New Haven in 1954. She received the Bachelor of Science degree from Boston College in 1959. She worked as a staff nurse at Beth Israel Hospital and New England Baptist Hospital before joining the Newton Visiting Nurse Association.

Miss Whelan served in the Newton Corner area for the past four years prior to her promotion.

deductible and is needed, now! "Simply, make your check payable to 'Newton Halloween Committee.'"

"Each year we have an increasing number of children participating, and therefore our costs have been rising."

The Newton Halloween Program, one of the largest in the nation, has been financially supported by local businesses and individuals for the past 23 years. It is the largest single program for children and parents in the city.

Authorities point to the fact that these more than 400 parties have proven successful for the young people and property owners as well. In order to implement the program, the services of an estimated 2,700 men and women volunteers are needed.

Each child pays a token fee and the Recreation Department, which annually sponsors the observance, directs the planning and underwrites part of the expense with funds in its budget. The balance has always been made up by the generosity of Newton citizens and businessmen.

The General Program Chairman, Mrs. Dorothy H. Garon, who reports that the organization planning is on schedule, also released the names of more volunteer workers.

They include the following: Building Chairman for the Burr School, Albert Horton and for the Murray Road School, James Chin.

These building chairmen and those named last week will be assisted by the following Co-Chairmen:

Bowen School, Mrs. Paul Savin; Burr School, Richard Holmes; Cabot School, Mrs. Murry Fleishman; Mason-Rice School, Mrs. Leon Kruger; Memorial School, Bernard Kadetsky; Murray Road, Edward Gartland; Underwood School evening party, Mrs. Harold Fray; Ward School afternoon party, Mrs. Allen Rudolph; Ward School evening party, Mrs. Joseph Braunstein; Bigelow Junior High School party at the Newton YMCA, Mr. and Mrs. Harry Weiss, and Meadowbrook Junior High School, Norman Leader.

Fall Best Time To Plant Evergreens

Fall is evergreen planting time.

Year-round greenness and hardiness to survive New England's cold winters makes yews one of the favorite evergreens with homeowners.

Planting these evergreens early in Fall gives the roots time to adjust to the new location before the winter freeze. Also, they are not subject to hot sun at this time of the year. They should be watered weekly, according to the experts of New England Nurseryman's Assn., till the ground freezes. Be sure to soak thoroughly when watering. Shallow watering can do more harm than good.

Yews come in various forms such as spreading and upright types. They are generally slow growing and can be en-

couraged to grow densely by annual pruning. They make ideal screens for privacy for patios and backyards, as well as year-round green hedges which require very little attention.

Yews are very popular for foundation planting to blend the architectural lines of a home with that of the terrain. Tall yews are usually utilized at corners of the house tapering to smaller sizes under windows.

Yews can grow in sun or shade. They thrive best in well-drained, non-acid soil. In planting, use a mixture of two parts fertile soil and one part humus or compost. All but the very smallest yews should be moved, balled and burlapped.

Allstate Life Insurance Tops Billion Dollar Mark

Allstate Life Insurance Company has surpassed the historic one billion dollar level of individual policyholder's insurance in force in record breaking time.

President Judson B. Branch on Monday delivered to a Chicago suburban family the policy that put Allstate Life over the insurance industry's milestone just six years after the company began operations in September, 1957.

Of the more than 1,400 U.S. legal reserve life companies, no other has reached this billion dollars of individual ordinary insurance in force in so short a time. According to latest industry records, only 57 other companies ever have achieved the goal and it has taken them 25 to 50 years or more to do it, Branch pointed out.

Purchaser of the key policy was Paul F. Hughes of Palatine, Ill., who with his wife, Lois, and their four young children, received a mortgage cancellation policy for their new home. Hughes, 34, is a district marketing manager with Illinois Bell Telephone Co., Chicago.

Allstate Life's individual insurance in force increased more than \$183,000,000 during the first nine months of 1963, Branch said. This was 44 per cent greater than the in force gain of \$127,000, during a comparable period of 1962. "This acceleration of life insurance sales continues our growth at a rate far faster than the average for the industry," Branch declared.

Total Allstate Life Insurance in force including both individual and group insurance, now exceeds \$2 billion 500 million, Branch said. Assets of the Life operations have risen to more than \$41,000,000. "An even more intensive marketing program is being developed to expand life insurance sales in the years ahead," Branch said. "Public acceptance has proven overwhelming and the future potential is extremely bright." Allstate Life's premium income, another measurement of life insurance growth, has totaled more than \$9,000,000 for individual policies the first nine months of 1963, more than that of any other company of comparable age, Branch said. A substantial proportion of Allstate sales to individuals has been of per-

manent type policies, although Allstate also offers term coverages which usually provide for protection over a shorter duration.

New England regional manager, Bailey M. Barrett, said, "The company's Family Security Plan, insuring the father, mother and all children under one policy, is contributing increasingly to sales gains." Allstate also offers a full range of other Life contracts, including policies guaranteeing money for a college education, for retirement, or to pay off the mortgage in event of death.

The Life Company's spectacular growth has been all the more notable because its expansion was on a state by state basis, selling only in Illinois during the first three months of operation. The Company now writes in all 50 states, the District of Columbia and Canada.

Allstate Life is a subsidiary of Allstate Insurance Company, which is wholly owned by Sears, Roebuck and Co. Allstate Life's agents also offer Allstate insurance for the auto, family, home and business.

Newton 'Y' Ready For Fall Program

The Public Relations Committee of the Newton YMCA met recently at the Colonial Inn in Concord to launch the fall and winter season.

Those attending the meeting included William D. Barry, chairman; Ted Haussman, Jack Hobby, Warren Howe, and Robert Rowe, secretary.

Chairman Barry announced that fall physical education classes in all categories would begin the first week in October. These included women's gym and swim classes, a new men's exercise and volleyball class, a businessmen's club handball tournament, boys and girls gym and swim program, splash parties and family swim, a new weight-lifting program for high school students and adults, and a co-ed life-saving course.

The Public Relations Committee also discussed goals and improvements in public

ity and public relations for the Newton YMCA. A tour of the facilities and announcements on National YMCA Week also were discussed.

Fine Courses At Jewish Center This Season

The Jewish Community Center of Newton-Brookline will be offering an excellent program for its 1963 season.

Mrs. June Fried, the Center's arts and crafts director will have a sampler craft course (Monday evening) which will give participants an opportunity to experiment in a variety of mediums. In addition, she will give a course in art appreciation (Wednesday evening), and will instruct two painting classes (Tuesday morning and Thursday evening), and two ceramic classes (Wednesday evening and Thursday morning).

Mrs. Selma Raphael will offer a course in bridge Sunday evenings, and will direct duplicate bridge play at the Center Tuesday evenings.

Charlie and Ida Stern will return for the eighth consecutive year to give social dance instruction (beginning and advanced) on Sunday evening.

Other groups include the Boston Jewish Choral Society directed by Professor Solomon Breslevsky, international cooking, ice skating, Circle Theater drama group and several other courses being offered by the Bureau of Jewish Education in Hebrew and the Bible.

For information on fees, registration and starting dates, call Mr. Simon at RE 4-0800.

Agent Honored For His Sales

Howard J. Richard of 71 Commonwealth Ave., Chestnut Hill, who has qualified as a member of the 1963 President's Council of the New York Life Insurance Company, attended an educational conference at Coronado, Cal., recently.

The Council members are the company's most successful agents. Only 219 of them have qualified from a field force of more than 7500 in general offices in this country and Canada.

The local agent's qualification was based on his sales record during the past year.

Project

The S.S. Hope's third voyage, scheduled for Ecuador, is expected to get underway late in the fall.

Project HOPE, a non-profit corporation, was formed in 1958 to bring medical care and assistance to people of undeveloped nations. The ship has visited Indonesia, South Viet Nam and returned early this spring from Peru.

During the ship's visit, her volunteer staff of over 500 physicians, dentists, nurses and paramedical personnel, many of whom served without pay, have performed over 4,000 major operations and examined and immunized nearly half a million people.

More important, some 1,700 local medical personnel received teaching and training from their American counterparts.

WORKERS FOR DONOR LUNCHEON — Active workers for the Temple Emanuel Sisterhood Door Luncheon to be held in December met on Tuesday at first of series of hostess meetings. Seated, left to right, Mrs. Lawrence Suttner, hostess chairman; Mrs. Solomon Jacobson, vice-president and luncheon chairman; Mrs. Daniel Jacobs, Sisterhood president; standing, Mrs. Samuel Cohen, vice president; Mrs. Maxwell Cohen, program chairman; Mrs. Alec Sussman, decorations chairman; Mrs. Sol Finkelstein, program book co-chairman. Tuesday's meeting was held at home of Mrs. George L. Roberts in Newton Centre.

Women Voters Set Discussion On Unit Schedule

Discussion units of the Newton League of Women Voters hold their first sessions of the season on Oct. 8, 9 and 10.

Mrs. Morton Rubenstein, chairman of the Public Health study item, advises that the units will concern themselves with mental health and fluoridation with what is available in Newton, and with what the future holds.

All persons, the League says, are welcome to attend one of the following units:

Tuesday evening Oct. 8 at 8, at the home of Mrs. Lloyd Williams, 30 Jacobs Terrace, Newton Centre. Leader: Mrs. Norman Gold.

Wednesday morning Oct. 9, at 9:45, at the Newtonville Library, 345 Walnut Street. Hostess: Mrs. Alfred Kornfeld. Leader: Mrs. Harold J. Stein.

Wednesday afternoon, Oct. 9, at 1:15, at the home of Mrs. Ernest Picard, 14 Halcyon Rd., Newton Centre. Leader: Mrs. George Girard.

Wednesday evening, Oct. 9, at 8, at the home of Mrs. Michael J. Ambrosino, 566 Centre Street, Newton. Leader: Mrs. Roy Lapidus.

Thursday morning, Oct. 10, at 9:45, at the Newton Highlands Workshop, 72 Columbus Street, Newton Highlands. Hostess: Mrs. John W. Locke. Leader: Mrs. Milton S. Cohen.

Thursday morning, Oct. 10, at 9:45, at the home of Mrs. Albert R. Beisel, Jr., 25 Sewall St., West Newton. Leader: Mrs. Ira Dyer.

Thursday evening Oct. 10, at 8, at the home of Mrs. Robert L. Sandman, 72 Fairlee Road, Waban. Leader: Mrs. Maynard Slessinger.

Meeting

cording to Uehlein, is in line with the policy of the Reorganization Committee, which he headed, to overcome the lack of communication between members of the City Committee and active interested Republicans in the community. It is planned to issue three or four editions a year.

The first issue carries items dealing with the Blatnik report, written by Francis W. Perry who led in the exposure of the Water Ways scandals, and a "Report to the People" by Attorney General Edward W. Brooke. Governor Councillor Margaret M. Heckler is also a contributor to the bulletin.

Uehlein stated that this issue was produced by a committee headed by William R. Haney, listed as editor-in-chief, Mrs. Thomas L. Easton, Eugene M. Hirschberg, Alan W. Licarie, David A. Lurensky, and Edward J. O'Donoghue.

Mishkan Tefila Sisterhood To Start Season

Mishkan Tefila Sisterhood will begin its season with a meeting Monday, October 7, at the temple on Hammond Pond Pky.

Petite luncheon will be served at 12:30 p.m., and new members will be introduced.

The invocation will be delivered by Mrs. Israel J. Kazis, and Mrs. Leo Lilienfeld will speak on Judaism in the Home. Mrs. Nathan Goodman will present the Adult Education program for the year, and all chairmen of committees will be introduced.

Mrs. Louis Narva will be in charge of hospitality, assisted by Mrs. Morris Kaplan and Mrs. Philip Weisman. The hostesses for the day will be Mrs. Albert Frager and Mrs. Samuel Katseff.

Mrs. Robert Devorin is in charge of the program which features The Tambourin, a sparkling, lively vocal trio who create in song and patter the warmth, humor, nostalgia and satiric understanding of people everywhere. Drawing upon rich individual musical and linguistic backgrounds, Lois Klickstein, Arlene Kasser and Iris Jacobs blend into one of the most unique groups to appear recently on the folk scene.

Seek Reopening Of Dudley Road Exit At Rte. 9

A committee of residents of the Dudley Rd., Newton Centre, area has reminded their neighbors that less than a month remains for them to file a protest against the temporary permanent closing of the Rte. 9 exit to that road.

A petition is being circulated in the neighborhood, and a member of the committee, Mrs. Benjamin Rubin of 131 Deborah Rd., is ready to provide details of the proposed formal protest to anyone calling her at DE 2-7254.

The petition reads, in part, as follows:

"Residents of the Dudley Rd. area in Newton Centre wish to go on record to oppose the recent 'trial closing' of the Dudley Rd. exit at Rte. 9, blocking off the only entrance to their homes as they return from Boston, blocking off their entrance to Cypress St., being the main route to Newton Centre, and discontinuing the traffic lights in said area."

It goes on to point out a number of reasons why the protest is being made, among them, the added dangerous traffic conditions with which the residents have to contend now that the entrance is closed, and congestion that results from their having to find alternate ways to get where they want to go.

In addition to Mrs. Rubin, the committee members are: Norman Rosenfeld of 376 Dudley Rd., Rose Janse and Elsie Ramhaber of 336 Dudley Rd., Mrs. C. P. Waldinger of 100 Dudley Rd., Mrs. Charles Landy of 120 Cynthia Rd., and Herbert Freeman of 15 Cynthia Rd.

SOLOMON LIPP

Prof. Lipp And Family Return From Argentina

Professor Solomon Lipp of 58 Myrtle St., West Newton, has returned with his family from a stay of seven months in Argentina, where he was engaged in research and in lecturing at the National University of Cordoba.

Dr. Lipp was appointed Fulbright Scholar during his sabbatical leave from Boston University in order to do research in Latin American philosophy. He also received a partial grant from the Social Science Research Council.

While in Latin America, Prof. Lipp lectured on philosophy and literature, not only in Argentina, but also at the National University of San Marcos, Lima, Peru.

Mrs. Lipp, who teaches at Lesley College, also lectured to groups of business and professional women. Jonathan and Jeremy Lipp attended the Argentine schools and are now back in Roxbury Latin School. Daughter Susanne is abroad at the University of Madrid for her junior year.

Prof. Lipp is engaged in the writing of a book on modern Argentine thought.

CPA's Name Bover Robert Boyer of 74 Ruane Rd., West Newton, secretary, has been named to the executive committee of the Massachusetts Society of Certified Public Accountants.

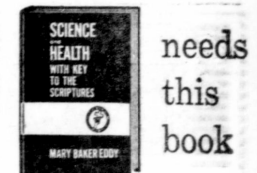

New Members To Be Greeted

A Sabbath service in honor of new members will be held at Temple Shalom of Newton tomorrow (Friday) evening at 8:15.

Rabbi Murray I. Rothman and officers and other members of the temple and its auxiliaries will greet the new members at the Oneg Shabbat, which will follow the service.

On Wednesday, October 9 at 8:15 p.m., after the daily prayer service, Rabbi Rothman will conduct a special meeting for new members, at which time he will lead a discussion of "What is Reform Judaism."

EVERY COLLEGE STUDENT needs this book

to increase his ability to learn

An understanding of the truth contained in Science and Health with Key to the Scriptures by Mary Baker Eddy can remove the pressure which concerns today's college student upon whom increasing demands are being made for academic excellence.

Christian Science calms fear and gives to the student the full assurance he needs in order to learn easily and to evaluate what he has learned.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$3.

New Health Plans for Men and Women Over 65

Now a new Senior Citizen plan is available to those in normal health who are 65 or over, and to sons and daughters who want to assure this protection for their parents. The plan provides substantial benefits toward:

HOSPITAL COSTS FOR

- Room and Board
 - Medical Care
 - Surgery
 - Nursing Care
- including nursing home care following hospitalization

No upper age limit. As long as you are age 65 or over, you can make application. If only one of a couple is over 65, the other may be as young as 56.

Both husband and wife can be covered under a single policy.

Renewable for life. Premiums will not be changed because of occurrences to you, as an individual—but may be changed only for all policyholders in your classification.

Why not call me for details — today?

Plans will be discussed for the opening PTA meeting to be held on October 15th and activities for the rest of the year.

Dr. Woo Seeks Post On Newton School Comm.

Dr. Way Dong Woo of 70 Burdean rd., Newton Centre, is seeking election as the School Committee member from Ward 8.

A resident of Newton for 10 years, Dr. Woo is president of Cybertronics, Inc., an engineering and manufacturing firm which markets electronics devices designed to increase computer efficiency.

He received a doctorate of

Community Club To Have Don Kent

Don Kent, radio and TV weatherman, will present his new sound and color moving pictures at the Newton Community Club meeting Thursday, October 10, in Fellowship Hall, Eliot Church.

Coffee and dessert will be served at the open meeting at 1:15 p.m., and Miss Mabel K. Chase will start the business meeting at 2 o'clock.

Should members be in need of transportation to the meeting, they should call Mrs. Maurice W. Dennison at BI 4-4545.

science in electronic engineering from Harvard University in 1944. During the war he was an instructor in the Radar School at Harvard and subsequently was an assistant professor in applied physics at Harvard.

Dr. Woo helped to develop the world's first electronic computer. From 1952 to 1960 he was a senior staff consultant at the Raytheon Manufacturing Company and then at the Minneapolis Honeywell Regulator Company.

Well known in Newton Centre, he has served on the education committee of the First Baptist Church.

His wife, the former Emily Te Fan Tsou, is a professional librarian at the Massachusetts Institute of Technology. She is a graduate of Wellesley College and also received a degree in library science from Simmons College.

Dr. and Mrs. Woo have five children. Elaine, the oldest, is a freshman at Wellesley College. She graduated last June from Newton South High School after winning the Senior Cup for girls and is also a graduate of the All Newton Music School.

Beverly, David and Patricia are attending Newton South High, Meadowbrook Junior High and the Oak Hill Elementary Schools respectively, while the youngest child is in nursery school.

Dr. Woo declared that one of his prime reasons for making his home in Newton was its excellent school system and the fine education it offered to his children.

"In the past few years," he continued, "many new projects and courses, especially in the fields of natural science and mathematics, have been added to the school system."

"A critical evaluation of such projects should be made continuously by men sensitive to their true value and objectives."

"As a member of the Newton School Committee, I am confident that my total experience would contribute greatly to a realistic appraisal and implementation of such programs," Dr. Woo concluded.

Seek To Curb Governor's Council

Key figures in local campaign to help curb powers of Governors Executive Council are, left to right, Mrs. Ernest Picard, Oscar Wasserman, Mrs. Richard Feinberg, and Rep. Lorenz F. Muther, Jr., Mrs. Arnold Mork, also a key worker in the petition campaign, was not present when photo was taken.

Motel

(Continued from Page 1) Peter Kanavos and a representative of the Perini interests and seek their assent to the three restrictions which apply to them.

The three conditions to which Kanavos and the Perini group must agree before the committee will approve the petition are:

1.—There shall be no alteration of the present shoreline of the Charles River at the site.

2.—No sand, gravel or loam shall be removed from the site except with the Board's approval.

3.—The ground level at the site shall be retained at its present level.

Following were the other six restrictions which were specified:

4.—The area of the so-called peninsula shall be preserved in its natural state.

5.—All topography and vegetation shall be preserved so far as is practical.

6.—No signs shall project more than three feet above the building, and advertising devices shall have no moving parts.

7.—The height of the motel building will be no more than 40 feet.

8.—There shall be no glare to signs and the property's illumination.

9.—Before the Marriott proposal is accepted, the owners of the site land and adjacent property must agree in writing to the first three restrictions.

Meantime proponents and opponents of the proposal have by no means remained idle or silent.

Prior to Monday night's Aldermanic meeting, the Newton-Norumbega Committee sent a telegram to each member of the Board.

The message, over the signatures of George Michaels and Manuel Beckwith, the committee's co-chairmen, was as follows:

"No department of the city, education, recreation or any other, has voiced a desire for this land, nor has any department even voiced an objection to the rezoning thereof," the letter pointed out.

"There is at present," the letter continued, "next to the Norumbega property, city-owned land, vacant and of greater amount than the 27 acres comprising Norumbega. This may be developed at no acquisition cost."

"The location of Norumbega at the extremity of the city hardly is an ideal site to service the whole city as a recreation area. Also, its location at the center of the busiest highway complex in the area, Rte. 128, the Massachusetts Turnpike and Commonwealth Ave., hardly makes it a desirable crossing for children, etc."

"Finally, if the Council is truly sincere in wishing to furnish recreational facilities for school children, the rezoning is for only 10 acres of the 27, and the remaining 17 could be developed if it were so wished."

"With these facts in mind, I cannot see how any responsible group could, except from an emotional view disregarding economic and realistic factors, object to the rezoning of this spot," the letter concluded.

Another group of opponents, the Newton Conservators sent a strong statement to its members over the signature of its president, Benjamin Shattuck.

Said Shattuck, in part, "If we accept the Mayor's proposition and rezone these precious 10 acres for concentrated commercial use... then what is left for a citizens' committee to study?"

The Shattuck letter stated that the Conservators were on record as being opposed to any use of the Norumbega river frontage for a

"With deep concern we view Mayor Gibb's promotion of Perini-Kanavos-Marriott interests at the expense of every family in Newton. His indecisive promise of an indefinite and intangible study of the remaining acreage after the beachfront is sold, 90 percent of the trees torn down, and the area leveled, is inconscionable."

"He is saying to you and us, 'Be quiet, this is my government, not yours.'"

"We submit your constituents are heartsick over this dictatorial tactic."

"Some of these groups opposing the petition include the Junior Chamber of Commerce, League of Women Voters, Newton Conservators, numerous women's clubs, improvement societies, garden clubs, and ministers, and rabbis of over one dozen churches and temples," the telegram concluded.

In a statement made in conjunction with the sending of the telegram, George Michaels said that "What the Mayor proposes is, in effect, to appoint a committee to see if the barn door should be closed after the horse is stolen. Newton would be giving away its heritage if the Marriott proposal goes through."

Jason Sacks, Ward School PTA president and a proponent of the Marriott plan, termed as "hasty and uncalled for" the recent action of the Newton Council of Parent-Teachers Associations in recommending that Norumbega Park be used only for recreational purposes.

In a letter to Mrs. Arlene Burnap, executive secretary of the PTA Council, Mr. Sacks expressed himself as "greatly distressed, especially in view of the facts."

"A Covenant to Keep" was the theme of the Yom Kippur Eve sermon by Rabbi Murray I. Rothman at Temple Shalom of Newton.

"Every sensitive student of human affairs," he said, "will testify to the fact that the failure to achieve a sense of life's meaning is one of the basic problems of our time. It generates a certain sense of aimlessness in contemporary man; he feels trapped in an endless cycle of meaningless motion."

"Yom Kippur comes along to remind us that for Judaism, there is no smaller package than a man all wrapped up in himself and his times."

"Yom Kippur's primary emphasis is a theological one. It is concerned with the quest for the meaning of life. It is designed to call our attention to the eternal covenant which gives meaning to the life of man by making him partner to God in ever-unfolding process of creation. The covenant lifts us out of ourselves and beyond our own times."

"Yom Kippur demands 'total integration' between principle and practice, between creed and deed, between means and ends."

On Saturday, the Day of Atonement, Rabbi Rothman spoke on "A Time of Weeding—A Time for Seeding."

It also stated that the members wish to be recorded in favor of having a citizens' committee consider the rezoning of the whole area of Norumbega's northerly acres before any action is taken.

Good Shepherd Church Goes On New Schedule

The Rev. William E. Foley, rector of the Parish of the Good Shepherd, Waban, in announcing the winter schedule, which begins Sunday, Oct. 6, explains that the needs of the parish as a whole can best be met by having two services and by consolidating the church school so that all children may have classes on Sunday.

The service of the Holy Communion will be at 8:30 a.m. every Sunday as in the past. The second service will be at 10:30 a.m. On the first Sunday of the month this service will be Holy Communion and sermon. It will be morning prayer and sermon on every Sunday of the month thereafter.

There will be nursery care during the 10:30 service for children two months to three years old. Those three through five will go directly to their class in the kindergarten room. All others will attend church and during the hymn before the sermon Grades 1 through 7 will leave for class. Church school will end at noon every Sunday.

All confirmed young people will meet each Sunday with Terry Lynberg from 9:15 to 10:15 a.m. for a junior discussion.

Following the second service on all Sundays except the first Sunday of the month, there will be a coffee hour in the crypt and an adult discussion meeting in the Guild Room.

Aqua-lator Kept Crystal Lake Near Drinkable

John B. Penney, commissioner of recreation, has reviewed with considerable satisfaction the use last summer of an Aqua-lator in Crystal Lake to eliminate water pollution in one of the city's popular swimming areas.

The machine, which served as a babbling brook within the pond itself, was brought into use through the willingness of city officials to try out a new idea combined with an extensive biological survey.

Long before hot weather arrived, Mr. Penney decided that a way should be found to fight bacteria build-up in Crystal Lake, and for that purpose the services of a consultant biologist were engaged. **Jason M. Cortell**, a project supervisor of many reclamation projects in the New England area, and consultant biologist at Logan International Airport studied the pond's organic content and recommended installation of the Aqua-lator.

The device, with its specially designed propeller and immovable electric motor, forcefully aerated and circulated the spring-fed water and prevented the accumulation of bacteria.

Said Mr. Penney: "In past years, there were periods when the City Health Department would be forced to recommend the closing of the swimming area. This year, however, the bacteria count remained at a point close to that of drinking water reservoirs, and the area was open to swimming during the hottest periods of the summer."

7 Local Girls Enter College Of Sacred Heart
Seven Newton area girls have been accepted as members of the Freshman class at Newton College of the Sacred Heart.

April Purcell, daughter of Mr. and Mrs. James M. Purcell, 96 Nonantum St., Newton, is a graduate of Our Lady of the Sacred Heart.

Constance L. Murphy, daughter of Mr. and Mrs. Walter J. Murphy, 291 Dorset Rd., Waban, was graduated from Country Day School of the Sacred Heart.

Mary Herring, daughter of Mr. and Mrs. Preston Herring, 92 Grant Ave., Newton Centre, is a graduate of Sacred Heart High School.

All graduates of Country Day School of the Sacred Heart were the following four:

Staff Changes Announced By School Board

The School Committee has approved the appointments of four full-time teachers and two for part-time, also accepted the resignations and granted leaves of absence for two.

The appointments: Mrs. **Robert J. Flexer** to teach mathematics at Newton Junior College, Katherine Hume as full-time psychologist with the division of Pupil Personnel Services and Special Education, **Roderick A. Jacobs** to teach English at Newton High School, and Mrs. **Helen C. Lyons** to teach English and social studies at Weeks Junior High.

Herbert E. Willman Jr., was appointed to teach data processing, and **Marsh B. Ray** to teach sociology, both part-time at Newton Junior College.

Resignations accepted were those of **Nancy Woods**, half-time consultant with the Division of Instruction, and **Melvin M. Schuster**, Newton Junior College teacher.

Corlaune Lyford of the Underwood School, and **Eleonor Titcomb** of Newton High School were granted leaves of absence for the current school year.

Bid For Night Registration In Ward Eight
Mayor Donald L. Gibbs described the Peabody Home lease-purchase agreement which has provided the city with a facility for education of emotionally disturbed children and teacher training in that field, at a recent meeting of the Ward 8 Republican Committee.

The members voted to recommend that the Election Commission work toward an evening registration set-up in one of the centrally located schools of the ward by October, 1964.

Ward Chairman Alderman Jack M. Roberts announced the appointment of **Gerald G. Aransky** as captain for Precinct 3. Mrs. **Arthur N. Houghton** was congratulated for her three years' service as Precinct 3 captain. Regular voting membership was accorded Mr. Aransky by a unanimous vote of the Committee.

Henry S. C. Cummings and **Thomas C. Curtis** resigned from regular membership, but will continue to serve as associate members. **Wayne O. Whiting's** resignation was accepted since he has moved to Dover.

Workers who have accepted various assignments in Precinct 2 are as follows: **Norman S. Berkowitz**, **Edward P. Bliss**, **Mrs. Louis D'Amico**, **William Endler**, **Mrs. Marjorie Esgar**, **Mrs. Leonard S. Fine**, **Mrs. Harold G. Goddard**, **Mrs. James Goodman**, **Mrs. Julius Greene**, **Mrs. Winifred M. Bond**, **Mrs. Dorothy Rogers**, **Leonard S. Rosser** (also treasurer), and **Mrs. Nathan Tucker**.

B. U. Social Work School Names Marion S. Blank

Mrs. **Marion S. Blank** of 333 Lowell Ave., Newtonville, has been appointed to the faculty of Boston University School of Social Work.

Mrs. Blank was formerly on the faculty of two universities, the University of Chicago School of Social Service Administration and the University of California at Los Angeles. She also taught at George Williams College in Chicago.

A holder of two Boston University degrees, she has done advanced graduate work at Smith College and the University of Chicago, and has studied at the Boston Psychoanalytic Institute. She is a member of the Academy for Certified Social Workers, the National Association of Social Workers, the Massachusetts Conference on Social Welfare, and of the American Association of University Women.

Mrs. Blank has had wide experience in the field of social welfare, in youth psychiatric and correctional organizations, and in family and child welfare programs. She has conducted institutes for public school personnel and for staffs of children's institutions. She has served on the Oral Board in Social Work with the California State Civil Service Commission.

Until her present appointment, she was senior consultant in mental health education for the Massachusetts Department of Mental Health.

Her children, **Karen**, 8, and **Kevin**, 5, attend Clafin School in Newtonville.

Saint Bernard With Mary Oct. 6
Saint Bernard Sodality of West Newton will present its fifth annual "Day with Mary" on Sunday, October 6.

The program will include the Sodality Mass at 8 a.m., Rosary and Benediction at 5 p.m., and dinner at 6 in Warren Junior High School.

Guest speaker will be the Rev. **Joseph T. Alves, D.S.W.**, executive director of Catholic Family Counseling, Inc.

The Rev. **Robert D. Navien**, Sodality spiritual director, will present the "Holy Family," with Mrs. **George Celsen** featured. The Holy Family will be portrayed by Mr. and Mrs. **John J. McCarthy** and their son **John**. Narrators will be Mrs. **John Gill**, Mrs. **Joseph Bettencourt**, Miss **Jean Ford**. Soloist will be Mrs. **Stephen McCabe**, accompanied by **Ira J. Summers**.

United Church Women's Fall Meeting On Friday

The Board of Managers of the United Church Women of Newton will hold a fall meeting Friday, October 4th, at 9:30 a.m. at the Newton Methodist Church.

Mrs. William E. Hopkins, is president of the Woman's Society of Christian Service in the host church. Mrs. Eldred M. Peterson will have charge of the coffee hour. The devotions will be given by the Reverend F. Norman Totten, pastor of the church.

Mrs. Paul Schilling, chairman of Christian World Missions of the United Church Women will introduce the speaker, the Rev. Royden C. Richardson, pastor of the Tremont Street Methodist Church, Roxbury, who will speak about "The Changing City Challenges the Church."

The Reverend Mr. Richardson is married and has three children. He and his wife have chosen to live in the Roxbury area so they may share the experiences and better understand the problems of the people whom they serve. Mr. Richardson is a graduate of Northeastern University and the Boston University School of Theology. He has been pastor of the Tremont Street Church for six years.

For five years he has been chaplain of the Boston Juvenile Court. He is chairman of the South End House Welfare Organization, a member of the planning council of the South Urban Renewal Advi-

ory Committee, and serves on the Service to Youth Committee of the South End Settlement.

The Board of Managers of the United Church Women is composed of the executive committee and four delegates from each of the member churches. Since this is a mission program all persons, whether or not they are delegates, involved in missions are urged to attend.

DR. RALPH T. MIRSE

4 Discussion Hours Will Be Opened Oct. 7

Dr. Ralph T. Mirse, executive secretary of the Board of Missions of the New England Conference of the Methodist Church, will lead four discussion hours in October at the Newton Centre Methodist Church.

Each meeting will begin promptly at 8 o'clock on October 7, 14, 21 and 28.

The discussions will be based on the book, "Our Mission Today" by Tracey L. Jones, Jr., associate general secretary of the Division of World Missions of the Methodist Church.

The book is an analysis of the emerging new pattern of missionary work in the United States and throughout the world.

Dr. Mirse holds the degree of Doctor of Theology from Boston University. Community friends are invited to participate in these study hours.

Holdup Getaway Car Stolen At Hospital Here

There was a sharp lookout kept here for the man with his arm in a cast who got \$30,000 in a Brockton bank holdup. No results, but the car he used for his getaway was identified as one stolen from the Newton-Wellesley Hospital parking lot between 8 a. m. and 4:30 p. m. last Friday. It was the property of an employee's father, and was parked by Linda Bartol, the daughter, a Wayland resident.

Thefts of three cars and a wallet opened the weekend, according to reports to the police. The cars: A 1962 sports job worth \$4500 taken from the driveway of Isaac Uretsky, 54 Old Colony Rd., Chestnut Hill; a \$3500 car belonging to a Connecticut man that was taken from the Charter House Motel, Chestnut Hill, and the car of a Waltham man who reported it stolen from the King's department store lot.

It was reported by Mrs. Phyllis H. Vaughan of Lowell that her pocketbook with \$12 was taken while she was in a store at 335 Walnut St., Newton.

Among other reported losses were \$700 taken from a safe at the Chestnut Hill Country Club, \$250 worth of athletic equipment from LaSalle Junior College. A marble top and two vases taken from the Embassy House, Chestnut Hill; blinking lights with batteries lifted from a construction job at Regina and Ware Rds., Auburndale, and a tire and wheel taken from a car at 200 Boylston St., Chestnut Hill.

Lively Meeting For Young GOP's

Edgar Litt, assistant professor in the department of Government at Boston College led a group of Newton Young Republican Club members recently in a lively discussion on motivations for entering into politics.

At that meeting, the members voted unanimously to support the drive for signatures on an initiative petition designed to cut the statutory powers of the Governor's Council.

Also, the group passed a resolution commending the Massachusetts Republican delegation in Congress for supporting the program to include provisions for a reduction in federal expenditures as a necessary part of any tax cut.

Peter Winters At Jr. College Event October 8

Peter Winters, expert in ancient stringed instruments, will perform at the first Newton Junior College Convocation Tuesday, October 8, at 10:30 a. m., at Newton High School Auditorium.

Accompanied by an assistant, Mr. Winters will explain and demonstrate his rare collection and then play the modern counterparts of these instruments.

The Newton Junior College Convocations are designed to enrich the academic program of the students and the cultural life of the community. The programs focus on art, music, government, history, education, and other subjects of interest to thinking people.

The Newton community is cordially invited to attend Mr. Winters' program and to participate in the succeeding programs throughout the academic year.

Mrs. Solomon Boston College Guest Lecturer

Appointment of Mrs. Bernard Solomon of 296 Reservoir Rd., Chestnut Hill, as guest lecturer in endocrinology in the Biology Department of Boston College has been announced by the Rev. William D. Sullivan, S.J., chairman of that department at the Jesuit university.

She was a research associate in the Department of Nutrition of the Harvard School of Public Health.

A 1952 graduate of Hunter College of the City of New York with a degree in zoology and philosophy, Mrs. Solomon received her master's degree from Radcliffe in 1956 and her doctorate in 1958 in biology and philosophy.

In 1953, she was a teaching fellow in biological sciences at Harvard. In 1953-54, she held a fellowship from the National Science Foundation. She also has done research under the William F. Milton Fund in the Harvard School of Dental Medicine and under the American Cancer Society at the same school.

Mrs. Solomon also was a teaching and research fellow in anatomy in the Harvard Medical School.

She has written a number of articles on the pituitary hormones and endocrinology.

Ward 8 Group Has Meeting, Opens Season

Mayor Donald L. Gibbs and Aldermen Wendell R. Bauckman, Theodore D. Mann, Jack Roberts, and School Committeeman Spencer Deming, were guests of honor at the first meeting of the season held recently under the sponsorship of Ward 8 Committee of the Newton Republican City Committee. The meeting was held at the home of Jack M. Roberts, chairman of the Ward, who presided and presented the guests.

Mayor Gibbs spoke on what he considers one of the most worthwhile achievements of his administration—The Peabody Home Lease-purchase agreement.

Following the meeting, there was a reception tendered the guests and members.

20 Students Get Special Mention

Twenty Newton High School seniors have been honored for high performance in the National Merit Scholarship Qualifying Test that was given last spring.

Each has received a formal letter of commendation signed by Richard W. Mechem, the school principal, and by John M. Stal-maker, president of the National Merit Scholarship Foundation.

Although the following 20 did not quite reach the status of semi-finalist in the test, their effort indicated that they were extraordinary capable, and, therefore, it was decided to accord them the honor they deserved.

The students:

Michael J. Demeo, 37 Milo St., West Newton; Patricia L. Garrett, 235 Mount Vernon St., West Newton; Linda Harrer, 60 Prospect Park, Newtonville; Anne Henderson, 260 Harris Ave., Needham; Patricia G. Leary, 584 Centre St., Newton; Jonathan Lepie, 18 Travis Drive, Chestnut Hill;

Marcia Lipsett, 78 East Side Parkway, Newton; Virginia Lockwood, 28 Bullough Park, Newtonville; Roger Matthews, 30 Ellison Road, Newton Centre; Norman Klein, 355 Lexington St., Auburndale;

Mary Elizabeth McDaniel, 76 Hyde Ave., Newton; Robert Neumann, 26 Magnolia Ve., Newton; Nancy Roche, 1691

Commonwealth Ave., West Newton; Gillian N. Rogell, 31 Devon Rd., Newton Centre; Robert G. Rosenbaum, 18

Mayor Gibbs Sets United Nations Day

Mayor Donald L. Gibbs has proclaimed Thursday, October 24, as United Nations Day in Newton.

As the high point of the day, a dinner, to which all residents of Newton are invited, will be held at 6:30 p.m. at Newton South High School, followed at 8 p.m. by an address, open and free to the public, in the High School's auditorium.

This is an annual event, sponsored by the World Affairs Council of Newton, in which residents of Newton join with foreign students studying or living in the city to recognize the importance of the United Nations to world order.

The speaker of the evening will be Dr. Jeffrey E. Butler, research associate in the Boston University African Studies

Few Days Left To Get Sticker

Newton motorists are advised today that only a few days remain to obtain the red sticker for the windshield which proclaims to the world and watchful law-enforcement officials that the car has been inspected and is acceptable for road duty.

Tuesday, October 15, is the final date for getting the all-important sticker.

22,000 Kiddies Set For Gay Hallowe'en

Mrs. Dorothy M. Garon, general program chairman for Newton's 23rd city-wide Halloween celebration, reports that planning for the 400-plus parties is proceeding on schedule.

Entertainment and activities for the estimated 22,000 school children requires the services of hundreds of volunteer workers, and many hours of planning to assure the success of the 1963 Halloween observance.

Typical of the organization reports being made to Mrs. Garon at the Recreation Department, the nerve center for all Halloween planning, is the one received

from David Yarosh, building chairman for the Spaulding School on Brookline st. in Oak Hill.

Meeting at the Yarosh home on Old Farm rd., an active committee decided that there should be two parties for the school's 542 youngsters. The Kindergarten, First, Second and third graders will observe their Halloween in the afternoon, from four to five o'clock. In the evening from 6:30 to 8:15, the Fourth, Fifth and Sixth Grades will have their own Halloween Party.

A brief glance at the program indicates that the com-

Peabody's Top 1962 Backer Plans To Oppose Him In '64

Probably the most damaging criticism yet directed at Governor Peabody came this week from the man who placed Peabody's name in nomination at last year's Democratic State Convention.

State Senator Kevin B. Harrington of Salem declared bluntly that he has been disappointed and disillusioned by the man he helped to place in the Governor's chair.

He hinted strongly that he will stand against Peabody as a candidate for Governor next year.

Harrington's attack upon Peabody obviously was made more in sorrow than in anger.

He made it plain that having played so important a part in making Peabody Governor he would much

Graphic Starts New Service For Readers

Most residents in the Newton Centre area will be reading The Graphic as they sip their breakfast coffee this morning.

As an additional service to its readers The Graphic today begins a house-to-house delivery by carrier boys.

The first section where this innovation will be introduced will be Newton Centre.

Eventually this system of delivery will be expanded to cover the entire city.

In the Newton Centre section this morning the deliveries will be completed by 8 a.m. The Graphic will be at the doorstep of most homes in the area before that time.

It will cost 10 cents per copy for Newton Centre residents to have The Graphic delivered at their door early on Thursday morning. Most residents have indicated that they want this extra service.

The carrier boy not only will deliver the paper but will call to collect for it later in the week.

High School Grid Squads Win and Lose

Newton High School's football team, which has lost its first two games to Everett and Brockton, faces another stern test on Saturday when it travels to Weymouth to meet Weymouth High School. The kickoff is scheduled for 1:30 p.m.

Newton South, which trounced Framingham North High 34-0 last Saturday to get onto the victory trail, hopes to continue its winning ways as it engages Stoughton High Saturday at Dickinson Stadium in a Columbus Day game which will start at 2 p.m.

Last Saturday was another day of disappointment and SQUADS — (See Page 14)

Aldermen In Another Test Monday Night

Once more, this time on Monday night, Oct. 14, the Board of Aldermen will be tested with the necessity for coming to a decision on two controversial petitions — the ones in which Marriott Motor Hotels of Newton, Inc., seek approval of a zoning change at Norumbega Park, and permissive use and site plan approval, for a \$4,000,000 motel complex there.

At the previous aldermanic meeting, any decision that might have been forthcoming was delayed when a charter objection to action that night was imposed.

There could be another charter objection this coming Monday, but under the rules, it will require the consent of five aldermen. That maneuver, should it be successful,

Graphic Airs Views Of Local Candidates

As a service to the voters of Newton, The Graphic in this edition is publishing the answers made by candidates for the Board of Aldermen and School Committee to questions submitted to them by the Newton League of Women Voters.

These replies, coupled with a thumbnail sketch of the business and educational background and the civic activities of each office seeker, are intended by The Graphic and the League of Women Voters as an Election Guide for the people of Newton.

The purpose of the Election Guide is to enable Newton's citizens to know more about the candidates seeking to serve them on the Aldermanic Board and the School Committee.

In addition to the Aldermanic and School Board contests, Mayor Donald L. Gibbs was invited to answer one question even though he is unopposed for reelection for a third term as the city's chief municipal executive.

Explanations also are made of the two important referendum questions on which Newtonites will vote when they mark their ballots Nov. 5.

The vote on Question No. 1 will determine whether the salary of the Mayor will be increased from \$15,000 to \$20,000 a year effective next Jan. 1.

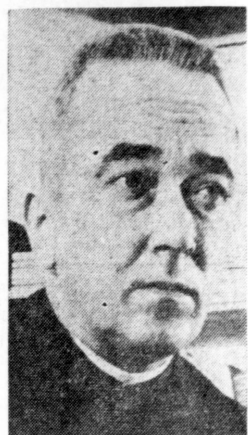

The second question,

which is arousing intense feeling and causing bitter controversy, poses the question of whether the fluoridation of water shall be stopped.

The Newton League of Women Voters, in cooperation with The Graphic, has devoted a great deal of time and effort to compiling the necessary material in order to help

residents of the city become acquainted with the candidates and better understand some of the issues the League considers important.

Teacher Ability Is Stressed By Brown

Dr. Charles E. Brown, superintendent of Newton public schools, made it plain to members of the PTA Council at their recent meeting that he is more concerned about the ability of the teacher than whether she will remain in her job for a long period of time.

He said that a girl who is bright and gifted and is more than just an adequate teacher is worth having in a school department even though she serves only three years.

Dr. Brown made this statement in discussing the teacher turnover problem in the Newton school system.

He stressed that he does not want to build stability if he must do so with teachers who are only adequate.

The Newton school head expressed the belief that pu-

pil enrollment has reached a levelling-off point, especially at the elementary

1100 Volunteers Set To Push United Fund

A record enrollment of more than 1100 workers has been recruited to carry the campaign of the United Fund to a successful conclusion in this city, according to the announcement today by Stanley Miller, general chairman.

The announcement was made at a meeting of the administrative cabinet group held at the 1963 campaign headquarters of the United Fund at 12 Page St., Newtonville.

Special announcement was

made of the completed schedule for solicitor instruction and training meetings which will be held at the Newton U. F. Headquarters at 7:30 p.m. as follows: Tuesday, October 15, for Area "A," comprising Auburndale, Waban, Newton Lower Falls; Thursday, October 17, for Area "B," for Newton Highlands, Newton Upper Falls, Oak Hill, Chestnut Hill; Tuesday, October 22, for Area "C," covering Newton Center, Nonantum, Newton Corner and Newtonville.

Opportunity, Not Love, Negro Goal

"Negro people are not asking for love, just equal opportunity," said Noel Day, executive director of St. Mark Social Center in Roxbury and co-founder of Freedom Schools, speaking of the goal of his people at the recent meeting of the Newton League of Women Voters.

A capacity audience attended the event which had for its theme, "Focus on Civil Rights."

Another Group Is Anti - Motel At Norumbega

In a unanimous vote, the Newton Centre Improvement Association directors added themselves to opponents of rezoning a part of Norumbega Park for a \$4,000,000 motor hotel.

Said Ernest A. Siciliano, president of the association, "Our Association is not opposed to motels (we suspect that the automobile is here to stay), but we feel strongly that the Norumbega site should not be sacrificed to commercial interests."

Mr. Berlin, speaking on Civil Rights Legislation in Massachusetts, admitted that this state has been a leader in passing such legislation. Our first public accommodation law was passed as far back as 1870 but "the law is only as good as the community attitude it reflects. It was not until the end of the 1950s that the law began to lag behind the populace," Mr. Berlin informed the group.

Speaking on "Contemporary Racial Problems in Newton," Dr. Paul Deats, who is also co-chairman of the Newton Fair Housing Committee, stated that "action must not only come at time of crisis. We should learn to recognize when crisis is on the way." He accused the people of Newton of suffering from pluralistic ignorance.

"We are now a city of minorities and we don't know what other people think," he strongly advised an open occupancy policy in our housing, informing the audience that today there are 700 negroes in Newton—less than 1 percent of the population.

He charged that our attitude here is, "We will let any one move next door to us who is just like us."

As the final speaker, Mr. Day stated that in the past the submission of the negro was a pre-requisite for his survival, but today he has decided to speak the truth.

"The negro," continued the civil rights leader, "has accepted the lessons of democracy. He is speaking out honestly to save the American dream. His destiny is the country's destiny."

Mr. Day referred to the U. S. as a "nation preoccupied with survival, but a nation can rot from within. America seems to love order and security more than justice." He further paralleled Hitler's Germany to the situation in the South.

"Justice is being denied in

the name of justice," he concluded. "Unless people of good will begin to examine themselves, we will have a holocaust. Many in the North are not ready to commit themselves to non-violence."

Another Group Is Anti - Motel At Norumbega

In a unanimous vote, the Newton Centre Improvement Association directors added themselves to opponents of rezoning a part of Norumbega Park for a \$4,000,000 motor hotel.

Said Ernest A. Siciliano, president of the association, "Our Association is not opposed to motels (we suspect that the automobile is here to stay), but we feel strongly that the Norumbega site should not be sacrificed to commercial interests."

"So far, Newton has retained some vestiges of a village; its parks, its greenery, its openness is the proud boast of its residents. And lest we be accused of chattering in a vacuum of ideals or clomping in the clouds, may we point out that the 'Garden City' appeal of Newton explains, in very great measure, the value of our real estate."

The zoning change and site approval petitions of Marriott Motor Hotels of Newton, Inc., will come before the Board of Aldermen on Monday night, Oct. 14.

5 of 8 Merit Semi-Finalists Newton Boys

Five of the eight students attending Roxbury Latin School in West Roxbury who were named semi-finalists in the 1963-64 Merit Program are residents of Newton.

In announcing the awards, Frederick R. Weed, principal, pointed out that the eight boys represent a quarter of the senior class' 32 students.

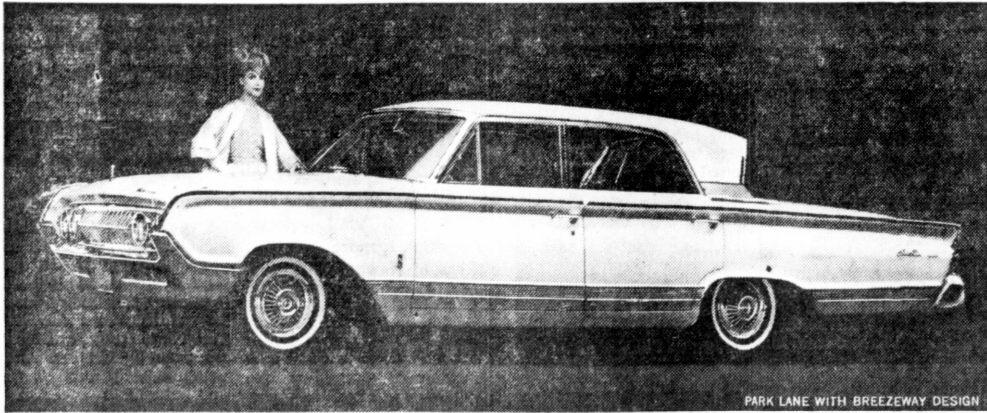

Following are the local boys who won the distinction:

Gabriel M. Gesmer, son of Mr. and Mrs. Henry Gesmer, 111 Dane Hill Rd., Newton Highlands; Michael J. Marcus, son of Mr. and Mrs. Theodore Marcus, 62 Greenlawn Ave., Newton Centre; Jere P. Mead, son of Dr. and Mrs. Jeremiah Mead, 56 Pine Ridge Road, Waban; Alan J. Schlesinger, son of Mr. and Mrs. Leonard Schlesinger, 28 Mignon Road, West Newton; and Michael T. Zellmann, son of Dr. and Mrs. Henry E. Zellmann, 274 Otis St., West Newton.

Building Costs Touch New High \$537,340 Total

Building Commissioner Vincent D. Burns reports that the value of new building construction permits here in September was upward of a half-million dollars.

There were 52 permits for work whose estimated cost was \$537,340. In the previous month, the estimated cost of work for which 51 permits were issued was \$427,148.

Burns pointed to the permit for the new consolidated fire station at Commonwealth Ave. and Washington St., the point where Auburndale, West Newton and Waban meet, as the major cause of September's added value of permits.

The cost of the replacement for Station 5, Auburndale; Station 2, West Newton, and Station 6, Waban, will be \$287,345.

Decision to combine the three stations followed the Turnpike Authority's taking of the West Newton Station, for which the city was paid \$250,000.

Boys Are Given Sport Trophies

Trophies were awarded to members of the winning teams of the baseball and basketball leagues sponsored by the Newton Highlands Athletic Association at its second annual banquet last night (Wednesday) in Valle's Steak House.

More than 800 youngsters in the district take part in athletic competition, which is open to boys from eight to 12 years of age.

City officials joined in the festivities, which included the showing of a color motion picture starring former Celtics star Bob Cousey, now head basketball coach at Boston College.

Chairman of the dinner was Bernard Todrin, former president of the Newton Highlands Athletic Association.

Baseball Greats Guests As South Little Leaguers Dine

What with the appearance of Carl Yaztremski of the Red Sox, Artie Gore, former National League umpire and a great many other notables as guests, the 12th annual banquet of Newton South Little League, held in Meadowbrook Junior High School, was a complete success.

The great "Yazz," batting champion of the American League, told the boys he was a product of a small New York State farming town, and that he had gone to Notre Dame without any real desire to play ball professionally.

He recounted his travels through the minor leagues to the Red Sox, and urged the youngsters to keep education uppermost in their mind, pointing out that he is returning to college to continue work toward a business degree.

Artie Gore expressed hope that the boys realized how fortunate they were to have baseball to play. As a Middlesex County court officer in Cambridge, he said, he saw many boys brought in who had never had the advantage of ball playing.

Bringing the city's greetings, Mayor Donald L. Gibbs said that Newton would continue to do all it could to provide excellent recreational opportunities for all.

Head table guests included Dave Bowles, Giants manager; Ernie Neuhaus, league secretary; Al Campbell, publicity director, Sid Liner, Colts manager; Irv Rittenberg, Braves manager; Artie Gore, Hugh Arcese, league treasurer; Dan Brady, toastmaster, Carl Yaztremski, Dick Kates, league president, and Mayor Gibbs.

Also at the head table were: the Rev. Otis Fisher, Ken Vlass, Tiger manager; Leo O'Connor, Red Sox manager; Jerome Grossman and Ed Cain, Yankees manager.

Graduates for 1963 were: Andy Berezin, Dick Hirschfeld, Tom Keyes, Steve Walker, Al Gans, Jim MacDonald, John Poutas, Kevin Quinn, Bob Bakerman, Dani Mendelson, Bob Snyder, Jerry Colten, Wally Milgroom, John Schmidlein, Chris Quinn, Fred Lind-

dy, Roger Wyner, Jeff Freeman, Robin Marvin, Al Frazier, Larry McLean, John Monahan and Greg Phillips.

Also, Don Fabrizio, Alex Lechok, Scott Yardum, Dave Neuhaus, Eric Black, Roger Resnick, Dean Vernon, Jim Davin, Bob Brink, Stu Goldman, Pete Iagulli, Ron Arcese, Chris Eastman, Phil Foley, Henry Struth, Bill Lane, Joey Sincuk, and Dick Taranto.

New officers for the 1964 season are: President, Alan Campbell; vice president, Ken Vlass; secretary, Ernie Neuhaus, and treasurer, Hugh Arcese.

Local Girl On TV Auditions Next Sunday

Beverly Greenwald, of 56 Warren street, Newton Centre, will perform in the Community Auditions Show on Sunday, October 13, from 6 to 6:30 p.m. on WBZ-TV, Channel 4.

Beverly is a seventh grade student at Weeks Junior High in Newton. She is studying violin at the All Newton School with Mrs. Anne Gombosi, the director of the school. Mrs. Greenwald, also on the faculty of the All Newton Music School, will accompany her daughter on the piano for the television show.

This Sunday's Community Auditions Show is featuring performers from Red Feather Agencies throughout the Greater Boston area. The All Newton Music School is a non-profit organization supported in part by the Community Chest.

pital grounds were financed. They are occupied by married interns and residents.

An identical goal has been planned for the party this year. The event will pay for two additional apartments, making a total of four. The units are installed in a building that formerly housed a patient ward.

Because of these new, modern quarters, the hospital will have greater latitude in attracting young married physicians who are completing their medical education.

Mrs. Robert C. Casselman of Auburndale, Newton co-chairman, and Mrs. Robert H. Smith of Wellesley, co-chairman for that area, report an enthusiastic response to this year's Party Day.

Msgr. Lally Is Speaker At H.N. Meeting

Rt. Rev. Francis J. Lally, Editor of the Pilot, official organ of the Archdiocese of Boston, will be the guest speaker at next Sunday's meeting of Our Lady's Holy Name Society, Newton. The subject of Monsignor Lally's talk will be "The Church and Change."

Members of the Society will assemble in the church parking lot at 7:45 a.m. and then march to the church to attend 8 o'clock mass during which the will receive Holy Communion together. The meeting will be held immediately afterward in the parish school cafeteria.

Editor of the Pilot since 1952, Monsignor Lally is a graduate of Boston College and he also holds the degree of Licentiate in Social Sciences from Laval University, Quebec. He was ordained in 1944, named a Papal Chamberlain in 1953, and named a Domestic Prelate in 1959.

He is author of the book, "The Catholic Church in a Changing America," published in September, 1962, and selected as a Book of the Month by the Catholic Book Club shortly thereafter. Currently, he is also Chairman of the Boston Redevelopment Authority, a member of the Boards of Directors of the Fund for The Republic, the Metropolitan Boston Arts Center, and the International Friendship League. He has been awarded Honorary Degrees by Stonehill College, North Easton, Mass.; Marquette University, Milwaukee, Wis.; Manhattan College, New York, N. Y., and Boston College.

Lawrence T. Colletti, president, will conduct a brief business meeting following Monsignor Lally's talk.

Weavers' Guild In Waban Two Days Next Week

The Waban Library Workshop at Beacon and Woodward streets will be the setting for the annual bazaar of the Weavers' Guild of Boston on Monday and Tuesday, Oct. 14 and 15, from 11 a.m. to 5 p.m.

A short distance from the Waban MTA station, the workshop is convenient for motorists and pedestrians, and has its own entrance and parking area off Pine Ridge road.

This event gains interest yearly not only for the wide variety and high quality of the many useful and decorative items offered for sale, but also for the weaving demonstrations by Guild members and for the Weavers' Corner featuring books, yarns and many other items of special interest to handweavers. The Guild's net commissions from sales will aid in establishing a scholarship in the field of hand-weaving.

Offered for sale will be table linens and towels for which the Guild is justly noted, rugs, bathmats, pillows, bags and hats, baby blankets and bibs, neckties, scarves and stoles, skirts for adults and children, plus an assortment of small articles. All woven articles offered for sale have passed the tried scrutiny of an exacting jury.

Co-chairman of this year's sale in Waban are Mrs. John A. Timm and Mrs. Montague P. Ford. Newton members of the Guild assisting them are: Mrs. Walton C. Galinat, Mrs. Donald L. Gibbs, Mrs. William B. Marquis, Mrs. Elmer K. Pillsbury, Mrs. Harry Sandler, Mrs. Harry Schwartzman, Miss Henriette Sebring, Mrs. Arthur M. Southwick, Mrs. T. D. Sullivan, Mrs. Mark Walker and Mrs. Dorothy Wood.

Oct. 16 Party For College Fund

The Auburndale Woman's Club will hold the annual card party of its scholarship committee on Wednesday, Oct. 16, at 1:15 p.m.

All proceeds will be applied to the fund to enable an Auburndale girl to attend college next year.

Dessert and coffee will be served, followed by an afternoon of games, and decorations will carry out the Golden Anniversary color scheme.

Reservations may be made by calling Mrs. John B. G. Palen at SE 2-2154, or any member of the committee.

Mrs. Robert P. MacLaughlin is committee chairman, assisted by Mrs. William B. Campbell, Mrs. Henry R. Graves, Mrs. James I. Glaser, Mrs. Charles A. Higgins Jr., Mrs. Leonard Martin Jr., Mrs. John B. G. Palen, Mrs. John H. Pantano, Mrs. Carl L. Recco, Mrs. Gregory Samoylenko, Mrs. R. Emerson Sylvester, Mrs. Paul Tardival, Mrs. Blake Tewksbury, Mrs. Oratio Vaccaro, and Mrs. Robert E. Woods.

The Harvest Fund, which enlists more than 30,000 supporters, is the major source of finance for the extensive operations of the Guild which include the world-renowned St. Paul's Rehabilitation Center for restoring blind persons as useful and reoriented members of society and St. Raphael's home for elderly blind women.

Additionally the Guild conducts community and school mobility programs for the blind and provides volunteer service to aid blinded professional persons and students. It also offers counseling services and vocational guidance.

This year's Harvest Fund drive is being expanded to provide supplemental funds for the recently founded American Center for Research in Blindness and Rehabilitation in Newton. This center, the only one of its kind in the world, is devoting itself to research projects for the benefit of all the blind.

Under Research Director Leo A. Riley, M.D., recognized authority on blindness in diabetes and long time consultant at the Guild, the Research Center has already gained national attention and recognition. It has an agenda of 80 major specific research projects to which it is addressing itself.

ALEXANDER TANGER

Commenting on the Harvest Fund's past success and the hopes for the future, Fr. Carroll announced that workers for this year's campaign will be "faced with a greater challenge than ever before in our 27 year history. The needs of the blinded population, served by the Guild, extend that challenge to us. We must meet it."

This theme was echoed by Chairman McCormack and enthusiastically endorsed by each director and the assembled Harvesters.

League Of Women Voters

An example of the fine work done by the Newton League of Women Voters is provided by the Election Guide published in this edition of The Graphic.

This is one phase of the effort by the Newton League to promote responsibility in government and to make the electorate better informed.

For the most part this is both a tedious and thankless undertaking, with the sense of community service the only reward the League members usually realize.

However, the work done by the sincere and serious-minded League members is of major importance. The League deserves both the gratitude and support of the people of Newton.

Salute To Volunteer Workers

The announcement by General Chairman Stanley Miller that more than 1100 volunteers have been signed up for the 1963 United Fund campaign in Newton speaks highly of the effective organizational work accomplished by a corps of dedicated planners.

It also indicates the high pitch of enthusiasm with which the annual campaign is being received here and points to its most successful conclusion.

The tremendous energy, brain and muscle, contributed by our citizens in the many, many worthy money seeking efforts, is rarely comprehended in its entirety by the resident not closely associated with the projects.

Our local generosity always stands revealed in the final tabulations of these campaigns, a companion piece of civic responsibility, worthy of the plaudits of all Newton residents.

Decidedly deserving of our commendation are all the fine men, women and youngsters who annually devote time, effort and money in assuring the success of our multiple money raising efforts.

Vehicular Failure A Menace

The dire need for close scrutiny of the condition of vehicles being driven on our crowded and high-speed highways is borne out by the startling conclusions revealed in the report of the Research on Fatal Highway Collisions Committee.

This is a five-year study initiated at Harvard University under a Federal grant.

Although not yet fully completed, the study discloses some startling facts, among them that vehicle failure is a much greater cause of fatal accidents than anyone had realized previously.

The study was made in this section, the Boston metropolitan environs and the area roughly within the boundaries of Route 128.

It is revealed that vehicle failure is an important aspect of many more fatal accident cases than it had been believed. This included the failure of the vehicle to function properly and safely under driving conditions, and the failure of the automobile to be designated as unfit for safe driving.

Vital areas for checking safety include, brakes, steering, lights, king pins, ball joints, drag links, tires, and control arms, among others.

Under the stress and strain of high speed highway driving many cars prove inadequate and fail. The car is simply not in condition for the test. The result—serious accidents, injury and death to its occupants as well as those in other cars innocently involved in the crash.

The study recommends a systematic step-by-step examination of all vehicles as being extremely important in keeping the driver alive.

The current tightening up of car inspection procedures in the Bay State is a direct result of the findings revealed in the study and, apparently, is long overdue.

This is merely a case of something comprehensive and drastic being done to keep Bay State drivers alive and out of the hospitals or cemeteries.

The more complete inspection in effect now is well worth the dollar charged. However, even the more thorough inspection made twice a year cannot guarantee that your car and its vital components Especially Steering, Brakes and Tires are safe until next inspection time.

Compulsory inspection is not a substitute for the responsibility of the driver to inspect and maintain his own car. Any time and money devoted to keeping the family vehicle a safe means of transportation is well spent. And it is important, in fact, life itself.

Favors Fluoridation, Has Some Questions

Editor
The Graphic

I would like to ask a few things concerning the petition against fluoridation.

The city of Newton has spent, or is about to spend, \$115,000 to fluoridate the municipal water. This decision to go ahead with it was arrived at after deliberation and study by the aldermen, and by general vote.

It seems a waste to now abandon this plan after so much money has been committed to it.

Secondly, what is the legality of the petition sponsored by the anti-fluoridation groups? This legal question has been contested in the lower court and is now being tried in the Supreme Court. In other words, it is very much a question as to the legal grounds for the petition, which in itself has nothing whatever to do with the fluoridation itself.

The anti-fluoridation groups are made up of cranks, vegetarians, fascists and other fringe groups. Their attacks on the issue of fluoridation are cleverly contrived with half truths. If anyone wants a true and intelligent opinion on the often confused picture of fluoridation, one should ask his or her doctor or dentist. Then we should all be correctly informed.

Sincerely,
Mimi Braverman

Praises Report On Community Renewal

Editor
The Graphic:

One sign of maturity in an adult is the ability to step back and look at oneself in the figurative mirror and assess one's virtues and faults.

Likewise, in a mature city, it takes extreme courage to call in authoritative experts and ask them to review our history, weigh the present, and assess the future.

Just such an opportunity and the challenge it presents have been given to the City of Newton in the recently completed Community Renewal Report.

It is incumbent on every homeowner and interested citizen to heed well the appraisal and recommendations in the recently released study. Problems that have arisen and will arise in the future are faced fairly and squarely in a volume that abounds in statistics and their evaluation in the fields of land use, traffic control, and the pattern of suburban living in a growing community.

The cooperation of every sector of the city is needed to make this program a success for all.

Very truly yours,
Harold M. Band, President
Newton Highlands Improvement Association.

Favors Discontinuance

The Editor:
Newton Graphic

Recently, several thousand voters signed a petition to discontinue the fluoridation of the Newton public water supply. Why?

Because many of the residents do not prefer to have the city's water supply chemically treated with sodium fluoride, and they realize the inconvenience and expense of being compelled to purchase bottled water.

Too, many taxpayers feel that the expenditure of thousands of dollars to artificially fluoridate Newton's water supply is not consistent with sound economy. Approximately 99% of the fluoridated water will not be used for the purpose for which it is being fluoridated.

Others object to this process of mass medication of 100% of the population for "claimed benefits" to only 1% — the young children whose teeth are in the formative stages.

But the vital issue involved is the right of the individual to freedom of choice. For this reason it is hoped that on November 5, the voters in Newton will answer the question: — "Shall the fluoridation of the public water supply for domestic use in the City of Newton be discontinued?" by voting "YES."

ELIZABETH E. DYER.

Give It A Chance

Editor
Newton Graphic

From recent news, it appears that the question of discontinuing fluoridation of the water supply in Newton will be on the ballot this November. At the same time, it is my understanding that fluoridation has just begun in one of the three locations established in this city and will start in the other two in the near future.

It hardly seems that this is in keeping with responsible financial management, nor within the spirit of the law that enables such a situation to arise.

The City Officials have just spent \$115,000.00 of the taxpayers' money and innumerable hours in planning for the establishment of a process which the majority of the voters favored two years ago.

It is a shocking situation! Would it not seem reasonable or even imperative that the City's investment in man hours and money be put to good use, and that the effects of fluoridation be given a fair trial?

The only recourse now is at the polling booth. I hope the voters of Newton will have the good sense to oppose this premature and wasteful referendum.

Sincerely yours,
MARGARET F. MAGOLEY.

Corn Grower

Rio de Janeiro — Brazil is the world's second largest corn grower, the U. S. ranking first.

Lee Loumos Says:

This Saturday, Columbus Day, we are holding the formal opening of our expanded building, and invite all to attend our Open House and Inspection Tour.

Our buildings are synonymous with the history of Newton Lower Falls. The original building was erected about 1738 by John Parker, who bequeathed it to his son Ezra in 1761. A pioneer paper mill was erected in the Lower Falls in 1790 by John Ware, and became the precursor of many industries which the ample water power of the Lower Falls soon attracted. About the time of the Civil War, the paper mills of Thomas Rice turned out enough newsprint to make a pathway more than a yard wide around the equator. (Just think of the mental labor to fill that paper with words!)

In 1818 the first Post Office in Newton was established in the red building that we have preserved within the new show-room. At that time there were 33 dwelling houses and 405 inhabitants in the Lower Falls. Both house and Post Office represent a good deal of history. Underground slaves found refuge in the two-story building during the Civil War days, using a tunnel from the right and a secret stairway to the attic.

The Post Office has the same old hand-hewn beams, fireplace, and wide boards that were in the original structure. They tell us we will never have to worry about termites, because there is nothing left in the old wooden beams for the little bugs to feed on.

Located on Route 16, a stone's throw from the cloverleaf on Route 128 and less than a mile from Route 9 and the Mass. Turnpike, our geographical focus couldn't be better. Ample parking facilities are in the rear, at the service department entrance.

Take advantage of YOUR holiday and be OUR guests. The new address again is 2006, 10 Washington Street, Newton Lower Falls.

Purpose of Election Guide

Who are the candidates?

The Newton League of Women Voters, in cooperation with The Graphic, has prepared the following material to help voters become better acquainted with the candidates and the offices they will seek in the Nov. 5 election.

Each voter may vote for Mayor, for 16 Aldermen-at-Large, 1 Ward Alderman and eight School Committee members and also may vote "Yes" or "No" on two referendum questions.

Two Aldermen-at-Large (voted for by all the people) and one Ward Alderman (voted for only by voters of that ward) are selected from each of the eight wards of the city.

Eight School Committee members are elected, one from each ward, but they are voted on by all the voters.

Thus, when you go to your polling place on election day, you can mark 28 crosses on your ballot: one for Mayor, 16 for Aldermen-at-Large, one for Ward Alderman in your home ward; eight for School Committee and two on the referendum questions.

Alderman-at-Large

All candidates were asked to give, in 30 words, their occupation, educational background and positions in civic organizations as well as the committees on which they serve if in office now.

Candidates for the Board of Aldermen also were asked to answer the following question in not more than 50 words:

The Community Renewal Survey has recommended clearance, rehabilitation and conservation in specific areas of Newton Corner, Newtonville, West Newton, Nonantum, Newton Upper Falls and Newton Lower Falls. Which recommendations of the report do you favor and why?

WARD 1

ADELAIDE B. BALL

Newton schools—public and private schools.
Present Alderman: Claims and Rules and Public Works Committees.

Clerk, Newton Community Council; Board of Directors, Newton Junior College; Chairman, Mental Health Steering Committee; Chairman, Kendrick Fund.

All have merit. These areas are in older parts of Newton... developed with no overall plan. The time has come to have the best and most productive use of these areas. By accepting these plans now, we can look forward to a modern city... provide housing, services for increasing population.

JOHN F. HOLDEN

Attorney at Law.
Notre Dame, DePaul Univ., Boston College Law School (B.A., LL.B.). Former Captain U.S. Marines, Former Member, Democratic Comm., Ward 1, Pres., Ancient Order of Hibernians.

I think it is impossible to answer the question in the space allowed. I do not feel that the report can be recommended wholeheartedly, even on a village by village basis. There is more here than meets the eye. There are sociological and moral problem areas involved.

KENNETH L. YUKES

Staff Assistant, N.E.T. & T. Co.
Boston English High School, Lowell Inst., Presently working for B.A.

Active in many civic endeavors.
Any community renewal program must work in conjunction with proper city planning. While I favor certain aspects of the renewal report, and shall support the rehabilitation of older sections of Newton, I am more concerned with the basic concept of keeping Newton a garden city and a fine residential area.

WARD 2

WINSLOW C. AURYANSEN

V.P. and Purchasing Agent, Huse-Liberty Mica Co., Peabody.

Newton Schools, Rensselaer Polytechnic Institute.

Present Alderman; Treas., Exec. Committee, Newtonville Improvement Assoc.

The Community Renewal Survey is a very comprehensive report, which will require a great deal of study before any specific action can be taken. I am unable to pick a specific recommendation at this time.

WILLIAM M. GLOVSKY

Attorney.
Dartmouth College, A.B.; Harvard Law, LL.B.

Present Alderman, Exec. Committee, Anti-Defamation League, Past Pres., Clafin P.T.A.

Recommendations appear sound and the result of careful and thorough review. Have some tentative reservations on schedule of priorities. This type of survey long overdue and city should institute and maintain program of continuous review and surveillance, which should start with establishment of full-time Planning Department.

WARD 3

MELVIN J. DANGEL

Attorney.
Boston University, College of Business Administration; Boston University School of Law.

Present Alderman: Chairman, Public Buildings Committee; member Franchises and License and Claims and Rules Committees. Past president, Newton P.T.A. Council, Warren Jr. High School P.T.A. and Pierce School P.T.A.

I consider the rehabilitation of Newton Corner to be our first concern because of the age of its properties and its high density of population. Due to its strategic position with respect to the Massachusetts Turnpike interchange, a more intensive reuse of the existing land appears to be warranted.

JOHN M. LOFTUS

Insurance Inspector (Engineering).
Our Lady's High School, Mass. Maritime Academy, B.S. Engineering.

Community renewal is often a disastrous proposition. We all know of the damage which this type of survey has caused in other communities. In each aspect of this type of action consideration must be given to the individual area. With reservations, I am in favor of the recommendations as presented.

JOHN P. NIXON

Insurance Agent, Broker.
Newton High, Dartmouth College, A.B.

Present Alderman; Chairman, Off-street Parking and Municipal Meters Committee; Member of Finance Committee and Committee on Urban Redevelopment. Past Pres., Pierce School P.T.A.; Past Chairman, Ward 3 Republican Comm.

The first phase of the Program deals with measures aimed at long range control and prevention of blight as well as short range proposals for the same problem. This can be implemented without recourse to Federal aided programs and is more in keeping with the principle of local community responsibility.

RICHARD H. STEINBERG

Partner in law firm, Steinberg & Steinberg.

Bates College, A.B.; Columbia University Law School, LL.B.

Former Director, Newton Chamber of Commerce.

I am in favor of the Community Renewal Survey's emphasis on rehabilitation and conservation rather than on clearance. The program's low cost home loans to improve and conserve property will be welcomed and the fact that very little demolition is planned means few displaced families or serious traffic problems.

PAUL F. MALLOY

Attorney.
Newton Public and Parochial Schools; 2 years college pre-legal, 3 years law school (LL.B.).

I like the report, emphasizing conservation and rehabilitation. Clearance is minimal. But poor administration can vitiate the program. Boston and Brookline have witnessed serious dissension over the

choice of land to be cleared and land developers. There and elsewhere unfair reimbursement, slow payment, inadequate notice have been charged.

WARD 4

RICHARD P. BRENNAN

Assistant Manager, Retail Liquors.
Our Lady's High School, Newton.

Exalted Ruler, Newton Lodge of Elks; Past Community Fund Captain.

The outstanding feature of the three classifications, I feel, is the priority given Newton Corner for renewal and rehabilitation because impact of Toll Road is severest in this village. Conservation, in this area, needs more study. Imperative is adoption of segments of traffic study. The survey, generally, is excellent.

DENNIS CRONIN, JR.

Lawyer.
Boston College, A.B. Harvard Law School, LL.B.

Former Director, Newton Civic Association.

Because of this report's recent publication, length, complexity and impact, it would be premature to judge the recommendations until careful study and evaluation is made. In general, those recommendations pertaining to 'effectuation' have some merit; those pertaining to renewal areas should be helpful in formulating a workable renewal program.

HARRY H. HAM, JR.

Attorney.
Newton Schools, Dartmouth College, Boston University Law School.

Ward Alderman 1954-55. Alderman-at-Large 1956-63, Chairman, Public Works Committee, 1958-59; Chairman, Claims and Rules Committee, 1960-63.

Conservation and rehabilitation of designated substandard areas should be implemented through adoption of housing code and establishment of housing and zoning enforcement agency independent of building department. Favor land use changes recommended for Newton Corner by creation of separate Renewal Authority to undertake clearance and rebuilding with requisite federal aid.

WARREN A. SUTHERLAND

Vice President, State Street Bank & Trust.

Newton High School, Bentley School of Accounting; Amer. Institute of Banking, 1955-61, Ward Alderman; Present member, Planning Board; Treas. Williams P.T.A.

This survey is one of the most important documents to come before the Board of Aldermen and Planning Board. Careful study must be given to the areas indicated. I am highly in favor of the scope of the report and look forward to participating in its implementation.

WARD 5

FRANKLIN N. FLASCHNER

Attorney.
Yale, B.A., LL.B.; Harvard (Littauer) Certif. of Public Administration; Red Feather Campaign Chairman, President Oak Hill Park and District Improvement Association.

Present Alderman, Chairman, Planning Committee, Member of Public Works and Claims and Rules Committees.

The recommendations I urge most strongly do not have to do with clearance, rehabilitation or conservation in any specific area, but rather with CRP, Part V (C) recommending upgrading of housing, building etc. codes and enforcement thereof, because our city government is admittedly deficient in this vital function throughout the city.

HARRY L. WALEN

Principal, Needham High School.
Newton High, Harvard (A.B.A.M.).

Present Alderman; Central Budget and Allocating Committee. Vice-President, Family Service; Red Cross Disaster chairman; Civil Defense Director, deputy chief warden; President, Community Chest and Council.

Favorable reaction to the survey could be expected from my having moved creation of the Aldermanic Planning Committee. The survey is well done. But published emphasis on any particular area until after careful committee study and debate could be premature and actually prejudicial to the eventual success of community renewal.

WARD 6

WILLIAM L. BRUCE

Lawyer, Asst. Dean, Harvard Law School.

Co-chairman, United Fund Drive, 1959; Director, Community Chest, Council; Director, past president, Newton Centre Improvement Association; Director, World Affairs Council.

Favored Recommendations: Emphasizing rehabilitation, conservation—minimizing outright clearance; preserving neighborhood characteristics, broad rent ranges, open spaces; relocation committee; revising planning, codes, inspection procedures; priority—Newton Corner, West Newton turnpike disruption problems. Because: Rehabilitation, conservation upgrade property, improve tax base, protect individual rights, retain Newton's unique residential character.

HERBERT S. COHEN

Attorney.
Weeks J.H.S., Newton High School, Brown University, Columbia University Law School.

Newton Jr. Chamber of Commerce, Past Chairman Distinguished Service Awards Committee.

The Community Renewal Survey is an excellent example of the benefits provided by professional planning, in giving guidance the utilization of which is necessary if we are to preserve and maintain the residential character of the city while simultaneously fostering the upgrading of existing commercial areas.

PETER F. HARRINGTON, JR.

Attorney.
Providence College, A.B., Portia Law School, LL.B.

I agree with the conclusions concerning Conservation and Rehabilitation. I think that the areas designated for Redevelopment require further study in order to allow legitimate objections to be raised. The second phase of this program should be started to provide a more detailed explanation of costs and other necessary considerations.

CHARLES F. HOVEY

Attorney.
Harvard College, 1932, Harvard Law School 1935.

Alderman-at-Large: Chairman Public Works Committee, Member Street Traffic Committee.

Depth analyses of Newton Corner, West Newton, Nonantum and Newtonville areas should be postponed until traffic pattern effects of the turnpike extension are known. The first area studied in detail should be Newton Upper Falls, involving all three types renewal and experience for later renewals in north part of city.

WILLIAM F. JOHNSTON

Attorney.
Suffolk University, Suffolk University Law School.

With reservations, I favor the recommendations of the report in its entirety. The report recommends the resurfacing of areas that are contaminated with blight and it establishes an organized zoning pattern by segregating residential, commercial and industrial properties. The report strongly indicates that Newton needs a full time City Planner.

WARD 7

WILLIAM E. HOPKINS

Consulting Engineer, Stone & Webster.

Johns Hopkins University. Present Alderman: City Planning, Education, Public Buildings, Franchises & Licenses, Workmen's Compensation Committee. Ex-Chairman Planning Board. Director, YMCA.

All recommendations to matter.

School Committee

Candidates for School Committee were requested to give the same information as were the candidates for the Board of Aldermen and also were asked to answer the following question:

Are there adequate facilities in the Newton public schools for the non-college bound students?

WARD 1

FRANCIS P. FRAZIER

Retired Principal.
A.B., Boston College, 1918, M.Ed., Boston Teachers College, 1930.

Member, Newton School Committee, Mayor's Advisory Committee on Civil Defense, Former Member, Newton Selective Service Board.

The educational trend in good school systems is toward a comprehensive high school, into which the Business, Technical, and Trade Departments are integrated. This will tend to give equal status to all

maintain standards, correct deficiencies and improve tax base. The recommended order of priorities recognizes the extensive rebuilding needed at toll road intersections of West Newton, Newton Corner. Interests of citizens in study areas must be protected. City should not relinquish control of redevelopment. Need continuing program.

JOHN P. MCCARTHY

Asst. Director Admissions, Boston University. Asst. Professor Guidance, Boston University.

Boston College, Boston University, S.B. M. Ed. Harvard Graduate School.

Present Alderman: Finance, Claims and Rules, Street Traffic Committees. Past President, Underwood P.T.A.

The magnitude of the study and the many implications thereof negate either generalization or a specific recommendation. It should be subjected to critical evaluation with the expectation of some revision. The recommendations of a comprehensive housing code enforcement program and proposals for land use patterns are especially commendable.

MELVIN NORRIS

Attorney, former Attorney Federal Trade Commission. Northeastern University, B.S.; Boston College Law School, LL.B.

Bd. of Directors, Brookline Hospital Associates.

I am in favor of a renewal plan which stresses rehabilitation and conservation of existing areas with a minimum amount of destruction.

H. JAMES SHEA, JR.

Consulting Engineer, Licensed Real Estate Broker.

Tufts University (Political Science Major, Economics Minor), University of Virginia Law School.

United Fund District Director; Newton Chamber of Commerce.

I wholeheartedly agree with the Community Renewal Survey recommendations because, being involved by profession in City Planning, I know of Newton's great need for intelligently selected new plant investment. I therefore encourage every citizen to support this imaginative program, which can preserve and enhance our greatest asset—Newton's residential character.

WARD 8

WENDELL R. BAUCKMAN

Sales Representative.
Newton High School, Norwich University, Boston University.

Present Alderman: Member of Finance and Claims and Rules Committees.

I favor most of the recommendations; however, there are a few areas where I may have some minor disagreements with the report. The Mayor's pursuit of Community Renewal is to be commended as it will overcome blight in the areas where it may exist and prevent it in others.

THEODORE D. MANN

Insurance.
Graduated Boston Schools. Attended Boston University and Boston College.

Present Alderman: Chairman, Franchises and Licenses Committee; Member, Public Buildings, Community Planning Committees.

President and Treasurer, Mass. Cancer Detection Center.

I am in favor of proceeding with the appointment of a Commission. The commission to further be charged with continued surveillance. Attention first be given to the deteriorated properties indicated in report. I would like to see more community involvement in the entire subject matter.

not seen, nor do I know has ever been completed. Any comment, therefore, would be valueless in answering this above question.

WARD 2

RICHARD C. HUSSELBEE

Publisher's Representative. Boston University, A.A., LL.B.

Past Finance Chairman, Day Jr. High P.T.A.

The facilities for non-college bound students appear at this time to be adequate. Individual situations may require special attention and for this reason the methods of education should be periodically examined and changes made as required to keep the facilities compatible with the necessities of our changing times.

NORMA W. MINTZ

Housewife.
B.A., Conn. College; Graduate Work, Harvard.

Present School Committee Member, Director, Newton Jr. College Community Center, Taxpayer's Assoc., Clafin P.T.A., P.T.A. Council.

Current relevant facilities: Excellent guidance; business courses; special programs—English, Social Studies, reading, language skills, Technical High School curriculum; readily available Newton Jr. College courses, both full and part-time. Areas worth considering: Review of employment market and special training requirements; better resource materials; special programs combining school and employment.

WARD 4

GRACE C. WHITMORE

Housewife.
B.A., Mt. Holyoke College.

Present School Committee Member.

Commissioner, Girl Scouts, Scout Leader, former Chairman, 21" Classroom Advisory Comm., Treas., Council for Humanities.

Business no longer separate curriculum. Courses available to all. Technical-Vocational equipment available only to students enrolled because of state-aid restrictions. Guidance helps students select courses suited to capacities. Accepting children's limitations and, in conference with guidance personnel, helping them find satisfaction within their capacities is role of parents.

WARD 4

MANUEL BECKWITH

Business Executive.
Boston University.

Present School Committee Member, Past Pres., Newton High School P.T.A., Past Pres., Auburndale P.T.A.

Yes. Could there be more?

WARD 5

JEROME GROSSMAN

President, Mass. Envelope Co.

A.B., 1938, Harvard College. Pres., Newton Council P.T.A., Pres., Warren P.T.A., Director, Newton Civic Assoc., Commissioner, Newton South Minor Baseball League, Exec. Board, Newton South P.T.A.

While the eight courses offered to boys at the Newton Technical High School are based on excellent facilities, teachers and leadership, there appears to be an incomplete relationship with guidance personnel in the other schools. Newton might explore the addition of courses training technicians in computer work and other fields.

EDWIN HAWKIDGE

President, Hawkridge Bros. Co.

B.A., Dartmouth College. School Committee, third term, Board of Directors AM-HIC, former Vice-Chairman, Residential Newton Community Fund, former Board of Directors, Newton Taxpayers Association.

Physically, yes; organizationally, potentially. The biggest recent improvement in program is the freeing of students to study in more than one curriculum if abilities permit. Ahead lies strengthening business courses, perhaps like Katharine Gibbs, and the Technical High School, to assure more training in the areas of existing community needs.

Harvard College, B.S., Harvard Law School, LL.B.
Chairman, Newton School Committee; Chairman, Citizens Advisory Committee, Mass. Council for Public Schools; Past President, Association of School Committees.
The Technical High School programs, and the business courses in the high schools both aim for the development of skills which may lead directly to employment, or else to further specialized training. For pupils of lower academic ability, special courses and teachers, and increased reading and guidance help are provided.

THEODORE G. GREEN
Plywood Sales and Merchandising.
B.A., Colorado College; M.A., Economics, Boston University.
Program Chairman, Newton Jaycees.

Bowen School P.T.A.
The staff of guidance counselors who are primarily concerned with college placements, do not have ample opportunity to help the student seeking work immediately upon graduation. They therefore must neglect the 30% of Newton's High School graduates who do not continue their education.

WARD 7 HUGH M. TOMB

President, Laminated Sheet Products Corp.
Newton High, 1937; A.B., Princeton, 1941.
Member of School Committee since 1960.
United Fund Chairman Advance Gifts, Small Business.
Yes, but we must continue to look for ways to enrich the curriculum so the non-college bound student will find his education stimulating and meaningful.

Response By Mayor Gibbs To League Planning Query

Mayor Donald L. Gibbs, who is unopposed for reelection to a third term, was asked by the League of Women Voters to answer the following question: "What do you consider to be the advantages and disadvantages of over-all planning for Newton?"
The Mayor's response: "Planning for the Metropolitan Boston region and Newton is a must. It permits close inspection of our strengths and weaknesses, thus allowing the updating of our ordinances, administrative practices, etc. Costly mistakes can be avoided. Change is inevitable—our task is to guide these changes for the best interest of all Newton citizens."

Mayor Salary Increase Question To Be On Nov. 5 Election Ballot

The first referenda question listed on the Nov. 5 election ballot will read:
"Shall an Ordinance fixing the salary of the Mayor at \$20,000 per annum beginning January, 1964, be approved?"
A "Yes" vote would raise the pay of the Mayor from \$15,000 to \$20,000 a year, beginning next Jan. 1.
A "No" vote would hold the Mayor's salary at the present \$15,000 figure.

Newton Voters Will Resolve Water Fluoridation Controversy

A widely debated question, which will be the second referendum on the Nov. 5 ballot, will read:
"Shall the fluoridation of the public water supply for domestic use in the City of Newton be discontinued?"
A "Yes" vote would be against fluoridation and would halt the fluoridation of Newton's water supply.
A "No" vote would be in favor of fluoridation and would continue the fluoridation of water in the city.

League of Women Voters Thanks Newton Graphic

The Newton League of Women Voters today publicly thanked and commended The Graphic for cooperating in the publication of the Election Guide as a service to the people of Newton.

Ward Aldermen

Candidates for Ward Alderman were asked to give the same information and answer the same question as were the candidates for Alderman-at-Large.

WARD 1

ANDREW J. MAGNI

Funeral Director.
Newton Schools; N. E. Inst. of Embalming & Funeral Directing ('58).
V.P. Holy Name Society; President, Ushers Club; Asst. Venerable, Sons of Italy; Ward Democratic Committee.
The establishment of Single Code Enforcement where qualified personnel would use long range planning to eliminate unnecessary duplication of land use is a sound basis for strengthening city growth. Citizens participating with planning groups would serve two purposes: insure success of planning; secondly, such groups would directly affect the progress of actual activities.

JOSEPH M. McDONNELL

Lawyer.
Our Lady's High School; Boston College, B.S., LL.B.
Chairman, Ward II Democratic City Committee.
The CRS has made a preliminary delineation of those areas as ones in which a potential for renewal exists. Also it has recommended an application for survey and planning funds for an in depth analysis of the Newton Corner area. I am in favor of this and several other recommendations.

GEORGE MORRISSEY

Construction Estimator.
Our Lady's High, Northeastern University.
Democratic City Committee.
I approve 100%. Am mostly concerned with the proposal in Ward 1 in which I am seeking election. That is the making of Adams St. one way. My reason is for the safety of children as it is in a school area.

HERBERT L. SHULMAN

Real Estate Management.
Degree in Accounting and Business Admin., R. I. State College.
Advisor, Newton Cub Scout Pack 301; Treas. and Exec. Board Member, Boston Power Squadron.
The CRP as presented can stimulate constructive thinking and action for those areas in need of rehabilitation. While I have read the report and basically favor renewal and rehabilitation programs for parts of Newton the report deserves far greater study before recommendations should be made.

GEORGE L. WHITE, JR.

Tax Accountant.
AB, Holy Cross ('58); MBA, U. of Pennsylvania ('61); LLB, Harvard Law School ('63).
So long as adequate housing is provided for anyone displaced by the Community Renewal Program, I favor the recommendations of the plan. We must plan now to make sure that the city, especially the Newton Corner area, will recover from the devastation caused by the Toll road.

WARD 2

GEORGE L. HICKS

Retail Adv. Manager, Boston Globe.
Present Alderman: Chairman, Legislation Committee; member, Public Works, Education, Parking meters and Off-Street Parking Committees.

Board of Directors, Newtonville Improvement Assoc., Clafin and Day PTAs, Newton High PTSA.

The community renewal survey has many merits and will require a great deal of time to read thoroughly, but at the present time I do not feel that I could go into detail from the standpoint of recommendations until I have studied the survey very thoroughly.

DONALD C. HOWARD

University Administrator.
BS, Boston University, MA, Columbia University.
Director, Newton Improvement Association.
Urban renewal is necessary to the progress of any modern, well ordered city. This study and report is a splendid piece of work. It reveals an in depth understanding of the physical needs of the city, without setting aside human considerations. I am in favor of all its recommendations.

WARD 3

PAUL J. BURKE

V. P. Davis Sales.
Newton High, Burdett College; Attended Boston U. and U. of Edinburgh.

President, Newton Veterans Asso., Franklin PTA. Delegate, Newton Community Council; member, Mayor Gibbs Swimming Pool Committee.

The basic recommendation calls for administrative policies that concentrate on conservation and rehabilitation rather than major clearance. Of particular interest to me is the suggestion that to carry out said recommendations the city take advantage of Federal renewal funds to finance its improvement programs.

ROBERT TENNANT

Pres. and Treas., R. L. Tennant Ins. and Real Estate Agency, Inc.
Newton High, BA, Staley College.
Present Alderman: Public Works, Street Traffic Committees, Past Director, Newton Civic Assoc., Past Pres. Peirce PTA.

Upon reviewing the survey which I feel was very concise and factual, and after a personal tour of the blighted areas in question, I would favor the rehabilitation recommendation. Most of the blighted areas are controlled by those interested only in income return and care less about upgrading in Newton.

WARD 4

DAVID W. JACKSON

Professional electrical engineer, consultant.
Graduate, Yale University.
President, Auburndale Improvement Society; V.P., Burr PTA; Mayor's Advisory Committee on Civil Defense.
I approve generally areas and priorities recommended for redevelopment-rehabilitation. I reserve opinion on details. I approve the important recommendations to prevent blight: new stringent housing code, comprehensive city plan, continuing neighborhood blight inspection, establishing code enforcement and planning departments, and enlisting citizen participation. These affect Auburndale-Lower Falls.

JOHN L. VACCARO

Certified Public Accountant.
Newton Schools, Boston College.
Past Pres., Newton Jaycees; Director, Past Chairman of Individual Development, Mass. Jaycees, Newton Chamber of Commerce, Task Force Committee.

I am pleased with the CRP report, and am particularly interested in the section, "A Study of Optimum Land Uses." The discussion and recommendations in this section of the report could serve as a basis for the beginning of long range city planning, a policy which I endorse.

WARD 5

EDWARD C. UEHLEIN

Practising Lawyer.
Bowdoin College, B.S., Harvard Law School, LL.B.
President, Angier PTA and Newton Council PTA; Member, Board of Governor's, Newton Community Council; area Chairman, United Fund; Appeal Agent, Selective Service System.

I would favor some recommendations. It is important that Newton, as a whole, retain its character as a garden city. There are areas where there should be clearance, rehabilitation and conservation. The voluminous report has just been filed and it would be presumptuous of me to indicate that I have made a study of it. It is a massive document full of many facts and figures which will take a great deal of study. The matter will come before the Board, at which time I will be more knowledgeable.

WARD 6

ERNEST F. DIETZ

Business Executive.
A.B. University of Michigan; M.Ed., Boston University; Harvard Graduate School.

Present Alderman: Public Buildings, Franchises & Licenses, Municipal Parking and Meters Committee; Former Chairman Mayor's Advisory Committee on Construction of Public Buildings.
I support in principle these recommendations, but each must be thoroughly studied and proper administrative procedures established before adopting this program. Of great significance are recommendations for citizen participation; and acceptance by the study of the historic village concept of Newton as the framework for the entire Community Renewal Program.

KEVIN LANE

Insurance, Real Estate.
Boston College, 1954; B. C. Graduate School, 1957.

CRP a must. We must preserve our Garden City, safeguard our home, family and tax basis by adopting planned program of redevelopment, rehabilitation, renewal. Great care must be taken to treat people and areas humanely and personally especially in the relocation of any displaced family within their own village community.

WARD 7

WILLIAM CARMEN

Real Estate Management.
Boston University, B.S. in B.A., Tufts University, Elliott-Pearson School.

Present Alderman: Public Works and Municipal Planning Committees, Chairman, Newton Housing Authority.

I am in favor of complete renewal in Newton as recommended by Community Survey. Private capital should be encouraged to participate to fullest extent and public funds used in private capital not forthcoming. Further studies for the entire city, covering all aspects of the city's further development, should commence at once.

WARD 8

JACK M. ROBERTS

V.P., Roberts Furs.
Brookline High, B.U., U. of New Hampshire.

Present Alderman: Public Works, Legislation, Street Traffic, Parking, Meters, Workmen's Compensation Committees, Pres., Oak Hill District Improvement Assoc., Director, Newton Conservators.

Best planning yet. With proper safeguards, regard for occupants, planned priority of areas, community renewal will be of long term value. Immediate action updating and enforcing codes necessary. This is our opportunity to channel investment capital, desiring to build in Newton, into areas where it will upgrade, not downgrade, city.

JEROLD WISE

Self-employed.
Newton School System; Bucknell U., Lowell Tech. Inst.

Clearance, rehabilitation and conservation must follow a master plan for our entire city. I am in favor of all the recommendations of the Community Renewal Survey that are consistent with a master plan and avoid the present cancerous spot zoning practices.

(Continued from Page 1)

Because of the large number of candidates, each office-seeker was restricted to 30 words of biographic material and 50 words for the answer to the question posed by the league.

In a special message to the people of Newton, the League of Women Voters strongly urged that they read the information published in today's Graphic and then fulfill their duty as good citizens by voting on election day.

The League is a non-partisan organization whose objective is to promote political responsibility through informed and active participation of citizens in government.

In addition to the Election Guide which appears today, The Graphic for the past several weeks as a public service has published statements submitted by candidates for the School Committee and Aldermanic Board who are engaged in contests.

Candidates for the Board of Aldermen were asked by the League of Women Voters to answer the following question concerning the urban renewal, rehabilitation and conservation program which has been proposed for Newton.

"The Community Renewal Survey has recommended clearance, rehabilitation and conservation in specific areas of Newton Corner, Newtonville, West Newton, Nonantum, Newton Upper Falls and Newton Lower Falls. Which recommendations of the report do you favor and why?"

That query was directed to candidates seeking election both as Ward Alderman and Alderman-at-Large since all members of the Aldermanic Board will be called upon to vote on this important matter.

Candidates for election to the School Committee were

asked: "Are there adequate facilities in the Newton public schools for the non-college bound students?"
The replies made by the office-seekers to these queries

will be found in the Election Guide along with their occupation, their educational background and their civic affiliations.
Members of the Newton League of Women Voters will supplement the Election Guide by holding a Candidates' Night at the Newton South High School on the evening of Oct. 30.

JEROLD WISE

Jerold Wise Seeks Ward 8 Alderman Post

Jerold Wise of 39 Nickerson Rd., Chestnut Hill, is campaigning for election as Ward Alderman from Ward 8.

Mr. Wise, who is in the cotton textile business, was educated in the Newton schools and graduated from Newton High School, Bucknell University and Lowell Technological Institute.

He is married and the father of two children. His five-year-old daughter is a pupil at the Spaulding School. His son is in nursery school.

Wise was a candidate for the Board of Aldermen two years ago and made a creditable showing.

In opening his drive for a place on the Aldermanic Board, Wise hit out at what he termed "the discriminatory assessing practices prevalent in Ward 8."

He said that Ward 8 has the newest construction of any section of the city, with the higher than an average result that the taxes imposed on property owners in the ward are higher than on an average city-wide basis.

"We are the most heavily taxed ward in the city, and yet we lack some of the services provided in other parts of Newton," Wise maintained.

He said that if he is elected and Alderman he will endeavor to bring about an equitable assessment on a city-wide basis.

"Public transportation service in Ward 8 is definitely inadequate," Wise charged. "Some plan should be devised to remedy this situation."

Wise asserted that Newton does not have adequate recreational facilities to meet the public need and that corrective steps should be taken in that field.

"There is no reason why a city such as Newton should have grammar school libraries supported and staffed by the parents," he said as he touched on another area he believes merits attention.

Wise said that he favors the concept of urban renewal and especially rehabilitation and conservation but that so far municipal officials are talking only in generalities and should work out a more concise plan, then follow it and put it into effect.

Active in civic affairs, Wise is a member of the board of directors of the Temple Beth Avodah and is chairman of membership for the congregation. He has worked as a combined Jewish Philanthropies and has participated in local charity drives.

In Antiques Fair
Dorthea Esty of 915 Dedham street, Newton Centre, will take part in the 42nd annual New York Antiques Fair, to be held in the 71st Infantry Armory at Park Avenue and 34th street, Oct. 14 through 19. She will be one of 135 dealers attending.

Panel Discussion At Cabot PTA Meeting Tuesday

A panel discussion by three Newton teachers and the head of the city's new Social Studies program, will be the feature of Cabot School PTA's opening meeting of the season in the school hall on Tuesday evening, Oct. 15, at 8.

William Colvin will head the panel, which will study the new program at Cabot, and will answer questions of the PTA membership.

Colvin, who has taught in the public schools here since 1933, is coordinator of junior high school education and has been active for many years in professional organizations concerned with social studies and curriculum.

The other panel members will be Elizabeth S. Dunkham, sixth grade teacher at Countryside School, Janet Forslund fourth grade teacher at Oak Hill School, and Elaine Panaretos, sixth grade teacher at Ward School.

Mrs. Dorothy Stewart, principal, will introduce the Cabot teaching staff at the meeting.

Parents of Cabot children have been urged to attend the meeting. There will be a social hour and refreshments.

Writer Shows Edgar Allen Poe In Fair Light

Edward Wagenknecht's book "Edgar Allen Poe, The Man Behind the Legend," was published last week by the Oxford University Press.

The author, who lives at 233 Otis St., West Newton, is professor of English at Boston University, and has also written biographical portraits of Nathaniel Hawthorne, Mark Twain, Theodore Roosevelt and others.

In this volume, according to the publishers, he has employed a critical method to bring Poe into focus in a way that no critic or biographer before him has been able to do. He sees Poe clearly and wholly, and dismisses many of the slanders which have clung to his image, and corrects wrong impressions that have been drawn from the facts of Poe's life.

In short, Professor Wagenknecht sifts all the available evidence and points out what cannot be known and sympathetically assesses those facts that are known.

Centre Woman's Club To Have Outstanding Program Year

Impressive program plans were announced at the first fall Board meeting of the Newton Centre Woman's Club by Mrs. Stanford Blitzer, program chairman.

General membership meetings will be held on the second Friday of each month except October's, which, because of the holiday that comes on the 12th, has been changed to Friday, Oct. 18.

On that date, Lillian and Alfred Lee will present operatic music and old Chinese songs.

In November, Pallotta Flowers, Inc., will present seasonal flower arrangements for Thanksgiving, Christmas and New Year's decorations.

The December program will be "Essays and Etchings" by Anastasia Kirby. Her "Dream of Christmas Eve" will be the club's highlight of the season.

The Newton-Waltham Bank and Trust Company will sponsor the January program at which Dr. Lincoln P. Bloomfield will speak on the subject of "Outer Space—The New Challenge to Man and Society."

An innovation this year will be a program presented in February by the International

Committee, which will feature an international panel of teachers from Perkins Institute.

Mrs. Loy Long, a director of the World Affairs Council of Newton, will act as moderator, and Mrs. E. Lake Jones, chairman of the committee will serve as one of the panelists.

In March "A Taste of the Wild" will be given in stories and slides by Donna Niles and Kay White, modern pioneers. And at the annual meeting in April, the Literature and Drama Committee of the club under the direction of Mrs. Daniel J. Sheehan, will present a play entitled "The Green Room Blues."

Mrs. Stanton J. TenBroeck Jr., president, will preside at all business meetings which precede the programs.

Others on the program committee are Mrs. Frank J. Linehan, Jr., co-chairman; Mrs. F. Earle Conn, Mrs. Henry S. C. Cummings, Mrs. Charles H. Day, Jr., Mrs. Ralph G. Meyer and Mrs. Ralph L. Morse.

Women interested in becoming members of the club may call Mrs. James G. Linden, chairman of membership, for information regarding sponsorship.

Sacred Heart Parish Reunion Next Saturday

The annual parish reunion of the Sacred Heart Church, Newton Centre, will be held next Saturday evening, October 12, at the Bishop MacKenzie Centre, on Center St., at 8 o'clock.

The program will feature music, dancing, entertainment and a smorgasbord. Tickets may be obtained by calling Mrs. Gertrude DiCarlo, chairman of tickets, at DE 2-0997.

It used to be that a chap would sidle up to the bar and demand huskily: "Gimme a shot o' red-eye." Today, most men at Jacques are asking for burgundy. But they don't drink it... they wear it!

Burgundy is the season's hottest new color. It comes in a wide range of men's wear items, including neckties, shirts, sweaters, pocket handkerchiefs, and hosiery.

And when the new fall styles are lined up, burgundy shades stand out, because Jacques knows it is a winning color this season. In fact, some smart dressers have been guzzling away at burgundy like it was water!

Take the sweaters at Jacques if you would live a little. They include shetlands, brushed wools, and alpacas. For styles, sweaters come in button-front and zipper-front cardigans, and cable-knit and flat-knit pullovers. There are even V-neck tennis sweaters in black, blue and gray, in contrast to the usual white cable-knit tennis sweaters.

It's difficult to single out special items from the many starry performers at Jacques, but one big number this fall is the Gary Player golf jacket in wash-wear cotton poplin at \$10.95, in olive, tan and blue. The zipper-front jacket has a special underarm gusset for free-swinging comfort, and a hidden "climate-control" yoke which zips open for coolness and zips closed for warmth.

Talk about comfort on the golf course. Like a rocking chair on one of those little electric golf carts!

TO HOMEOWNERS WHO BELIEVE IN FIRE INSURANCE

Homeowners agree that fire insurance is a necessity. But they may not know there is sixteen times more chance of losing a home because of the death of the breadwinner than because the home happened to be destroyed by a fire. Homes are more valuable today . . . and so are family breadwinners. How much fire insurance have you? How does this amount compare with your life insurance protection?

Political Highlights

(Continued from Page 1)

prefer to be singing Peabody's praises and to be fighting for his programs.

But the Salem Senator, a down-the-line Democrat, said he has found little in Peabody's performance as Governor to praise and no great Peabody programs to champion.

The calm, measured charges Harrington levelled at Peabody are likely to be difficult for the Governor to answer. They also reflected the growing disenchantment of many Democrats with Peabody.

Harrington, ironically, was the only prominent Democratic figure who backed Peabody prior to the 1962 Democratic State Convention, and he went down the line for the present Governor.

The reason for Harrington's split with Peabody is a simple one. The forthright, outspoken Harrington feels that Peabody has not done the things he promised to do when he was asking the people to elect him to the Governorship.

Harrington declared that Peabody has not advanced the traditional Democratic programs and has not worked in the areas where a Democratic Governor is expected to work.

The Salem Senator said that Peabody has not offered programs for the benefit of the people and has not followed upon the things which made the Democratic party strong and won the confidence of the public.

"He seems to have interested himself in other areas and to have bogged down on inconsequential matters," Harrington asserted.

Harrington said that the State "needs to move dramatically in the fields of education, mental health and natural resources" but that Peabody has done nothing in those areas.

"We have a crisis in education in this Commonwealth, but the Governor is doing little about it," charged Harrington. "We must work extremely hard to provide greater job opportunities for our people, but the Governor is making scant effort in that direction," he alleged.

"These are all traditional Democratic programs," Harrington said, "but Governor Peabody hasn't advanced them."

It is unlikely that any Republican will make a more telling attack upon Governor Peabody than did the man who on a steaming June morning last year stood in the Springfield auditorium and appealed to the delegates to nominate Peabody as their party's candidate for Governor.

One of the big unanswered questions of the Peabody administration is why Peabody, as inexperienced as he is in politics and government, has failed to seek the counsel of men such as Harrington who mostly ask that he do the things he indicated he would do in last year's campaign.

How Harrington will fare next year in his clash with Peabody is uncertain.

Ordinarily, a Governor, with the patronage power of his office at his disposal, has a tremendous advantage when he

tion with the conference but also raised the money through donations from business and industrial firms to finance it.

The legislative leaders who came here from the 50 States to attend the affair declare that it was the best conference the organization ever has held, and they credit Powers for making it so.

Mayor Neil Blaisdell of Honolulu made so great a speech at the conference that he now is under consideration as the possible keynote speaker at next year's Democratic national convention.

One of those upon whom Blaisdell's address made a terrific impact was Powers himself who is the Democratic national committeeman from Massachusetts.

It will be 50 years before the legislative leaders hold another convention in Boston since under their practice they must now go to all the other States, in turn, before returning here. Powers, incidentally, is recognized in the 50 States as one of the nation's ablest legislative leaders.

Richard Nixon Seen Stronger Than Rocky

One of the most astute politicians in Massachusetts predicts privately that Richard M. Nixon will be nominated as the Republican candidate to stand against President Kennedy in next year's election.

He reasons that the Republican party will come around to Nixon because powerful elements within the GOP will decide they don't want either Senator Barry Goldwater or Governor Nelson Rockefeller as the candidate for President.

A bright young politico who disagrees with that appraisal is Senator Edward M. Kennedy, brother of the President.

Senator Kennedy is making no predictions as to whom the Republicans will pit against his brother, but in response to a query during a question-and-answer period after a speech the other night, he said he thought it would not be Nixon.

Actually, Nixon is not as remote a possibility as he might seem at first blush. If the GOP doesn't nominate Goldwater, there isn't much of anyone else except Nixon.

Recent surveys have indicated that Rockefeller would have no real chance of defeating President Kennedy and couldn't even carry his home State against JFK.

President Kennedy would be a favorite to win reelection over either Goldwater or Nixon, but either of the two apparently would give him a much harder fight than would Rockefeller.

Republican leaders are still looking for a political sacrificial goat willing to run against Senator Edward M. Kennedy and take a shellacking in next year's election.

So far there are neither any volunteers nor draftees.

There's no scarcity of Republicans who would like to seek the Governorship. But they all have other plans when the prospect of standing for the Senate is broached to them.

Several prominent GOP figures point out that George Lodge fought for the right to oppose Kennedy last year and that he can have the same privilege next year without even lifting a finger.

This is a matter of political history repeating itself.

Back in 1958 the GOP chieftains were combing the political bushes for someone to carry their party's banner against John F. Kennedy when the latter was seeking reelection to a second term.

On the day of their State Convention in Worcester they persuaded a fairly prominent Republican to accept the nomination for the Senate.

But after the balloting had actually started they learned that he was about to be divorced by his wife. So they dumped him without warning and gave the nomination to Vincent Ge-

leste of East Boston who couldn't have won election to the Boston City Council, much less the U.S. Senate.

Strange as it may seem, Senator Edward M. Kennedy is probably more certain today of winning reelection than his brother was in 1958.

This time the principal qualifications for the Republican candidate for the Senate probably will be that he is alive and breathing.

Columbus Day Tribute To Legislative Folly

Saturday will be something of a memorial to the foolishness of the State Legislature and ex-Governor Volpe.

For the third successive year the Sunday laws will be in force on Columbus Day, and a vast number of people will be inconvenienced and prevented from doing what they wish.

Attempts to repeal the statute enacted back in 1961 have met with strong resistance from misguided groups who think that somehow it reverses the memory of Christopher Columbus to apply the Sunday

laws on the day designated in his honor.

The actual result is that Columbus Day is not the gala holiday it was supposed to be but instead is pretty much of a flop.

Millions of dollars in business and wages are lost as the people who want to shop drive over the state line into Rhode Island, New Hampshire and Maine where the store-keepers are more than happy to accept their money.

Workers in many establishments who can't afford to take the day off and would prefer to earn a day's pay are forced to stay home as a tribute to the great explorer.

Business leaders have offered to join in making Columbus Day a real holiday with parades and pageantry and fireworks if the Sunday laws were repealed. But their logical and well-intended proposals have been disregarded on Beacon Hill.

In many communities, of course, the so-called Blue Laws will be completely ignored. That's probably a sensible so-

lution to the situation except that it's unfair to those who obey the law.

Board Of Health Pleased By Fluoridation Program

Members of the Newton Board of Health are extremely gratified by the unexpectably early start of fluoridation of the city's water supply, according to Dr. Henry M. Greenleaf, director of health.

"They feel that this fluoridation is a tremendous public health advance for Newton," Dr. Greenleaf said.

He went on to say that "There is no doubt that this accurately controlled supplement to the water, bringing the fluoride level from about 0.15 parts per million up to 1 per million, will markedly reduce our commonest health problem, dental cavities."

"In younger children," he continued, "a 60 to 70 percent reduction in dental deterioration can be expected in two to three years, and we can almost expect some degree of benefit in young people and adults. Routine dental health instruction and examination is important, but presently about 99 percent of our age 13 school children reveal significant dental disease."

Dr. Greenleaf advised residents who have been taking fluoridation pills or drops to discontinue their use.

The members are invited afterwards to the home of Mrs. Malcolm N. Jackson, 37 Cheswick Rd., Auburndale, for a coffee hour and discussion of the lecture.

Calls for reservations or transportation may be made to Miss Lucy Turner at LA 7-7024.

GOP Fin Com Dinner Ticket Sale Doing Well

Ticket sales and donations for the 1963 fund-raising dinner of the State Republican Finance Committee are running well ahead of last year, according to an announcement made by Stanley Miller and Alan W. Licarie, chairmen for the event in Newton.

The \$100-a-plate dinner will be held Wednesday evening, Oct. 16, at the Commonwealth Armory, Boston.

Featured speaker will be Barry Goldwater, U.S. Senator from Arizona. Lloyd Waring, chairman of the Dinner Committee, will preside. Senator Goldwater will be presented by Senator Leverett Saltonstall.

Those in this area wishing tickets to the event may call Alan W. Licarie of 526 Centre St., Newton (BI 4-4820).

Arrangements for the dinner are nearly complete. A catered roast beef dinner will be served. Music and entertainment will be provided by Harry Marshard and his orchestra.

Since Senator Goldwater's only major policy speech in New England is scheduled for this dinner, much interest centers on the program of Oct. 16.

Memorial PTA Meets Today

Dr. Louise Bates Ames, noted psychologist, will be the featured speaker at the opening P.T.A. meeting of the Memorial School, Newton, today Thursday, October 3. Her topic of discussion will be "Is Your Child in the Correct Grade in School?"

The meeting will be held in the school auditorium and will begin promptly at 8:15 p. m.

Dr. Ames is the co-founder of the famed Gesell Institute in New Haven, and is presently its Director of Research. She has written many well known books on Child Behavior and Development.

Medic-Alert Campaign To Be Proclaimed Here

Medic-Alert, a non-profit, charitable organization, which began in the East with a Newton family and spread nationwide, will be recognized in this city by a month-long campaign soon to get underway.

Mayor Donald L. Gibbs, city officials and the Chamber of Commerce hope to bring home the impact of the idea locally and probably mark this city as the first suburban community to issue an official proclamation.

Medi-Alert, a metallic wrist bracelet, provides 24-hour protection to those with hidden medical problems. Its purpose is to prevent tragic, even fatal, mistakes in the course of administering aid to those persons with allergies and afflictions through the Medi-Alert emblems.

The dramatic story behind the coast-to-coast surge of Medi-Alert began in California with a man's efforts to safeguard his daughter to be joined later by a Newton family wishing to protect a son.

C. Robinson Fish III of Newton, a chartered life underwriter and life member of the Million Dollar Round Table, found himself looking for a way to prevent his son, Bill, now 16 and a student at Phillips Exeter Academy, from a routine tetanus booster shot.

should the need arise, until his own physician could be consulted.

Fate intervened as Dr. Fish was serving on the board of directors of the Boston Life Underwriters Association and they were interested in a public service great enough to reach millions of people.

A committee was formed for exhaustive investigation into information supplied by the American Medical Association.

Project Lifeguard sponsoring Medi-Alert was decided upon by the B.L.U.A.

Sumner Rodman, C.L.U., and member of the M.D.R.T., a prominent Newton resident, has been especially active in the project, and is enthused about Newton's strong interest.

The distinguished Hospital and Medical Advisory Board to the Life Underwriters' Project Lifeguard includes many very prominent Newton residents. Some of them are:

Robert H. Hamlin, M. D., Harvard School of Public Health; H. Walter Jones, M. D.; Philip M. LeCompte, M. D., The Faulkner Hospital; Jonathan I. Morrison, M. D.; Albert O. Seeler, M. D., medical director, Massachusetts Institute of Technology; Warren R. Sisson, M. D., past president, American Academy of Pediatrics; William S. Brines, director, Newton Wellesley Hospital.

Until Newton distribution points are named write P. O. Box 311, Boston, for additional information.

B'nai B'rith, 120 Years Old, Marks Founders Day

B'nai B'rith, (Sons of the Covenant), observes its 120th anniversary on Sunday, Oct. 13, and the order's many Newton members will take part in one or more of the numerous scheduled events marking Founders' Day.

Mayor Donald L. Gibbs is included in a long list of city and town officials who have issued commemorative proclamations.

The Greater Boston Council's president is Mitchell Wiener of 72 Vine St., Chestnut Hill.

B'nai B'rith is not only the first national service organization founded in the United States, but the oldest and largest Jewish service organization in the world. Among national orders, only the Masons and Odd Fellows are older.

Amos Lodge, the oldest unit in New England, lists, among its many distinguished members from Newton, David A. Rose, vice chairman of the National Executive Committee.

Chief Reminds That Small Fire Led To Conflagration

The week of Oct. 6 to 12 is being observed as Fire Prevention Week throughout the nation, and Chief Frederick A. Perkins Jr., of this city's Fire Department has taken the opportunity to give the citizens a brief history of the reasons why the special week is set aside each year.

"On a warm Sunday evening in October, 1871," he says, "a brief lapse in carefulness sparked a fire in a modest mid-west home. It didn't seem particularly threatening or uncontrollable."

"But it was. Thirty hours later, 2100 acres of Chicago were a blackened, smoldering waste. More than 200 of its citizens had perished, 100,000 were homeless and nearly 17,500 buildings were in ruins."

"Direct losses were \$168,000,000, the indirect costs incalculable."

"To mark the Chicago conflagration, Fire Prevention Week is observed annually during the week containing Oct. 9, its anniversary date."

"A reminder of the needless tragedy and waste of fire, the observance originated in 1911 as Fire Prevention Day at the suggestion of the Fire Marshals Association of North America, now a section of the National Fire Prevention Association."

"Fire Prevention Week was first proclaimed in 1922 in both the United States and Canada."

"Its message is this: Fires are not deplorable accidents, but the consequences of neglect and carelessness. And Fire Prevention Week is a time to check defenses against fire in our homes and places of work, to make sure our personal habits are fire-safe ones."

"Remember, fire prevention is your job, too."

Newton Pats In Year's Ist Loss

Meeting their first Pop Warner Football League loss of the season, the Newton Patriots were shut out, 6-0, by Hull last Sunday.

It looked in the third period as if Newton might score after advancing to the 24-yard line, but Halfback Paul Antonellis had to leave the game. He was taken to Newton-Wellesley Hospital for an X-ray of a slight back injury.

Emanuel Brotherhood Has Had 25 Years' Community Service

Twenty-five is an impressive figure, so far as Newton's Brotherhood of Temple Emanuel is concerned.

Celebrating its Silver Anniversary this week, the Brotherhood looks back on 25 years of fine community service.

During its quarter-century of achievement, the organization has sent hundreds of tons of machinery and equipment to Israel, provided new ambulances to help the nation's war effort, obtained thousands of pints of blood for the Red Cross, and raised hundreds of thousands of dollars for philanthropic causes throughout the community, state and nation.

The anniversary celebration began last Saturday night with a combined dinner dance and installation of officers in the temple meeting hall.

The Brotherhood's two and a half decades of service was launched in 1941 at the outbreak of World War II with the first major effort at fund raising. The money acquired went to the Red Cross for a fully equipped ambulance. That feat was duplicated two years later, when it furnished two additional ambulances to help in the nation's defense program.

During the war years, Temple Emanuel Brotherhood instituted a blood-donor program, which has been maintained and expanded throughout its history. This program reached the zenith of national recognition during 1951 when the Red Cross announced that the Brotherhood made the

second largest contribution of blood among all religious affiliated organizations. The blood-donor program has had direct beneficial results, not only to the community at large but to members themselves. In 1954, for example, it was noted that the organization's humane project was credited with saving the lives of six close relatives of Brotherhood members.

Through the years the Brotherhood has worked diligently for the State of Israel. Its principal contribution was the 1953 project in which manufacturing equipment, medical supplies and merchandise with a total value in excess of a quarter million dollars was shipped to the Jewish nation under the auspices of the Permanent Committee for Israel Committee.

On behalf of its parent institution, the Brotherhood raised thousands of dollars for the Temple Emanuel building fund, for scholarship assistance to students, for the purchase of an organ for the sanctuary and for educational trips for graduating classes of the Hebrew School.

The dedicated individuals who led the Brotherhood through this quarter-century of service were honored as a group at the dinner dance. Chairman of the awards to past presidents was Louis Bergart, with George Roberts serving as co-chairman.

Dr. Franklin Nussbaum was installed as president by Rabbi Albert I. Gordon. The invocation was delivered by Rabbi M. David Wise.

Several Newton delegates, from the Eastern Massachusetts Region, will leave on

Sunday, October 13, for the 17th Biennial National Convention of Women's American ORT, (Organization for Rehabilitation through Training) to be held October 14-17 at the New York Hilton Hotel.

More than 1,000 delegates representing 60,000 members in 450 chapters throughout the nation will attend the event.

The local delegation will include, Mrs. Arthur Polimer, president of the Region; Mrs. Irving Gale, local convention chairman, Mrs. Gerald Kraft, Mrs. Sumner Trombly, Mrs. Louis Gordon, Mrs. Arnold Zieff, Mrs. Arnold Barron, Mrs. Austen Madeson, Mrs. Herbert Frank and Mrs. Milton Altshuler.

The convention will hear

major addresses by U. S. Senator Paul Douglas of Illinois, chairman of the Joint Economic Committee of Congress; and Mrs. Max M. Rosenberg, national president of Women's American ORT.

Mrs. Irving H. Gale, who heads the Newton delegation, said that vocational training and education today is, "a prime factor in the development and progress of every country of the free world."

"ORT's 83-year record as the vocational training agency of the Jewish people provides the know-how and capacity for its far-flung operations, operations which are vital and life-giving to Jewish people in many parts of the world."

Rabies Clinic Open Monday Through 25th

Dr. Henry M. Greenleaf, Newton director of health, announced yesterday that approximately 4,200 letters had been sent out to all known registered dog owners in Newton, urging that they have their dogs immunized against rabies, either by their private veterinarian or at one of the Health Department Clinics to be held throughout the city during the period Oct. 14 through Oct. 25.

He went on to say that he hoped that all dog owners would comply whether their dogs were registered or not. The important thing is to have all dogs immunized against this dread fatal disease of animals and man, he said.

This program is endorsed and urged by national, state and local medical and veterinary associations and is being conducted in accordance with guide lines set up by the Massachusetts Health Department and Massachusetts Veterinary Association.

With the cooperation of the Fire and Police Departments, the clinics which will be held in the various fire department stations and the police station garage will be able to serve all neighborhood areas for the convenience of dog owners. The schedule is as follows:

Oak Hill, Dedham St., Monday, Oct. 14; Newton Upper Falls, Elliot St., Tuesday, Oct. 15; Newton Lower Falls, Beacon St., Thursday, Oct. 17; Auburn, Auburn St., Friday, Oct. 18; Newton Centre, Willow St., Saturday, Oct. 19; West Newton, Police Station Garage, Monday, Oct. 21; Newton Centre, Willow St., Tuesday, Oct. 22; Newtonville, Crafts St., Thursday, Oct. 24, and Newton Corner, Washington St., Friday, Oct. 25.

This year a Saturday clinic, Oct. 19, has been added to be held at the Newton Centre Fire Station from 2 to 5 p.m. The weekly clinics will be conducted from 3 to 5 p.m. Although planned to be held in different neighborhoods on separate days, there will be no objection to dog owners reporting to a clinic in another area if it is a more convenient date.

Dr. Greenleaf said that there would be a mandatory charge of \$1.50 for each immunization to defray part of the cost of the service. He also pointed out that a signed request by the owner or his representative will be required for each dog. (Children's signatures will be acceptable.)

He added that for obvious reasons all dogs must be leashed when they arrive at the clinic and that regrettably, but for even more obvious reasons no cats or other non-dog pets would be welcome.

The clinics will be fully manned by trained dog handlers and all shots will be administered by the City Veterinarian, Dr. Richard Schofield. A separate disposable needle and syringe will be used for each immunization and all carried out in accordance with sterile techniques.

A dated immunization certificate dog tag will be issued for each dog immunized, and signed immunization certificates will be given to all owners that want them for travel or other purposes.

Brines In Support Of Fluoridation

William S. Brines, director of the Newton-Wellesley Hospital, stated yesterday that he is concerned by the influence which "baseless and often misleading" statements against fluoridation seem to be having upon Newton voters who may be faced November 5 with a referendum seeking abandonment of the city's \$115,000 fluoridation system less than 8 weeks after it was installed.
"The fear and distrust which can generate," said Mr. Brines, "tend to produce an unhealthy climate in which fluoridation of Newton's public water supply, one of the most significant public health measures in our area in recent years, is in danger of being washed down the drain."
"Controversy among scientists is essential as a safeguard against unwarranted conclusions, but scientific controversy is predicated on facts and the knowledge essential to their measure."
The anti-fluoridationists not only do not have contrary data, but they lack the credentials to debate the scientific merits and medical safety of this public health measure. It would seem that having no arguments, they deliberately stir up confusion and cloud basic issues in the hope that reason will be replaced by emotion.
"The rather amusing thought comes to mind that — as in the days of typhoid — probably none of the most vocal opponents of fluoridation would give the subject the slightest thought were they new arrivals in a city with the treatment program long established. I'm sure they would still select Newton and Cambridge for their homes."

Heart Fund Gifts Memorialize 206 Departed Newton Persons

Constructive tribute has been paid to 206 late residents of the Newtons through Heart Fund gifts, it was announced by Dr. David Littman, president of the Massachusetts Heart Association's Greater Boston Chapter.
Said Dr. Littman: "These gifts honor those for whom we felt affection for working for all humanity in research laboratories, in vital programs of professional and public education, and in much-needed community services."
"By giving longer life and better health to those now afflicted and, through research, to those yet to come, we pay the highest of all honor to those whom we wish to remember constructively."
The late Newton persons in whose honor the gifts were made were:
Fanny Abrams, Rose Alter, Nathan Angoff, Dorothy Ashe, Louise F. Bachrach Sr., Philip Bass, Annie Baumburg, Nathan Baronick, Harry Benson, Anna Bennett, Ida Berg, Hyman Berkowitz, Bernard Bernstein, Jenny Bladen, Mrs. Ruth Blank, Etta Billow, Arthur Bloom, Mrs. Etta Bloom and Mrs. Rachael Block.
Also, Abraham Bluestein, Dr. Alphonse Bourge, Joseph Bodwell, Samuel Brimberg, Fannie Brockman, Mrs. Celia Brown, Wilmon M. Brown, Dr. Ivan A. Centervall, Albridge Carrothers, Florence Chansky, Bessie Chude, Mrs. Bessie Chudnovsky, Mrs. Joseph Cryan, Mrs. Emma Gladstone, Amelia Cohen and Adele Cohen.
Others were: Bessie Cohen, Mrs. Sadie Cohen, Benjamin Cohen, Barnet Cohen, Harold Cohen, Harry Cohen, Wolf Cohen, Alfred M. Jewish Women's Council Opens Membership Drive

The 1964 membership campaign of the Boston Section, National Council of Jewish Women was launched at a petite luncheon held at the home of Mrs. Salem Lasker, 658 Dedham street, Newton.
Assisting the hostess, Mrs. Lasker, were Mrs. Maurice Lifson, hospitality chairman; Mrs. Joseph Levin; Mrs. Solomon Sandler; and Mrs. Barney Weisberg.
Mrs. William Gennert, vice-president in charge of membership, announced the following would serve on the

frustration for Coach Jim Ronayne's Newton High Tigers as they bowed 6-0 to Brockton High at the Brockton Fair Grounds.
However, the Tigers should be able to record their first win of the season when they play Weymouth Saturday—if they can get their offense clicking.
Weymouth probably is not as strong a team as either Everett or Brockton. But the South Shore gridders edged North Quincy 14-12 last weekend and cannot be taken lightly.
Newton was extremely strong defensively against Brockton, with Steve Woodruff, Dave Bliss, Guy Reynolds and Marty O'Gorman all outstanding.
Indeed, the Tigers might have held Brockton to a scoreless tie except for a hand injury suffered by Woodruff. Brockton scored its touchdown while Woodruff was on the sidelines having ice packs applied to his hand. It would be a severe loss for Newton if Woodruff should be out of action Saturday.
Although outplayed by Brockton and unable to mount any sustained attack, the Tigers just missed pulling the game out of the fire when on the last play of the contest Ken O'Connell passed to Steve Carroll.
Carroll was in the open, but O'Connell overthrew his target, and Newton's last hope died.
Fullback Fred Margarian who gained 49 of the 74 yards Newton picked up during the game was the most consistent Tiger ball carrier.
But Newton High supporters are hoping it will be a different story next Saturday, and Coach Jim Ronayne is drilling his charges on offense to try to make it one.

It was a different story at Dickinson Field last Saturday as Newton South turned its game with Framingham North into a 34-0 rout.
Chuck Spear put on a one-man show as he tallied three touchdowns and 184 yards rushing.
Spear caught a forward pass from Ted Clarke for his first touchdown, smashed six yards through guard for his second and raced 35 yards for his third TD.
Dick Brodney scored another of South's touchdowns, and Clarke passed to Mark Young for a touchdown.
Framingham fumbles and alert Newton South recoveries were extremely costly to the visiting team.
Newton South rates a favorite to win its second game of the season over Stoughton this Saturday.

Our Lady's In 24-0 Win, King Scoring Thrice
Following the big win of last Sunday, the football team of Our Lady's High School has an open date this Sunday, October 13.
The extra period of rest, it is felt at the school, will work to the boys' advantage when they face St. Mary's of Brookline on the latter's home grounds Sunday, October 20.
Meantime, the events of last Sunday have encouraged the coach, Jim "Gus" Sullivan, to be highly optimistic relative to the team's future.
Contributing to his elation were the three touchdowns, two pass interceptions and 17 individual rushes for a total of 125 yards by Jeff King last Sunday to help Our Lady's defeat St. Mary's of Cambridge, 24-0, in Allison Park.

Thanks to a great extent to King's work, Sullivan looks to his aggregation for a repeat of last year's garnering of the Catholic Suburban League championship.
Sunday's victory brought to seven Our Lady's list of consecutive wins. Last year the team had no losses, and one game ended in a tie. The last league loss was in the final game of the 1961 season.
Said Gus, after the most recent effort, "I noted a 100 percent improvement over the previous week's game. It was tremendous, especially on the part of King and the defense."

That defense allowed St. Mary's only 60 rushed yards and 30 by means of the air.

Newton Alumni Of Wisconsin Attend Meeting

Five Newton residents, as officers of the Wisconsin Alumni Club of Greater Boston, will hear Dr. Mary I. Bunting, president of Radcliffe College, speak at an open meeting of the club at the MIT Faculty Club, Cambridge, on Sunday, October 13, at 8 p.m.

Graduates of the University of Wisconsin in this area number more than 600.

Robert Gold of Waban is president of the Greater Boston Alumni Club, and Robert J. Levin of Newton Highlands is vice president. Directors include S. Bruce Black of Waban, Wilbur M. Drasin of Newton Lower Falls and William H. Herwitz of Newton Highlands.

Temple Shalom In Succot Service

The Temple Shalom of Newton family worship service for Succot (the Feast of Tabernacles) was held last week, with Rabbi Murray I. Rothman pointing out in his sermon that safety must not be sought in the strength of a structure, but only in God's protection.

The lulav and etrog, symbols of the festival, were explained and a section of the Scroll of the Ecclesiastes was read.

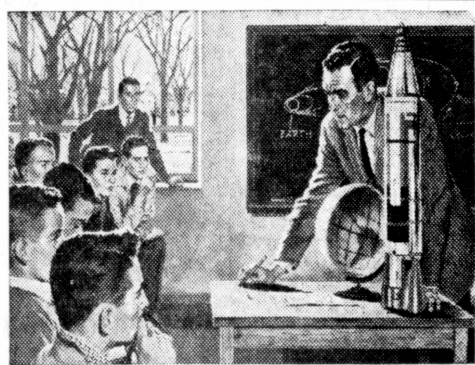

Children of the Religious School assembled in the temple's Succah, which was decorated by the PTA with fruits commemorating the harvest season.

The Succah is the "booth" spoken of in Leviticus 23:24, and is the Biblical source of the observance of Thanksgiving.

Rabbi Rothman will conduct the Simhat Torah Family Service today (Thursday) at 10:30 a.m., when Grade I students will be consecrated.

Can your child afford not to have a college education?

Advanced education does not miraculously confer health, wealth and wisdom. But it helps—as millions have learned.

U. S. Census statistics show the cost of college is returned many times over in extra earnings in later years. And this takes no account of the extra satisfactions college education can give.

One way to assure your children have the education best suited to their abilities is Metropolitan's Education-Estate Builder Plan.

Planning for your children is not a thing to put off. It is never too

soon to prepare for the costs of college. And the younger the child, the lower the premium.

Even if, when the policy matures, the money is not needed for education, each \$1000 of the plan can be converted to \$5000 of Limited Payment Life Insurance—a ready-made estate for your child.

That is why you should call your Metropolitan Representative now. Get the facts now. Give yourself as much time as possible to plan and prepare. It is your Metropolitan Man's duty to serve you and your family. Let him show you.

Why not call me for details—today?

Annual Bazaar And Food Sale Being Planned

Preparations are in progress by Mary Immaculate of Lourdes Parish, Newton Upper Falls, for their annual bazaar and food sale to be held from Thursday, November 14th, through Saturday, November 16th.

In conjunction with the bazaar, there will be a family supper and a turkey whist at St. Elizabeth's Center, next to the Rectory — 270 Elliot Street; time to be published later.

Driver Contest In High Schools

Five hundred Newton high school students are scheduled to take part in a Driver Education program sponsored by "Prestone" which offers a total of \$10,000 in scholarships.

On the basis of a 30-minute, 100-question, true or false examination, the outstanding teen-age driver will be selected from each participating high school in the country. His or her examination paper will be placed in competition with other school award winners for the state award. The national award winner, who will get a \$500 scholarship, will be chosen from among the state winners.

A STATEMENT OF OUR POLICY

'Watch Out'

Don't be too hasty to switch your home-owner's insurance to another company. Most companies issue as many as TEN different contracts — All Homeowners — but varying in coverage features. Do Not Let Price Alone Influence you! Give your present Agency a chance to check what you have been offered before switching.

Want To Be A TV STAR? CHANNEL 2 Is Auditioning NOW!

Channel 2 is looking for folk singers to audition for a new television program. The only requirement is talent. Groups, individuals, amateurs and professionals are all welcome. Auditions are being held right now at WGBH-TV. Anyone interested is asked to contact Channel 2 producer Dave Sloss at University 4-6400 weekdays between 9 a.m. and 6 p.m. Those chosen to appear will be asked to come to the Channel 2 studios at the Museum of Science on a Monday night at 6:45 p.m. to videotape their performance. Dave will be producing more than 28 programs during coming months, so there will be plenty of opportunity for all to take part in "Folk Music U.S.A." The series will be aired starting Wednesday, November 6 at 8 p.m. on WGBH-TV.

Nine Local Girls At Westbrook Harvard Law's Highest Honor To Newton Man

The Fay Diploma, Harvard Law School's highest honor, has been awarded to Charles R. Nesson of 1063 Commonwealth Ave., Newton Centre. Established in 1798, the Fay Diploma is awarded to the member of each graduating class of the Law School who, in the judgement of the Law Faculty, has during his three years by his scholarship, conduct and character given evidence of the greatest promise. At the Law School, Nesson was twice a winner of the coveted Sears Prize for his academic work. He was also a member of the Harvard Law Review and a Class Marshall. A 1960 graduate of Harvard College, Nesson received his LL.B. degree summa cum laude from the Law School in June. Elizabeth L. Oshry, daughter of Mr. and Mrs. Morris Oshry, Beethoven Ave., Waban.

BOB HOPE PRESENTS THE CHRYSL

Women Voters Ask Support of Work To Promote An Informed Citizenry

Community support is being sought for the Newton League of Women Voters' annual fund-raising campaign which is continuing through October 28.

Stating the drive's purpose as an effort to foster good government, the League asks for continued help in promoting political responsibility. The appeal is made without regard to party affiliation. It is a non-partisan and non-profit organization.

On public response to the appeal will depend such community services as voting information, publications like "Newton—A Guide to its Government," studies such as the one made of Newton Junior College, and public meetings on such important matters as regional planning, world trade, and the Newton library system.

According to the president, Mrs. Proctor Houghton, League dues are kept low to encourage membership. "Therefore," she says, "another \$2500 must be raised this year in order to continue and promote an informed citizenry."

The local League is one of 1165 such organizations in the nation. Membership is open to any woman citizen of voting age who believes in representative government. All work, including that for this drive, is contributed by members.

The Finance Committee chairman, Mrs. Henry Gesmer, vice chairman, Mrs. Herbert Nachman, and secretary, Mrs. Ira Dyer, are working with the following members:

Captains: Mrs. Samuel Beaser, Mrs. Melvin Gordon, Mrs. Robert Leventhal, Mrs. Irving Wecker and Mrs. Douglas Reynolds.

Solicitors: Mrs. Proctor Houghton, Mrs. B. Alden Thresher, Mrs. Leopold Beckwith, Mrs. Herbert Berman, Mrs. Richard Gladstone, Mrs. Joel B. Leighton, Mrs. James Lewis, Mrs. John Locke, Mrs. J. Ernest Smith, Mrs. Harold Stein, Mrs. Leonard I. Albert, Mrs. Joseph Apelbaum, Mrs.

Richard Feinberg, Mrs. Franklin Flaschner, Mrs. Arthur Goldwyn, Mrs. Mark Gordon, Mrs. Leon Jacobs, Mrs. Stanley Lewenberg, Mrs. Arnold Mork, Mrs. Robert Segal and Mrs. Luis Fernandes-Herlihy.

Also, Mrs. Wilfred Holsberg, Mrs. Elia Lipton, Mrs. Lawrence Rubin, Mrs. Isidor Slotnick, Mrs. Norman Waks, Mrs. Robert Wofsey, Mrs. Richard Myerson, Mrs. Ralph Rosenbaum, Mrs. Michael Ambrosino, Mrs. Malcolm Green, Mrs. Leston Havens, Mrs. Arno Heyn, Mrs. Alfred Kornfield, Mrs. Edward Richmond, Mrs. Morton Rubenstein and Mrs. Hyam Yamins.

Dr. First In Sinai Service

Dr. Melvin W. First of Newton, chairman of the Committee on Education of Temple Sinai, will be among participants in a Sabbath of Recognition in honor of the principal and teachers of the Religious School, to be held tomorrow (Friday) evening at the Brookline temple.

The occasion is the school's 25th anniversary.

Dr. Beryl D. Cohen, temple rabbi, will conduct the service.

A reception in the Ehrenfried Hall will follow.

Dance By Reyim Brotherhood

The annual fall dance and supper, with music by Jerry Benard and his Orchestra, will be held by the Brotherhood of Temple Reyim on Saturday, Oct. 19, at 8, in the temple's social hall, 1860 Washington street, Auburndale.

Supper will be served at 10:30.

Robert Garber, chairman, is being assisted by Nathan Saltzer on tickets and by Harry Sheffman and Max Shulman on refreshments.

Also on the committee are Arnold Weisman, Mark Aronson, Carl Winograd, Harold Finn, Louis Salvin and William Sklar.

Harold Curtis At Woman's Club

Harold Curtis, one of Newton's outstanding interior decorators, will be the featured speaker at the season's first meeting of the American Home Committee of the Newton Centre Woman's Club on Monday, Oct. 21.

He will be introduced by Mrs. Harold Keller, co-chairman of the committee.

Lunch at 12:30 p.m. will be served by the chairman, Mrs. Stuart W. Holmes.

200 Enjoy Style Show By Corpus Christi Guild

Hart Models displayed fashions from a Newton specialty store at an enjoyable show presented last week for the Corpus Christi Guild of Auburndale.

More than 200 attended to see the chic fall collection that included an elegantly casual outfit in leather and suede and an attractive formal hostess gown.

Co-chairmen, Mrs. Carl Recco and Mrs. Robert Dwyer, along with their capable committee, worked hard to make this a most successful evening. Members of the committee were as follows: Mrs. Francis Howley, tickets; Mrs. Robert Fitzgerald, publicity; Mrs. John Packenham, Mrs. George Healey, Mrs. Earle Campbell, posters and decorations; Mrs. Joseph Walsh, programs. Ushers for the evening were: Mrs. Robert Baker, Mrs. Ralph Fox, Mrs. Gordon Johnson, Mrs. Donald Marchesi, Mrs. Joseph McDermott, Mrs. Joseph Papa, Mrs. Arthur Plessis, Mrs. Walter Rector, Mrs. Thomas Ryan and Mrs. Edward Wilson.

After the show dessert and coffee were served by the hospitality committee headed by Mrs. Stanford Dennison and Mrs. Maurice O'Connell. Mrs. William White and Mrs. Walter Rector, both past presidents, presided.

The next venture of the Guild will be a rummage and bake sale on Saturday, Oct. 19, in the church auditorium.

Book Review At DAR Meeting

Mrs. Marion T. Rudkin, book reviewer, will give "A Morning With Books" at the meeting of Lydia Partridge, DAR, Monday, Oct. 14, at the Workshop, 72 Columbia street, Newton Highlands.

Mrs. Hartwell Blanchard and Mrs. Vincent Hammett, co-chairmen, will serve coffee at 10, and there will be a food sale under the direction of Mrs. Herbert Anderson, assisted by Mrs. Edward Fletcher, Mrs. Harry Waleen Sr., and Mrs. Sterling Thomas.

Tickets may be purchased at the door.

Commonwealth League To Plan Its May Ball

The Commonwealth League of the Speech and Hearing Foundation, headed by Mrs. Gustave B. Fred of Chestnut Hill, will meet at a coffee hour in the home of Mrs. Gerald Gluntz, 62 Edgefield road, Waban, on Wednesday morning, Oct. 16, to plan for the May Ball to be held at the Hotel Sheraton Plaza.

Mrs. John D. Sweeney of 85 Farlow road, Waban, will be the chairman of the May affair.

ENTER LAKE ERIE COLLEGE — Newton girls, Ruth Indursky, left, and Meryl Ruth Morris, center, greet Barbara Griffin, dean of students at Lake Erie College. The girls respectively are the daughters of Mr. and Mrs. Harry Indursky, 25 Mignon Rd., West Newton, and Mr. and Mrs. Andrew Morris, 247 Temple St., West Newton.

College News

Richard N. Braude of 45 White Oak Rd., Waban, has entered Hobart College, Geneva, N.Y., as a freshman. The son of Mr. and Mrs. Daniel M. Braude prepared for college at Newton South High School, where he was a member of the Music Club, International Club and the baseball team.

Gary Martin Backaler of 29 Parker Ave., Newton Centre, has enrolled at Babson Institute of Business Administration. The son of Mr. and Mrs. James L. Backaler is a graduate of Newton South High School.

Earl S. Stein of Newton, William B. Blum of Newton Centre and Bruce G. Winchester of West Newton, are enrolled as freshmen at the University of Maine.

Robert J. Epi of 35 Aberdeen St., Newton Highlands, has been promoted to assistant to the supply officer in the Pershing Rifles, a national cadet honor society with the Northeastern University ROTC unit.

Peter W. Ferber of 11 King St., Auburndale, Robert S. Copeland of 161 Waltham St., West Newton, and Dana S. Brigham of 61 Temple St., West Newton, are enrolled as freshmen at Middlebury College, Vt.

Susan S. Jacobson of 28 Cottonwood Rd., Newton Centre, Susan Nazarian of 23 White Pine Rd., Newton Upper Falls, and Phyllis B. Rubinoff of 112 Winchester St., Newton Highlands, have begun their year-round work-study program at Antioch College, Yellow Springs, Ohio.

George E. Marcus, 122 Ward St., Chestnut Hill, has been named captain of the lightweight varsity crew at Columbia College, where he is a senior. The son of Mr. and Mrs. Henry E. Marcus earned his varsity letter last year by rowing stroke. He is a graduate of Newton High School.

Michael J. Taymore, son of Dr. and Mrs. Melvin J. Taymore, 44 Fairfax St., West Newton, has arrived in Baltimore to begin studies at Johns Hopkins University. He will study in the Humanities program.

Karen E. Beisel, daughter of Mr. and Mrs. Albert R. Beisel Jr., 25 Sewall St., West Newton, was one of five seniors at Vassar College elected to Phi Beta Kappa on the basis of three years' work.

Mary Louise Burke, daughter of Mr. and Mrs. John G. Burke, 29 Thaxter Rd., Newtonville, donned cap and gown for her first appearance at Trinity College, Washington, D.C.

Russell A. Lukes, son of Mrs. Eleanor P. Lukes, 1144 Boylston St., Newton Upper Falls, is enrolled as a freshman at Worcester Polytechnic Institute.

Miss Linda L. Castoldi, daughter of Mr. and Mrs.

Unitarians Open Religion Series

The Rev. Leslie T. Pennington, minister of the First Unitarian Church in West Newton gave the first in a new series of lectures on "Why Liberal Religion?" last week.

His topic: "Religion Without Dogma." During the series, which is open to the general public and members of all churches, such considerations as God, man, prayer, sin and salvation will be discussed and a critical examination made of the great teachings of religion in the light of Unitarian beliefs.

school level where a slight decline below last year's figures has been reported.

Dr. Brown said that the Newton School Department is at a point "where we should not have to build anything major in the way of new facilities."

"However, we should begin to tackle the problem of some old buildings we have put off," he added. Among these he included the Lincoln-Eliot, Horace Mann, Burr, Day, Bigelow and Newton North High Schools.

He said the curriculum in Newton public schools is in a constant state of change, pointing out that "the body of knowledge available to man is increasing at a rapid rate." Dr. Brown reported that one group of teachers are working on a K-12 program in social studies.

At the junior high school level, he said, exciting materials are being developed on the business history of economics.

A new sequence is being worked out for grades 10, 11 and 12 of high school, and the materials for Grade 10 already are in use, he revealed.

"The task of improving is always with us," Dr. Brown declared. "It is impossible for us to think of talking in terms of having gone as far as we can. We will never be able to be satisfied with where we have gone."

He told the PTA members that their organization can play two important roles.

One, he said, is to provide constructive criticism from the parental point of view.

The other is to give the school department necessary support in its continuing efforts to improve its standards. On the PTA Council agenda was a report that the scholarship yearbook would be brought up to date this year. The Council recorded itself in favor of UNICEF collections.

It was decided that about four issues of "Patterns," a weekly publication put out jointly by the School Committee and the PTA, will be sent to Newton citizens who do not have children in the city's public schools.

Action for Mental Health in Children (AMHIC), an organization which is working to open a mental clinic and therapeutic school in Newton, was applauded by Dr. Brown.

"Services in the schools are limited by budget," the school superintendent declared. "We can take disturbed children only to a point and then refer them to the Judge Baker Clinic in Boston. There are just not enough agencies. We would like to see this develop."

Brandeis Has 11 Local Freshmen

Eleven students from this area have entered Brandeis University as freshmen.

They are: Jonathan J. Margolis, 30 Edge Hill road, Chestnut Hill; Diane E. Miller, 91 Walnut Hill road, Chestnut Hill; Leonard C. Smoth, 55 Bellingham road, Chestnut Hill; Robert P. Andriaman, 129 Oakdale road, Waban; Jon K. Berenson, 288 Homer street, Newton Centre; Robert A. Berezin, 90 Forest avenue, West Newton; Donna J. Guy, 88 Bound Brook road, Newton Highlands; Susan L. Rabowitz, 58 Bow road, Newton Centre; Michael H. Segal, 141 Brookline street, Chestnut Hill; Edward J. Tamagno, 34 Simpson street, Newton, and Norman E. Wilson, 88 Exeter street, West Newton.

Candidate Night By ADA Chapter

A Meet the School Candidate Night is being sponsored by Newton Chapter, ADA, tomorrow (Friday) evening at 8 in the home of Mr. and Mrs. Daniel E. Rothenberg, 173 Otis street, Newtonville.

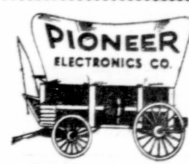

There will be a social hour followed by the presentation of each candidate for a place on the School Committee, with a question and answer period. Sidney Bronstein and Harold Katz, co-chairmen, will preside.

Bridge Party At Church On October 17th

On Thursday, October 17, in Grace Church Parish House, Newton, the Newton Community Club will sponsor a bridge party, proceeds to go to a special fund by means of which the club is enabled to award a scholarship to a Newton High School graduate.

Dessert will be served at 1 p.m. and a feature of the afternoon is to be the drawing. General Chairman is Mrs. John S. Van Pael, assisted by Mrs. David Hamblen, Mrs. Herbert B. Dwight is in charge of dessert and serving, and Mrs. Maurice W. Demmon is in charge of prizes.

An "Opportunity Table," where gifts may be purchased, will be presided over by Mrs. Carlton L. Shaw. Those wishing reservations should call Mrs. Van Bael, DE 2-0357.

Allstate—for sensible rates on all kinds of insurance

Wherever possible, Allstate's rates are substantially lower than the rates of most other companies.

For example, Allstate Collision Insurance rates may save you as much as \$15—\$20.

For less than you may be paying for ordinary fire insurance, you can protect yourself against loss from fire, theft, personal injury claims and many other hazards with an Allstate Homeowners policy.

You'll be surprised, too, at the amount and kind of Allstate Life Insurance you can buy for a cost averaging as little as \$2.50 a week.

And Allstate Business Insurance rates are often 30%—40% lower than most other companies'.

It pays to do business with Allstate!

All these Allstate policies available for you:

Auto • Homeowners • Life • Health Boatowners • Residential Fire • Family Liability • Business Insurance • Mortgage Cancellation Life Insurance • Also representatives for Allstate Motor Club and Allstate Econo-Rate Finance

Teen Girls Chores Will Help Charity

The Curri Club, comprising high school girls from Newton and Brookline, will hold its annual "Work Day" on Saturday, October 12, Columbus Day. Proceeds will go towards the Cerebral Palsy Fund.

These young girls, members of the non-sectarian organization, are ready and willing to perform a variety of odd jobs in and around local households to raise money for the worthy cause.

Major chores such as washing dishes, raking leaves, babysitting, car washing, silver polishing, garage and cellar cleaning, house work and doing errands, are included among the tasks which the girls are ready to perform.

Anyone interested in hiring the services of club members on Saturday are asked to phone Renie Kay, second vice president, at BI 4-8673; she resides at 9 The Ledges Rd., Newton Centre.

Other officers of the club are: Ellen Wexler, 234 Arnold St., Newton Centre, president; Julie Burgess, 46 Berwick Rd., first vice president; Emily Starr, Brookline, and Sally Glass, Newton, treasurers.

Last year the combined efforts of the girls in tackling many menial tasks on "Work Day" and other money-raising events, resulted in a charitable contribution of more than \$1,000 to the Women's Auxiliary for Cerebral Palsy.

New members were welcomed in the Curri Club at a tea held recently at the home of Ellen Bernstein, 10 Dartmouth St., West Newton.

The 16th annual dance of the club will be held on Thanksgiving Night, Nov. 28, at the grand ballroom of the Statler Hilton Hotel. All proceeds of this event also will go to the Cerebral Palsy campaign.

DR. MORRIS AXELROD

Dr. Axelrod

Heads Survey Project Here

Dr. Morris Axelrod, assistant head of the field section of the University of Michigan's Survey Research Center, has been appointed director of the Research Project currently being undertaken by the Combined Jewish Philanthropies of Greater Boston.

Dr. Axelrod, his wife, Zelma, and their three daughters, will reside at 2 Clark St., Newton Centre.

He is a native of Detroit, and served as head of a data processing section with the U. S. Census Bureau before World War II.

Dr. Axelrod is a decorated veteran of World War II, entered as a private in 1941 and rose to the rank of captain. He was awarded the Croix de Guerre with Bronze Star by the French Government. He saw action in the Normandy invasion.

Dr. Axelrod, who has held various administrative positions with the University of Michigan's Survey Research Center for 15 years, assumed his new post in Boston last week.

The research study here, launched by an initial grant of \$60,000 from the non-sectarian Permanent Charity Fund of Boston, is expected to provide information about underlying needs, the changing nature of community needs, and the direction in which the Jewish community is moving.

Among the areas to be studied in depth are: long term illness; needs of the aged; Jewish identity of youth; problems of personal and family adjustment; attitudes of CJP contributors; Jewish education, and community relations.

Funds raised by Combined Jewish Philanthropies during its annual campaigns will not be utilized for any portion of the project.

Commenting on Dr. Axelrod's appointment, Dr. Irving W. Rabb, chairman of the Long Range Planning Committee, said, "We are indeed fortunate to have obtained Dr. Axelrod to direct this vital project. He comes to us with a national reputation for distinguished contributions to the areas of research and social sciences."

Dr. Axelrod received the Bachelor of Arts degree with distinction in 1948 and the Doctor of Philosophy degree in 1954 from the University of Michigan.

New Directory Of Agencies Is Available Here

Publication of the latest Newton Directory of Agencies and Organizations was announced today by Mrs. Irene K. Thresher, president, Newton Community Council.

As Newton's "Who's Who," the handy pocket-size directory lists the president or chairman of over 400 organizations. These groups include, among others, PTAs, church groups, civic, social, business, fraternal, service clubs, and veterans groups.

In addition, all Newton agencies and city departments are listed along with aldermen and school committee members, as well as all churches and synagogues, schools, colleges and libraries.

A new feature this year is a comprehensive index of all organizations listed.

The directory also contains a seven-page section describing the work of 28 agencies and departments in the health, welfare and recreation fields.

The directory, revised annually in September, is the only up-to-date compilation of such information in Newton.

Hundreds of people active in community affairs have found this directory indispensable.

Directories are on sale at all branch libraries in Newton and at the Newton Community Council office.

Publication of the directory is done as a public service by the Newton Community Council, a red feather agency sharing in the United Fund.

Big Hallowe'en Looms For City

The stage is rapidly being set for Newton's 23rd Annual Halloween celebration designed to entertain an estimated 22,000 school children at well over 400 individual parties throughout the Garden City.

Hundreds of civic-minded citizens are hard at work completing plans for programs and refreshments to assure that all youngsters, from kindergarten to high school age, have a memorable time.

The following additional reports from Building Chairmen have been released by Mrs. Dorothy H. Garon, the General Program Chairman, for the overall observance.

Mrs. Philip Treseca and Mrs. Paul Sawin, building chairmen for the Bowen School, expect to have 400 children at the afternoon and evening parties. The afternoon festivities will run from 2 to 3:30 p.m. for youngsters in Kindergarten through the Third Grade. Those in Grades Four, Five and Six will mark Halloween from 6:45 to 8:45 p.m.

The following chairmen have been appointed to head their respective committees: Mrs. B. Robinson, HALLOWE'EN (See Page 15)

PASQUALE PROIA

'Pat' Proia Is Named To Local Boys Club Post

Pasquale (Pat) Proia, 4 Morgan Pl., Newton, has been appointed assistant director of the Newton Boys' Club, according to the announcement by Norman E. MacNeil, president of the club.

He is a 1956 graduate of Newton High School where he participated in varsity baseball and football.

Mr. Proia has been associated with the Boys' Club for the past 10 years as a volunteer worker. For the past four years he has handled the athletic program on a part-time basis. He is married and the father of two boys.

Nip-Tuck Records By School Squads

Newton High School's football team, defeated in its first three games, hopes to chalk up its first victory of the season when it meets a winless Watertown aggregation at Victory Field in Watertown at 1:30 on Saturday afternoon.

Newton South High, which has won two of the three games it has played, will engage a formidable adversary when it clashes with Leominster at Dickinson

Field. The kickoff is scheduled for 1:30 p.m. Saturday.

On the basis of comparative scores Newton High School and Watertown are fairly evenly matched.

Newton lost to Brockton, 6-0, while Watertown bowed to Brockton, 8-0.

Local House Seats Facing Realignment

Newton's two legislative districts would both be changed under a plan devised by the board appointed by Governor Peabody to reapportion Middlesex County's seats in the House of Representatives.

The revamping of the two districts appears to be part of an attempt to increase Democratic strength in the already predominantly Democratic House.

At the present time the 4th Middlesex district includes Wards 1, 2, 3 and 7, and the 5th Middlesex district takes in Wards 4, 5, 6 and 8.

Under the new alignment which has been proposed, Ward 4 of Newton would be linked with Wayland and Weston.

Wards 1, 2 and 3 of Newton would be placed in a new district with Ward 6 of Waltham.

Wards 5, 6, 7 and 8 of Newton would make up a new House district.

School Board Approves Study Of Pupil Obesity

Approval of a Harvard School of Public Health research project on obesity in the public schools here was given Monday night by the School Committee.

Dr. Jean Mayer of the Harvard school outlined the project, which will be conducted by Dr. Beverly A. Bullen.

Dr. Mayer said that a recent study at a camp for overweight girls indicated a relationship between activity, appetite and food intake and added that serious psychological difficulties develop in overweight adolescents, resulting in a tendency to withdraw from activities.

The new project will be started in Bigelow Junior High School, where Dr. Bullen wants to determine whether something can be done about the increasing inactivity of American youth.

MICHAEL J. GALVIN

Sen. Galvin's Sick-bed Vote Aids Governor

A Newton State Senator, wan and weak from a serious illness, traveled three times to the State House by ambulance to help save a bill for the reorganization of the State Public Works Department from defeat.

Senator Michael J. Galvin of Newton, serving his first term and first year in the upper legislative chamber, was the outstanding hero of the bitter battle over the DPW reorganization proposal.

His vote at a crucial time created a tie and prevented the reorganization measure from going down the legislative drain.

But Galvin should not have been in the Senate chamber to cast a vote. He was an extremely sick man. He should not have left his hospital bed. He is suffering from a serious spinal condition.

Governor Peabody and Senate President John E. Powers fought long and hard for the passage of the reorganization bill. But neither of them asked Galvin to leave the hospital to vote. They felt he was too ill.

It was an emotion-filled moment when Galvin, seated in a wheel chair, was pushed into the Senate chamber last week. He had insisted on coming, on casting his vote and on speaking.

He was too ill to get out of his wheel chair, and Senate President Powers suspended the rules so Galvin could speak while seated.

People from Newton watching the proceedings felt a swelling pride at the courage of this remarkable man, known as "Iron Mike" in his wartime days.

His Senate colleagues gave him a rousing ovation. Senators whose views differed from Galvin's shortened their speeches because they didn't want to hold him too long in the chamber.

Aldermanic Maneuver Saves Motel Project

An unusual parliamentary maneuver was used at Monday night's meeting of the Board of Aldermen to save from defeat a measure designed to clear the way for the erection of a \$4 million motel complex in Norumbega Park.

Six members of the Aldermanic Board, who are in favor of building the motel, raised a charter objection to prevent the matter from being voted on at Monday's session.

The reason they did so was that the motel proposal would have failed of passage because of the absence of several Aldermen.

The situation was so confusing that many of those in attendance at the meeting were completely baffled by some of the moves which were made, especially since Aldermen known to favor the motel proposal appeared to be voting against it.

This confusion was compounded by the fact that a majority of the Aldermen present are supporters of the motel measure.

The explanation was that 16 votes are needed to approve the zoning change to permit the construction of the motel in Norumbega Park.

Even though the vote was 15-6 or 14-5 in favor of the zoning change, it would be rejected.

At no time on Monday night were 16 Aldermen present who intend to vote for the change in zoning.

JAMES MEREDITH

Meredith Is Temple Forum Speaker Here

James Meredith, prominent civil rights worker and nationally known for his involvement in the integration of the University of Mississippi and his first Negro graduate, will speak in Newton on Sunday night, October 27th.

He will be guest lecturer at the Mishkan Tefila Temple Forum to be held at 8 o'clock at the Temple, 300 Hammond Pond parkway, Chestnut Hill.

Jean Paul Weinstein, forum president, also announced that Jack Greenberg, director-counsel of the N.A.A.C.P. Legal Defense and Educational Fund, also will be a speaker.

Mr. Greenberg has exerted a major influence in the fight for civil liberties for Negroes. Bert Paley is chairman and

FORUM — (See Page 5)

Absent from the session were Aldermanic President Wendell R. Bauckman and Aldermen George L. Hicks, Theodore D. Mann and Harry L. Walen.

Alderman Joseph G. Bradley was able to attend only a portion of the meeting because of a night session of the House of Representatives, and Alderman William A.

Diman was present for only part of the proceedings.

Alderman Franklin N. Flaschner of Waban, a supporter of the motel measure, saved it from defeat by raising a charter objection against it.

The other five who joined in voting for Flaschner's objections were Aldermen Winslow C. Auryansen, Adelaide B. Ball, Ernest F. Dietz, William M. Glovsky and John P. Nixon. Like Flaschner, they favor the erection of the motel.

The next meeting of the Aldermanic Board is scheduled for the night of Nov. 4, the eve of the city election.

However, Mayor Gibbs, when he returns next Monday from his vacation in Europe, is expected to call a special meeting of the Board of Aldermen to act on the motel issue.

Whether Gibbs will be successful in prevailing upon all or nearly all the Aldermen to attend a special meeting next week or the following week is uncertain.

But it's even less likely that he could get them to show up the night before election when a number of them will want to be out campaigning.

Alderman William Carmen led an unsuccessful fight to have the motel measure tabled. His motion was defeated 14-5.

Car Owners Get Insurance Hike

Newton motorists received unpleasant news last Tuesday, when Insurance Commissioner C. Eugene Farnham announced the 1964 rate for compulsory insurance for automobiles.

Because of the steadily worsening situation in the personal injury accident claim record here in recent years, the city will be moved to higher rated Territory 11 for next year, the commissioner has advised the Casualty Insurance Companies serving Massachusetts, the public information agency serving the industry. Newton has been grouped with 10 other communities in Territory 12.

"This does not mean that Newton is to be consigned to Territory 11 indefinitely," said John O'Connor, executive secretary of the insurance organization.

"It is the Commissioner's annual practice to move

certain communities to lower rated territories, due to a consistently improving accident claim record, while at the same time moving others to higher rated territories, due to a consistently worsening accident claim record.

"For this reason," he added, "Newton motorists can enjoy lower compulsory insurance rates whenever they make the collective effort to earn them by reducing accidents and consequent personal injury claims, wherever they may drive in Massachusetts."

As to the accident claim loss record of Newton Motorists, O'Connor said the frequency of personal injury claims arising from accidents caused by Newton motorists throughout Massachusetts jumped 16.2 percent in the five years from 1958 through 1962, while the average cost of such claims over the same period rose 10.6 percent.

Emphasizing that the Newton statistics had been verified by examiners of the Massachusetts Insurance Department,

showing against Brockton than did Watertown's Red Raiders, and Newton should be the favorite to win this Saturday.
Leominster, which meets

Newton South, gave a good account of itself in an 18-0 loss to Brookline High last Saturday. That game was much closer than the score would indicate, with fumbles setting the stage for all three Brookline scores.

Newton High made a dis-

appointing showing as it was defeated, 29-6, by Weymouth High at Legion Memorial Field in Weymouth last Saturday.

The Tigers were handicapped by the absence of their two crack halfbacks, Steve Carroll and Marty O'Gorman, and were unable to mount any potent attack,

gaining only 92 yards on the ground and 49 yards through the air.

Newton's lone score came in the third period when Ken O'Connell flipped a 14-yard pass to Jimmy Hoover to climax a 76-yard march.

It was a game which Tiger fans want to forget. Coach Jim Ronayne summed up their feelings with the comment, "There's nothing I can say except that I'm completely disappointed."

Newton South scored a first period touchdown against a weak Stoughton team at Dickinson Stadium last Saturday, added a two-point conversion and then played a scoreless game the rest of the way to win, 8-0.

The Lions actually dominated the game to a greater degree than the 8-0 score would indicate and with any luck would have won by a greater margin.

The Stoughton team threw one scare into the Lion rosters at the start of the fourth quarter when Stoughton lineman Tony Polilio intercepted a pass by Ted Clarke at the Newton 40-yard line and lugged it back to the 29-yard stripe.

However, Stoughton could advance only seven yards in four plays and then surrendered the ball after that dying gasp.

Newton South probably will have to play better football next Saturday if it is to defeat Leominster.

The Lion touchdown came on a nicely executed 49-yard forward pass from Ted Clarke to Mark Young. Clarke then passed to Tom Lopez for a two-point conversion.

ment, O'Connor said the average cost of insuring a private passenger car in Newton, whether it was involved in an accident or not, shot up 28.4 percent during the five-year period through 1962.

Under the Massachusetts compulsory system, accident claim losses are charged back to the compulsory rate of the community in which the motorist responsible for the accident garages his car. For example, if a car-owner from Revere caused an accident in Newton, injuring the occupants of the Newton car, the total claims cost would be assessed against the Revere rate.

Trinity Church Women Plan For Annual Fair

The annual fair held for many years at Newton Centre's Trinity Church, takes place this year on Friday and Saturday, November 1 and 2, at the Parish House. The hours will be from 11 a.m. to 8 p.m. on Friday, and from 10 a.m. to 2 p.m. on Saturday.

Mrs. W. F. Fullerton, Jr., heads the bazaar and assisting her are Mrs. Edward T. Slade, vice-chairman; Mrs. David G. Palmer, secretary; Mrs. Harry F. Morse, treasurer; Mrs. Harold E. Burnham, properties; Mrs. Worthing L. West, publicity; Mrs. Samuel B. Senior, decorations; Miss E. Nancy Cobb, tickets, and Mrs. Edmund W. Perry and Mrs. Robert B. Purinton, members-at-large.

All the old favorite tables will be filled with articles for sale, many made by busy fingers during the summer. Heading the Household Table will be co-chairmen Mrs. Henry S. Cross and Mrs. Franklin P. Hawkes. All summer the committee has worked to provide household items of every description.

Members of the committee include Mrs. Ernest V. Alley, Mrs. Edward A. Blanchard, Mrs. Hartwell W. Blanchard, Mrs. Frank E. Davenport, Mrs. John C. deMille, Mrs. Marjorie H. Gardner, Mrs. Carl A. Gurshin, Mrs. William A. Haskell, Mrs. Anthony Jauregui, Mrs. Elmer M. Kling, Miss Letitia Linsley, Mrs. Frederick W. MacDonald, Mrs. John W. Merrill, Mrs. Harry F. Morse, Miss Eleanor M. Taking advance orders for canapés and hors-d'oeuvres from the fore-handed hostesses who wish to have supplies of these delicacies on hand for the holiday season, are the members of the Gourmet Table; Mrs. Robert B. Purinton, Mrs. Joseph J. Urbanetti and Mrs. Barrows Whittemore.

Christmas gifts of all kinds will be found at a table under the direction of Mrs. Maxwell H. Robson, whose helpers are Mrs. Richard D. Batchelder, Mrs. Carl M. Cobb, Mrs. Ten Brock Cornell, Mrs. Alvan Fortune, Mrs. George E. Jesup, Mrs. Harold R. Keller, Mrs. Kenneth W. Lee, Mrs.

Reginald W. Matthews and Mrs. Crawford Robson.

Gifts for all occasions, many of them handmade, will be offered by Mrs. Amos Kent, chairman, and her committee: Mrs. James H. Goddard, Mrs. Walter D. Stewart, Mrs. Anise Thayer and Mrs. Barbara Riley.

Assisting Mrs. Ward I. Cornell with admissions will be Mrs. Louise M. Dresser, Mrs. Clifton L. Hynes and Mrs. William H. McCabe. Heading the always popular Record Rack and Book Department will be the James F. Browns and Miss Beatrice Eastman.

No fair committee is complete without mention of those who are providing food in some form or other. At Trinity there will be the ever popular Friday noon luncheon, featuring Trinity's Famous Chicken Salad Roll (tuna for those who don't eat chicken). Lunch will be served at modest prices from 12 noon until 1:30 p.m. Mrs. Elvyn K. Mentzer and her co-chairman, Mrs. Henry T. Patch will have the able assistance of the faithful "lunchioneers": Mrs. John E. Gale, Mrs. Stiles D. Haines, Mrs. Carol J. Hoffman, Mrs. Lester J. Lishon, Mrs. E. Rudolph McKay, Mrs. Edward T. Slade, Mrs. Louis C. Stein, Mrs. Otto A. Both, Mrs. James D. Blackall and Mrs. William Bliss. Friends of Trinity Parish are always welcome.

Martha Dorcas Guild Meets In Joint Session

The Martha Dorcas Guild of the Newton Highlands Congregational Church held a joint meeting at the church recently with the Business and Professional Women's group. Speaker of the evening was Mrs. Betty Cole Smith of the Women's Reformatory in Framingham. Following a question period, both groups served refreshments.

The Guild president, Mrs. Howard R. Jacobs, introduced the following new slate of officers:

First vice president, Mrs. Douglas McLean; second vice president, Mrs. Blake Tennant; secretary, Mrs. Arthur Marden; treasurer, Mrs. Robert A. Pease; nominating, Mrs. Ralph Shepherd; hospitality, Mrs. Summer White; devotionals, Mrs. Hollis Hunt; membership, Mrs. Joseph McMullin and Mrs. Gregory Lindin; missionary representative, Mrs. Norman Whitney; special project, Mrs. William Farmer, and Baldwinville Youth, Mrs. Ernest Juillierat. The next meeting will be held jointly with the Woman's Association Wednesday evening, Nov. 6, at 8.

Meanwhile, plans are being made for the annual military whist to be held next month.

Mishkan Tefila PTA To Meet

Temple Mishkan Tefila PTA will hold its opening meeting in the social hall on Monday evening, Oct. 21, at 7:30, with Jacob Birnbaum, president, presiding.

Rabbi Israel Kazis will speak, as will Leon Kramer, school director.

After dessert and coffee, parents will have an opportunity to mingle and talk with the teachers.

Ike speaks out!

What does Eisenhower think of putting relatives into high government positions? What made him choose Richard Nixon as his running mate? How did Sherman Adams get his job? What was the one thing Eisenhower said to Truman during that awkward ride to the Capitol on Inauguration Day? Don't miss *From the Army to the White House*—a Globe exclusive in Boston—beginning in this week's Sunday Globe. Read how Eisenhower now views the great crises that beset him as President: McCarthyism; the Nixon "Slush Fund" crisis; his heart attack. Read about the great loneliness of a President; about Ike's fondness for Robert Taft, the man he defeated for the Republican nomination. When Dwight D. Eisenhower's own story is published in book form, it will long be on the book shelves of all thinking Americans. But you can read this great story now—and every day—for the next several weeks in *The Boston Globe*.

THEODORE G. GREEN

Theodore Green Cites Teacher Turnover Issue

Theodore G. Green, who is seeking election to the School Committee from Ward 6, today accused School Superintendent Charles E. Brown of attempting to relieve present School Board members of the responsibility for the turnover of teachers in Newton public schools.

Green quoted from an article in last week's Graphic reporting a speech made by Dr. Brown before the PTA Council in which Brown said he was more concerned with the ability of a teacher than whether she will remain on her job for a long period of time. "I think the superintendent of schools has brought to the fore an issue which has taken on some importance in the School Committee election campaign," Green asserted. "By so stating his own view, he aligns himself with the incumbent School Committee members."

"To me this is most unfortunate, for it now means Dr. Brown has projected his own ideas into the area of politics," Green continued. "Had Dr. Brown given his opinions during the previous spring, or waited until well after the campaign was over, no fault could be found," Green stated. "By inserting his remarks into a speech directed not only to the PTA Council, but to the entire community, Dr. Brown, it appears, is trying to take the burden of defending teacher instability off the School Committee incumbents where it belongs."

"Unfortunately, this was just a portion of his speech, but The Graphic made it front page news when it should, I think, have had on the front page other subjects," Dr. Brown touched on which would not have been as partisan," Green declared.

"As a parent and as a candidate for School Committee, with children presently in the Newton school system, I take issue with the superintendent of schools."

"Newton's voters will have the opportunity to decide if they wish to support candidates who accept the instability problem, or to back candidates, such as myself, who believe the issue can be remedied," Green concluded.

Former Newton Nun Educator Dies October 9

Mother Louise Keyes, R.S.C.J., died at St. Louis, Mo., on Wednesday, October 9. Mother Keyes was a former dean of studies (1949-53) at Newton College of the Sacred Heart.

At the time of her death she was on the faculty and was dean of admissions at Maryville College of the Sacred Heart in St. Louis.

Born in Nice, France, of American parents, Mother Keyes was educated in Rome and the U. S. She held B.A., B.Litt., and M.A. degrees from Oxford University (England), and a doctorate in philosophy from Fordham University.

Had Carmen succeeded in his efforts to table the measure, he then could have raised a charter objection at the next meeting of the Aldermen.

Flaschner's maneuver not only used up any future charter objection but also prevented the matter from going to a vote. Under Aldermanic rules, a charter objection has precedence over any other motion except a motion to table an order.

The five Aldermen who

The 14 recorded against tabling were Aldermen Auryansen, Ball, Melvin J. Dangle, Dietz, Diman, Flaschner, Glovsky, Charles F. Hovey, John P. McCarthy, Jack P. Roberts, John P. Nixon, William H. Prentice, Robert Tennant and Earle D. Wood.

For A Learned Ministry

Off to a vigorous start and optimistically aimed at its 1970 goal is the impressive \$4,000,000 redevelopment campaign launched by the Andover Newton Theological School at an enthusiastic dinner held recently at the Harvard Club in Boston.

This is a healthy and happy indication of religion on the march. The noted Newton school revels in its growing pains and the entire community rejoices in the expansion.

As explained at the dinner by President Herbert Gezork, the present educational facilities are inadequate for the 300 full-time students and the faculty of 32 full-time and part time professors.

Four urgently-needed buildings will be constructed at a cost of \$2,500,000. They will include a library, classrooms and faculty offices, women's dormitory, as well as additional endowments for scholarships and faculty salaries.

The balance of the \$4,000,000 goal in 1970 is designated for scholarships and professorships.

Dean Roy Pearson sounded the clarion call for the campaign when he stated, "This development program is a mandate we must carry out if we are to be faithful to the churches who look to us for leadership."

The need is real and urgent. The purpose is a dedicated one and its success is assured in the name of a learned ministry.

Commend Effort Of Teens

Among many pleasant items of news published weekly in this community journal, are the activities of several youthful organizations whose members are engaged throughout the year in events which raise money for worth while charities.

We are all well aware, and have often heard it said, that teen-agers repeatedly make the wrong kind of headlines in the nation's press.

So be it, there are hosts of reasons brought forth to explain the sorry picture, and the blame has been scattered around with a careless brush—on occasion.

Therefore, it is most refreshing to chronicle the happier side of teen life. The studious, hard-working, sensible kids usually operate in anonymity. That they are in the majority is well established. But, their contribution to the daily life of any community usually is eclipsed by the sensational hi-jinks of their lunatic fringe.

"Work Days" are scheduled by the responsible teens and chores are performed for pay. The proceeds go to several good causes. The kids enjoy the satisfaction of doing a little worth-while physical work and their efforts enhance the cause in which they are interested. They and the community benefit jointly.

Of course, there some old timers who can recall when practically every youngster of high school age had a part-time job after school hours. Usually, the money earned was turned in to help with the family finances. There is no record to reveal any adverse effects suffered by the young after-school workers.

This aspect of the growing-up development has been relegated to the dusty archives of Americana to takes its place with walking to school and the lunch-box carried along with the books.

The age when many of our growing youngsters assume responsibility moves backward with each decade; some wear the adult yoke lightly even after assuming the bonds of wedlock and parenthood.

Therefore, these incidents of Newton youngsters taking on money-raising projects to assist in promoting various charities calls for comment and commendation. It is not by necessity but choice that they take on the responsibilities. Let's encourage any and all such youthful performances.

"THAT'S BETTER— THE PIPE WAS DISTRACTING!"

Ward PTA To Open Season Next Monday

The John Ward School PTA will have its first meeting of the 1963-1964 term on Monday evening, October 21, at 8 o'clock. The topic will be: "What Role Should Parents Play in Interpreting Homework and Report Cards to Children?"

There will be an outstanding panel who will discuss this subject and then answer all relevant questions.

Panel members are: Dr. Edward Landy, assistant superintendent for Pupil Personnel Services and Special Education; Harold W. Beattie, coordinator of Junior High School Education; Miss Katherine E. Torrant, supervisor of Reading Services; Miss Frances F. McKenzie, head teacher, John Ward School.

Mrs. Edward Buckwald, program chairman, will be coordinator. Books and literature will be available for parents. Mr. and Mrs. Jason Sacks are co-presidents; Mr. and Mrs. Louis Pollen, first vice-presidents; Mrs. Albert Mezzof, publications chairman and Mrs. Robert Kirschbaum, publicity.

Alumni To Lunch Here

Newton residents will play an important role at the Skidmore College Alumni luncheon at the Pillar House, Newton Highlands on Saturday, Oct. 19.

Mrs. Alvin Goodman of Newton Centre, co-chairman for the event, will be assisted by the following Newton members: Mrs. Henry Kendall, Mrs. Walter Tower Jr., Mrs. Henry Fuller and Mrs. S. Feinberg.

2 Seminarians At Waban Church

The Parish of the Good Shepherd in Waban announces that Garvin Findlay, a senior at the Episcopal Theological School in Cambridge, is serving as the Seminarian this year.

He will take part in the services, direct the acolytes and assist in the church school.

Also, the church is welcoming back Terry Lynberg, another ETS senior, who has volunteered his services to the parish, and who will lead the junior discussion group each Sunday.

Managed News?

To the Editor,
Newton Graphic:

Recently there was a lot of publicity given to our Armed Forces (in this case the Navy) being allowed to go on the dole (get free surplus food) because of their pay scale.

Would it be possible at some time to give all the facts, not half truths which really distorted this picture. No mention was made of the living allowances for quarters and meals — also the serviceman gets his clothing and other extras-low cost quartermaster rates and P.X.

He can retire after 20 years when he is about 40 with a lifetime income and with a trade or profession whereby he can spend 25 more years at least in better than average luxury.

So many articles and editorials are on this same basis and the thinking readers have already classified them as pure fiction.

Youngsters Plan Show To Assist Jimmy Fund

The Jimmy Fund gets another boost from the creative initiative of six young ladies from Newtonville.

The group, calling itself "The Greys," includes: Susie Coleman, 79 Howland Road; Karen Cutler, 77 Greylock Road; Sue and Jill Heine, 42 Greylock Road; Susie Levy, 36 Calvin Road; and Ann Rothenberg, 173 Otis Street.

For the past several weeks "The Greys" have been busy writing and rehearsing several skits, planning games for presentation Saturday, October 19, at 42 Greylock Road. Their show is especially designed for a young audience, children ages four to seven.

This program will include several dance numbers, pin the nose on the clown and charades. Admission is nominal, with a box for additional contributions. Refreshments will be sold. All monies raised will go to the Jimmy Fund.

To supplement their contribution to the Jimmy Fund, "The Greys" have been busy on the weekends washing cars, cleaning closets, sweeping garages and other odd jobs to earn money.

"The Greys" are eleven years old, except for Jill Heine, age 8, and are in the sixth and third grades, respectively, at the Claflin School on Lowell Avenue in Newtonville.

Political Highlights

(Continued from Page 1)

On the day the chips were on the table in the Senate and a crucial vote was to be taken an associate commissioner of public works was indicted on charges of requesting and receiving a bribe. That development had a tremendous psychological impact upon the law-makers.

In the end the reorganization plan which Peabody embraced as his own was offered by GOP Senate Leader Graham who readily stated that his substitute bill was based on Peabody's original proposal. Actually, it went considerably further than the measure which was presented in the Senate as Peabody's.

Graham fought side by side with Peabody and Powers for the passage of a DPW reform bill. And he came out of the clash with greatly increased prestige.

What is most unusual about this is that Peabody and Graham quite possibly might be the opponents for the Governorship in next year's State election.

On each day that he was championing Peabody's cause in the Senate chamber, Graham was out at night working to line up support behind his drive for the GOP nomination for Governor.

Peabody almost lost his fight in the Senate so many times that in retrospect it seems incredible that he finally won by a whopping 38-2 margin.

On Wednesday of last week Peabody lost the first round in the Senate chamber and seemed well on his way to losing the battle.

On the following day Senate President Powers shifted one Democratic Senator, Graham switched two GOP Solons, and the previous day's action was reconsidered by a one-vote margin.

The turning point came when Powers refused to let the matter go to a final vote in the Senate on Friday and put it off until Monday.

Had the vote been taken Friday, Peabody would have lost.

Powers was giving him the weekend to work.

On Monday two Senators, who had been against Peabody's bill, shifted, and then the stampede started.

This is one fight in which Peabody has had public opinion on his side all the way.

The State DPW has been smeared with a black brush, and the average citizen took the view that any change would have to be for the better.

Actually, there were definite flaws in Peabody's own so-called reform bill. These were pointed out effectively and colorfully by Senator Joseph D. Ward. One was that the bill would have frozen into their jobs persons who have been accused of wheeling and dealing.

It will be interesting to see whether Graham's reorganization plan contains too much reform even for Peabody and if it is watered down before it is enacted into law.

One thing Graham's plan does which Peabody did not do is spell out specific qualifications for three of the five DPW commissioners.

While Peabody will have iron-fisted control over the DPW under the new law, he will have less patronage than his own bill would have given him. Graham's plan provides that the Governor may fill only 12 non-civil service jobs.

Whether the Public Works Department will be operated any better under a new five-man commission than it was under a three-man board is something only time will determine.

One sure thing, however, is that when the reorganization bill becomes law and Peabody places his own men in charge of the DPW, he will accept total responsibility for the way that agency is run.

If anything goes wrong there in the next year, Peabody will be deep in the political soup. That trouble-ridden agency now will become his baby.

In fairness, it should be em-

phazized that Commissioner Jack P. Ricciardi, who shortly will be dropped from his job, has never been accused of any wrongdoing whatever. No finger of suspicion ever has been pointed at Ricciardi in connection with any alleged corruption.

The only charge ever levelled at Ricciardi came from Graham who questioned whether he DPW head had correctly represented his own educational background.

Peabody himself back in August quoted the Federal Bureau of Roads as stating that "monumental improvements" had been achieved in the DPW under Ricciardi.

But, as Peabody said, the public had lost confidence in the agency. Whether the men Peabody place in charge of the department will be able to regain the public confidence is an intriguing question.

Goldwater Last Night—JFK Comes in Saturday

The two men who may be battling it out for the Presidency exactly a year from now are speaking in the same armory three nights apart at big fund-raising dinners for their party this week.

Colorful Senator Barry Goldwater, the GOP's greatest attraction, held the political spotlight at the Commonwealth Armory last night.

President Kennedy lies in for a similar event Saturday night and what undoubtedly will prove a triumphant homecoming.

Goldwater has demonstrated that he can arouse tremendous enthusiasm among certain elements in his party.

But Republicans who will be standing for election in industrial states, including Massachusetts, back gingerly away from him, recognizing that he could be a political millstone around their necks.

Yet, those who see and hear him come away with the feeling that this man could well wind up as his party's nominee for President.

Even in Massachusetts, which he would have no chance of carrying and where certain of his views could backfire disastrously upon his party, he's the GOP's best drawing card.

An interesting aspect to the Kennedy dinner is that so many people are willing to ante up \$100 to see the President that there will be no free loaders to fill up empty seats.

Redistricting Plan Is Bold Gerrymander

It seems obvious that most of the boards created by Governor Peabody to reapportion seats in the House of Representatives were more intent upon knocking Republicans out of office and creating new posts for Democrats than they were in working out a fair and equitable redistricting plan.

This new redistricting scheme probably would be thrown out by the Legislature if it had to be acted upon by the House and Senate. Democratic as well as Republican legislators have voiced indignation at the manner in which the reallocation has been handled.

However, no approval by the Legislature is needed to create the new districts. The recommendations by the reapportionment board for all practical purposes are enacted into law when Governor Peabody certifies them.

What the boards set up by Peabody have done in many areas is to work out bold-faced Gerrymanders, and the Governor undoubtedly will place his stamp of approval upon their proposals.

But this action could come back to haunt the Democrats and especially the Democratic House members.

Under the law the 240 House seats must be reapportioned all over again in 1965.

If a Republican is serving as Governor in 1965, which certainly is within the realm of political possibility, he can put through a GOP Gerrymander, and there would not be much the Democrats could do about it.

Even if the Legislature at that time should refuse to adopt an order authorizing a reapportionment of the House seats, a court order probably could be obtained compelling it to obey the law.

In some instances Governor Peabody's reapportionment boards may have outsmarted themselves.

For example, they linked together Republican Ward 5 and Democratic Ward 3 in Boston in the apparent expectation that this action would knock two GOP House members out of office.

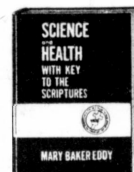

What they may really have done is sacrificed a Democrat or two.

They used the 1955 voting enrollments in working out this plan, but they may have overlooked the fact that in the past few years thousands of Democratic voters have moved out of Ward 3 as a result of the redevelopment projects in that section.

Voters in some areas who will find themselves shuffled like political pawns into new legislative districts in order to strengthen Democratic control of the House may also vent their displeasure upon Governor Peabody next year for sanctioning such raw power politics.

After all, Peabody is supposed to be an advocate of reform in government.

Creative Arts Council Plans School Exhibits

A city-wide school art exhibit, to be held at Newton South High School today and Friday, October 17 and 18, is the first of many cultural events available to Newton schoolchildren and their parents, reports the PTA Creative Arts Council after its first Fall meeting.

The exhibit, sponsored by the Division of Instruction's Art Department, was described to the meeting by Miss Elinor Elliott, Newton art supervisor.

The council heard reports on its successful aid in establishing an adult-education evenings at 7:30 at Weeks Junior School, and on its recent successful sponsorship of the performance of Stravinsky's "Histoire du Soldat," the Children's and Foreign Film Festivals, etc. It is hoped that the film festivals will be repeated during this year.

The council reviewed various interesting creative programs which are available to all of the Newton schools for in-school performances. These include a novel program of scenes from Shakespeare by puppeteer-sculptress actress Ruth Brand; a demonstration of "What's in a Dance" by Sonya Hamlin and a dance group; a series of Young Audience musical programs, supported by Newton Music Supervisor James Remley, by such organizations as the Antiqua Players, Pro-Arts Woodwind Quintet, New England Brass Quintet, Abbey Singers, Carnegie String Quartet, Trio Flauto Dolce, Harp Trio, Percussion Trio, and others.

Plans were also discussed for school group participation in performances and cast discussions at the Charles Playhouse; and in the Young Symphony concerts of the Boston Symphony, an established tradition in this area.

He has done outstanding work on virtually every major civil rights case in which the N.A.A.C.P. has participated since joining that organization in 1949.

Service

(Continued from Page 1)

Canada and several foreign countries pay special tribute to the youths who are such important links between the newspaper industry and the reading public all over the world.

Under the new service being initiated by The Graphic for those of its readers desiring it, the carrier boys should fill an increasingly important role in Newton.

The carrier boy service was started last week in Newton Centre and this week is extended to Newton Village.

These clean-cut young businessmen, who are anxious to serve the people in their neighborhoods, will visit many of the homes in these two sections this week.

For most of these ambitious youngsters this will be a new experience and a new responsibility. It will be their first venture into the business world.

They have been specially chosen and instructed, and they are among the great army of carrier boys who are

TO THE VOTERS OF NEWTON:

Two years ago fluoridation of Newton's water supply for our 93,000 citizens was approved at the polls by the narrow margin of only 1240 votes (12,522 to 11,282).

Since that time new evidence, reported in reliable medical journals, has demonstrated conclusively that some people cannot tolerate this drug in any amount and will be harmed by it.

In recent years over 160 cities and towns have discontinued fluoridation after bitter experience. Here in Massachusetts, seven communities have gone to the expense of purchasing fluoridation equipment and chemicals only to discard them after discovering unforeseen hidden costs, damage by corrosion, and allergic reactions to the drug.

We do not oppose the voluntary use of fluorides under the personal supervision of a physician or dentist, but we believe that there is no justification for putting the chemical in the public water supply and forcing all our citizens, including those who may be harmed by it, to take the drug every day of their lives.

Compelling those of our citizens who have religious scruples against the use of drugs to drink fluoridated water is like compelling Catholics to eat meat on Friday or Orthodox Jews to use non-Kosher foods.

With other more effective and less expensive ways of making fluoride available to those who want the drug, it is unthinkable to add the cumulative effects of another toxic chemical to the long list of those already in our water, air, and food which are causing so much concern to thoughtful scientists.

Last March Brookline, which had previously voted against compulsory fluoridation, re-examined the experiment in the light of new evidence and again rejected it at the polls by an even greater majority.

It would be the height of folly to let the cost of fluoridation equipment already purchased in Newton bind us to the long-run dangers and far-reaching implications of compulsory mass medication.

We hope you will join with us in protecting the health and civil rights of all our citizens by voting to repeal fluoridation of our public water supply.

Sincerely,
Elizabeth M. Donovan
Chairman

NEW EVIDENCE OF DAMAGE TO TEETH AND BONES

"Tooth enamel is likely to be mottled in a person whose customary water supply has a fluoride content of 1 part per million or more. A scattering of white opaque patches on the enamel is probably the earliest visible sign of mild fluorosis. With progression, a brown stain develops and the enamel becomes pitted and may be chipped at the edges. Roentgenographic examination may show irregularities of the roots, calcified masses in the apical regions, and occasionally periapical root resorption.

Patients with crippling fluorosis have a typical kyphosis, restriction of spinal movements, contractures and flexion deformities of hips and knees."

Drs. Singh, Jolly, Bansal and Mathur
Modern Medicine, September 2, 1963

NEW RESEARCH ON CHILDREN'S DRINKING HABITS

"The average American child drinks less than a pint of water a day. Studies of 797 children from different areas of the United States show that tap water accounts for less than half of all fluids consumed by infants and less than one-fourth for those 12 years old and older." (Dosage of fluoride assumes that each child drinks four glasses per day.)

New York Times, June 18, 1963

Northwest Medicine, September, 1963

NEW REPORTS OF FLUOROSIS (FLUORIDE POISONING)

Fluorosis and chronic intoxication from drinking water is reported with natural fluoride of "as little as 9/10 of a part per million." "This disease affects the organs through which fluoride is taken into the system and excreted; inducing gastritis, colitis and lower urinary tract disease.

"Furthermore, it causes neurological disturbances such as neuromuscular pains in arms and legs, partial paralysis, migraine-like headaches and changes in retina. Arthritis, especially in the lower spine is encountered."

International Archives of Allergy and Applied Immunology
90 page supplement, May, 1962

NEW WARNINGS OF ALLERGIC REACTIONS TO FLUORIDE

"In hypersensitive individuals fluorides occasionally cause skin rashes such as atopic dermatitis, eczema or urticaria. Epigastric distress headache and weakness have also been reported. These hypersensitive reactions usually disappear promptly after discontinuance of the fluoride."

Modern Medicine, September 2, 1963

NEW AWARENESS OF RELIGIOUS INFRINGEMENT

"As one who earlier lent his name to the pro-fluoridation program proposed for Brookline, I have now changed my mind for two reasons:

1. There is a satisfactory alternative method which could provide the same result: parents could give their children a fluoride tablet daily.

2. Those who oppose fluoridation of their community's water supply for religious, medical or other reasons should not have their rights nullified unless the health or security of the whole community is jeopardized."

Rev. Carl Bihldorff
Boston Herald, March 1, 1963

NEW FORMS OF VOLUNTARY ALTERNATIVES

"Alternatives include bottled fluoridated water, fluoridated milk and salt and medicinal fluoride."

Dr. Hans Friehauer at the May meeting of the Massachusetts Dental Society described the use of fluoridated salt in Switzerland taken on a voluntary basis.

Boston Herald, May 6, 1963

The once a year topical application to teeth of "acid phosphate-fluoride" resulted in a 70% reduction in decay. Developed by Dr. Fin Brudevold of Newton.

Boston Globe, 1963

Pretty Fall Bridal Unites Miss Connelly-Mr. Connor

Our Lady's Church was the setting here recently for the marriage of Miss Lauraine A. Connelly to William Bradford Connor.

The bride is the daughter of Mrs. Francis T. Connelly of 35 Bennington street, Newton. The bridegroom is the son of Mrs. Carolyn Soprano of 29 Washington park, Newtonville.

Officiating at the 2 o'clock afternoon ceremony was the Rev. William Downes. A reception was held at the Auburndale Club.

Given in marriage by her father, the bride wore a full length gown of silk organza over taffeta. The molded bodice had a sabrina neckline and three-quarter length sleeves. The bell-skirt terminated in a chapel-length train. She carried traditional white flowers and wore a becoming headpiece caught with an illusion veil.

Miss Joanne C. Connelly of Newton, sister of the bride, was maid of honor. Miss Virginia E. Connor of Newtonville, sister of the bridegroom, and Mrs. Mary Hathcote of Arlington were the other attendants.

MRS. WILLIAM B. CONNOR

Justus Park Allen Jr., of Newtonville served as best man. Robert Soprano and Joseph R. Soprano, step-brothers of the bridegroom, Francis J. Connelly of Newton, brother of the bride, and Stewart Lasoff were the ushers.

After a trip to the White Mountains, the couple are now living in North Easton. Both the bride and groom were graduated from Newton High School.

Mr. Connor is a graduate of Boston University. He received his master's degree from the Harvard University Graduate School of Education. Now working for an advanced degree at the Tufts

25 Women For Education Are Emerson Guests

There were many members from Newton present yesterday (Wednesday), when the Massachusetts Society for the University Education of Women were guests of Emerson College for the fall meeting and tea in the Governor's House, home of former Governor Alvan T. Fuller, at 150 Beacon street, Boston.

Mrs. George R. Brett of Waban, hospitality chairman, was assisted by Mrs. Ernest R. Caverly of Chestnut Hill and Mrs. Raymond W. Eldridge of Newton Highlands.

Other local women attending were Miss Katherine Bacon, Mrs. Frank E. Barton, Mrs. Kenneth A. Bernard, Mrs. A. Howell Brewster, Mrs. William Fitts Carlson, Miss Madeline W. Cobb, Mrs. Fred T. Field, Mrs. Ethel Ham, Mrs. Delbert L. Jackson and Mrs. C. A. Jordan.

Also, Mrs. Gordon Joslin, Mrs. Edwin L. Kautz, Miss Holly B. Lee, Mrs. Elmore I. MacPhie, Miss Ruth Paul, Mrs. Norman J. Peskin Sr., Mrs. Francis A. Rugg, Miss Mary K. Taylor, Mrs. Lucius E. Thayer, Mrs. George A. Warner, Mrs. Shields Warren and Miss Marjorie H. White.

Graduate School, the bridegroom is teaching Latin in the North Easton schools.

Children's Party At Meadowbrook Jr. High Sunday

A gala children's party will be held at Meadowbrook Junior High School starting at 2:30 p.m. on Sunday (Oct. 20) under the auspices of the Aspinwall Chapter of Woman's American ORT (Organization for Rehabilitation Through Training).

Puppets, clowns and other features will help to make the affair one of laughter and merriment for the youngsters. There will be free refreshments.

Mrs. Norman Morse of Newton is chairman of the event. Admission charges will be \$1 per adult and 50 cents per child, with the proceeds used to finance the work done by ORT.

Community Club To Meet Monday

The Newton Community Club, Evening Division, will hold a coffee hour and business meeting at 8 p.m., at the new meeting at 8 p.m., at the home of Mrs. Lowell Hammett, 121 Oxford Road, Newton Centre on Monday night, October 21.

A visit will be made to Arthur Gregorian Rug Rooms in Newton Lower Falls. A 45 minute film on Iran, will be shown. This will be followed by a tour of the rug rooms and a question and answer period.

DISTRIBUTE PARTY TICKETS—Hospital Aid Association members, Mrs. Richard Wengren, left, of Wellesley, and Mrs. George L. White, center, of Newton, both of whom will hostess parties, present a ticket to Mrs. George Foster of Wellesley. Husbands of women are active in hospital affairs; Mrs. White's a first year residency; Mrs. Wengren's, a trustee and former treasurer; and Mrs. Whites, the president of trustees.

1800 Women To Aid Hospital Fund

Party Day, an afternoon of dessert-bridge parties sponsored by 1,800 members of the Newton-Wellesley Hospital Aid Association, will be held next Wednesday, October 23.

Co-chairmen Mrs. Robert C. Casselman of Auburndale and Mrs. Robert H. Smith of Wellesley have worked and planned since Spring.

Tomorrow they reach another deadline. That is the day when dessert reservations must be completed. From that point, the baker takes over. Delectable desserts will be delivered on Party Day morning, and the committee will work like beavers sorting them for distribution.

The co-chairmen report an enthusiastic response to the 11th annual Party Day. Through donations and ticket sales, the Aid Association seeks to raise \$6,000. The money will convert a building behind the hospital into apartments for married interns and residents.

Party Day had an identical

purpose last year, when more than \$6,000 was realized. Two apartments were built in a red brick structure that formerly housed patients. A successful Party Day this year will provide two additional units for doctors completing a medical education at the hospital, and for their families.

More than 75 parties have been scheduled in the towns surrounding the hospital.

Arranging for the parties, while readying for one of their own, are the following Village chairmen: Mrs. V. Stoddard Bigelow, Auburndale; Mrs. Paul T. Babson, Boston; Mrs. George R. Strandberg, Newton; Mrs. Ward I. Cornell, Newton Highlands; Mrs. Archie R. Whitman, Newton Lower Falls; and Mrs. Joseph R. Cotter, Newton Upper Falls.

Others are Mrs. Harold S. Rice, Newtonville; Mrs. Andrew W. Johnston, Waban; Mrs. Kenneth R. MacKenzie, Wellesley; Mrs. Philip Richardson, Wellesley Hills; Mrs.

Richard A. Winslow, West Newton, and Mrs. A. Harry Hutchison, Weston.

Parties in communities outside Newton, Wellesley and Weston are being arranged by Mrs. Vincent C. Ziegler of Wellesley.

Joining in the single-day program for the hospital is the Junior Aid Association. Mrs. Samuel L. Lowe, Jr., of Newtonville is handling arrangements for Junior Aid party-givers. Assisting her are Mrs. Thomas Keleher of Newton and Mrs. Eugene Haloran of Wellesley.

Francis Guild Rummage Sale Next Saturday

The Guild of St. Francis of the Sacred Heart Church, Newton Centre, will hold a rummage sale on Saturday, October 19th, in the school hall, Crescent Ave., Newton Centre, from 9 a.m. to 3 p.m.

For collection of rummage items please call Mrs. Arthur Melville, chairman, or leave articles in the school hall tomorrow, Friday, afternoon.

Newell Club To Meet October 21

Mrs. Frank L. Livermore, 124 Dartmouth St., West Newton, will open her home for the October 21 meeting of the Newell Club to be held at 2 o'clock.

Mrs. George E. Wingot, arborist for the Boston Edison Co., will give a talk on "Trees in Your Community." Mrs. Harry L. Walen, Mrs. J. Clifford French, Mrs. Charles A. Lytle and Mrs. Andrew T. Hanson will be hostesses for the tea hour.

Jane Badgers of 75 McCarthy Rd., Newton Centre, a B.U. acting major in the School of Fine and Applied Arts, has the role of "Anfisa" in the university's production of Chekov's, "The Three Sisters," Oct. 24 through Oct. 26.

West Newton Home For Anthony Venuti And Bride

The marriage of Miss Carolyn Eleanor Caruso and Anthony Joseph Venuti took place recently at St. Bernard's Church in West Newton.

The bride is the daughter of Mr. and Mrs. Francesco Caruso of 61 Upham street, West Newton. Mr. and Mrs. Joseph Venuti of Belmont are the bridegroom's parents.

Officiating at the 11 o'clock nuptial mass was the Rev. Benedetto Visalli, cousin of the bridegroom, who also performed the double-ring ceremony.

Escorted by her father, the bride wore a full-length gown of white peau de soie appliqued with lace. The fitted bodice had a boat neckline and three quarter-length sleeves.

She chose a mantilla type headpiece and carried a bouquet of white roses and stephanotis.

Miss Jo-An Archidiacono of Belmont, cousin of the bridegroom, was maid of honor. Mrs. Lavinia Macauda of Belmont and Mrs. Mildred Caruso of Watertown were the bridesmaids. Junior bridesmaid was Miss Joanne Caruso of West Newton.

Joseph Richard Venuti of Belmont, brother of the bridegroom, served as best man. Sharing usher duties were Domenico Caruso of Watertown, Robert Archidiacono of Belmont, Richard Chiango of Waltham and Robert Bucci of Belmont. James Venuti of Belmont, another brother of the bridegroom, was junior usher.

After a reception at the Meadows in Framingham, the couple left for St. Thomas in the Virgin Islands and San Juan, Puerto Rico. They are now at home at 61 Upham street, West Newton.

The bridegroom is a senior at Northeastern University.

CARYLEE ALLEN

Carylee Allen Engaged To Wed S. R. Bronstein

Announcement from Mr. and Mrs. Edward Allen of Newton Centre makes known the engagement of their daughter, Miss Carylee Allen, to Steven Ronald Bronstein. He is the son of Mr. and Mrs. Arnold Bronstein of West Newton.

Miss Allen attended the University of Bridgeport. She is the granddaughter of Mr. Harry Freedman and Mrs. Gussie Allen, both of Newton.

Mr. Bronstein is a senior at the University of Rhode Island, where he is vice-president of Alpha Epsilon Pi fraternity, business manager of his college newspaper and a member of both the tennis team and the Blue Key honor society. He is the grandson of Mr. and Mrs. Charles Weinreb of Brookline and the late Mr. and Mrs. Max Bronstein. A June 28th wedding is planned.

WORKERS IN WORTHY CAUSE—Planning for the annual luncheon of the Women's Division of the Mass. Chapter of the Multiple Sclerosis Society, are, left to right, Mrs. Arnold Lezberg, co-chairman; Mrs. Joel Jacobson, chairman, and Mrs. David Fisher, co-chairman.

Newton Women Plan Luncheon

The plans for the Annual Luncheon to be held by the Women's Division of the Multiple Sclerosis Society are now being made. It will take place December 11th at the Sidney Hill Country Club.

Mrs. Joel Jacobson, chairman for the affair, is being assisted by Mrs. Arnold Lezberg and Mrs. David Fisher, co-chairmen; Mrs. Chester Wolfe and Mrs. Irwin Bauchsbaum, co-chairmen in charge

of entertainment and Mrs. Marvin Fisher entertainment chairman. The theme will be "Luncheon International" with a fashion show by Bonwit Teller of Boston.

Science Theme To Be Doctrine Of Atonement

The theme in all Christian Science Churches will be "Doctrine of Atonement" on Sunday, Oct. 20.

Scriptural references will include this verse: "And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God" (Romans 12:2).

Also to be read are these lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 202): "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done."

Latin America Missionary At Imman'l Church

An interesting talk will be featured at the missionary conference to be held Oct. 20-27 in Immanuel Baptist Church of Newton, it was announced by the pastor, the Rev. Richard F. Schnorbus.

The speaker will be the Rev. Mario Cimbaro, a missionary with the Evangelical Alliance, who has been working in Venezuela since 1958, and is well acquainted with the needs and problems in the small oil towns there.

Casigua, near the Columbia border and in the plains southwest of Lake Maracaibo, has been his home for most of his term in the field. When he arrived there a church was already established, and he became its pastor.

Miss Gail Talcofsky Bride Of Mr. Chester G. Baker

After a trip across the country, Mr. and Mrs. Chester G. Baker (Gail Talcofsky) are now making their home in Tucson, Arizona, where they both are attending the University of Arizona.

The couple exchanged vows recently at the Blue Hill Country Club in Canton. Rabbi Philip Kieval was assisted by Cantor Gregor Shelkin for the double-ring service, which was followed by a reception.

The bride chose a bell-skirted, long-sleeved gown of silk organza with a detachable train. The fitted bodice had a semi-scoop neckline.

Seed pearls encircled the silk organza circlet caught with her illusion veil. She carried her Bible with a white orchid.

Mrs. Sidney Richman of Newton, sister of the bride, was matron of honor. Mrs. Norman Talcofsky of Swampscott, sister-in-law of the bride, and Mrs. Philip Simons of Peabody, sister of the bridegroom, were bridesmaids.

Susan Ann Talcofsky, niece of the bride and Lori Simons, niece of the bridegroom, were flower girls.

Arch W. Fulton Jr., of Omaha, Neb., was the best man. The ushers were Norman Talcofsky of Swampscott, Philip Simons of Peabody, Sidney Richmond, Neil Baker, Steven Grossack, Jerome Furman and Sanford Kovner, all of Newton, Peter Marcus of New Jersey and Alvin Resnick of Plymouth.

Linda Caplan Future Bride Of Richard Mills

Mr. and Mrs. Paul N. Caplan of 20 Philbrick road, Newton Centre, make known the engagement of their daughter, Miss Linda Ann Caplan, to Richard Mills. He is the son of Mr. and Mrs. Sanford Mills of Warwick, R.I.

Miss Caplan was graduated from Newton High School. Both she and her fiancé are attending the University of Rhode Island.

A late summer wedding is planned.

Laura Corwin, sophomore at Pembroke College, Providence, will be her father's hostess at the annual Father-Daughter Weekend, Oct. 25-27. He is Joseph Corwin of 11 Park Dr., Newton Highlands.

Miss Nevins - Mr. Zohlman Wed; Living In New Jersey

White gladioli, Fuji mums and ivy decorated the altar of the Sacred Heart Church for the marriage of Miss Joan Shirley Nevins to John Anthony Zohlman Jr.

Officiating at the pretty fall 10 o'clock nuptial Mass was the Rev. Donald Clifford. The Woodland Golf Club was the setting for the reception.

Mr. Nevins gave his daughter away. She wore a gown of ivory silk faced peau de soie with a fitted bodice edged with beaded Alencon lace at the portrait neckline and long sleeves. The princess skirt, made with panels encrusted with sprays of similar beaded lace, terminated in a chapel-length train.

A cluster of crushed roses formed the becoming headpiece caught with her bouffant illusion veil. Her flowers were white gardenias, stephanotis and ivy.

Miss Martha Anne Crimlisk of Newton was honor maid. Bridesmaids were Miss Helen R. Kiesel of Andover, Miss Frances E. Connolly of Brookline and Miss Edith A. Syrjala of Cambridge.

James B. Zohlman of Brighton served as best man for his brother, David M. Nevins of Newton Centre, Jay Cleveland of Camp Hill, Pa., and Lawrence B. Redman, Jr., of Fort Dix, N. J., were the ushers.

For her going-away costume the bride chose a light blue wool Dior suit with matching accessories. Her corsage was made of yellow cymbidium orchids.

The couple will make their home at Cherry Hill, N. J.

The bride, a graduate of Simmons College, attended Stanford University. She is the daughter of Mr. and Mrs. Sidney Nevins of 574 Beacon St., Newton Centre.

Mr. Zohlman was graduated from Pennsylvania Military Preparatory School and the Pennsylvania Military College. His parents are Mr. and Mrs. John A. Zohlman of Bridgeton, N. J.

Lincoln-Eliot PTA To Open Season Tuesday

Lincoln-Eliot PTA's executive board has planned an interesting meeting for all parents for Tuesday, October 22, at the school.

There will be ample time for parents to visit the Book Fair and classrooms. Refreshments will be served by Mrs. William Ferguson and her committee.

The meeting will be conducted by the president, Daniel Malia. Others who helped plan the affair are Mrs. Daniel Malia, Mr. and Mrs. Salvatore Fugazzotto, Mrs. John Kaljian, Mrs. Paul DeLuca, Mrs. Joseph Lewandoski, Robert Jackson, principal of the school, and Miss Marie McAuliffe, head teacher.

Vote

(Continued from Page 1)

On the following day Galvin was back in the State House. This time he was kept in the office of the legislative physician until it was time for him to vote.

Again on Monday of this week he was back a third time to cast his vote for what he considered a reform in the State government.

On Tuesday, the reorganization fight won as far as the Senate was concerned, Galvin was in his bed at the Soldiers Hospital in Chelsea.

The door of his room suddenly opened, and in quietly came three men, their hats in their hands.

They were Governor Peabody, Senate President John E. Powers and Republican Senate Leader Philip A. Graham.

The three had come to tell Galvin that he had turned defeat into victory, that he had given the DPW reform bill the psychological boost it needed at a critical moment.

Peabody told Galvin that if the measure finally is enacted by the two branches of the Legislature he will sign it in-

to law at Galvin's bedside in the hospital and at that time will rename the Galvin Reorganization Bill.

"All of us are proud of you and the contribution you have made now and in the past toward good government," Peabody told Galvin, who is major general and commanding officer of the 94th Reserve Infantry Division.

"Iron Mike" expressed his delight that the three public leaders would take the time to visit him at the hospital.

There was a suspicion of moisture around the eyes of Peabody, Powers and Graham as they left Galvin's room to return to the State House.

Jackson Homestead's 'Open House' Sunday

On Sunday, October 20 from 3 to 5 o'clock, the Jackson Homestead of 527 Washington street, Newton, will have its first "Open House" of the season.

The exhibit, "Guys and Dolls," has been assembled by Mrs. Ruth Lindquist, assisted by Mrs. Edward J. Sawyer, Mrs. Blake Tewksbury and Mrs. Earl D. Wood, and will feature such Victorian Boutique items as jewelry, costumes of the late 1880's, scent bottles, fans, patch boxes, beaded bags, a fine collection of lace, and an exceptional display of calling card boxes, on loan from the Loring Greenough Museum of Jamaica Plain.

A mannequin will wear Mrs. Lindquist's mother's 1890 wedding gown. Of special interest to the men will be a fascinating collection of antique bicycles of all shapes and sizes, loaned by Dr. Richard I. Smith of Wellesley. As an added attraction, Mark Tewksbury and Martha Sylvester will appear in costume as a Guy and Doll.

Mrs. Malcolm N. Jackson, hospitality chairman, has invited the Newton Community Club to provide hostesses, who will include Miss Mabel K.

Chase, president; Mrs. Frank H. Briggs, Mrs. Morgan S. Campbell, Mrs. Philip R. Cook, Miss Alice Corson, Mrs. Henry C. Jones, Jr., Mrs. Allen F. Scheck and Mrs. John S. Van Bael. Mrs. Ralph E. Keyes, assisted by Mrs. Walter B. Littlefield, both members of the Friends of the Jackson Homestead, will arrange the flowers in the various rooms.

Everyone is cordially invited to attend this first public affair of the season.

Local Jaycee Elevens Play Good Football

Newton High School Jaycees won their game Monday afternoon, and Newton South Jaycees tied theirs.

Newton South and Brookline ended up in a 6 to 6 stand-off in Brookline. The South juniors scored their touchdown midway in the second period. Later, the score was tied by Brookline with a perfect pass.

It was Newton South's second tie game in three outings.

Newton High School's Jaycees beat the Weymouth High juniors 24 to 20 in Dickinson Stadium. It was Newton's second win out of three, and the game was see-saw all the way. Going into the final period, Newton was four points behind. With only six minutes left, Pete Hoover ran 20 yards for a touchdown, and Perry made sure of the win by going through tackle for the two points.

Newton Men Are Dinner Speakers

The annual fall program of the New Hampshire Alumni Chapter of Bentley College of Boston, was held last night, Wednesday, Oct. 16, at the Exeter Inn in Exeter, N.H.

The dinner program at 7 p.m. was preceded by a social hour opening at 6 p.m.

The featured speaker was Atty. Malcolm McLean of Concord, General Chairman of the 1964 Winter Olympics Ski Committee.

Among other speakers were Paul E. Tierney of Newton Centre, vice-president of the Bentley College Alumni Association and Matthew J. Murtha of Newton Centre, also a vice-president of the Association.

site located at 561 Ward Street in Newton.

Primary among the facilities to be constructed will be a sanctuary which will normally seat 300 but can expand to a seating capacity of 800 on high holy days.

A new social hall will be built for holiday programs, lectures, theatrical events and large organization meetings.

New classrooms will be provided to care for the constantly expanding student body. Other facilities planned include a lobby, kitchen, administrative offices, robing rooms for choir and cantor and a school assembly hall.

Chairman of Thursday's dinner is Nathan Pearlman. Main speaker will be Rabbi Abraham Koolyk, spiritual leader of the Congregation. Greetings will be brought by president Melvin L. Chetitz.

Serving as honorary chairman of the drive is David Gopen, a vice-president of the Congregation.

Crown Still Waiting Miss Datesetter 1963

Deadline for the contest seeking the teen-age girl who will rule as Miss Datesetter 1963 has been extended to Wednesday, October 30th, due to the widespread interest among high schoolers throughout the Greater Boston area. Headquarters for the contest, open to all high school girls between the ages of 13 and 18, is at Miss Wellesley Juniors, 572 Washington street, Wellesley.

A Datesetter Fashion Show is scheduled for Saturday, November 2, at 2:30 o'clock in the Wellesley Junior High School. Admission is free and tickets may be obtained at the store.

Fashion know-how and a talent for self-expression are what count in the race, rather than beauty or popularity, according to Celanese Fibers Co. and Seventeen Magazine, co-sponsors of the contest.

Entrants must submit a 100-word essay on the theme: "Who Am I?" and can still register and obtain entry blanks at Miss Wellesley Juniors in Wellesley. Essays must be submitted by October 30th and must be headed with the girl's name, address, age and high school.

The Datesetter Board of this newspaper will announce the local winner in the October 31st issue, and the winner for Greater Boston will be revealed at a Miss Datesetter fashion show the following Saturday, November 2nd.

The winning Miss Datesetter of Greater Boston will receive a monogrammed gold charm and scroll from Celanese, as well as a Shu-Mak-Up kit containing 24 shoe colors. Even more exciting, she will

Newton Library Resumes Story Hours Tuesday

The Newton Free Library next week will resume its program of monthly Story Hours and Reading Hours for boys and girls in all the libraries of the city.

Some of the best of both old and new in children's literature will be shared by librarians and children in these Story Programs.

Songs, poems and riddles will add to the fun and excitement.

Boys and girls who are six years of age or over are invited to attend any of the story programs.

On next Tuesday (Oct. 22) the programs will be held at 3:15 p.m. in the Auburndale, Newtonville and Waban branch libraries.

On Thursday (Oct. 24) at 3:15 the programs will be held at the Newton Highlands, Newton Lower Falls, Nonantum, Oak Hill and West Newton branches.

At 10:30 a.m. on Saturday (Oct. 26) there will be a program at the Newton Upper Falls, branch, and at 3:15 on the same day a program will be held at the Newton Centre branch.

WOMEN VOTERS PLAN FUND RAISING — Key workers in the current Finance Drive of the Newton League of Women Voters are, seated, left to right: Mrs. Douglas Reynolds, Mrs. Henry Gesmer, chairman; Mrs. Ralph Rosenbaum; standing, Mrs. Robert Leventhal, Mrs. Herbert Nachman, vice-chairman.

Fund Raising Campaign Is Launched By Women Voters

The League of Women Voters of Newton held another fund-raising meeting last Monday at the home of Mrs. Robert Leventhal.

The annual finance drive, led this year by Mrs. Henry Gesmer, was inaugurated by a meeting of solicitors on Monday, October 7.

Its purpose was then stated as two-fold: to raise the \$2500 necessary in order to carry on League programs and to acquaint new contributors with League work, as well as to bring old friends up to date on progress made.

Although over 500 letters to potential contributors have been mailed, there are still people to be called upon. The drive is scheduled for completion on Monday, October 28, with a final luncheon in honor of solicitors to be held at Mrs. Gesmer's home.

The Newton League hopes to make well known to the public the fact that its interest in government is constant, non-partisan and open to all concerned women citizens of voting age.

Scout Troop 272 Opens Season

Troop 272, Norumbega Council, Boy Scouts of America, held its first fall meeting recently in Meadowbrook Junior High School gymnasium.

In addition to the 31 Scouts from last year, there were 25 candidate Scouts present.

Norman S. Berkowitz, Scoutmaster, welcomed the new boys and outlined the program for the coming year. At the meeting an orientation period was held for the new boys introducing them to the principles of scouting and the set-up of the troop. During the meeting the troop was divided into six patrols.

The patrol leaders are Joseph Maleson, Michael Payne, Stanley White, Henry Finch, Peter Hine and David Selby. During the meeting camping plans for the coming year were discussed. The troop plans a minimum of 10 nights camping for each boy at the Nobscot Scout Reservation in Sudbury, where there are facilities for both cabin camping and tenting. The meeting was closed by a ceremony in which all boys took part.

Boys of 11 and older who live in the Meadowbrook area are invited to join the troop, which meets in the school gym Tuesdays from 7:30 to 9 p.m. In addition to Mr. Berkowitz, the troop leaders are Frank McGourty, Aaron Cohen and Sidney Karsh. Lee Berkowitz is junior assistant scoutmaster, and Steven Cicariello senior patrol leader.

Pass Civil Service Test

As a result of their passing a civil service test, four Newton residents have been found eligible for the rating of senior clerk-interviewer in the Division of Employment Security. They are Bruce R. Davidson, 941 Washington St., Newtonville, Richard A. Giordano, 27 Auburndale Ave., West Newton, Peter S. Moore, 15 Oak Ter., Newton Highlands, and John W. Girroir, 27 Fuller Ter., West Newton.

Pioneers in the presentation of candidates' meetings, the League states that it was the first national non-partisan organization to launch a "get-out the vote" campaign, and that it does make a difference to the community which is able to take advantage of studies of such matters as election laws, fiscal policy, home rule, regional planning and higher education.

Suburban Churches To Meet In Newton

Church school representatives from 15 Unitarian-Universalist churches west of Boston will meet in a day-long session Saturday, October 19 at the First Unitarian Church in West Newton.

Organized into a group called the West Suburban Teacher Training Institute, the Unitarian-Universalist Churches in this area have held meetings each year for the past several years to discuss church school education programs.

This year's session is the first to be held as an all day program. In the past the meetings have been evening sessions.

For the first time, also, the Institute will have class demonstrations as the central theme. Instead of the usual speaker type programs, teachers in the various levels will conduct actual class sessions for teachers and parents to observe.

Approximately 150 are expected to attend the meeting which is designed to stimulate new ideas and enrich teaching standards in the member churches.

Demonstration classes will be held in nursery and kindergarten, primary, upper elementary, junior high, and senior high classes. In addition

there will be a science series demonstration.

Primary and upper elementary worship demonstrations will be conducted by the Rev. W. A. McEachern of the Hudson Unitarian Church and Mrs. Edwin Salzer of 737 Chestnut street, Waban. Afternoon workshops will

be held in music, communications, art, worship, and "new ways with stories."

Hosting the program for the West Newton Church will be Harry B. Taplin, Wellesley, Director of Religious Education, and Mrs. Arthur S. Laughland, 340 Hammond street, Chestnut Hill. Associate Director of Religious Education.

Among others from Newton who will participate in the meeting are: Mrs. Thomas Morris, 99 Kirkstall road, Newtonville and Parker Lord, 249 Crafts street, Newtonville.

Girls In Concert

A local pianist, Jacqueline W. Arons of 82 Margaret Rd., Newton Highlands, and a West Natick soprano, Geraldine Barretto, both New England

Conservatory of Music graduates, were heard in a concert in the Waltham Public Library last week. They performed works of Haydn, Schuman, Brahms, Chopin and Puccini.

ON WOMEN'S CLUB PROGRAM—Lillian and Alfred Lee, noted vocalist and pianist respectively, will entertain at the opening fall meeting of the Newton Centre Woman's Club tomorrow afternoon.

Noted Musical Duo Will Feature Meeting Friday

An unusual brother and sister team, Lillian and Alfred Lee, will present a program of music and song tomorrow Friday, October 18th, at the opening fall meeting of the Newton Centre Woman's Club. The program, beginning at 2:30 pm, will be introduced by Mrs. Stanford D. Blitzer, chairman. A highlight of the meeting will be the burning of the mortgage by Mrs. John F. Capron, past president.

After graduation from Beaver Country Day School, Miss Lee was awarded her degree at the New England Conservatory of Music. Her voice was trained by Boris Goldovsky, Marie Sundelius, and Olga Averino.

Alfred Lee, after graduation from the New England Conservatory of Music, received a master's degree from Yale University. With first order accomplishment, Mr. Lee concentrated in Europe for two years. He is one of the very few pianists who had adapted the relatively unknown electronic piano for his concerts with Miss Lee.

In her career as a lyric soprano, Lillian Lee has performed with the New England Opera Theatre, the Actors Playhouse, and the Boston Opera Guild. Her repertoire will include operatic music, show tunes, and old Chinese songs.

The program will be preceded by a coffee and social hour at 1:00, at which Mrs. Harold A. Clark and Mrs. Robert M. Galloway will be hostesses. The business meeting will be presided over by Mrs. Stanton J. TenBroeck, Jr., president of the club.

On Monday, October 28th, the Literature and Drama Committee will present a review of Daphne DeMaurier's, "The Glass Blowers" given by Mrs. E. Tyler Parkhurst. Reviews of "Tears are for the Living" by Margaret Bannister, and Morris West's, "Shoes of the Fisherman" will be given by Mrs. Daniel J. Sheehan, chairman. Discussion will follow. Pourers will be Mrs. Fred Dupont Fowler and Mrs. Harold Keller.

Speaker

(Continued from Page 1)

6:30 p.m. at Newton South High School, followed by a talk in the auditorium by Dr. Jeffrey E. Butler, research associate in the Boston University African Studies Program. His subject will be "Africa and South Africa: Coexistence or Conflict?"

Mayor Gibbs points out that "In a day when we are so conscious of racial matters at home, Dr. Butler will help us to understand the larger framework within which our own problems are set."

For those who are unable to attend the dinner, the auditorium will be open, free of charge, to the public at 8 p.m. for Dr. Butler's address.

Dr. Butler was born, raised and educated in South Africa. Reservations should be made by Oct. 18. Checks should be made out to United Nations Day Dinner, and sent to David B. Cooper, treasurer, 114 Berkeley St., West Newton. A self-addressed envelope should accompany each request for tickets. Tables may be reserved for four or more persons.

The special guests of honor at the dinner are foreign students who are now living or attending school in Newton. It is hoped that contributions will also be sent in to sponsor the attendance of these visitors.

This annual event is sponsored by the World Affairs Council of Newton. Dr. Paul Deats, Jr., who has been appointed chairman of the Newton United Nations Day by Mayor Gibbs, will preside at the dinner. Mrs. Spencer F. Deming is the chairman of the committee on arrangements for the dinner.

Make way for the rip-snortin'est, sportin'est Comet ever built—the hot new Comet Caliente

There's new wham in Comet's styling... new scam in its engines—up to a special high-performance 289 cu. in. V-8—now in action in the Comet Durability Run!

BULLETIN—Daytona Beach, Fla.

On October 11, the lead car in the 1964 Comet Durability Run completed 50,000 miles at speeds well over 100 mph. This Comet—specially equipped and prepared for high-speed track driving

—was still going strong as this went to press. The same skills and engineering excellence that are helping to make Comet's Daytona performance possible go into every '64 Comet. This is a surprisingly hot new kind of Comet... engineered with the most responsive engines in its field.

Elegance in a compact-price car
The '64 Comet is newly styled—bigger, bolder looking—with elegance usually found only in leading luxury cars. Example: the top-series Caliente features interiors with walnut-like paneling.

Every bit as hot as it looks

The '64 Comet is newly designed... with a new wider, road-gripping stance... big-car ride and comfort. A hot new lineup of luxury options includes power steering, power brakes. See the '64 Comets at your Mercury dealer's now.

SNOW-BIRD POWER SNOW REMOVER

Clears the Average Drive and Sidewalk in 10 Minutes

It's the pleasant, easy way to remove snow, with no more effort than guiding a power lawn mower. The powerful, self-propelled Snow-Bird easily handles all types of snow: wet and sticky, dry and fluffy, icy and crusty. Snowproofed Briggs & Stratton Engine starts and operates dependably under all winter conditions.

NEW HOBBY SHOP FOR NEWTON—Attractive appearance of Bob's Hobby and Fix-It Shop at 14 Austin St., adjacent to the Star Market Plaza, is revealed in this camera shot taken at recent opening.

Hobby, Fix-It Shop Now Open

Bob's Hobby and Fix-It Shop celebrated its recent opening at 14 Austin street, Newtonville, adjacent to the Star Market Plaza.

The attractive store offers a complete assortment of leisure-time products with evening opening hours offering a special convenience to patrons. The shop is open Monday through Friday from 9:30

a.m. to 9 p.m. and on Saturday from 9 a.m. to 6 p.m.

The shop is owned and operated by Bob Wadman and his wife, the former Elayne Robbins.

Mr. Wadman attended Newton High School and M.I.T., and served with the U.S. Navy in World War II. He has had 14 years' experience as an electrical engineer and manufacturing executive.

The Wadmans have two children, Barry and Richard, and reside at 26 Mosman street, West Newton.

Women Voters Set Up Information Project

The League of Women Voters of Newton presents its annual Voters Service units on local "election issues" from Oct. 22 through Oct. 24.

Voters can find out about the main issues in the community so that they can be prepared to question candidates at the Candidates' Meeting on Oct. 30 and so that they can have a better understanding of the referendum questions on increase of the Mayor's salary and continuation of fluoridation.

The Aldermen's report on urban renewal, city planning, redevelopment and conservation will be discussed. Information on the offices to be filled and the duties of the school committee and functions of the newly formed election commission will also be discussed.

The material was prepared under the direction of Mrs. Sumner Cohen, assisted by her committee: Mrs. Alan Crist, Mrs. Alvin Rosenberg, Mrs. Max Kaufman, Mrs. Norman Rosenberg and Mrs. Maynard Slessinger.

The unit meetings will be as follows: Tuesday, Oct. 22, 8 p.m., at the home of Mrs. Lloyd Williams, 30 Jacobs Terrace, Newton Centre; Wednesday, Oct. 23, 9:45 a.m., at the Newtonville Library, 345 Walnut St., Newtonville; Wednesday, October 23, 1:15 p.m., at the home of Mrs. Ernest Picard, 14 Halcyon Rd., Newton Centre; Wednesday, October 23, 8 p.m., at the home of Mrs. Michael J. Ambrosino, 566 Centre St., Newton; Thursday, October 24, 9:45 a.m., at the Newton Highlands Workshop, 72 Columbus St., Newton Highlands; Thursday, October 24, 9:45 a.m., at the home of Mrs. Albert R. Beisel, Jr., 25 Sewall St., West Newton; Thursday, October 24, 8 p.m., at the home of Mrs. Sandman, 72 Fairlee Rd., Waban.

to an end as each youngster is given a bag of treats on his way out.

Committee chairmen include: refreshments, Mrs. Muller; first aid, afternoon, Mrs. D. J. Coakley, R.N.; first aid, evening, Mrs. Jean DiBenedetti; program, Mrs. Gayzagian; ticket collecting, R. Bruce Gayzagian. The clean up will be handled by the Room Mothers and their helpers. The games and prizes

are in the hands of the Room Mothers and Mrs. Gayzagian.

A total of three parties are scheduled for the Sacred Heart School in Newton Centre according to Mrs. Charles J. Delaney, the building chairman. All will be held in the Bishop MacKenzie Center. In all, 350 children will attend.

Grade One through Three will have a party from 4 to 6 p.m. The children in Grades Four, Five and Six will celebrate Halloween from 6:15 to 8 p.m. The program will include games and a House of Horrors.

A Hootenanny with Bob Anderson, Bob Wallwork and Brian Delaney leading will highlight the celebration for the Seventh, Eighth and Ninth

Graders from 8:15 to 10:30.

Committee members directing the schedule are Mrs. Leo Downing, Mrs. Edward Bougan, Mrs. Henry Barry, Mr. and Mrs. James Smith and Mrs. Warren Garrepy.

Some 200 children are expected to attend the Underwood School party for the Kindergarten through the Third Grade from 2 to 3:45 in the afternoon according to the report by the building chairman, Mrs. Arthur Murphy.

A parade will open the celebration. This will be followed by a program to be presented by Miss Peggy Robbins, magician and puppeteer. Games and refreshments will conclude the program.

Thurs., Oct. 17, 1963, The Newton Graphic Page 15

The committee members are Mrs. Robert P. Myette, Mrs. Stanley Lambert, Mrs. Louis Mogul, Mrs. Robert Misch, Mrs. Roy Kislick, Mrs. John McCarthy, Mrs. John N. Roy, Mrs. Thomas Dargan and Mrs. Brooks Burlingame.

Car Wash Project At Eliot Church For Trip Fund

Thirty-five high school students will conduct a car wash and simonize project at the Eliot Church parking lot, 474 Center street, Newton Corner, from 9 a.m. to 4 p.m. this Saturday (Oct. 19) to raise funds for Operation Williamsburgh.

Prices will be \$1 for a car wash and \$10 for a simonize. Automobile-owners desiring to have their cars simonized should make a reservation by calling the Eliot Church at BI 4-3639.

The car wash is being held as the first project in a drive to raise funds for a trip the high schoolers will make next April to New York City, Washington and Williamsburg, Va.

High Schoolers from the Eliot United Church of Christ, the Grace Episcopal Church and the Newton Methodist Churches have contributed \$5 and will devote 30 hours of their time to working at various projects in order to earn the needed funds for the trip.

They will leave by bus next April 18 and spend a week

staying at churches, youth hostels, camping grounds, and 4-H camps in order to learn more about racial understanding and misunderstanding. They will talk with legislators, newspaper editors, church leaders, CORE leaders, private citizens, youth workers and historians in their search for knowledge.

They will also participate in services of worship and youth activities, along the way. This will offer a good opportunity for these young people to see many sides of this puzzling question of race relations, and may better equip them to solve the problem in their own thinking.

Those participating in the drives and Spring trip are Robert Andersen, Frederick Angier, Frances Atkinson, Christina Boyd, Jane Coleman, Nancy Coleman, Roy Coleman, April Crosby, Christopher David, David Downsap, Donald Fields, Steven Fields, Bruce Garon, Ellen Gleason, Sally Gleason, Jeffrey Hale, Susan Hallett, Gail Howard, William Hunter, Doris Bodgen, George Jarnis, Linda Jodrey, Audrey Kasarian, Merrily Lovell, Michael Viercy, Pamela Powers, Gayle Purple, Beverly Rich, Erland Russell, Janette Scandale, Tina Seegitz, Donald Smith, Martha Steinman, Sandra Thomas, Janice Thompson, K. T. Toman, Lloyd Wentzell, John Weyler, Richard Yukes, Robert Yukes.

Their adult leaders are Richard and Ruth Salinger, Charles Harper, and Bruce Marquis from the Eliot Church, Norman Totten, minister of the Newton Methodist Church, and Priscilla Newall, and Susan Powers from the Grace Church.

Local Man Is Honored For Scout Service

A rousing salute to Milo G. "Hap" Clark of Auburndale, who retires next December after 42 years of professional service in Scouting, was given by members of the New England Boy Scout organization assembled on the Oct. 12 weekend at Wentworth-by-the-Sea, Portsmouth, N. H.

The Auburndale man, whose 15 years in New England as executive of Region 1 has seen Scouting grow to 209,794 Scouts and 73,330 adults, had 20 years of Scout experience in Michigan, Wisconsin and Minnesota before coming to this area to head Region 1 in 1948.

He served in the U. S. Marine Corps from 1917 to 1921, and entered professional Scout service in Detroit in the latter year.

New methods for caring for the homeless and dispossessed are being considered, he said.

"The term infirmary was a misnomer," he added, explaining that it was never set up to care for seriously and chronically ill persons.

A vigorous farm program has always been conducted, he said, with cows, horses and poultry featured, but now only vegetables and poultry are raised.

To Show Martin Luther Feature

Newton adults and young people are invited to the parish hall of the First Unitarian Church in West Newton for film showings on Sunday, Oct. 20 and 27 at 4 p.m.

"Martin Luther," a full length feature in three parts, will be shown, the first section on the first Sunday, and the rest on the second. There will be no charge for admission.

An additional film "Land of the Bible," which shows various areas of the middle East where episodes of the Bible took place, will be shown on Sunday, the 27th, following the Martin Luther film.

Compass Club Meets

Mrs. Stephen J. Boylan, 44 Manomet road, and Mrs. Frank Boni, 16 Park lane, both Newton Centre, will be hostesses for the day tomorrow (Friday) afternoon, when the Compass Club of Newton meets in the Newton Highlands Workshop at 1:30.

Eligible For Promotion
The name of George M. Healy, 232 Grove St., Auburndale, has been placed on a civil service alphabetical list of four men and one woman eligible for promotion to supervising investigator on the State Milk Control Commission.

Angier PTA Has Pot Luck Supper

Pumpkins, Indian corn and gourds will be featured at the annual pot luck supper of Angier School PTA's first meeting of the season on Monday evening, Oct. 21, at 6:30.

The supper will be in the school gym, and a pumpkin-corn-gourd sale will be conducted in front of the school under the direction of Mr. and Mrs. Herbert Kotzen.

Tables will be set up in the gym for payment of membership dues.

A brief business meeting will follow supper, with PTA President Aubrey H. Payne presiding and introducing the other officers and Dr. Rita Emlaw, school principal.

An open house will give parents an opportunity to visit classrooms and meet teachers.

The supper plans are being handled by Co-chairmen Mrs. John DiSabato and Mrs. Frank Tessoro, whose committee comprises Mrs. Rose Borowsky, Mrs. Bernard Sudikoff, Mrs. Eugene Hirschher, Mrs. Aaron Blauer and Mrs. Julian Shlager.

In addition to the president, the officers for the year are: First vice president, Morton J. Winer; 2nd vice president, Mrs. Herbert Rosenberg; recording secretary, Mrs. Jack Porter; corresponding secretary, Mrs. John Kelley, and treasurer, Martin D. Braver.

Women To Hear Jr. College Story

The Newton Federation of Women's Clubs fall meeting will be held at the Emerson School, 5 High St., Newton Upper Falls, on Monday, Oct. 21.

Following a coffee hour at 1 and a business meeting, Mrs. Selma F. Stenberg, coordinator of public relations for Newton Junior College, will tell the college story.

Miss Adelaide B. Ball, member of the Board of Aldermen and chairman of the Mental Health Study Committee, will speak at an executive board meeting at noon.

Times Change, Infirmary Bows

Closing of the City Infirmary, set for April 1, next, is inevitable, according to George S. Wettendorf, director of public assistance, who pointed to "changing times and needs" as the cause.

New methods for caring for the homeless and dispossessed are being considered, he said.

"The term infirmary was a misnomer," he added, explaining that it was never set up to care for seriously and chronically ill persons.

A vigorous farm program has always been conducted, he said, with cows, horses and poultry featured, but now only vegetables and poultry are raised.

Waban Women Open 67th Year

Opening its 67th year on Monday, Oct. 21, the Waban Woman's Club will give a reception to new members at the Waban Neighborhood Club, at 1:30 p.m.

There will be a business meeting at 2 presided over by the president, Mrs. Alex Miller.

The program of the afternoon will be given by the owner and director of Kenneth Hair Design Institute who, with the help of models, will show new coiffures.

Open House At Bowen School

A fine opportunity for parents to meet the teachers of their children will be presented at the annual open house for Bowen School, Cypress St., Newton Centre, on Thursday evening, Oct. 24, at 7:45.

They can also visit classrooms and make appointments for conferences.

An evening of sociability is promised, and refreshments will be served.

Motor Hotel Project Gets Aldermen's K.O.

A petition for a zoning change at Norumbega Park to permit the erection of a \$4 million, 336-unit motel was defeated at Monday night's meeting of the Board of Aldermen because two Aldermen failed to show up.

The vote was 14-8 in favor of the zoning change, but 16 votes were needed for its passage.

Missing from the meeting were Aldermen Ernest F. Dietz and William H. Prentice. Had they been present and voted for the zoning change, it would have been adopted.

Whether the petition of the Marriot Motor Hotels for the right to build a motel at

Norumbega was dealt a mortal blow Monday night depends on what happens when the Aldermen meet again a week from next Monday night—election eve.

A motion for reconsideration of Monday night's action will be pending before the Aldermanic Board at that time.

It is possible that this week's action may be reversed and the zoning change granted.

However, that could happen only if all 24 Aldermen are in attendance since eight of them are on record as opposed to the zoning change.

The petition will be dead if it is not acted upon by midnight on Nov. 11.

Voting in favor of a zoning change from Residence C District to Business AA District at Monday night's session were Aldermen Winslow G. Auryansen, Adelaide B. Ball, Joseph G. Bradley, Melvin J. Dangel, William A. Diman, Franklin N. Flaschner, William M. Glovsky, George L. Hicks, William E. Hopkins, Charles F. Hovey, Theodore D. Mann, Joseph P. McCarthy, John P. Nixon, and Wendell R. Bauckman.

Voting against the change were Aldermen William C. Carman, Harry H. Ham, Jr., Jack Roberts, William P. Ripley, Robert L. Tennant, Allard M. Valentine, Harry L. Walen and Earle D. Wood.

Final Showdown Near In Hot City Election

Newton's municipal election campaign is now moving toward its crucial and showdown stage.

While 16 different contests are being waged for places on the Board of Aldermen and School Committee, the strongest public feeling is being aroused by the controversy over the fluoridation referendum.

The Supreme Court last week dismissed a petition by five citizens seeking to keep the fluoridation issue off the ballot.

In effect, the State's highest judicial tribunal ruled that Newton voters will have the right to record themselves for or against fluoridation when they go to the polls to cast their ballots a week from next Tuesday.

The court noted that the ascertainment of public sentiment on the fluoridation question is purely informative and that the question of whether fluoridation will be continued will actually rest with municipal officials.

However, Mayor Donald L. Gibbs in the past has taken the position that a vote by the people of Newton on such a matter is virtually a mandate upon him.

That was the attitude he adopted two years ago when the election returns favored the fluoridation of the city's water system.

The question which will appear as Referendum 2 on the ballot will read: "Shall the fluoridation of the public water supply for domestic use in the City of Newton be discontinued?"

A "Yes" vote will oppose fluoridation. A "No" vote will favor fluoridation.

Another question on which Newton citizens will vote is whether the salary of the Mayor should be increased from \$15,000 to \$20,000 effective next Jan. 1.

The fluoridation fight has overshadowed some of the

Horace Mann School Bond Issue Voted

A bond issue of \$580,000 for replacement of the burned out Horace Mann School was authorized Monday night by the Board of Aldermen.

The commissioner of public buildings had asked for \$793,000 to construct and equip the new school at Watertown St. and Albemarle Rd., in Newtonville.

The \$580,000 bond issue was voted after Earle D. Wood, chairman of the aldermanic committee on Finance, pointed out that \$143,000 of available funds could be applied to the school's cost, and that there had been an insurance recovery on the old school building.

Building Commissioner Burns told the Board that \$10,000 of the \$81,000 insurance money was needed for demolition of the burned building.

POLITICAL HIGHLIGHTS

Dumaine Stuns Republicans By Public Blast At Brooke

Republican State Committee Chairman Frederick C. Dumaine did some straight-from-the-shoulder talking during a radio interview the other night. When he concluded, members of the GOP were either in a state of shock or reaching for the smelling salts.

It wasn't Dumaine's prediction that either Senator Barry Goldwater or Governor Nelson Rockefeller could defeat President Kennedy in Massachusetts next year, which stunned the Republicans most.

He wasn't talking from the shoulder then, of course. That was just a little humorous touch. If he was serious, he knows even less about politics than anyone realized, and he has never been rated as any political genius.

It was when he was talking about the members of his own political party that Chairman Dumaine really applied the axe to the wood and let the chips fly.

Newton Centre 'Days' Planned

An always eagerly-awaited merchandising event, the annual "Newton Centre Days" will be held three-days next week, Thursday through Saturday, October 31 and November 1 and 2, under the direction of Jason Sacks, president of the Newton Centre Merchants Association.

Newton Centre merchants have prepared diligently for the three-day Blue Ribbon bargain event and will display a wide and comprehensive variety of merchandise, the most modern lines at unusually low prices.

Newton Centre has attracted shoppers from every section of the city for many years as well as from neighboring communities.

The special bargains obtainable on the annual "Days" are well known throughout the area because participating stores have established the policy of offering special merchandise of a quality and price not to be found elsewhere.

This policy of stocking quality items at competitive prices has paid off in increased business.

Also, during the past year and a half, many of the stores have remodeled and enlarged and have added depth and diversification to their stock.

Several new stores have opened recently to make Newton Centre an even more attractive place to shop. This business growth is reflected in the increased facilities provided by the four banks located in the Centre.

Three of the banks have established new and modern quarters in attractive buildings and another has been completely remodeled to offer increased services to the community.

President Sacks pointed out today that Newton Centre has a decided advantage over

GUARD, the name the B.L.U.A. chose for its sponsorship of **MEDIC-ALERT**.

MEDIC-ALERT Foundation is a non-profit, charitable organization, headquartered in Turlock, California, dedicated to providing 24-hour protection to those with hidden medical problems. Its purpose is to prevent tragic, even fatal mistakes in the course of administering aid to those persons with allergies and afflictions through the **MEDIC-ALERT EMBLEMS**.

MEDIC-ALERT services provide emblems of stainless steel or silver, with medical insignia on one side and engraved medical warning on reverse side. Each emblem is serialized for added protection.

The Foundation maintains a central file in Turlock with all previous medical information sent by the wearer. This information cross-filed under name and serial number will be made available to physicians and other authorized personnel on a 24-hour collect telephone call basis in emergencies.

Distinguished Newton residents are serving on the Medical and Hospital Advisory Board of **PROJECT LIFE-GUARD**. William Brines, director of the Newton-Wellesley Hospital, is an active participant as he has taken steps to insure the recognition and understanding of the **MEDIC-ALERT** emblems by hospital personnel.

Police Chief Phillip Purcell, second vice president of the International Police Chiefs Association, is making plans with other law enforcement leaders here regarding this public educational campaign and reports that the I.C.P.A. passed a vote officially endorsing the **MEDIC-ALERT** System.

Justin Horan reports active participation and planning by the Newton Chamber of Commerce, and plans are under consideration by Dr. Brown, Newton Superintendent of Schools, and Dr. Greenleaf, Director of Health.

Leaders from all Newton groups and activities are holding meetings to consider how Newton shall be the outstanding suburban city in bringing the knowledge of this service to its citizens. The original interest generated in Boston is leaping across the country and Newton barely has time to perfect its plans before interest is shown in copying its procedures.

The tremendous response to this program by the various Newton organizations is certainly heartwarming. Serving on the Steering Committee are the following individuals and their associations: Hilda Hope, executive director, Newton Tuberculosis & Health Association; Dr. Henry Greenleaf, Newton Director of Public Health; Mrs. John L. Evers, director, Newton Visiting Nurses Association; Monte G. Basbas, City Clerk; Mrs. M. K. Rubinstein, Newton League of Women Voters; Jason Sacks, president, Newton Centre Businessmen's Association; Justin Horan, executive director, Newton Chamber of Commerce; Sumner Rodman, Greater Boston **MEDIC-ALERT** co-chairman; Lt. Joseph Fitz-Simmons, Newton Fire Department; Richard Thompson, president, Newton Rotary Club; Henry Shor, president, Newton Council of PTA's; Frederick A. Perkins, Newton Fire Chief; C. Robinson Fish III, Greater Boston **MEDIC-ALERT** co-chairman; Stanley Russell, secretary, Newton School Committee; Philip Purcell, Newton Police Chief; Thomas Lepore, wearer of **MEDIC-ALERT**; Albert W. Tocci, president, Newton Bankers Association; Harold Boyajian, vice-president, Newton Lions; John Madden, president, Newton Kiwanis; Charles Rudnick, president, Newton Pharmacists Association; and Dr. Thurston G. Powell, president, Newton Medical Club.

Reassurance for wearers of contact lenses is now at hand with **MEDIC-ALERT** since in the case of unconsciousness they might be overlooked and the eyesight permanently damaged or even lost. People with epilepsy, glaucoma, hemophilia, and diabetes will have **MEDIC-ALERT** speak for them if they can't. The emblem will advise medical personnel of those taking anti-coagulants or cortisone, and those allergic to common drugs, bee stings, and such pain-killing drugs as morphine, will have protection, now being recognized universally.

At the present time applications may be obtained at fire stations, the police station, the Newton-Wellesley Hospital, all Newton banks, and the City Hall as well as most drug stores.

Groups interested in obtaining speakers for meetings or any additional information may call Chairman Monte G. Basbas at City Hall, or Justin Horan, at the Newton Chamber of Commerce.

Headlights and Highlights From Newton South High

By LINDA DANNENBERG

Newton South High School is being evaluated this week by members of the New England Association of Colleges and Secondary Schools. Students, teachers, and other members of the school staff are participating. All departments, classes, facilities, and staff members are being rated. The results of this survey will determine the school's national standing.

The French Club recently held its election. The new officers are Laurie Altman, President; Margie Saltzberg, Vice-President; Sandy Shaw, Secretary; and Marjorie Bergman, Treasurer.

Four members of the International Relations Club recently participated in a panel discussion on the problems in Viet Nam. The participants were David Kaufman, Jimmy Murdock, Ricki Radio, and Franklin Swartz. The panel discussion, one of a series sponsored by the World Affairs Council, was heard over WCRB Radio.

Wheeler House Council is working on the house activities for the year. This year's officers are: Linda Dannenberg, President; Peter Lewenberg, Vice-President; Barbara Wallace, Secretary; and Mark Young, Treasurer. The representatives to the Council are Hebert Aarons, John Abrahamson, Joan Annis, Bob Caplin, Maurice Carlin, Stanley Cole, Susan Cottler, Judy Chandler, Charles Evans, Faith Ferre, Richard Gold, Nancy Goldberg and Diane Gordon.

Also, Susan Hills, Barbara Horwitz, Eric Kramer, Rina Levi, Carol Litvin, Barbara Miller, Roz Mogul, Richard Ochs, Jon Parkhurst, Karen Phillips, Ricky Phillips, Jody Rosenberg, Paul Rosenberg, Richard Sage, Margie Saltzberg, Linda Sherman, Audrey Solomon, Ronald Williams, and Peter Brecher.

The Drama Guild's production "Sorry, Wrong Number" is now in rehearsal for its presentation early in November.

The Debating Society met recently for the first time this school year. The officers are Mark Wolf, President; Bruce Karlin, Vice-President; Richard Gelles, Secretary; and Richard Greene, Treasurer.

The administration at Newton South has experimentally halted the use of bells to mark the start and close of a class. If the experiment is successful, the "no bell" system will become permanent.

The Parent-Teacher-Student Association held a parents' back to school night, during which all parents who attended had a chance to visit their children's classes. Cutler House and Goodwin House served coffee and doughnuts. The members of the National Honor Society acted as guides.

This year's Cutler House Council has been in operation since the first day of school, when they held a sophomore dance. The officers are Mark Rosenthal, President; Enid Shulman, Vice-President; Jane Cohen,

THEODORE G. GREEN

Green Brings Statistics To Board Campaign

Theodore G. Green, who is standing for election as the School Committee member from Ward 6, today cited statistics concerning the School Board to explain why he is seeking a place on the body and to support his request for support in the Nov. 4 election.

He disclosed that an average of only 10 persons attended the School Committee.

"Newton's School Committee incumbents have been opposed at the polls only 30 per cent of the time since 1945. An average of over 25 percent of the School Committee meetings have been held in secret session (1963), which cannot be attended by the public, nor be reported on in the press. Therefore, it is important that qualified, active, interested citizen be part of the School Committee, and that the public follow its actions carefully," Green declared.

"The School budget constitutes about 30 per cent of the entire City budget, and almost 80 per cent of the School budget is made up of salaries. Thus, our teacher turnover problem takes on a new light, for if we are not competitive, we cannot attract the most qualified teachers," he said.

"The Superintendent of Schools has the responsibility of making recommendations, which the School Committee can, or cannot accept by a vote. The School Committee cannot initiate such action unless a recommendation is first made by the Superintendent of Schools. The importance of the Superintendent of Schools cannot be emphasized enough, and the Superintendent must be backed to the fullest on educational or professional matters," Green added.

"About 4 of our graduating seniors attend college or go on to advanced schooling after High School. The other 25 per cent go right to work, get married, or live with their parents. There are some 20 guidance advisors in the Senior High Schools in Newton, about one advisor per 200 pupils."

"This is not enough to help the college bound student and also assist the non-college bound student get established. The 'C' student may be admitted to his second or third choice college, but the youngster just graduating from High School who is going right to work, must be placed in the correct spot, the first time around. He cannot be allowed the luxury of a second or third choice in finding his life's work. The average student needs more attention in our school system."

"Keeping the above facts in mind, I urge you to give one of your eight School Com-

Newton Scouts, Leaders, In Big Pow Wow Saturday

More than 200 Cub Scouts leaders, parents and friends will gather at Weston High School on Saturday, October 26, for a Pow Wow presented by the outstanding Cub leaders of Norumbega (Newton, Weston, Wellesley) and Algonquin (Framingham, Wayland, Natick) Councils. This will be an afternoon of on the spot instruction and participation in craft projects, games, skits, ceremonies or pack administration for leadership in local packs.

Committee votes to Theodore G. Green. An active, interested parent, must be elected to the School Committee in order to carry out the wishes of the people," Green concluded.

General chairman Jack "Uncle Bing" Crosby of Newton announces the following staff: Crafts, Mrs. Marilyn Ostrow, chairman; Mrs. Irene Gordon, Mrs. Ruth Larson, Mrs. John McDonald, all of Newton; Mrs. Ethel Brown of Wayland, and Mrs. Helen White of Framingham; skits, Mrs. Eleanor Eaton of Newton; ceremonies, Dr. John Simons, Jr., chairman, of Weston; Louis DeSouza and Dan Hookkalo of Newton; games, John Rooney, chairman; Emil Wenning and Richard Sunstien, all of Newton; pack administration, Carlton Still of Framingham; publicity, Mrs. Betty Ross of Newton; registration, Thomas Doyle of Wellesley; leadership training recognition, George Collins of Newton.

Thurs., Oct. 24, 1963, The Newton Graphic Page 3

Coffee will be served during the changing of sessions; and scoreboards will be awarded or signed for credit toward Cubmaster and Den Mother awards.

Registration will start at 12:30; instruction sessions will start promptly at 1:30. Prior to these specialized groups, on exhibit will be the work of actual Cub Scouts from all Packs in the two Councils. There will be an opportunity to get acquainted with both new and experienced leaders and exchange ideas.

The program is set up so that each participant can attend two different areas of instruction. Plan to register early as the size of the groups will be limited.

Each den representative will receive a large storage tube filled with craft material.

Mayor Pay Referendum

Newton citizens should give some serious thought to the referendum on the Mayor's salary which will appear on the ballot in the Nov. 5 municipal election.

The issue which will be decided by the voters is whether the Mayor's pay should be raised from \$15,000 to \$20,000 a year effective next Jan. 1.

On any careful consideration of the factors involved it would seem to be in the best interest of Newton and its people to approve the referendum and set the mayoralty salary at \$20,000.

The responsibilities and duties of the office of Mayor of Newton are such that the man who fills it should be paid at least \$20,000 a year. A comparable position in private industry would carry a substantially higher salary. A Newton Mayor who is not worth more than \$20,000 should not have been elected in the first place.

Apart from those considerations is the sombre fact that if the pay of the Mayor remains at \$15,000, the people of Newton are almost certain to discover in the future that men of the calibre they would like to have at the head of their municipal government simply will not assume the political sacrifice involved.

We are inclined at times to be somewhat miserly in our concepts of the salaries which should be paid to our public officials. But it would be unwise economy, indeed, if the pay of the Mayor of Newton were kept at a figure which discouraged outstanding men from seeking the office.

Newton is one of the best run cities in the United States. Its people have exercised good judgment in picking their Mayors, and they have been fortunate in having good men from whom to choose. The latter situation, however, may not always exist unless the salary of the Mayor is commensurate with what the citizens expect from the man who fills the office.

For these reasons it is respectfully suggested to the voters of Newton that the future interests of the city and themselves would be served by approving the pay raise referendum in the coming election.

Board Of Health Requests Voters Keep Fluoridation

In simultaneous appeals to voters and school physicians, the Newton Board of Health today urged that fluoridation of our public water supply, begun in September, be retained by means of a "No" vote on the referendum Nov. 5.

"It would be a real tragedy," the board's statement declared, "should Newton vote to discontinue fluoridation just after the equipment for fluoridation has been installed."

The board's statement was signed by Dr. Charles A. Thompson, Jr., chairman; John B. Atkinson and Dr. Robert H. Hamlin, and attested by Dr. Henry M. Greenleaf, Newton's director of Public Health.

In a separate statement, Dr. Hamlin, a new member of the Board of Health who is also professor in the Harvard School of Public Health, appealed to voters "as a lawyer as well as a physician." He stated that "numerous court decisions have consistently held that fluoridation is constitutional and is not an infringement of our rights. Its value in the improvement of dental health, particularly for our children, is beyond question." "True facts about fluoridation," he urged them to vote not to ment to Newton citizens and discontinue this great school physicians follows:

Peace Center Opens Sunday

The opening tea of the Inter-Faith Community Peace Center will be held on Sunday afternoon, October 27 from 4 to 6 o'clock, in the Eliot Congregational Church in Newton.

The Center is affiliated with the Turn Toward Peace organization whose goal is a disarmed world under law, in which free societies can grow and flourish.

Its purpose is to provide a place in this community where the alternatives to war can be presented, specific steps to achieve disarmament, economic planning for peace, reduction of international tensions, growth toward world law, and development of non-violent forces to support it.

Mayor Donald L. Gibbs will cut the ribbon formally opening the new office at 5 o'clock. He will be assisted

by Dr. Earl Stevenson, president of the Boston Chamber of Commerce and national consultant of the Turn Toward Peace Movement.

Other distinguished guest speakers will be Herbert M. Weiss, chairman of the Newton Community Council, Frederick Sayford Bacon and Monseigneur Walter Furlong, also a Council member.

Leonard M. Salter, who is in charge of Mass Media is a member of the executive committee. The new office secretary is Mrs. Marjorie L. Rhodes. The Rev. Harold R. Fray, Jr., pastor of Eliot Church, community co-ordinator will be master of ceremonies for the occasion.

Mrs. Francis J. Flagg is chairman of tea arrangements, Mrs. Leonard Salter is in charge of hospitality, Mrs. Joe W. Gerry with the help of Mrs. Grosvenor

Calkins and Mrs. William G. Preston will be responsible for the decorating. Mrs. Donald Gibbs is handling publicity.

Among those who are planning to be present at the tea which is open to all interested citizens are: Mr. and Mrs. Richard Lee, Mr. and Mrs. William Wasson, Mrs. Philip Horne, Miss Avis Walsh, Mrs. Clarendon Southmayd, Miss Alice Corson, Mrs. Edmund C. Berkeley, (Voice of Women), Mrs. Erich Lindeman, Mass. State Pres. Women's League for Peace and Freedom, Mrs. Marcel Chartrand, Mr. Edward L. Letters to Editor

Powdered Milk Problem
The Newton Graphic
To the Editor:

We have been informed by our pediatrician that he thinks it is unwise of us to continue feeding our six children powdered milk in view of the large consumption of fluoridated water involved.

We use this milk, in the amount of two gallons daily, because we find the expense of whole milk burdensome and because we have been previously assured by our doctor that it is a healthful substitute.

Our two-year-olds consume one quart of water daily mixed with this milk, plus between two and four additional glasses mixed with soups, cereals, frozen orange juice, etc., and also drunk straight.

Our eleven-year-old son consumes up to three quarts daily, as his milk use is considerably greater — depending on the weather.

As we buy the powdered milk in 100 lb. sacks at an approximate two cents per quart, buying the necessary two gallons of whole milk daily will cost us more than an additional ten dollars weekly.

It is of further concern to us that while our infants are being breast-fed, the feminine half of this partnership consumes approximately three quarts of water, as powdered milk is again used and this is the amount of fluid suggested for successful lactation.

We wonder if this dosage of fluoride, which is triple the average amount the Public Health Service has figured on and six times the amount recommended in drop dosage for children under three years of age will be absorbed by our babies or by their mother.

We wonder how many other lactating women throughout the city drink powdered skim milk to control their weight and to save money.

We wonder if the Public Health Service, in basing the recommended dosage on an average of four glasses daily — which they say will cause no "noticeable" mottling of teeth — is fully aware of this changing factor in water consumption, i.e., the increasing use of powdered skim milk for reasons of both health and finances.

These questions are prompted by proponent literature which we read this past summer in our dentist's office which stated that the Public Health Service may decide to remove fluoride from the water in communities where it occurs in more than 1 1/2 parts per million (or the equivalent Newton dosage in six glasses of water daily).

Mr. and Mrs. John T. O'Brien, 66 Prescott street, Newtonville.

whether we are willing to stand idly by and see a freedom here and a freedom there gradually being taken away, eventually making mere puppets of a freedom-loving people.

In the November 5th elections, the residents of the City of Newton will have the opportunity through a referendum on each ballot to reverse the present compulsory fluoridation program by casting an informed vote to discontinue this dangerous precedent of using the public water supply as a medium for mass treatment of its citizens.

Let those who desire fluoridation use the many alternative avenues available without infringing on their neighbor's God-given right to freedom of choice.

Very truly yours,
(Mrs.)
Elizabeth F. Tewksbury.

Pre-Election Query

The Newton Graphic
To the Editor:

Now that the good, grey ladies of the League of Women Voters have gone through their perennial charade of asking non-controversial questions of the candidates and getting meaningless answers, I wonder if I may ask a few questions of my own which I think should be answered by some local political group before Election Day.

What do we have to do in Newton before we can have opposing candidates for every elective office?

How do we get a Board of Aldermen which will be present at all regular meetings so that we can have a new city incinerator, located according to the recommendations of professional engineers? Where do we get Aldermen who will solve the problem of undrained and uncured dogs, which are running wild, molesting small children, and spreading their filth on sidewalks and lawns?

When does the Newton Traffic Commission start to function so that our insurance rates will go down like they have in almost every other city in the state?

Where do we get a School Committee which will operate on the premise that we want good schools and teachers, but within the ability of the citizens to pay for them without a confiscatory tax rate?

Finally, when will the city officials realize that we no longer live in a bucolic village and bury the tired cliché, "Garden City?"

Yours very truly,
SAMUEL A. BALKAN.

Thanks For Service
Editor, Newton Graphic
Dear Sir:

The League of Women Voters of Newton wants to thank you for joining us in a service to the voters of Newton. We are very appreciative of your cooperation in presenting the Election Guide in the October 10 issue of the Newton Graphic.

We consider ourselves fortunate to have a newspaper like the Newton Graphic serving our community.

Sincerely,
Eloise K. Houghton,
(Mrs. Proctor W.)

JOHN M. QUINLAN

Quinlan To Be Speaker At College

John M. Quinlan, executive director of the Council for Constitutional Reform, will speak at the Newton Junior College Convocation to be held at 10:30 a.m. Tuesday, October 22, at the Newton High School Auditorium.

A graduate of Harvard University, Mr. Quinlan has been active in Republican organizations for some time. In 1960 he was executive director of the Citizens for Saltonstall Committee, and served as special assistant to Senator Saltonstall in Washington for three years.

In representing the Council for Constitutional Reform, a non-partisan organization, Mr. Quinlan will speak on "Our Massachusetts Constitution: Problems and Challenges." The public is cordially invited to attend.

Basbas Will Be Young GOP Guest

Monte G. Basbas, city clerk, will discuss the local city government structure for the Young Republican Club meeting tonight (Thursday) in Newton Community Center, 426 Cherry street, West Newton.

There will be a pot luck supper, with all proceeds earmarked for the Massachusetts Republican Finance Committee.

Political Highlights

(Continued from Page 1)

In the process he fractured a long standing rule that Republican State Committee Chairmen are supposed to be strictly neutral on contests within their own party. But neutrality is a condition which is completely foreign to the outspoken, hard-hitting Dumaine.

He came within an eyelash of endorsing GOP Senate Leader Philip A. Graham for the Republican nomination for Governor even though several other candidates are expected to contest with Graham at next June's Republican State Convention.

"The man who deserves it most on the strength of his 17 years of work is Phil Graham," said Dumaine in reference to the GOP nomination for Governor.

Dumaine evidently felt he had done his bit for Rockefeller by declaring that the New York Governor could defeat President Kennedy in the latter's home State. That's a claim, incidentally, which even Rocky himself would be unlikely to make.

But then Dumaine dusted Rockefeller off in short order by declaring that according to his information Goldwater would defeat Rockefeller 3-1 if the two were to meet in the New Hampshire Presidential primary.

In fairness, it should be explained that Dumaine made the statement when he was asked to forecast the outcome of the Granite State primary. It also might be added that he didn't dodge or sidestep any of the questions fired at him.

But it was when Dumaine was talking about Attorney

General Edward W. Brooke that he really applied the shocker to his GOP listeners.

Asked whether he thought Brooke might run for the Governorship next year, Dumaine said he regarded Brooke as a "potential candidate."

If he had stopped there, he would have been all right, especially since Brooke has no present intention of striking out for the Governorship.

However, Dumaine offered the additional observation that Brooke is going to need "all the help we can give him just to get reelected as Attorney General."

That caused a lifting of eyebrows since Brooke would be in dire straits, indeed, if he had to rely on Dumaine to pull him through.

Then Dumaine really threw the harpoon at Brooke. He expressed the belief that former

Attorney General Francis E. Kelly, whom Brooke defeated in last year's election, was a soft touch and that many of the votes Brooke received might have been cast against Kelly rather than for Brooke.

That opinion is frequently expressed in political circles although there's actually no way of proving it is correct.

Whether it is right or wrong, the fact is that Brooke has been an excellent Attorney General, is commanding increasing respect and probably will be a tough customer for anyone to defeat next year.

Some political observers and most Brooke supporters believe that Dumaine went out of his way to give Brooke a back-hand slap.

Others think that Dumaine was just being blunt and tactless and saying what he really thought, regardless of how un diplomatic it might sound coming from the GOP State chairman.

Dumaine and Brooke, of course, are anything but friends. Dumaine was elected to the GOP State Chairmanship over Brooke's advice and against his counsel. Brooke also has tossed a few barbs of his own at Dumaine.

Brooke was much more philosophical about Dumaine's ill-chosen comments than were his supporters who are out for the scalp of the former railroad tycoon.

The Editor,

Dear Sir:

Anent the subject of compulsory fluoridation of drinking water: Since the average individual drinks only one or two glasses of water daily, that which is truly receiving fluoride dosage are our dishes, clothes, automobiles, shrubbery, and lawns!

escaped near the end of the war and he and his wife lived in the forest with the Polish partisans. He was caught and Mme. Fridman saw her husband killed. Herve was born six days later. Early in the war another Fridman baby was killed in the Mother's arms.

After the war, Mme. Fridman came to Paris to live with her mother and young son. She has supported the family on her small salary from working in a fur shop. Herve has distinguished himself in a school as a brilliant student. He is now in his second year of a seven-year medical course at the University of Paris.

Four years after Dr. and Mrs. Mead decided to sponsor Herve, Mrs. Mead and her son Jere visited Herve and his mother in Paris. In a letter to the Federation, Mrs. Mead wrote: "The warmth of their welcome and the generosity of their hospitality amid the simplest circumstances still bring a lump to my throat. Following this brief visit, we conceived the idea of inviting Herve to spend a summer with us, and this year our idea materialized."

Writes Mrs. Mead of the visit: "It is a testimonial to the power of love that such a meeting of hearts can take place despite differences in language, cultural background and religious faith."

"Herve spent seven weeks in the United States, most of it at our summer home on Mount Desert Island, Maine. The contrast between Paris and our small coastal community is inconceivable, but Herve took it in his stride..."

He made us aware of interests, customs, modes of life beyond our habitual ways. He had something special for each one of us: he could intelligently discuss philosophy, politics and the pre-medical sciences with Dr. Mead.

"He taught our oldest boy to play a really good game of bridge; he motivated our 9th-grade, to take up French and gave him a good start; he cheerfully learned to row a boat with our 11-year-old; he had the patience to play ping-pong and elementary bridge with our 9-year-old daughter; he accepted the 'exalted' position of American women with grace and humor and did not complain about doing his share of dishes and bed-making."

The Mead family all miss their French friend and hope he may return in a few years, possibly to supplement his medical course with a year of study in the States.

Founded in 1932, Save the Children Federation is a non-sectarian organization which is registered with the U.S. State Department Advisory Committee on Voluntary Foreign Aid. Children are aided by the Federation through sponsorships, family, school and community self-help projects, a self-help scholarship program and an annual collection of used clothing.

The Federation helps American Indian children, children in the Southern Appalachian Mountains and in 17 countries overseas. Federation headquarters is in Norwalk, Connecticut.

JEROLD WISE

Jerold Wise In Ward 8 Alderman Bid

Jerold Wise of 39 Nickerson rd., Chestnut Hill, is making a strong bid for election as Ward Alderman from Ward 8.

At meetings this week he promised that if he is elected an Alderman he will work for the correction of assessing practices which he regards as unfair to property-owners in the Ward 8 section of the city.

A graduate of Newton High School, Bucknell University and the Lowell Technological Institute, Wise is in the cotton textile business. He is married and the father of two small children.

He has a catchy campaign slogan which urges the voters of Ward 8 to make "the Wise choice" in picking their Ward Alderman.

Wise maintains, in effect, that the Ward 8 area is not receiving equitable treatment from the municipal government, and he promises that he would work energetically to see that it does.

For example, he asserts that Ward 8 is the most heavily taxed section of Newton but that it does not receive some of the services furnished for other districts of the city.

He argues that because the homes in Ward 8 generally are newer than in other parts of Newton a heavier tax burden is imposed upon them and that inequities exist.

Wise said that if he is elected to the Board of Aldermen he will launch a movement for an equitable assessment on a city-wide basis.

Public transportation is another subject which Wise touches in his discussions.

He says that more adequate public transportation should be furnished for the Ward 8 area and that this is another of the things he would seek as Alderman.

Wise believes that better library facilities should be

"Hobby House Fair" In West Newton Next Week

October 30th is the date to mark on the calendar for early Christmas shoppers and hobby enthusiasts. This is the day of the Hobby House Fair when seven West Newton houses will be open for the purpose of selling attractive items and exhibiting hobbies.

This event is for the benefit of the Women's Council of the Second Church in Newton. From 10 a.m. to 5 p.m. and from 7 p.m. to 9 p.m. one may find decorations to dress up the home for the holidays, "gift" items for young and old on the shopping list, plants, baked goods, a silent auction, display of beautiful hand hooked rugs, and an exhibit on bird life with articles for sale from the Audubon Society.

Tickets may be purchased at the church office or at each of the fellowship open houses: Mrs. Loomis Patrick, 33 Crestwood road; Mrs. Robert Linton, 85 Berkeley street; Mrs. William King, 24 Estabrook road; Mrs. Thomas Gephart, 96 Berkeley street; Mrs. Clifford James, 65 Sylvan avenue; Mrs. Richard Hayes, 26 Fairfax street; Mrs. Harold Amidon, 343 Otis street.

Morning coffee, luncheon, and afternoon tea will be served at Mrs. Linton's home. There will also be a buffet supper at the Second Church.

Rotary

(Continued from Page 1)

Governor Rosenberg will confer with Richard D. Thompson, president of the Newton Club, and other officers, on administrative matters and service activities.

Dr. Rosenberg is an optometrist and a past president of the Groton Rotary Club. He was elected a district governor at Rotary's 54th annual convention in St. Louis last June.

Dr. Rosenberg is a graduate of Penn State College of Optometry and a Fellow of the American Academy of Optometry. In addition to being a past president of the Groton Rotary Club, he is a former trustee of District 791.

provided in the city's grammar schools and that there is no reason why the city should not staff them instead of asking parents to volunteer their services.

He promises to be an energetic, aggressive, hard-working Alderman for the people of Ward 8 if they elect him a week from next Tuesday.

Teams

(Continued from Page 1)

Arlington High aggregation at Dickinson Stadium, with the kickoff scheduled for 1:30 p.m.

Newton South's game with Wellesley High at Wellesley is rated a tossup, with South probably deserving a slight edge on the basis of the season's records of the two teams.

Coach Jim Ronayne's Newton High charges really got their offense rolling and bracketed it with a powerful defense as they broke into the win column at Watertown's Victory Field last Saturday.

If they are now clicking the way they were expected to before the season started, they may upset Arlington on Saturday. But Arlington will be a far more powerful adversary than was Watertown.

Newton High had heroes galore in its triumph over winless Watertown.

They included quarterback Ken O'Connell, Jimmy Hoover, who was celebrating his 18th birthday, Steve Carroll, Roger Watson, Fred Magarian, Dave Bliss, Ron Arra, Pete Shattuck, Dick Evans and Frank Grant.

After three consecutive defeats, the Tigers were not to be denied. They got their attack moving at the start of the clash with Watertown, taking the opening kickoff and marching 71 yards for a touchdown.

Thurs., Oct. 24, 1963, The Newton Graphic

Page 5

O'Connell scored two touchdowns, Hoover one on a spectacular 88-yard punt return and Carroll another on a 10-yard run.

Conversions after the touchdowns were made by O'Connell and Magarian on rushes and Watson on the receiving end of a pass.

Coach Ronayne was understandably pleased with the showing of his team which blocked and tackled well and showed the results of the drilling it has received on the fundamentals.

The three teams which have defeated Newton — Everett, Brockton and Weymouth — are all unbeaten. So, perhaps the Tigers will be able to stay on the victory trail now that they have found it.

Newton South won its third successive game as it conquered Leominster 22-6 in a hard-fought struggle at Dickinson Stadium last Saturday. The game was actually tighter and more tense than the score would indicate.

Except for a near-miss in the opening game with Fitchburg, the Newton South Lions would be among the State's undefeated high school football teams. In that heartbreaker the Lions had a first down inches from the Fitchburg goal line when time ran out. But football is a game of inches.

A Leominster fumble and a Newton pass interception set the stage for two of South's touchdowns.

Mike Cohen got the Lions in business when he recovered a Leominster fumble at the visitors' 39-yard line on the opening kickoff.

The Lions promptly marched for a touchdown, with Dick Brodney plunging across from the one-yard line for the score.

A long pass from quarterback Ted Clarke to speedy Mark Young accounted for the second Newton South touchdown, the play covering 59 yards.

After a pass interception by Joe Fiore, Newton swept 40 yards in six plays for its third tally, with Clarke going across from the one-yard line on a quarterback sneak.

Saturday's game at Wellesley will be a big one for Coach George Winkler's Newton South aggregation.

\$1,000.00 OFFER

FOR FACTUAL PROOF OF THE FOLLOWING POINTS RELATING TO FLUORIDATION:

1. Factual proof by valid research that fluoridated water at 1 part per million is not harmful to the human body.
2. Factual proof that it reduces tooth decay by at least 10%.
3. Factual proof that it does not pollute the water.
4. Factual proof that it is not corrosive to metal such as water pipes, plumbing fixtures, etc., as used in the home, factory equipment, and/or equipment used in or in connection with municipal pumping stations.

My Reasons For Making This Offer.

North Andover began fluoridating its water supply in 1953. After five years of bitter experience the people voted to discontinue the experiment in 1958.

The damage done to my company, The Meadowbrook Soft Water Laundry, was typical of the reasons why North Andover stopped adding this corrosive poison to the public water supply.

Brown stains on customer's laundry was found to be caused by an accumulation of soft rust which the fluoridated water had loosened and set free. I had to spend thousands of dollars for engineering fees and repairs, and the loss of customers almost bankrupted me.

Because I am anxious to help other communities avoid the mistake of fluoridating the water supply, I have offered \$1,000.00 cash to anyone who can prove the above four points.

Factual written proof must be submitted to me at the address shown below.

Such written proof of the above conditions will then be submitted to a panel of qualified scientists and medical-dental authorities for critical evaluation. Cross examination of the panel will be tape-recorded and made public.

Lecturers have devised ways of getting the attention of an audience. Some take pratfalls when they step to the rostrum. Others have gone so far as to elicit sympathy by falling and breaking their legs.

They say Abe Lincoln resorted to lighting up a cheroot at Gettysburg; his audience was instantly gripped in a hushed silence. Would he set his chin-whiskers on fire, they wondered!

And so it is that people of all times have had their ways of attracting attention. Hathaway Shirt people perhaps gain sympathy in their advertising by having their shirts modeled by a chap with a black eye-patch.

Actually, Hathaway Shirts don't need any trick to muster men's attention or sympathy. They are the quality and style leader in men's shirts, and are greeted with mouth-agape wonder and respect.

Take Hathaway's button-down oxfords of the finest cotton, and stripes with regular collars, in pima cloth. If these aren't features enough for Hathaway Shirts, at only \$6.95 and \$8.95, then what about their man-sized buttons, for goodness sake?

Or take Hathaway's Viyella Cloth sport shirts, in solid colors at \$14.95, and at \$18.95 in tartan plaids. These are completely machine-washable.

And, if it's the ultimate in quality you're looking for in men's shirts, there's Hathaway all-silk numbers at \$22.50 and \$25. George Raft in that long-ago gangster movie wore his silk shirts once and then threw them away. Throw away Hathaway shirts? He'd wind up in the Laughing Academy if he dared!

Lone Woman In Auburndale Club Mystery Drama

Mrs. Nancy Cabot, of Auburndale, has the distinction of being the only woman in a cast of eight in the Auburndale Club presentation of "Not in the Book," by Arthur Watkyn.

The comedy-mystery, directed by Chuck Ganss, opens the drama season for the Auburndale Club on Oct. 31, Friday and Saturday night performances will also take place.

"Being the only woman in a cast of eight doesn't seem a bit odd to me," says Nancy. "In 'Mr. Roberts' I was also the only woman, and that one had a cast of twenty-two!" Between the 1959 production of "Mr. Roberts" and the current "Not in the Book," Nancy was also seen in "The Happiest Millionaire," at the Auburndale Club.

Also featured in "Not in the Book" are Jack Breen, Milt Copp, Jim Leder, Fred Gibbons, John Head, Joe Lane and Fred Ewers.

Curtain time for all three nights will be 8:30 p.m. Reservations may be obtained by calling DE 2-6553.

Busy Newton Housewife In School Board Fight

"Before I started, I was appalled at the idea of going around asking people to vote for me. Now that I am deep in the middle of the campaign, I'm enjoying it! It gives me an opportunity to realize how many people are deeply interested in the welfare of our schools and are eager to meet and talk with their School Committee members."

This is the way Norma Mintz, running for Newton School Committee from Ward 2, sums up her overall impression of this fall's activity. Being active participants in many civic groups over a period of years, she and her husband, Richard G. Mintz, a Boston lawyer, are taking the demands of this campaign in their stride.

"I've stopped being bothered," Mrs. Mintz admits, "that the leaves aren't being raked around our house and the children's summer clothes haven't yet been put away."

"To Mrs. Mintz the most exciting part of this election campaign is the meetings she attends at various homes all over Newton practically every morning as well as many evenings. Usually, there is an opportunity for Mrs. Mintz to meet many of the neighborhood residents socially for a few minutes before she discusses with them both the present status and her hopes for the future of the Newton schools.

She has been much encouraged by the high degree of interest in the community with respect to the many aspects of public education, ranging from program development and teacher recruitment and retention to the financing of Newton's school system. A spirited question period generally follows, at which she has the chance to call on her widely varied experience and background in the City of Newton.

Her areas of interest in the past 10 years have included being a member of the Newton White House Conference on Education; vice president of the Newton Council of P.T.A.'s; chairman of the P.T.A. Council's Conference on the "Revolution in Education"; and a member of the board of directors of the Newton Junior College, as well as being a present member of the Newton School Committee. Her school interests have been balanced by many non-school directorships in the past, including the Newton Taxpayers' Association, Newton Civic Association, and League of Women Voters.

"Mrs. Mintz was appointed to the Newton School Committee over a year ago by a joint session of the Newton School Committee and the Newton Board of Aldermen, to replace Mrs. Genevieve Oncley, who moved to the mid-West. Thus she is in the somewhat unusual position of being a

NORMA MINTZ

member of a politically elected body while at the same time running actively for it for the first time.

"As School committeewoman, my visits to our schools while they are in session and my first-hand observation of their programs in action, has developed a greater appreciation and understanding of the strengths and dynamic flexibility of our system. The male members of our School Committee have said that such daytime visiting and observation by Mrs. Whitmore and me (as the only two women members of the committee) has been most helpful to the School Committee and the school administration.

"Serving on the Newton School Committee this past year has been a great privilege. If I am elected on Nov. 5, I will continue to try in every way to fulfill the duties and responsibilities of a School Committee member," Mrs. Mintz declared.

Alderman Carmen moved for reconsideration following the vote, but the president ruled that a motion to adjourn that had been made and seconded had priority, and that this motion carried.

However, after the meeting was adjourned, Alderman Robert L. Tennant filed with City Clerk Monte G. Basbas a written motion for reconsideration.

Reconsideration of the vote will be the first business to be acted on, so far as the motel matter is concerned, at the Aldermanic meeting Nov. 4. Should a majority (13 aldermen) vote in favor of reconsideration, the question of a \$4,000,000 motel complex on 10 acres of Norumbega Park will be reopened. One of several possible moves would be to return it to committee.

The 90-day period in which the matter can be considered without a third public hearing being called, expires on Monday, Nov. 11.

At the outset Monday night, Alderman Harry L. Walen moved that following the report on the motel matter by the chairman of the committee on Claims and Rules, Harry H. Ham, Jr., debate be limited to seven minutes for each speaker.

The motion carried by a vote of 11 to 10, with three absent.

Voting in favor of limiting debate were Aldermen Winslow C. Auryansen, Adelaide B. Ball, Melvin J. Dangel, William A. Diman, Franklin N. Flaschner, George L. Hicks, William E. Hopkins, Charles F. Hovey, John P. Nixon, Harry L. Walen and Wendell R. Bauckman.

Opposing limitation were Aldermen Joseph G. Bradley, William Carmen, Harry H. Ham Jr., Theodore D. Mann, John P. McCarthy, Jack Roberts, William P. Ripley, Robert L. Tennant, Allard M. Valente and Sarle D. Wood. Aldermen Ernest F. Dietz, William M. Glovsky and William H. Prentice were absent at that time.

In making his committee report, Alderman Ham traced the entire history of the Marriott petitions. He also brought out that the Kanavos-Perini interests, from whom the Marriott

NORMAN S. BERKOWITZ

Berkowitz In Vigorous Bid For Election

Norman S. Berkowitz of 140 Vine street, Chestnut Hill, who has been making a vigorous campaign for election as the School Committee member from Ward 8, today stressed the need for maintaining high educational standards in Newton's public schools.

Berkowitz was warmly commended this week by former Alderman Charles H. Morang for the interest he has demonstrated in the youth of the city. Other leaders asserted that Berkowitz has shown his capacity for public service.

"We must continue to maintain the high educational standards set by previous School Committees," Berkowitz declared. "At the same time we must be constantly alert to the ever changing population norms.

"With the tapering off of the population increase in the City of Newton, we can begin a refinement in our own

corporation would lease the 10 acres of park land, had submitted a written document of their agreement to three of the nine conditions the committee had specified.

Alderman Ham declared that the document was useless because the holders of three mortgages on the property were not bound by it. Agreeing with that opinion was Alderman Earle D. Wood, chairman of the Aldermanic committee on Finance.

All during the time in which Alderman Ham was either making his committee report, (which had been 7 to 1 in favor of the petitions, with his only negative vote) on replying to questions put by various members of the Board, President Bauckman was called on frequently to rule on points of order raised by Aldermen Flaschner, a member of the Claims and Rules committee, and Alderman Dangel.

They claimed that Ham was substituting his personal opinions for replies to questions and for the committee report, thus excepting himself from the seven-minute debate limitation.

During the seven minutes allotted him, Alderman Flaschner voiced support of the motel proposal and declared that the issue had been "muddled by emotionalism." He asserted that the property, worth more than \$1,000,000, were it not put to commercial use that would make it a valuable tax source, would be a prime target for charitable or religious organizations that would utilize it tax free if they assumed ownership of it.

On the other hand, according to Alderman Ham, the gain in money to the city if the property were commercialized, would not offset the total destruction of natural resources and scenery.

Alderman Carmen, in his seven minutes, expressed the opinion that "the best commercial use of the property would be recreation, with users of the facilities to be provided there paid for by those using the swimming pool, etc."

The 150 spectators present remained throughout the heated three-hour debate. Among them were the official representatives for the Committee for Newton-Norumbega, School Committeeman Manuel Beckwith, and the Newton Conservators, Benjamin Shattuck.

thoughts as to where our school expenditures should be directed," he stated.

"A broader viewpoint should now be contemplated in our future plans for the Newton Junior College and its place in the educational system. The growing acceptance by colleges of junior college students should prove our past and future plans for Newton Junior College are in line with generally accepted policies," Berkowitz continued.

"Our aims should include a

concentration on correct guidance for the pupil. The ratio of guidance instructor to student should be increased so that we may better place with proper forethought the college bound student in his projected field, but let us not forget that there are 18 percent of our students who have reached their educational maturity at the completion of high school or technical school.

"Our economic and social structure is based upon all walks of life and throughout our whole country a new and ever-increasing amount of stress is being placed upon the skilled trades. Now we pose a question:—How well qualified are our students who graduate from the technical high school to compete for positions in our business and technical world?" he concluded.

Herbert Shulman Seeking Ward 1 Aldermanic Post

Herbert L. Shulman of 41 Converse ave. is making an energetic campaign for election as Ward 1 Alderman from Ward 1.

Shulman has spoken at a number of meetings outlining his views on the operation of municipal government. He also is endeavoring to meet as many voters personally as possible.

He urged the voters in Ward 1 to examine the qualifications of the candidates seeking election as Ward Alderman and select the one best qualified to serve them.

"I have always felt that the average citizen should take a greater interest in public affairs so that he can become instrumental in obtaining better government," says Shulman.

"It has been my ardent desire for a long time to render some form of public service, and I feel I have the necessary background to meet the requirements of the voters," he adds.

Election

(Continued from Page 1)

Aldermanic and School Committee battles, but at the same time it is likely to increase the turnout of voters on Nov. 5.

Six contests are being waged for election as Ward Aldermen - at - Large and five for places on the School Committee.

The retirement of six members of the Board of Aldermen and one member of the School Committee has resulted in a rush of candidates seeking to fill their places.

A hot fight is nearing a climax for the post Representative - Alderman Joseph G. Bradley is vacating as Ward Alderman from Ward 1. Bradley is retiring from the Aldermanic Board to concentrate on his legislative duties.

The five contenders for Bradley's seat are Joseph M. McDonnell of 9 Princeton street, Andrew J. Magni of 140 Adams street, Herbert L. Shulman of 41 Converse avenue, George L. White Jr., of 36 Walnut park, and George Morrissey of 11 Crafts street.

In Ward 2 Donald C. Howard of 3 Churchill street, Newtonville, is challenging Alderman George L. Hicks of 5 Fairfield street, Newtonville.

Paul J. Burke of 53 Jerome avenue, West Newton, is opposing Alderman Robert Tennant of 183 Mt. Vernon street, West Newton, for the Ward Alderman post from Ward 3.

Contenders in Ward 4, where Ward Alderman Alard E. Valentine is retiring from office, are David W. Jackson of 362 Wolcott street and John L. Vaccaro of 150 Islington road, both of Auburndale.

In Ward 6, Kevin Lane of 17 Halcyon road, Newton Centre, is standing against Ward Alderman Ernest F. Dietz of 93 Hancock avenue, Newton Centre.

A lively fight is being waged in Ward 8 between Ward Alderman Jack M. Roberts of 210 Upland avenue, Newton Highlands, and Jerold Wise of 39 Nickerson road, Chestnut Hill.

One of the hottest School Committee battles is being fought between Jerome Grossman of 115 Dorset road, Waban, well known businessman, and civic leader, and Committeewoman Edwin Hawkrig of 92 Windsor road, Waban, for election as the School Board member from Ward 5.

Committeewoman Norma W. Mintz of 50 Beaumont avenue, Newtonville, is waging a strong campaign to retain her seat as the School Board member from Ward 2. Opposing her is Richard C. Huselbee of 148 Highland avenue, Newtonville.

Three candidates are battling for the place of Committeewoman Spencer P. Deming who is retiring from office as the School Board member from Ward 8. They are Norman S. Berkowitz of 140 Vine street, Chestnut Hill; Bertram Promboin of 4 Placid road, Newton Centre; and Dr. Way Dong Woo of 70 Burdean road, Newton Centre.

Committeewoman Francis P. Frazier of 127 Pearl street is being opposed by Donald A. Waite of 122 East Side parkway for the post as School Board member from Ward 1. School Committee Chairman Haskell C. Freedman of 118 Homer street, Newton Centre, is being challenged by Therdoee G. Green of 41 Daniel street, Newton Centre. Freedman presently is the School Board member from Ward 6.

In various statements the School Committee contenders emphasized that the voters may ballot for eight different School Board candidates—one from each ward of the city.

School Committeewoman Grace C. Whitmore in Ward 3, Committeewoman Manuel Beckwith in Ward 4, and Committeewoman Hugh G. Tomb in Ward 7 are unopposed for reelection.

Five contests for Posts as Alderman - at - Large will be decided by the city's voters when they go to their polling places a week from next Tuesday.

Three candidates are fighting it out for two spots as Alderman-at-Large from Ward 1. Alderman William A. Diman is not seeking a new term. In the three-way race are Alderman Adelaide B. Ball of 35 Waban street, John F. Holden of 27 Jackson terrace, and Kenneth L. Yukes of 234 Church street.

Another hard fight is being waged for the two posts as Alderman-at-Large from Ward 3.

Aldermen Melvin J. Dangel and John P. Nixon are stand-

ing for reelection. Running against them are John M. Loftus of 92 Cleveland street, West Newton; Paul F. Malloy of 719 Watertown street, Newtonville; and Richard H. Steinberg of 473 Crafts street, West Newton.

Loftus has stressed in his statements that the people may vote for two candidates for Alderman-at-Large from each ward and may make a total of 16 choices for Alderman-at-Large.

A lively contest is nearing a climax for the two places as Alderman-at-Large from Ward 4 where Alderman Earle D. Wood is retiring from office.

In that clash are Alderman Harry H. Ham, Jr., who is seeking re-election; former Ward Alderman Warren A. Sutherland who is striving to return to the Aldermanic Board; Dennis M. Cronin Jr., of 37 Oakland avenue and Richard P. Brennan of 6 Sharon avenue, both of Auburndale.

Five candidates are involved in a hot battle for two positions as Ward Alderman from Ward 6 where Alderman William P. Ripley is stepping out.

In that field are Alderman Charles F. Hovey who is seeking another term; William Lane Bruce of 934 Beacon street, Newton Centre; Herbert S. Cohen of 36 Chestnut Hill terrace, Chestnut Hill; William J. Johnston of 71 Oxford road, Newton Centre; and Peter F. Harrington, Jr., of 50 Crosby road, Chestnut Hill.

H. James Shea, Jr., of 61 Marlboro street and Melvin Morris of 47 Cotton street are challenging Aldermen William E. Hopkins and John P. McCarthy for the two seats as Alderman-at-Large from Ward 7.

Unopposed for reelection as Alderman-at-Large are:

Winslow C. Auryansen of 27 Jenison street and William M. Glovsky of 415 Highland street, both of Newtonville, in Ward 2. Franklin N. Flaschner of 564 Quinobequin road, Waban, and Harry L. Walen of 6 Floral street, Newton Highlands, in Ward 5. Aldermanic President Wendell R. Bauckman of 336 Dedham street, and Theodore D. Mann of 21 Littlefield street, both of Newton Centre, in Ward 8.

COMPULSORY FLUORIDATION OR VOLUNTARY TREATMENT?

COMPULSION UNNECESSARY

The outstanding success of the Sabin Vaccine in Newton demonstrates the readiness of our citizens to accept VOLUNTARY public health measures.

It is not necessary to force everyone to drink fluoridated water in order to make fluoride available to Newton children. Many local pediatricians were already prescribing fluoride tablets or drops for some of their young patients prior to fluoridation and prior to the warning issued by the Newton Health Department against the use of tablets with fluoridated water.

Such a program of personal medication did not subject the adult population to the long run cumulative effects of chronic fluoride poisoning. Persons with allergies, diabetes, nephritis, arthritis, heart disease and other conditions were thus spared exposure to this unnecessary danger.

VOLUNTARY PROGRAM PROPOSED

The Newton Citizens opposed to Compulsory Fluoridation proposes that free fluoride tablets or drops, be made available through our Health Department to all parents who wish to have them for their children. The use of tablets which would cost approximately 15c per child per year has been suggested. This is far than adding sodium fluoride to the entire water supply.

INDIVIDUAL TREATMENT BETTER

Under an individual fluoride program supervised by a child's own doctor or dentist, when mottling of the teeth and other symptoms of fluoride poisoning appear as they have in fluoridated communities (17% mottling in Newburgh, N.Y.), the dosage can be reduced or the tablets or drops discontinued to prevent further damage. This cannot be done in fluoridated Newton without buying bottled water and policing the child's water intake.

According to the recent study carried out by Dr. F. J. McClure and Carl L. White of the National Institute of Dental Research, the decayed, missing, and filled rate of 121 children receiving a daily fluoride tablet compared favorably with the rate for children using fluoridated drinking water. Isn't this a better way?

PRESERVE FREEDOM OF CHOICE

Many factors affect children's dental health:

1. Deficiencies of calcium, phosphorus, and other elements in the daily diet
2. Restricting candy and sugar-sweetened beverages
3. Brushing the teeth after meals
4. Regular dental check-ups and cleaning.

There are many ways to administer fluoride:

1. Fluoride tablets
2. Fluoride drops
3. Fluoride toothpastes
4. Fluoride mouthwashes
5. Topical application of fluoride
6. Fluoride in milk or other foods
7. Fluoride in the public water supply.

Because of biological individuality, different eating and drinking habits, and varying tendencies to tooth decay, no one type of dental treatment is best for every child. Why should parents be forced to give up their right to choose the best dental treatment for each child? Can't we protect our children without sacrificing our freedom of choice?

If you believe that no one should force medication upon his neighbor where the public safety is not threatened, please send your contribution to Mrs. Elizabeth E. Dyer, Treasurer, Newton Citizens Opposed to Compulsory Fluoridation, 65 Clark Street, Newton Centre 59, Mass.

Question Number 2

The world has grown up these days. How about your newspaper?

Years ago, it seems now, the world was a very simple place. Issues were clear-cut; things were black or white, and you could make up your own mind quickly and, once you made it up, you didn't have to change it. Or so it seemed. But today, our world is so much more complex. Things are not simple any more. To know what's going on in the world, to form a sound opinion about it, you need all the facts, and you need all the facts on both sides. That's why so many people are reading The Boston Globe these days. The Globe is an adult kind of paper. On all the important issues of the day—national, international, local—it gives you both sides of the issue—both sides in depth—and it lets you make up your mind. It's not easy to edit a newspaper this Globe way, but we think it's better. Try The Boston Globe for a week or a month. Get it at your newsstand or have it home-delivered. Committee members discuss 1963 Suburban Office Women's Seminar. Seated, left to right, Philip Lashway, Dwight Pelton, and M.S. Barbara MacKinnon; standing, A. Ramsey Gifford, George A. Carlson, Philip Townsend, and Paul Shakespeare.

Chambers Of Commerce Plan Unique Programs

A Seminar for all suburban office women, sponsored jointly by the Newton and Waltham Chambers of Commerce, will be held in the Federal Conference Room of Valle's Steak House, Route 9, Chestnut Hill, Newton, November 19 and 20.

This unique program which was originated in 1959 by the Newton Chamber of Commerce, has been copied by

many Chambers of Commerce across the country. Proving the value of cooperative Chamber effort, the Newton and Waltham Chambers are combining their talents, abilities and leadership to provide a 1963 educational program for the benefit of large and small firms alike. The sponsoring committee, composed of 11 personnel managers from both Cham-

bers, have designed the program to generate self-improvement and improved office techniques among the participants.

The program will consist of a session on improving communication skills; short cuts in typing, letter writing and dictation; correct office charm and personality; and audience participation and panel presentation, and a brief certificate awarding ceremony.

The Newton Chamber urges all local businessmen to take advantage of this business education opportunity by enrolling one half of their female office employees in the November 19 session and the remainder on November 20.

Call the Chamber office at LA 7-4650 and registration forms will be provided.

DR. SAMUEL L. TOLL

Dr. Toll Gets Appointment To Faculty At B.U.

Dr. Samuel M. Toll, 19 Needham St., Dedham, has been appointed an associate in restorative dentistry in the Department of Stomatology at Boston University School of Medicine.

He will continue to conduct his dental practice at his Dedham office.

He has been on the teaching staff at Beth Israel Hospital, and the University of Pennsylvania Dental School as a clinical instructor in advanced dentistry.

For the past five years he has served as a member of the teaching staff of the Department of Periodontology, Tufts University, School of Dentistry.

A graduate of the University of Pennsylvania Dental School, Dr. Toll received his doctorate in dental surgery in 1944.

He is a veteran of four years active duty with the Army Dental Corps, two years of which were spent in the European theatre. He was discharged as a captain.

An active member of the Dedham Rotary Club and other civic organizations in the area, he makes his home with his wife, Beatrice, and their three children in Newton.

Carol MacLaine Alban of 253 Cabot St., Newtonville, a senior majoring in speech and English at Otterbein College, Westerville, Ohio, is head writer on the student weekly newspaper, Tan and Cardinal.

Jerome Grossman's Views On Newton School System

Jerome Grossman, who is standing for election to the Newton School Committee from Ward 5, today outlined his views on the Newton school system. Mr. Grossman said:

"I believe that as far as possible the Newton school system should be designed to treat youngsters primarily as individuals rather than as a group. I believe in modern education with its emphasis upon the principles of discovery, emphasis on why rather than how, structure, readiness for learning, intuitive thinking, motives for learning, and new aids to teaching. I believe that these new methods and ideas help the average student more than the advanced student and, therefore, tend to modify the focus which has been upon the advanced and slow student.

"I am an enthusiastic supporter of the educational philosophy of Dr. Charles E. Brown, superintendent of Newton schools. If elected, I will do everything possible to help him translate this philosophy into the reality of Newton education.

"Among the innovations and changes I would suggest as a member of the Newton School Committee would be the following:

"1. Better libraries in all elementary schools meeting professional standards of space, supervision and book collection, all of which are now less than adequate.

"2. The ratio of guidance counsellors to pupils, at least at the high school level, should be changed to 150 to 1

JEROME GROSSMAN

or lower in contrast to the present ratio of 250-300 to 1. This would enable the guidance counsellors to better meet the special needs of the average pupil, which at present tend to be met last.

"3. The rebuilding program

Thurs., Oct. 24, 1963, The Newton Graphic Page 11

at Lincoln-Eliot, Horace Mann, Burr, Day, Bigelow, Newton High and Peabody School, which was announced as a commitment by the City Administration in 1961 to be discharged at the rate of one million dollars per year from seven years, seems to me to be adequate financially and educationally. I do not ask for greater appropriations, but I will do everything in my power to make sure that these commitments are lived up to and on schedule. They are now already behind schedule.

"4. Newton Junior College should be supported much more vigorously so that it can not only become accredited, which it is not now, but so that its facilities will be above the minimum necessary for accreditation.

"5. While the present emphasis on college preparatory curricula in the Newton schools is desirable, what is needed is a balanced situation

where comparable emphasis will also be given to curricula which are meaningful and responsive to the needs of the manually talented as well as the academically talented person. This would provide a more realistic pathway through the secondary schools for a substantial proportion of the students as well as recognizing that all kinds of talents are important in our society."

Currently, some 463 million separate U. S. Savings Bonds are owned by American families—worth nearly \$47 billion.

GIVE

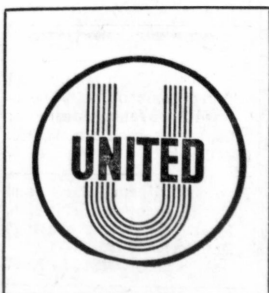

THE UNITED WAY

One Gift Helps So Many!

It's no wonder people become confused when contributing to charitable causes . . . there are so many worthwhile organizations that it's difficult to decide on which ones to support.

That's why it's wise to give the United Way. Your one gift covers so many agencies and, you know your contribution will go where it does the most good.

Annual UNICEF Program Again To Have Help Of Young "Spooks"

Newton school children will observe United Nations Week for the ninth year by contributing their nickels and dimes to help children around the world.

UNICEF, the United Nations Children's Fund, sponsored by the World Affairs Council, will again be part of the program this month of the city-wide observance.

The project with the cooperation of Newton's mayor, the School and Recreation Departments, the PTA Council and other organizations, provides double fun for youngsters, who share Halloween treats with children everywhere.

As a result of the program last year, a check for \$1523.83 represented the trick-or-treat contributions of the young "spooks" of this city.

Dr. Charles E. Brown, Superintendent of Schools, in writing to the UNICEF Committee, of which Mrs. E. Tyler Parkhurst and Mrs. Melvin I. Shoul are co-chairmen, stated, "The purpose of this program becomes more significant each year, and we are grateful for the interest you have taken in it and the help you have given us."

"This year in Newton the community has cooperated to an even greater extent than last year," said Mrs. Park-

hurst, as she listed organizations which are helping.

Among these were the Newton Technological High School, which has printed the 13,000 envelopes to be distributed in the schools, The Newton theatres are showing UNICEF "trailers" at the regular movie showings. The Newton Savings Bank will count the money. In the eight branches of the Newton Waltham Bank, UNICEF cards will be sold on Thursday, October 31.

In the main library there is an exhibit of "Hi neighbor" and other UNICEF books, and the Recreation Department has copies of the same books which are available to Halloween party chairmen. The new Community Center at the Eliot Church has made available its facilities for typing and addressing. Girl Scout Cadet Troop 568, under the leadership of Mrs. Dwight Merrill, is counting and distributing the envelopes, which are given out in the elementary and junior high schools. UNICEF "Mothers" will collect the envelopes at the city-wide parties.

As in previous years the UNICEF Committee has made available to schools and other organizations films, flyers, and speakers. Emphasis has been put on giving from individual allowances rather than on door-to-door collections; and in response, the children will undoubtedly sacrifice a comic book or candy bar, knowing that 1c will buy 5 glasses of milk, 5c will buy vaccine to protect 5 children from T.B., and 25c will supply 125 vitamin tablets.

REV. JOSEPH MOULTON

Rev. Moulton Will Speak At Newton Church

Rev. Joseph Moulton, a Congregational Christian missionary in India for 41 years, will be the guest speaker at the annual Fall Supper of the Newton Highlands Congregational Church to be held tomorrow, Friday, evening, October 25, at 6:30 o'clock, at the church, 54 Lincoln St., Newton Highlands.

The Rev. Moulton was born in Connecticut and was educated at Bates College and the Hartford Theological Seminary. His Newton appearance is sponsored by the Missionary Committee of which Ernest E. Jullert is chairman.

Mr. Moulton served in western India, near Bombay, where he did rural work as a preacher, social worker and Christian teacher. He organized literacy courses, worked with some 30 churches and their many congregations scattered over a "parish" of 2,500 square miles, aided in plans for the economic development of this area, and helped to improve the villages in general.

In 1953 he was one of a committee of 15 named at a mass meeting representing about a million citizens to administer famine relief and welfare work in this area.

He was later re-elected to the committee and contributed to the realization of the National Extension Scheme of the villages under India's Five Year Plan. He was the only Christian and European on the committee.

Local Red Cross Needs Nurses For Bloodmobile

Volunteer registered nurses to help at local Bloodmobile visits are urgently needed by Newton Chapter, American Red Cross.

In taking an active part in the Newton Blood Program, they would be joining a professional team, in giving volunteer donors the benefit of their medical skills and care. They would be working in a dynamic, expanding medical field and sharing with their neighbors, in this vital program.

As a volunteer Blood Program nurse they would care for donors in performing the technical procedures of blood collections, such as medical history, blood pressure and hemoglobin estimation. After a brief orientation and training for their duties, they would be assigned, and the nurse could serve from three to six hours on such dates as meet their schedules.

The Newton Chapter needs and would welcome help. For additional information contact the Newton Red Cross Nursing Services, LA 7-6000.

United Church Women Prepare 'Day' Program

The United Church Women of Newton are furthering plans for World Community Day in this city to be held on the first Friday in November at the Auburndale Congregational Church.

Mrs. John Burgess is chairman of Christian World Relations and chairman of the day.

Mrs. Paul Deats, of West Newton, will speak on the theme, "Nation Building and the United Nations."

Observances this year throughout the country will mark the 20th anniversary of the event which is dedicated to speed the building of a lasting peace.

Jr. College Tour Sunday For Parents

The parents of students at Newton Junior College have been invited to meet the faculty and staff of the college and to view the new library and science laboratories of the recently enlarged campus. This reception will be held at three o'clock, Sunday, October 27, at College Hall.

Charles W. Dudley, director of the college, will greet the parents and explain the history, progress, and prospect of Newton Junior College. He will also speak on the role of the parent in his child's college education.

Immediately following guided tours of the campus, the parents will be invited to meet the director, the deans, and members of the faculty. Refreshments will be served.

Lecture Series To End Tonight

A series of lectures on liberal religion at the First Unitarian Church in West Newton will conclude tonight, Thursday, October 24, when the Rev. Dr. Leslie Pennington speaks on "Liberal Religion in Action."

Dr. Pennington has been delivering a series of lectures for the past four weeks under the heading "Why Liberal Religion?"

Subjects covered have included: "Religion Without Dogma," "Why and How Liberal Religion Began," and "Nature and Organization of Free Churches."

In the final lecture, Dr. Pennington will discuss the worldwide work of the Unitarian-Universalist Service Committee and how individual churches express their faith in action. He will also describe action programs of groups of churches.

John W. Gurry, 57 Hunnewell Ave., Newton, and Parker Lord, 249 Crafts St., Newtonville, have served as co-chairmen of the lecture series.

JAMES E. MURPHY

Promotion In City Dept. To James Murphy

The appointment of James E. Murphy as senior recreation supervisor for the Newton Recreation Department was announced today by Recreation Commissioner, John B. Penney, following receipt of confirmation of the appointment by the Civil Service Commission.

Mr. Murphy was promoted to his present position following six years service as a recreation supervisor general

ning by hundreds of committees over the past weeks. Tonight is Halloween.

Typical of the many varied programs will be that scheduled for the Meadowbrook Junior High School from 7:30 to 10 p.m. The building chairman, Leonard Bluestein, reports that the entertainment will include "The Legends," a band, and a professional Hootenany Trio known as the "Trip Jaks." There will also be approximately 150 door prizes awarded.

Door prizes and gifts for every boy and girl attending the Bigelow Junior High School Seventh Grade party have been promised by the building chairman, Dr. and Mrs. Samuel Berman. Between 150 and 175 youngsters are expected to attend the Halloween celebration at the Newton YMCA from 7:30 to 10 p.m.

The program will include Name Bingo, games and dancing. The refreshments will include the ever popular cider and doughnuts.

Committee members at Bigelow include Mr. and Mrs. Herbert Fox, Mr. and Mrs. Joseph Furman, Mr. and Mrs. Leslie Edwards, Mr. and Mrs. Henry Weiss, Mr. and Mrs. Julius Sherman, Mr. and Mrs. Penneth Cline, Mr. and Mrs. Abraham Feldberg, Mrs. Clarissa Allan, Mr. and Mrs. Fred Ross, Mrs. Richard Singal, Mrs. David Harsip, Mrs. Edward Genovese, Mrs. Gustav Ericson, Mrs. Rosem, Mrs. Irving Helman, Mrs. Kiserman, Mrs. L. United Fund Opens Drive On Saturday

Newton will officially launch its 1963-1964 United Fund campaign with a huge rally at the old Mason-Rice School in Newton Centre this Saturday morning at 10:30. There will be no admission charge.

All United Fund agencies in Newton will be represented including the Salvation Army, the YMCA, the Newton-Wellesley Hospital, the Newton Red Cross, the Boy's Club and the Newton Community Chest and Council. Several clowns will provide rollicking entertainment for the youngsters and WBZ's Rex Trailer will be on hand to greet his small-fry fans.

Newton's United Fund Special Events Chairman John N. Sullivan stated: "In the past, Newton has had a United Fund parade. This year it was felt that, because of the division of the city into villages, it would be more beneficial to have a centralized rally.

The various agencies in Newton have shown great cooperation and enthusiasm for the rally and we can guarantee an exciting time for all who attend."

Among those who will be present are Mr. and Mrs. Stanley Miller, co-chairmen

24,000 Voters Expected To Cast Ballots Next Tuesday

Approximately 24,000 Newton voters are expected to go to the polls in next Tuesday's municipal election to settle hot battles for places on the Board of Aldermen and School Committee and to record their mandate on whether the fluoridation of the city's water supply shall be continued.

A total of 47,605 Newton residents, 25,792 women and 21,813 men, are registered as voters and eligible to cast ballots in next Tuesday's election.

Political experts expect that about half of them will participate in the election and that the remainder will not exercise their right to elect their municipal and school officials and to vote on the two referendum questions which will be on the ballot.

Polling places will be open from 7 a.m. until 8 p.m. The heaviest voting is expected between 5 and 8 p.m.

Greatest public interest will

be centered on the outcome of the vote on fluoridation. This controversy has aroused strong feeling in the city.

Both proponents and opponents of fluoridation have

presented their cases to the voters.

The fluoridation question on the ballot will read: "Shall the fluoridation of the public water supply for

domestic use in the City of Newton be discontinued?"

If a majority of the persons who record themselves on that question vote "Yes," the fluoridation of the city's water supply will be halted.

If the "No" vote is larger, fluoridation will be continued in Newton.

The fluoridation issue will be Question No. 2 on the ballot.

Question No. 1 asks: "Shall an Ordinance fixing the salary of the Mayor at \$20,000 per annum beginning January 1964, be approved?"

Gibbs Against Service Slash

Mayor Donald L. Gibbs will appear before the State Public Utilities Commission at a State House hearing this morning (Thursday) to oppose a petition for a slash in the Middlesex & Boston bus service in Newton.

Under the petition which the Mayor will ask be rejected, all M & B bus service in the city would be discontinued after 7 p.m. at night and on Sundays and holidays.

If granted, this would leave some sections of Newton without any public transportation during those periods.

Drive Launched To Draft Francis Perry For Governor

A drive has been launched to draft crusading ex-Representative Francis W. Perry of Duxbury as a candidate for the Republican nomination for Governor.

If Perry accedes to the efforts started in his behalf, it probably will mean that a three-way fight will be waged next year for the right to run as the GOP standard-bearer against Governor Peabody.

Republican State Senate Leader Philip A. Graham already is an active although unannounced candidate for Governor and is busily lining up support wherever he can.

Ex-Governor John A. Volpe is standing in the political wings and apparently has every intention of attempting a political comeback next year.

New Medical Building Underway At Hospital

Construction of a million-dollar medical building with offices to house about 50 physicians has begun at Newton-Wellesley Hospital. The announcement was made this week by George L. White, president of the hospital.

It is the first medical office building in Boston's western suburbs, to be located on hospital land and operated in conjunction with a hospital. Construction is expected to be completed in a year.

The million-dollar project will pay for itself. Funds borrowed from Newton-area banks will meet construction

expenses, and will be repaid during a 25-year term from rentals charged the building's tenants.

Planned and authorized by trustees of the hospital, the structure will be erected by Richard White and Sons, a general contracting firm from Weston. That company was

low bidder among six firms which submitted competitive estimates. Architects are James H. Ritchie and Sons of Boston.

"The Building will enrich the community's medical storehouse," Mr. White explained. "A collection of

Dental Health Group Urges 'No' Vote Here

In the final week before elections, Newton citizens were urged to "make this an important election year" by voting "No" on the referendum next Tuesday which would abandon the city's \$115,000 fluoridation system only eight weeks after it was installed.

Mrs. Stewart R. Smith, chairman of the Newton Citizens Committee for Dental Health, told voters that "every responsible medical, dental, public health and legal authority in Massachusetts" has endorsed fluoridation. She declared that confusing and apparently plausible claims by the "mysterious group, heavily financed," who lead the attack on fluoridation, "have repeatedly been discredited by reputable authorities who work in this field year after year, and not just before elections."

The dental health group asserted that fluoridation has been proven safe and effective in almost 4,500 communities with over 52 million population. These areas include some of the nation's largest cities — Chicago, Philadelphia, Baltimore, St. Louis, Washington, D.C., San Francisco, Pittsburgh, Milwaukee, Houston, Buffalo, Minneapolis and Providence.

"Our own Board of Health, which has been fighting all kinds of pressure from hostile, uninformed groups," said Mrs. Smith, "has said the evidence for fluoridation of the public water supply has become stronger than ever."

State Officers Guests Of DAR

Special guests will be officers of the Massachusetts State Society, NSDAR, at a meeting of the Lydia Partridge Whiting Chapter, Daughters of the American Revolution, to be held in the Jackson Homestead, Newtonville, Monday, Nov. 4, at 1 p.m.

Coffee hostesses for the social hour will be Mrs. George Eighmy, chairman, Mrs. Thomas Desmond, Mrs. C. Warren Dillaway, Mrs. James S. Gove, Mrs. Chester Heckman and Mrs. Raymond Phelon. The hospitality committee, Mrs. Edward Fletcher and Mrs. Carl Penny.

The State Regent, Miss Macpeek, will introduce her officers and give a resume of the present state projects. Following this the Curator of the Jackson Homestead, Mrs. Sears, will conduct members and guests on a tour of the historical home.

Fluoridation "Yes" Binding

Mayor Donald L. Gibbs has announced that he will consider as mandatory a "Yes" vote to halt fluoridation of the water supply should it be recorded at the election next Tuesday.

"It will make no difference as to the margin," he said.

Last week the State Supreme Court ruled that the referendum is merely advisory and would not be binding on city officials.

Finishes Course In Insurance

William R. Foster, 19 Crystal St., Newton Centre, has completed a comprehensive seven-week course in insurance at the home office of The Employers' Group of Insurance Companies in Boston, and has received a graduation certificate at the school for agents.

A graduate of Newton High and Denison University, he saw naval service in the Far East.

HOLIDAY SALE WORKERS—Newton women, left to right, Mrs. Arthur S. Laughland, Mrs. Peter H. Thompson, Jr., and Mrs. William A. Lincoln, pose before poster for Holiday Sale to aid Children's Museum Aid. Event will be held at Longwood Cricket Club, November 6.

Holiday Sale Will Aid Children's Museum Fund

The members of the Children's Museum Aid have been busy addressing invitations to the patronesses for the 14th annual Holiday Sale to be held on Wednesday, November 6, at the Longwood Cricket Club in Chestnut Hill.

Original ideas are being cut, pasted and sewed at Mrs. William A. Lincoln's home in Chestnut Hill. Among the items to be offered at this table are waste baskets, jack bags and lamp shades. Helping there are Mrs. John Keller and Mrs. Arthur Laughland.

Early shoppers will find handknit mittens, sweaters, and caps at the knitting table. Working for this table are Mrs. James H. Currans and Mrs. Lewis F. Perry.

Newton High Seminar Set For Nov. 2

"Race, Residence and Education in Boston" will be the topic discussed at a seminar presented by the Social Studies Department of Newton South High School on Saturday, Nov. 2, at 9:30 a.m. in the Lecture Hall.

Alan Gartner, Mrs. Phyllis Ryan, Thomas Sullivan, and Robert Tobin will be participating in this discussion, with Lee Kozol acting as moderator. Refreshments will be served after the meeting.

This seminar is the first in a proposed series which will explore problem areas in today's society.

Members of the committee are Ricki Radlo, chairman, Marc Alpert, Ricky Gold, Connie Roud, and Lee Sherman. Wayne Altire is faculty advisor.

Excise Tax Report Due

District Director of Internal Revenue Alvin M. Kelley reminded taxpayers required to file quarterly Federal Excise tax returns, that Oct. 31, 1963, is the deadline for filing returns and paying the tax for the calendar quarter ending Sept. 30, 1963.

Mr. Kelley said taxpayers liable for more than \$100 of the excise taxes listed on Form 720 for any month (except the third month of a quarter) are required to deposit their full payments of these taxes in local authorized banks or a Federal Reserve Bank before the last day of the month after the month in which the tax liability occurred. The taxes for the third month of the quarter of 1963 may voluntarily be deposited by Oct. 31, 1963.

Taxpayers making full and timely deposits of taxes due for the third quarter of the year have an additional 10 days, until Nov. 11, 1963, to file their Forms 720, and he added that validated Federal Depository Receipts must be submitted with the Form 720.

Returns should be addressed and mailed to: "District Director of Internal Revenue, 174 Ipswich St., Boston 15, Mass.

Copies of the form and relevant information can be obtained by calling Copley 7-5700 or by visiting your local IRS office.

Medical Group Sets Study Of Doctors' Fees

A study of fees charged by doctors practicing in this area, with the view to improving the understanding between physicians and their patients, is proposed by the Charles River District Medical Society, according to Dr. Lewis B. Pilcher of 67 Berkeley St., West Newton.

Physicians who practice in Newton, Needham, Weston, Wellesley and Waltham comprise the society's membership.

Establishment of a committee on Mental Health, and another on Religion and Medicine, was announced at a dinner meeting.

Nursing scholarships will benefit from a dinner dance sponsored by the society's auxiliary at Sidney Hill Country Club on Nov. 16, it was announced by the auxiliary president, Mrs. P. Stefan Kraus. The society also provides three partial scholarships each year to medical students.

First Aid Course By Red Cross

Newton Chapter, American Red Cross, will give a standard first aid course at the Chapter House, 21 Foster St., Newtonville, it was announced by Gilbert Champagne, director of safety services.

It will cover six weeks, with the first class on Wednesday, Nov. 6, 7:30 to 9:30 p.m. The instructor will be James R. Campbell.

The number to call for details is LA 7-6000.

From Newton this year officers and committee chairmen include Dr. David B. Stearns, vice president; Dr. Joseph R. Cotter, treasurer; Dr. Lewis S. Pilcher, joint medico-legal conference, and Dr. Morris Courtiss, health and retirement insurance.

Lakin Named To National Office

Harry Lakin of 22 Sharpe Rd., Newton Centre, who is serving his fourth term as president of the New England Region, United Synagogue of America, has been nominated to the office of national vice president of the parent organization.

He, with Rabbi Jack Shecter, regional executive director, will lead a 100-member New England delegation to the Golden Jubilee Convention at Kiamesha Lake, N. Y., scheduled from Nov. 17 to 21.

Darnes Is Named

Charles R. Darnes of 49 Dale St., Chestnut Hill, has been appointed to the Faculty Entertainment Committee at Wentworth Institute, according to an announcement by Dr. H. Russell Beatty, the president.

PAUL J. BURKE

Burke In Strong Fight For Ward 3 Alderman Post

Paul J. Burke, 53 Jerome avenue, West Newton, well-known businessman and civic leader, is making a strong fight for election as Ward 3 Alderman from Ward 3.

"Newton needs progressive leadership now and in the years ahead," according to the man who has been identified for years with West Newton civic and sport activities.

"The problems facing our rapidly changing city call for new and creative solutions," he says. "We must keep pace with the times. Our heritage of good government can best be preserved by men of vision in close contact with the people."

Vice president of Davis Sales Associates, Inc., and president of Mayor Gibbs' Advisory Committee on Swimming Facilities, Burke has given a great deal of his time to civic affairs. He has been a delegate to the Newton Community Council, past president of the Newton Veterans Association, a member of ex-Mayor Howard Whitmore's Toll Road Location Committee, co-chairman of the West Newton Cancer Crusade, and president of Franklin School PTA.

In the sports field, he is a director of the Babe Ruth League, general chairman of St. Bernard's CYO program, Little League coach and manager, and Two-League coach and manager.

A Newton High and Burdett College graduate, he attended Boston University and the University of Edinburgh. He is a disabled combat veteran of the Normandy invasion, the Battle of Northern France and the Battle of the Rhine-land.

"I believe public office, rather than a gift, is a trust given by the citizens at the ballot box to an individual who will represent them in city affairs," Burke declared.

"The blatant action by the Board of Aldermen in filling the recent vacancy in Ward 3, disregarding all of the traditional history of the ward, was a decision that aroused many residents who have urged me to seek this office," he continued.

"This particular ward is not composed of any one type or class of people. It is a composite of all races and creeds, all of whom deserve fair and equal representation. I support the growing conviction that Ward 3 needs more intelligent and militant representation at City Hall — for all people," he said.

"I know Newton and its people. I feel I have all the qualifications necessary to render to all classes a sound, efficient and effective representation," Burke concluded.

18 Here Pass Bar Examination

Eighteen Newton residents, having passed the state bar examination, have been named for admission to the Massachusetts Bar.

One of them, John D. O'Reilly, 34, of 219 Commonwealth Ave., is the son of John D. O'Reilly, Jr., Boston College professor of constitutional law.

The others: Henry T. Doherty, Jr., 295 Lexington St., Auburndale; Harvey R. Fleishman, 42 Blake St., Newtonville; Thomas J. Gallagher, Jr., 110 Warwick Rd., West Newton; Macey J. Goldman, 20 Cottage St., Newton; Martin E. Greenblatt, 29 Manet Rd., Chestnut Hill; Donald P. Quinn, 50 Lindbergh Ave., West Newton; Alan H. Robbins, 14 Cloverdale Rd., Newton Centre.

Also, Arthur H. Rosenberg, 11 Roosevelt Rd., Newton Centre; Lewis Rosenberg, 411 Parker St., Newton Centre; Frederick P. Smith, 751 Boylston St., Newton Highlands; Robert B. Stimson, 43 Highland Ave., Newtonville; George L. White, Jr., 36 Walnut Pk., Newton; Donald J. Wood, 41 Washington St., Newton; Michael S. Yesley, 83 Meadowbrook Rd., Newton Centre; Everett D. Keifer, Jr., 133 Highland St., West Newton; Frederick A. Klarman, 41 Morrill St., West Newton; and Peter MacDougall, 51 Plainfield St., Waban.

Massive Travel Study Here Is In Prospect

One out of every 34 homes in Newton will be visited shortly by an interviewer whose aim is to learn the travel habits of the occupants.

It will be part of a massive study to be conducted in 42,500 households in northeastern Massachusetts on behalf of the State Department of Public Works and the Mass Transportation Commission operating jointly through the Boston Regional Planning Project.

According to those in charge, it will be the largest study of its kind ever made in New England.

At this stage no date has been set for the Newton sampling, but later on, preliminary notice will go by mail to selected households here to alert prospective interviewees.

with the Recreation Department.
In his new position, Mr. Murphy will act as the chief assistant to the Recreation Commissioner, having responsibility for overseeing and coordinating the total

city-wide recreation program of the department. The maintenance division of the Recreation Department is headed by Recreation Foreman, Frank V. Shea.
Mr. Murphy has been a lifelong resident of Newton and has taken an active part in the overall recreation program of the city for the last quarter of a century. He served as a member of the Recreation Commission from 1950-1955 resigning on July 1, 1955 to accept appointment in the Executive Department from former Mayor Howard Whitmore.

He returned to the Recreation Department on July 1, 1957 as a provisional Recreation Supervisor and served in that capacity until receiving his regular appointment on July 21, 1958 until the present time.

Mr. Murphy is known as the "Father of the Little League Program in Newton" having organized all five leagues in 1952. He also started the Babe Ruth Baseball Program in 1958.

In 1962 he was named by the Newton Centre Improvement Association as the recipient of the Citizen of the Year Award for his devotion and dedication for his work with the youth of the city.

He is a member of the National Recreation Association and the Massachusetts Recreation Society, a member of Newton Lodge of Elks No. 1327 and Newton Council Knights of Columbus No. 167. He is a past president of City Hall Associates and has served as a member of the Newton Board of Aldermen.

Hallowe'en Within The Law

Hallowe'en ghosts and goblins, imps and sprites, will cavort, gyrate and gambol in Newton tonight—under supervision.
The city's traditional observance where elected and appointed officials, adults, parents, police and fire personnel—yes, everybody from the mayor on, takes part, is ready to be staged once again.
Our city-wide, the whole darned town in the act—method of marking the Hallowe'en festivities has drawn nationwide attention. It has resulted in a marked decline in hoodlums while actually contributing to a much better enjoyment of the ghostly event.
Countless grown-ups, parents and just plain, dedicated citizens, are whole-hearted workers in the cause of a fun-filled, but non-violent, Hallowe'en. The Newton pattern has long been observed and copied by communities, large and small, across the nation.
Supervised enjoyment of the night has allowed every youngster to get a genuine kick out of taking part in the program. And the adults never find the parties monotonous. In fact, it allows a good time to really be "had by all."
So, on with another Hallowe'en observance in Newton. Let good fun be enjoyed at the innumerable parties planned. Give a kind and appreciative thought for all those grown-ups who will be trying diligently and making the supreme effort tonight. Joy will be no less confined for being within the law.

Smiles Along Route 128

Newton motorists who are compelled to use the Route 128 traffic lanes north or south for either business or pleasure are arriving at a point of some enjoyment of the facility now that the major renovating project is approaching conclusion.
There is no denying the herculean proportions of the mammoth widening job in operation along the busy traffic artery. Also, there is no denying the countless tempers aroused, the nerves jangled, and the ulcers aggravated as legions of motorists jostled with the inconveniences encountered during the lengthy program.
Except in a few areas, the huge task is nearing completion.
Among the countless drivers who have ridden the route since the inception of the project, there are fountains of sighs of relief wafting skyward. What a difference a smooth, four-lane, well-marked highway makes.
Also, what a happy sight now that most of the bridges have been remade and relocated. And by the way, the gents who handled the miles of complete highway renovation, while swarms of motor vehicles continued to use the roads, through all the four seasons, year after year, are some sort of magicians.
At least the traffic flow managed to continue, often slowly, sometimes delayed, and detoured but never entirely stopped for an appreciable period of time.
The Route 128 motorist's lot has not been a happy one. But, at long, long last, it is improving.

LETTERS TO THE EDITOR

Not An 'Anti'
Editor,
Newton Graphic:
May I express my appreciation for the coverage you have given the subject of water fluoridation. Since my name was used in an "anti" ad appearing in The Newton Graphic of Oct. 17, I would like to set the record straight on this point.
It is obvious that some individuals opposed to fluoridation will go to any lengths to make a case against fluoridation. It is implied by quoting from a newspaper article, not from knowledge of my work, that topical fluoride applications can take the place of water fluoridation. On the contrary, I have repeatedly stated, and so informed anti-fluoridationists, that water fluoridation is superior to topical treatment. It is transparently clear that the minority group against fluoridation resorts to the use of mistruths, distortions and emotional propaganda. There are no rational motives for opposing water fluoridation.
The weight of any opinion depends upon the source from which it comes. Thus, I call to your attention the fact that the entire staff of the Forsyth Dental Infirmary is unanimously in favor of fluoridation of public water supplies.
As a Newton resident and the father of three children in the Newton public schools I feel particularly responsible in regard to this question which will be on our ballot Nov. 5. I would like my family to have the same benefit as the 52,000,000 Americans in every part of the United States who are presently drinking fluoridated water.

Policy Approved
Editor,
The Newton Graphic:
May I compliment you on your method of checking announcements by calling.
The notice I sent you was sent to four newspapers. You were the only one to make sure it was authentic.
It is a wonderful idea.
Yours very truly,
Mrs. Jack W. Burman.

Senator Challenged
Editor,
The Newton Graphic
Dear Sir:
Enclosed is an open letter to Senator Goldwater.
Senator, which century do you want us to go back to, the 17th, 18th or 19th?
Take the United Nations notion of yours. You want us to withdraw from our only hope of survival? You want to turn the tide back? I think nobody can turn the tide back in this country. Senator McCarthy tried it; he failed miserably.
This is the 20th Century when everything has changed, but you evidently are looking through the wrong window, Senator.
There is no question in my mind that matured people in our country will vehemently and conclusively reject your proposal of isolationism. We have tried it. Where did it get us? War was the result. We cannot afford to play around with your dangerous ideas, allowing another holocaust.

FINN BRUDEVOLD,
Chief of Dental Medicine,
Forsyth Dental Infirmary;
Professor of Dentistry,
Harvard School of Dental Medicine.

Opposes Fluoridation
Editor,
Newton Graphic
There are many young mothers in Newton, who out of love for and devotion to their children are definitely opposed to the water supply of Newton being fluoridated. These intelligent young women, through their right reasoning, wish to control the amount of this chemical which their children will receive each day, themselves.

Urges More Money
The Graphic
The awarding of the Nobel Peace Prize to Dr. Linus Pauling should give American citizens pause to think again about what peace means to the world, as well as to ourselves.
As we all know, two-thirds of our national budget, over 60 billions of dollars, is spent for military purposes. Do we all know that only 15 million dollars has been allocated for the Arms Control and Disarmament Agency, which has the purpose of exploring all possibilities of peace?
The implications here all too obviously point to eventual war simply by momentum. Dr. Pauling can't stop this trend all alone. Only the weight of public opinion expressed to your own representatives is big enough to change this balance.
Senators Saltonstall and Kennedy and your Representatives in the House will welcome your letters.
Sincerely yours,
Mrs. Edmund C. Berkeley,
President,
Voice of Women,
Newton, Brookline.

Foreign Children's Welfare Assured By Halloween Gifts

Halloween parties here over the past eight years have contributed more than \$10,000 to the Committee for UNICEF, (United Nations Childrens Fund), according to Mrs. E. Tyler Parkhurst who, with Mrs. Melvin I. Shoul, is a chairman of the Newton UNICEF Committee.
Says Mrs. Parkhurst, "Since the first Newton 'spook' contributed a nickel that other-wise might have gone for a candy bar or coke, interest and concern for UNICEF here has steadily increased."
"This means that the youngsters of Newton have joined some 3,500,000 American children in aiding more than 500 projects in 116 countries. And, to put it more simply, it means that, because of their sharing during Halloween fun, hundreds of youngsters in other lands are being well fed, kept well and made happy."
There will be a "UNICEF Mother" at each of the Halloween parties provided by the city and schools. They will collect the pennies, nickels and dimes that will be transformed into food, milk and medicine.
Mrs. Parkhurst and Mrs. Shoul announce that the following will participate: Mrs. Linwood Adams, Mrs. Mario Baldi, Mrs. Sam Berman, Mrs. Paul Burke, Mrs. James Chase, Mrs. Harriet Fruman, Mrs. Paul Fugazzotto, Mrs. Bertha Geller, Mrs. Thomas Gerlach, Mrs. Paul Hoffman, and Mrs. F. V. Jones.
Also, Mrs. Marvin Joslow, Mrs. Harry L. Levin, Mrs. Francis Martin, Mrs. Lester Nelson, Mrs. Louis Monomoff, Mrs. Bernice Perlman, Mrs. LeRoy Powers, Mrs. Elkan Ries, Jr., Mrs. David Rolbein, Mrs. Nina Santucci, Mrs. Emily Scott, Mrs. Irving Silverman, Mrs. Marshall Sloane, Mrs. John Webber, and Mrs. Harvey White.

Junior High Camp Fire Girls Plan Program

Newton Junior Hi Camp Fire Girls will open the third year of their new program with a Hootenanny on Wednesday, November 13, at the First Church, Homer and Centre streets, Newton, at 7:30 o'clock.
Featured will be the Thunder Hill Folk Singers, popular Newton quartet with Ruth Morse, singer; Drew Heyman, congo drums; Fritz Warren, tenor guitar; Ed Dutton, banjo; and Dennis Hannan, guitar banjo and autoharp. All Junior Hi and Horizon Club (senior high) members are invited to attend the performance and participate in the entertainment and refreshments.
This newly revised and enriched Camp Fire Girls program for the Junior Hi years has had a substantial increase in membership because girls this age enjoy grown-up responsibilities. The new program allows for more girl planning and for earlier progression in a achievement ranks. The national rate of membership has more than doubled in eight months.
Working with the Seven Crafts of the Camp Fire program—home, creative arts, frontiers, outdoors, business, sports and games, citizenship, there are 25 subjects with which the girls may work to earn their group torchbearer and individual torch bearer ranks. These include subjects from aerospace and business through interior decorating and photography.
The Junior Hi girls have not only had fun indoors and outdoors, but they have performed services both for their community and country—baby sitting while mothers voted, sewing baby layettes for children in need, teaching games and sports to younger children, collecting books to help form libraries in the South, seasonal contributions to hospitals and institutions.
On the committee to organize this year's activities are Mrs. Richard Gould, Mrs. Edwin Rossman, Mrs. Howard Boardman, Mrs. John Alman, Mrs. Peter Coogan, Mrs. Stanley Mervis, Mrs. Lee Rowe, Mrs. D. Goldenberg.
The Camp Fire Girls is a Red Feather agency participating in the United Fund.

Dr. Joseph A. Craven, Jr., of 1074 Centre Street, Newton Center, attended a two-day international techniques clinic held recently at the Hotel Kenmore in Boston last week sponsored by the New England Council of Optometrists.
The clinic was conducted by Professor Sidney A. Dimond of Needham, and Boston University. Professor Dimond is also president of Creative Associates, Inc., Boston public relations counsel to the New England Council of Optometrists.
Dr. Craven is currently serving as president of the Massachusetts Society of Optometrists. A graduate of the Massachusetts College of Optometry, Dr. Craven is also active in the American Optometric Association and the Brookline post of the American Legion.

Mayor Pay Referendum

Reprinted from Newton Graphic, October 24, 1963
Newton citizens should give some serious thought to the referendum on the Mayor's salary which will appear on the ballot in the Nov. 5 municipal election.
The issue which will be decided by the voters is whether the Mayor's pay should be raised from \$15,000 to \$20,000 a year effective next Jan. 1.
On any careful consideration of the factors involved it would seem to be in the best interest of Newton and its people to approve the referendum and set the mayoralty salary at \$20,000.
The responsibilities and duties of the office of Mayor of Newton are such that the man who fills it should be paid at least \$20,000 a year. A comparable position in private industry would carry a substantially higher salary. A Newton Mayor who is not worth more than \$20,000 should not have been elected in the first place.
Apart from those considerations is the sombre fact that if the pay of the Mayor remains at \$15,000, the people of Newton are almost certain to discover in the future that men of the calibre they would like to have at the head of their municipal government simply will not assume the political sacrifice involved.
We are inclined at times to be somewhat miserly in our concepts of the salaries which should be paid to our public officials. But it would be unwise economy, indeed, if the pay of the Mayor of Newton were kept at a figure which discouraged outstanding men from seeking the office.
Newton is one of the best run cities in the United States. Its people have exercised good judgment in picking their Mayors, and they have been fortunate in having good men from whom to choose. The latter situation, however, may not always exist unless the salary of the Mayor is commensurate with what the citizens expect from the man who fills the office.
For these reasons it is respectfully suggested to the voters of Newton that the future interests of the city and themselves would be served by approving the pay raise referendum in the coming election. . . .

Book Month By Sisterhood Of Mishkan Tefila

Sisterhood of Temple Mishkan Tefila will hold its annual Jewish Book Month meeting on Wednesday, Nov. 6, at the temple on Hammond Pond Parkway. Coffee hour will be at 1 p.m.

Mrs. Morris Levy, president of the Sisterhood, will preside at the meeting, and a D'var Torah will be given by Mrs. Gregor Shelkan. Hostesses for the day will be Mrs. Samuel Perlmutter, who will introduce the speaker, and Mrs. Myron Jaffe, who will speak about the temple library. Mrs. Louis Narva and Mrs. Maurice Halperin will be in charge of hospitality.

Mrs. Robert Devorin is in charge of the program, which features Mrs. George Rossyn, prominent literary critic, who will discuss the contemporary Jewish scene.

Mrs. Rossyn, who recently returned from an extended tour of Europe and Israel, is a member of the National Board of Hadassah and a past president of the New England Region. She is on the staff of the Hadassah Newsletter as a book reviewer, and is on their National Speakers Bureau. Mrs. Rossyn also is a trustee of the Hebrew Teachers College, and is secretary of Children to Palestine. A question and answer period will follow her discussion.

Fire Dept. Master Mech'nic Retires

The Retirement Board has approved the retirement of Garfield Appleyard, 68, of 171 Jackson St., Newton Centre, master mechanic for the Fire Department.

Mr. Appleyard, who has 26½ years of service, retires under the Veterans Act with a non-service connected disability. He becomes eligible for a pension equal to 65 per cent of his salary.

Building

(Continued from Page 1)

medical skills will be available at the hospital continually, and particularly in time of an emergency. The location will let doctors make optimum use of their time, both in serving hospitalized patients and persons visiting their offices. The entire community will benefit from such direct and constant medical supervision."

To make room for the new building two frame cottages were demolished during the

past week. The wooden structures dated back to 1886, and were the earliest patient facilities of the hospital.

The four story structure, including basement, will nestle into a hillside along Washington Street (Rte. 16). It will face existing parking areas on the north side of the hospital's 19-acre plot, the side nearest the Woodland station of the Riverside MTA. Running east and west at a right angle to the main hospital building, the rectangular structure will be connected to the hospital by a two-story covered passageway. The top floor office building will be level with the second story of the hospital.

The idea of a medical office building at the hospital

has been discussed for many years, Mr. White noted. It had been urged in Master Plan surveys completed by the director of the hospital, William S. Brines of Wellesley. The hospital's president in 1960, Mark C. Walker of Waban, appointed a trustee committee to work with Mr. Brines and to study the feasibility of such a project. Another former president of the hospital, Mr. Chester E. Borden of Auburndale, was appointed Chairman of the Medical Office Building Committee.

Hospital trustees who served on the committee with Mr.

Borden, Mr. Walker, and Mr. White included Marshall G. Bolster of Needham, John L. MacNeil of Newton, Philip C. Raye of Wellesley Hills, Thomas E. Shirley of Waban, and Mark C. Wheeler of Needham.

A great deal of work was required of the hospital team before construction could begin. Interns, residents and technicians formerly housed in the frame cottages had to be located in new quarters. The hospital's 10,000-volume medical library had to be crated and

moved, a job for which Newton High School youngsters provided much-appreciated manpower. New areas for storerooms, volunteer offices, and services had to be found and prepared.

During construction, he pointed out, some hospital facilities will be isolated. They include the outpatient clinics and psychiatric clinic, formerly accessible directly from the main hospital building. The Personnel Office and Beauty Shop for patients are other areas that will be cut off during the period of construction.

Miss DiClemente-Mr. Visco Wed; Living In Newton

The Sacred Heart Church was the scene recently for the marriage of Miss Mary Louise DiClemente and Joseph Visco.

The bride is the daughter of Mr. and Mrs. Piernino DiClemente of 41 Jackson street, Newton Centre. Mr. and Mrs. Donato Visco of 151 Adams street, Newton, are the bridegroom's parents.

Following the 4 o'clock afternoon nuptial ceremony there was a reception at the Greek Community Center in Watertown.

The bride's white silk peau de soie gown had a portrait neckline marked with an insert of Belgium lace. The full skirt terminated in a court train.

A pill-box cap was fastened with a bouffant silk illusion veil. She carried a bouquet of traditional white flowers.

Mrs. Nancy DiClemente was matron of honor. The bridesmaids were Miss Joanne DiClemente, Miss Lorraine DiLuzio, Miss Mae Visco, and Miss Joanne Hynes.

The two flower girls were Donna Anastasia and Lou Ann Venuto.

Vincent Visco served as best man, while the ushers were Domenic DiClemente,

MRS. DANIEL J. VISCO (Hookkalo)

Robert Sites, Lawrence Visco and Joseph Anastasia.

The couple spent their honeymoon in the Pocono Mountains. They are now making their home in Newton.

The bride was graduated from Newton High School. Mr. Visco is a graduate of Newton Trade School.

Marie Fournier Is Bride Of F. W. Harvey, 2nd

The marriage of Miss Marie Jacqueline Fournier, daughter of Mr. and Mrs. Alfred Joseph Fournier of Amesbury to Frederick William Harvey 2nd, son of Mr. and Mrs. Frederick T. Harvey of 21 Pilgrim road, Waban, took place on October 10th. The ceremony was performed by the Rev. Joseph Cony MacDonald of the Union Church in Waban.

After a trip to Niagara Falls and Canada, the couple will make their home in Dunstable.

Mr. Harvey is a graduate of the Brown and Nichols School in Cambridge and the Junior College of Boston University. Having attended Clark University in Worcester, he completed a tour of duty as a second lieutenant in the Army Signal Corps earlier this month.

Second Daughter

Mr. and Mrs. Leonard F. Solomon, 44 Emmons street, West Newton, announce the birth of a second daughter, Tamah, born Oct. 10 at the Richardson House. Their other daughter is Beth.

Papal Blessing Bestowed at Thurmond-Markey Wedding

The altar and pews of St. Theresa's Church were decorated with white gladioli, carnations and Fuji mums for the marriage of Miss Ellen Katherine Markey to Peter Lincoln Thurmond, which took place on Saturday, October 19th.

The bride is the daughter of Mr. and Mrs. Paul Joseph Markey of 26 Houston street, West Roxbury. Mr. and Mrs. George Murat Thurmond of North Scituate, formerly of Newton, are the bridegroom's parents.

The Rev. John Redding celebrated the 11 o'clock nuptial Mass and read the Papal Blessing. A reception was held at the Main Ballroom of the Sheraton Plaza in Boston.

Escorted by her father, the bride wore a princess gown fashioned of white silk peau de soie. The fitted bodice had a batteau neckline outlined with imported Alencon lace encrusted with seed pearls. The bouffant skirt, accented with similar lace, terminated in a circular cathedral-length train.

Her full-length silk illusion veil fell from a cap of similar jeweled lace. She carried a cascade of cymbidium orchids.

Miss Helen Joan Markey of West Roxbury was her sister's maid of honor. The bridesmaids included Miss Jane Ann White and Miss Adele Marie Chapman, both of West Roxbury, Miss Elizabeth Nancy Scully of Dedham, Mrs. Kevin Eric Kelley of Brighton, Miss Carolyn Frances Durst of Larchmont, N. Y., and Miss Mary Ellen McShane of Chicago, Ill.

George Bruce Thurmond of Acton served as best man for his brother. Ushering were John Chisholm of Wellesley, Leo Winkel of Portland, Me., Charles Sarkis of Milton,

MRS. PETER L. THURMOND (Bradford Bachrach)

Frederic Markey of West Roxbury, brother of the bride, Donald Sullivan of Newton, Robert Murray of Cohasset, Richard McHugh of East Bridgewater and John Gaffey of Medford.

Bermuda was the honeymoon destination of the couple.

Mr. Thurmond is an alumnus of Vermont Academy and Boston University.

The bride attended Notre Dame Academy and Newton College of the Sacred Heart. Mr. Thurmond is an alumnus of Vermont Academy and Boston University.

—The undersigned organizations in a letter
to all 24 Aldermen, Oct. 21, 1963

WHY IS NEWTON IN SUCH A HURRY TO PUT A 5-STORY MOTEL COVERING 2 ACRES 14 FEET FROM THE RIVER'S EDGE, BLACK-TOP 5 1/2 ACRES, AND DESTROY ALL TREES, GRASS AND GROUND COVER ON 7 ACRES OF NORUMBEGA?

"It was announced today by Mayor Donald L. Gibbs that if the Marriott Motor Hotel plan for part of Norumbega Park is adopted, he will appoint a study committee to consider the best use of the remaining Norumbega land."

—From Newton City Hall Executive
Department release, September 26, 1963

Why Study Norumbega After The Motel Has Destroyed Its Invaluable Riverfront?

Rumor: We will lose needed tax dollars...
FACT: THE MARRIOTT MOTEL WILL ONLY MEAN \$2.00 TO \$3.00 ON THE AVERAGE TAX BILL.

Rumor: Marriott will become discouraged if turned down now.
FACT: MARRIOTT'S LEASE ALLOWS UNTIL FEB. 7, 1965 TO HAVE THE ZONE CHANGED.

Rumor: Perini-Kanavos would sell the land to a tax exempt organization.
FACT: MARRIOTT'S LEASE PREVENTS THE SALE OF THIS LAND TO ANY OTHER ORGANIZATION.

We have just spent \$65,000.00 for a Community Renewal Program to Upgrade Parts of the City. THIS SURVEY RECOMMENDS THAT "COMPREHENSIVE COMMUNITY PLANNING BE COMPLETED EXPEDITIOUSLY".

You Have Stated That You Favor Such Planning...

"Planning for the Metropolitan Boston Region and Newton is a must! It permits close inspection of our strengths and weaknesses, thus allowing the updating of our ordinances, administrative practices etc. Costly mistakes can be avoided. Change is inevitable — our task is to guide these changes for the best interest of all Newton citizens."
—Mayor Donald L. Gibbs' response to
League of Women Voters Planning Query,
Published in NEWTON GRAPHIC.

MR. MAYOR: LET'S AVOID COSTLY MISTAKES —
LET'S PLAN FOR ALL OF NORUMBEGA, NOW!

Mr. Aldermen: Once again the undersigned organizations urge you to vote "No" or to abstain from voting on the Marriott petition and to:
... request the Mayor to appoint a Committee of qualified professional planning consultants, including Charles E. Downe, to conduct an impartial study of the whole Norumbega area, not only as an isolated piece of land but with reference to the city as a whole;
... to request that such a study be completed with all possible speed and within the time limits of the Marriott lease.

CITIZENS OF NEWTON:
If you agree with the reasonableness of this request, we urge you to write, wire or phone the Mayor and the following Aldermen and insist upon a qualified study of the whole Norumbega area:

JOHN L. VACCARO

John Vaccaro Seeks Ward 4 Alderman Post

John L. Vaccaro of 150 Islington Rd., Auburndale, who is active in civic affairs throughout the City of Newton, is campaigning for election next Tuesday as Ward Alderman from Ward 4.

Vaccaro is seeking the post on the Aldermanic Board from which Alderman Valentine is retiring.

During his campaign, Mr. Vaccaro, has presented the residents of Ward 4 with his "Program for Newton's Future." In his program he points out some of his views concerning zoning, recreation, human relations and libraries.

For more than 20 years a resident of Auburndale, Mr. Vaccaro attended the Newton Public Schools. He graduated from Boston College receiving his degree of Bachelor of Science cum laude in business administration and was elected to Beta Gamma Sigma, National Honor Society of Business Colleges.

A practicing Certified Public Accountant, John L. Vaccaro maintains his office in Newton. He is a member of the American Institute of Certified Public Accountants and the Massachusetts Society of Certified Public Accountants serving as a member of the Public Relations Committee.

Vaccaro is past-president of the Newton Junior Chamber of Commerce, past chairman of Individual Development for the Massachusetts Junior Chamber of Commerce, and is a third-term Director of the Massachusetts Junior Chamber of Commerce.

Currently the President of the Holy Name Society of Corpus Christi Church, he is also a member of the Newton Chamber of Commerce serving on the Task Force Committee. In addition he has served as captain for several charitable drives and is active in many civic capacities.

Bellotti B'nai B'rith Speaker

Lt. Governor Francis X. Bellotti will speak on "Civil Rights and Government" at the breakfast meeting of the Shoe and Leather Lodge, B'nai B'rith, Sunday, Nov. 3, at Sidney Hills Country Club.

It is anticipated that this meeting will be the first of a series featuring outstanding leaders of the community.

Heavy City-Wide Support Given Grossman Campaign

Jerome Grossman, well-known businessman and civic leader of Waban, who is a candidate for the Newton School Committee stated today that the response from all sections of the city to his campaign has been most gratifying.

"I have been meeting almost every evening with interested citizens in every section of Newton for five weeks. All have been most responsive to my detailed suggestions for improving Newton education," Grossman declared.

"They have agreed with me that modern education requires adequate elementary school libraries which we do not now have. They recognize that the number of guidance counselors in the junior high schools and high schools should be adequate to the objective of enabling each student to reach his maximum potential," he continued.

"The thousands of Newtonites with whom I have been discussing education are agreed that more attention must be paid to the needs of the average child without cutting back on the fine program which now exists for the advanced and slow students.

"A great many voters would like to see a fully integrated cultural enrichment program consisting of live performances of music, drama, dance and opera plus a rotating program of art masterpieces included in the regular curricula of each and every public school," Grossman asserted.

"The citizens of Newton wish to make sure that Newton is on the frontier of education, taking advantage of the latest developments and receptive to innovations and new ideas," he said.

Six Jaycees Seek Offices Next Tuesday

Six members of the Newton Junior Chamber of Commerce will be seeking elective offices next Tuesday.

The candidates and offices are:

Richard Steinberg, Alderman-At-Large, Ward 3.

Herbert Cohen, Alderman-At-Large, Ward 6.

William Johnston, Alderman-At-Large, Ward 6.

H. James Shea Jr., Alderman-At-Large, Ward 7.

John L. Vaccaro, Alderman, Ward 4.

Theodore Green, School Committee, Ward 5.

The Jaycees urge all voters to become acquainted with their candidates and, above all, to vote Tuesday.

Many programs are underway, and the Jaycees invite ambitious young men from all walks of life to consider membership in their organization.

Manpower, they say, is needed in a number of areas, including the Junior Olympics, Junior Golf and Junior Tennis, which they sponsor annually.

Also to come is the Jaycee Distinguished Service Award presented at a gala banquet to an outstanding young man who has made his mark in leadership and community service. The city's citizens make the nominations.

The annual Christmas Shopping Tour for less privileged children is just around the corner. The youngsters are given their own shopping allowance and taken on tour as guests of the members.

Help is also needed to help stage the annual Miss Newton Pageant.

The Junior Chamber meets next on Tuesday evening, Nov. 12, at 7 in the Isle of Capri Restaurant, 97 Elm street, West Newton. John Morgan, executive director of the United Prison Association of Massachusetts, will discuss rehabilitation at penal institutions, and present a new film, "From Criminal to Citizen."

Prospective members desiring to attend the dinner and general meeting should call Jerry Michaels at WO 9-8524.

Church

(Continued from Page 1)

the parish hall has recently been finished and will be dedicated to the glory of God and the religious mind of man on this occasion.

The church has sought to renovate and build a parish unit in such a manner that it will be ready for the changes that occur in urban-suburban church life.

The new building presents a variety of possibilities for a more effective ministry to the community for young and old alike.

The architect of the building program was Tetsuo Takayuki and the contractor the Daley Construction Company, both of Auburndale. The minister of the church is the Rev. Eugene W. Meyer.

JEROME GROSSMAN

Mr. Grossman has a broad background in PTA and education affairs in Newton. A resident of Newton for more than 16 years, he is the immediate past president of the Newton Council of Parent-Teacher Associations, past president of the Warren Junior High School PTA, present member of the executive board of the Newton South High School PTA, member of the Massachusetts High School Principals Scholarship Committee, director of the Newton Civic Association, commissioner of the Newton South Minor Baseball League, president of the Waban Baseball Associates, vice president of the Newton South Little League.

As president of the PTA Council he introduced into the city many new ideas including the establishment of committees on creative arts, PTA program coordination, recreation, school-community relationship, school-community relations.

Mr. Grossman originated and is the editor of the PTA publication "Ideas in Education." He was also one of the founders of the Newton Public Schools official publication, "Patterns."

Mr. Grossman is president of the Massachusetts Envelope Company. He received his A.B. degree from Harvard class of 1938.

Insurance

(Continued from Page 1)

The Mayor also announced award of contract to Blue Cross-Blue Shield to cover hospitalization, surgical and medical benefits for employees for one year from Nov. 1. The contract provides that employees pay the first \$25.00 of charges and balance

is paid by Blue Cross-Blue Shield. The previous contract provided for payment not to exceed \$18.00 per day for hospital room and board.

One half of the monthly premium for insurance and hospitalization paid by the city and one half is deducted from employees' pay checks.

Two other features incorporated in Mayor Gibbs' recommendations, and recently accepted by the Board of Aldermen follow:

Section 11B of General Laws, Chapter 32B as most recently amended by Chapter 847 of the Acts of 1962, providing a program of health insurance only for certain elderly governmental retirees of the City of Newton with 50 percent of the premium and a proportionate share of the

administrative expense to be paid by the City of Newton; Section 9A of General Laws, Chapter 32B as inserted by Chapter 595 of the Acts of 1959 and thereby agreeing to pay 50 percent of the premium cost payable by a retired employee, presently insured in the City of Newton Plan, for group

life insurance amounting to \$1000 and for group general or blanket hospital, surgical and medical insurance. The City of Newton program will now be comparable in benefits to that provided by the Commonwealth of Massachusetts for its employees.

BRAE BURN... Oasis for Senior Citizens

... situated in peaceful setting adjacent to Braeburn Country Club ... provides all facilities of modern, up-to-date nursing home ... for men and women requiring post-hospital convalescent care, for the nursing care of the long-term chronically ill, and as a rest home for retired people in the golden years of life.

The new 80-bed nursing home is housed in a two-story-and-basement brick building of Colonial architecture. It is located in a pleasant residential atmosphere.

Warm mellow pastel colors are used in patients' rooms; rugs and television brighten the living rooms where patients can relax and entertain their visitors and guests; the dining rooms are tastefully decorated in a Colonial theme.

• Special stall showers for handicapped and bed-ridden patients.

• Close attention to dietary requirements of individual patients.

• Occupational therapy and physical therapy.

Brae Burn Nursing Home • Geriatric chairs.
• Modern push-button self-service elevator.

• Hydraulically-controlled patient lift for moving invalids.

• Convenient to stores and Waban MTA stop on the Riverside line.

• Advisory and consulting specialists in addition to full-time nursing staff and other personnel.

Joan Fraticelli Bride Of Dr. Robert L. Frigoletto

The Papal Blessing was bestowed upon Miss Joanne Carol Fraticelli and Dr. Robert Louis Frigoletto when they exchange marriage vows recently at St. Columbkille's Church in Brighton.

Mr. and Mrs. Daniel Fraticelli of 25 Simpson street, Newton, and Dr. and Mrs. Fredric Frigoletto of Fitchburg are the couple's parents.

Following the 10 o'clock nuptial mass, at which two rings were exchanged, there was a reception in Boston.

Given away by her father, the bride's ivory pea de soie gown; applied with hand-sewn pearls, had a scoop neckline and three quarter-length sleeves. The bell-skirt terminated in a full chapel-length train.

A bouffant illusion veil was fastened to her becoming seed pearl crown. She carried a crescent bouquet of phalaenopsis orchids, stephanotis, ivy and champagne-colored pompons.

Miss Marcia Wharton of Brighton was maid of honor, while Miss Angela Salvucci of Brighton and Miss Sue Anne Loftus of Watertown were bridesmaids.

Mrs. H. E. Swinson of Haskell, N.J., was honorary matron of honor for her sister.

Dr. Fredric Frigoletto, Jr., served as best man for his brother. Ushering were Thomas Fraticelli of Newton, Leonard Barbo of Westwood, Dr. Francis Visalli of Belmont and Paul San Clemente of Fairhaven.

Bermuda was the honeymoon destination of the couple, who are living in North Leominster.

The bride was graduated from Tufts University and the Boston School of Occupational Therapy.

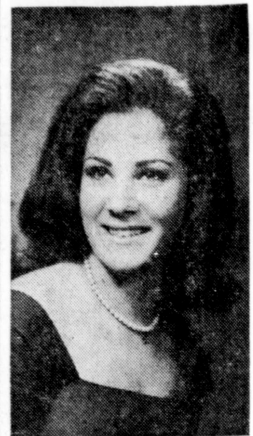

MRS. R. L. FRIGOLETTA
(The Nurses)

Dr. Frigoletto attended Lawrence Academy, the Cambridge School at Weston, Tufts University and the Loyola University College of Dentistry in Chicago.

**Quiet Sir,
Quiet!**

We're talking about the slimmer cut and fabric of our suits — how their character, quality and good taste penetrate in a quiet way. We're also talking about fit, length of jacket, trimmer trousers, treatment of natural shoulders, selection of fabric and good counsel.

If you're a "quiet" man, we'd like to demonstrate how our way of clothing fits into your way of life — Our suits from \$75.00.

Celebrezze Secretary of Health, Education, and Welfare, by Gov. Endicott Peabody at luncheon of the Day Care for Children. Dr. Kreidberg is assistant Pediatrician-in-Chief at the hospital and one of the outstanding pediatric cardiologists in New England.

Women Voters' Finance Drive Volunteers Feted

Luncheon was served last Monday at the home of Mrs. Henry Gesmer for the solicitors who have been working in the current finance drive of the League of Women Voters of Newton.

Highlighting three intense weeks of solicitations, the culmination of days of earnest appeals for community support for the non-partisan organization. It was announced that while response has been excellent, some pledges are yet to be honored and a few people have yet to be contacted.

Serving with Mrs. Gesmer, the chairman, have been vice-chairman, Mrs. Herbert Nachman and secretary, Mrs. Ira Dyer, as well as the following captains: Mrs. Samuel Beaser, Mrs. Melvin Gordon, Mrs. Robert Leventhal, Mrs. Irving Wecker and Mrs. Douglas Reynolds.

Fund solicitors are: Mrs. Proctor Houghton, president, Mrs. B. Alden Thresher, Mrs. Leopold Beckwith, Mrs. Herbert Berman, Mrs. Richard Gladstone, Mrs. Joel B. event — "Newton Centre Days," which begin today, Thursday, and extend through Friday and Saturday of this week.

Under the direction of Jason Sacks, president of the Newton Centre Merchants Association, the three days of Blue Ribbon bargains will have on display just what shoppers have learned to expect — a wide variety of merchandise, all of it modern in character, and all offered at exceptionally low prices.

Experiences over the years taught the people that the things they need and want are obtainable in Newton Centre at prices comparable to those in effect anywhere.

President Sacks has pointed out that Newton Centre shopping is preferable to a great many reasons: 1 — It's a concentrated area. 2 — Every imaginable type of article and store service is obtainable. 3 — Stores offer quality products with low price tags.

Those are just a few of the reasons why so many of the stores have been remodelled in recent years, and have taken pains to diversify their stock. The Centre has become a much more attractive and convenient place for shopping — a fact that is made evident by the increased banking facilities being provided by the four Newton Centre banks.

In preparing for the gala three-day affair, Jason Sacks of Peterson's Jewelry, as president of the Merchants Association, has had the able assistance of Mort Friedman of Browning King and Bernie Dresner of the Langley Food Shop.

Ensign Miller Solos For Navy

Ensign Robert G. Miller, son of Gordon R. Miller, 224 Lincoln street, Newton Highlands, has completed primary flight training at Sauley Field, Pensacola, Fla.

He has soloed in the T-34 Mentor training plane, and shortly will be transferred to another field for advanced training.

The ensign is a 1962 graduate of the U. S. Naval Academy at Annapolis.

His father, "Bud" Miller, is sales manager at Holmes Motors, Newtonville.

Library Needs Cited By Cohen In Election Bid

Attorney Herbert S. Cohen, a candidate for election as Alderman - at - Large from Ward 6, today cited the need of improving Newton's public libraries.

Mr. Cohen explained that Newton's present library system consists of a main library at Newton Corner and 10 branch libraries. In 1876, the main library building was donated to the city. Since its acquisition there have been several additions annexed to the structure. The building does not meet the current needs of the community, and has recently been characterized as a "multi-level jig saw puzzle," he asserted.

A new centrally located main building is required and Mr. Cohen suggested the Mason School site at Newton Centre as a possible location. The branch libraries, which are often inadequate for the areas they service, are scattered throughout the community. Cohen contended that service would be improved and administration costs decreased if branch libraries situated in nearby areas were consolidated and were thereafter strategically located.

"A superior educational system demands as its partner an equivalent library system. It is necessary that Newton's public libraries provide our students with access to a substantial body of diversified reference materials," Cohen stated.

"It is also the duty of the libraries to endeavor to stimulate and encourage our youth in the development of good reading habits. Although minimum standards should not govern policies concerning the rate of acquisition of new books or policies concerning the standards required in the hiring of library personnel, the Newton library system currently is merely adequate in its rate of acquiring new reading materials and fails to meet the American Library Association's minimum standards in that it employs approximately 60 percent of the number of professional trained librarians expected by a library system serving a city of our size."

"Neglect has caused our public libraries to suffer. If I am elected, I shall direct my best efforts to the attainment of a superior library system," Cohen concluded.

Mr. Cohen, who lives in the Chestnut Hill section of the city, has been a resident of Newton for the past 20 years. He attended Weeks Junior High School, is a graduate of Newton High School and Brown University, and received his L.L.B. degree from Columbia University Law School.

As a practicing attorney, Mr. Cohen is a member of the Massachusetts Trial Lawyers Association, the Middlesex County Bar Association and Land Use Committee of the Boston Bar Association.

Long active in civic and fraternal affairs, Attorney Cohen is a member of the Newton Junior Chamber of Commerce and has served the Chamber as chairman of the Distinguished Service Awards Committee. He is also a member of the Henry Price Lodge, A.F.&A.M., Ford Hall Forum, and the Civil Liberties Union of Massachusetts.

Correction

An advertisement was placed in this newspaper on October 17, 1963, by the Newton Citizens Opposed to Compulsory Fluoridation.

The name of Norfolk Fluoridation Service, Inc. was used in the advertisement in a manner that Norfolk Fluoridation Service has protested as

unauthorized and misleading.

This newspaper, in the interest of fair play, has consented to print the following letter from the Norfolk Fluoridation Service, Inc.

Gentlemen:

This is to lodge strong protest against the unauthorized and misleading use of our

name in an advertisement appearing in your paper on October 17, 1963.

Our name was used in such a way that it would seem that we support the views and aims of the Newton Citizens Opposed to Compulsory Fluoridation. We neither support nor sympathize with the aims of this committee.

Two other corrections are

in order. First, although the DEGNA Home Fluoridator was developed under contract with the U.S. Public Health Service, this agency does not approve or endorse any product or manufacturer. Secondly, Norfolk Fluoridation Service, Inc. is not allowed to serve the city of Newton under the terms of our contract with the Degna Corporation,

subsidiary of Pfadler Permutit.

We believe that fluoridation of the drinking water is a great step forward in any community with a municipal water supply. The Degna Fluoridator is the ideal vehicle in areas without a municipal water supply and in areas where municipal fluoridation is not currently avail-

Thurs., Oct. 31, 1963, The Newton Graphic

able or likely to become available within a reasonable period.

We consider it unfortunate whenever and wherever municipal fluoridation is rejected.

A. W. Markell,
President
Norfolk Fluoridation

Women Voters To Sponsor National Program Events

The Newton League of Women Voters will hold units on National Program Planning (First Round) from Nov. 5 through Nov. 7.

At these units, the members will be given an opportunity to suggest and discuss various possible choices for the forthcoming National Program for 1964-66 which will be ultimately adopted at the biennial convention of the League of Women Voters of the United States to be held in Pittsburgh in the spring.

The formulating stage of national program will take place at the following dates:

Tuesday evening, Nov. 5, at 8:00, at the home of Mrs. Lloyd Williams, 30 Jacobs Terrace, Newton Centre, leader: Mrs. Norman Gold; Wednesday morning, Nov. 6, at 9:45, at the Newtonville Library, 345 Walnut St., hostesses: Mrs. Alfred Kornfield, leader: Mrs. Harold J. Stein; Wednesday afternoon, Nov. 6, at 1:15 at the home of Mrs. Ernest Picard, 14 Halcyon Rd., Newton Centre, leader: Mrs. George Girard.

Wednesday evening, Nov. 6, at 8:00 at the home of Mrs. Michael Ambrosino, 566 Centre St., Newton, leader: Mrs. Roy Lapidus; Thursday morning, Nov. 7, at 9:45 at the Newton Highlands Workshop, 72 Columbus St., Newton

Highlands, hostess: Mrs. John Locke, leader: Mrs. Milton Cohen; Thursday morning, Nov. 7, at 9:45 at the home of Mrs. Albert R. Beisel, Jr., 25 Sewall St., West Newton, leader: Mrs. Ira Dyer; Thursday evening, Nov. 7, at 8:00 at the home of Mrs. Robert L. Sandman, 72 Fairlee Rd., Waban, leader: Mrs. Maynard Slessinger.

Newton Women's Federation Has Busy Session

Mrs. William Greely, Newton Junior College librarian, as guest speaker for the recent fall meeting of the Newton Federation of Women's Clubs, gave a comprehensive report on the college, for which the Federation hopes to provide a scholarship.

Miss Adelaide Ball, chairman of the Steering Committee, reported on the progress of the city's mental health program. Mrs. Robert Toher of the city's Recreation Department demonstrated the use of materials given for handicraft on the playgrounds.

Two fund-raising projects were touched on, the annual Woolworth Night on Dec. 2 at 306 Walnut St., Newtonville, and a pop concert to be announced later.

The mid-winter meeting will be held on Jan. 22 at the Newton Centre Woman's Club in conjunction with the 12th District American Home Conference.

Dickinson Field Saturday afternoon.

Both the game at Medford and the one at Dickinson Stadium will start at 1:30 p.m.

Last Saturday was another day of disappointment for Newton High's Tigers as they saw a victory over a rugged Arlington High aggression slip away in the final seconds of the game as Arlington came from behind to achieve an 8-8 tie.

Newton scored early in the first period of the encounter when Harry O'Gorman slashed across from the three-yard line. O'Gorman's touchdown climaxed a six-play, 18-yard march after Roger Watson hit Arlington quarterback Dick Sheehan with a hard tackle, causing Sheehan to fumble.

Watson's fine play put the Tigers in business, and they didn't stop until they had eight points registered on the scoreboard. Steve Carroll rushed across for the two-point conversion after O'Gorman's touchdown.

But that ended the scoring for the day for Coach Jim Ronayne's Newton High charges.

The Tigers showed a stout defense throughout the afternoon, but it wasn't quite stout enough to prevent the Spy Ponders from scoring before time finally ran out. Newton also failed to capitalize on scoring opportunities.

Arlington marched 78 yards but was finally halted at the Newton nine-yard line, with Shattuck, Watson and Evans bulwarking the Tiger defense.

Newton then drove from its own nine-yard line to the Arlington eight-yard stripe, but Fred Magarian fumbled, and Arlington recovered.

Late in the game a 17-yard pass put Arlington on the Newton six-yard line. With only seconds remaining to play, Arlington ground out a touchdown, added the two-point conversion, and the game ended in a deadlock.

Medford, Newton's next opponent, was unbeaten until last Saturday when it was crushed 28-0 by powerful Everett. While the Mustangs will be the favorites on the basis of their record, Newton looms as a good short-end bet.

Newton South nosed out Wellesley 32-28 in a high-scoring game at Wellesley last Saturday.

It was the fourth triumph of the season for the Lions against one defeat and was the first victory they have ever achieved over Wellesley's Red Raiders.

The game was an unusual one in that South scored all 32 points in the first half, 24 of them coming in the second period, and was held scoreless in the second half while Wellesley tallied 12 points. But the Lions held on to win in a squeaker.

Newton South's passing attack featuring quarterback Ted Clarke and end Marke Young turned the tide for the Lions as Clarke and Young teamed up for five completions and one touchdown. It was the fifth successive game

MR. AND MRS. GEORGE B. ROWLINGS

Former Local Couple Mark 35th Wedding Anniversary

Mr. and Mrs. George B. Rowlings of Weston, formerly of Newtonville, were given a party by their relatives and close friends on Wednesday, October 16th, in honor of their thirty-fifth wedding anniversary.

The Rowlings, who moved from Newtonville in 1957, were prominent in both civic and social activities for over two decades.

Mrs. Rowlings was recently cited for her noteworthy service as state president of the Daughters of the British Empire during 1960 through 1962. She is also well-known in both the golfing and bowling inter-community circles.

Mr. Rowlings is a senior partner of the noted Boston law firm of Tyler and Reynolds.

The feted couple have three sons. They are Donald G., an attorney with the Cincinnati firm of Taft, Stettinius and Hollister; Allan W., public relations manager of Fabric Research Laboratories Inc., in Dedham; and Robert S., a first lieutenant in the Air Force, currently stationed at Otis Air Force Base.

In which Young scored on a pass from Clarke.

Young scored another touchdown in the second period on a pitchout from Clarke. The other touchdowns were scored by Clarke and Dick Brodney. Brodney rushed three times for two-point conversions, and Tom Lopez tallied the other two-point on a pass from Clarke.

The Lions will be out to make it five in a row over Lexington Saturday.

Coach George Winkler was elated at South's victory and attributed it to a tremendous team effort.

Rummage Sale Date Set For Centre Women

The Ways and Means Committee of the Newton Centre Woman's Club will hold its annual Rummage Sale at the clubhouse, 1280 Centre street, on Wednesday, November 6, from 10 a.m. to 4 p.m.

Mrs. Frank J. Linehan Jr., chairman, has announced that admission is free, and that there is a wide variety of merchandise from which to choose. Coffee and doughnuts will be served throughout the day, with Mrs. Harold R. Keller in charge.

Treasurers and checkers are Mrs. William E. Connors, Mrs. John P. E. Dempsey, Mrs. Florence Dowling, Mrs. James A. Downing, Mrs. William R. Martineau, and Mrs. Lester Menkes. Posters were made by Mrs. John E. VanderKluis.

Mrs. Stanton J. TenBroeck, club president, is chairman of the Jewel Box, and the Hat Bar will be supervised by Mrs. Wendell R. Freeman. Dresses, suits and coats will be sold by Mrs. Charlotte A. Carter, and Mrs. F. Earle Conn will be in charge of sweaters, blouses, and skirts. The Treasure Table will be headed by Mrs. Stanford D. Blitzer, and the Gift Bazaar will have as a committee, Mrs. Walter S. Anderson, Mrs. Luther Davis, Mrs. George I. Hesslein, Mrs. Fred G. Howe, Mrs. Arthur W. Johnson, Mrs. Arthur E. LaCroix, Mrs. Ralph L. Morse, Mrs. Curtis H. Mosher, and Mrs. Richard B. Oakes.

Others working on the sale are Mrs. Duncan A. Brash, Mrs. Andrew D. Bunton, Mrs. Herbert A. Fischer, Miss Bertha Fisher, Mrs. Robert E. Graham, Mrs. A. Leslie Harwood, Jr., Mrs. Andrew F. Lane, Mrs. E. Tyler Parkhurst, Mrs. E. Farnum Rockwood, Mrs. Kurt Schorr, Mrs. Albert L. Sliker, Mrs. Otis E. Stephenson, Mrs. Walter D. Stewart, Mrs. Oscar G. Wheeler, and Mrs. Dexter C. Whittinghill.

Claflin School Book Fair To Aid Shoppers

More than 400 new books will be displayed at the Claflin School's annual Book Fair the week of Nov. 4, and the general public is invited to attend.

It will be held in the school gymnasium, 465 Lowell Ave., Newtonville, during school hours, and also during the PTA meeting Monday evening, Nov. 4.

All proceeds will be applied to the purchase of books for the school library.

The fair provides an opportunity for leisurely and early Christmas shopping, it is pointed out. In charge are Mrs. Joseph Hallett and Mrs. Donald Nabseth, assisted by Mrs. Charles Brown.

Director of Reading

Dr. Genevieve J. Farley of Newton, assistant professor of English at Calvin College, Boston, has been assigned to direct the college's remedial reading programs. A supervisor of elementary education in the Boston public schools, she holds several degrees and has taught several reading courses in the University Extension program.

Brae Burn Nursing Home Has Modern Techniques

The nursing and rest-home care at the new Brae Burn Nursing Home in Waban reflect a new note in modern techniques and equipment aimed at providing the ultimate in comfort.

Open for public inspection on Sunday afternoon, Nov. 3, at 21 Kinnmouth Road, in the Waban section of Newton, the new two-story and basement Colonial decor building was designed and built specifically as a haven for men and women needing post-hospital nursing, for the elderly, and for the long-term chronically ill.

The living rooms on each floor, with television and modern furniture, provide a friendly oasis for the Home's ambulatory patients and for their visitors and guests. Each floor also has its own dining room, tastefully decorated in a Colonial theme.

Nursing and food are the most important features of a nursing home, in the opinion of Mrs. Ethel Jennings, longtime identified with the nursing-home field in this area.

As administrator of Brae Burn Nursing Home, Mrs. Jennings has complete supervision over its operations, personnel and equipment. She will also personally supervise the daily menus that are prepared by an experienced kitchen staff.

Mrs. Jennings formerly operated her own nursing home, the Peggy Burkhardt Nursing Home in Brookline, for a number of years. For several summers, she was also in charge of the daily feeding of several hundred youngsters attending Camp Wonderland in Sharon.

The next door Braeburn Country Club provides a restful setting to the new nursing home. Also near at hand are stores that make up Waban's shopping section, and the Waban MTA station of the River-sideline.

Every convenience and new facility known to modern nursing principles has been integrated into the new Brae Burn Nursing Home. But despite the great emphasis placed on its new equipment and physical makeup, the Brae Burn Nursing Home's biggest adjunct is its personnel and management know-how.

Mrs. Jennings' background, and her staff's experience in the field of nursing care, are expected to be major factors

in serving this area's nursing care needs.

Several specialists have been retained in an advisory capacity for the new home. They include Paul Michalowski, A.C.S.W., who will be a social work consultant. He is a graduate of the Boston University School of Social Work, and has more than 10 years' experience in public and private social agencies.

Also a consultant to the Brae Burn Nursing Home is Mrs. Irma Koopman, a registered physical therapist with many years' background in this specialized field.

The trim brick building that houses the new Brae Burn Nursing Home in Waban was designed by Richmond & Paley, Boston Architects, and built by Franchi Construction Co., 425 Watertown St., Newton, headed by Pat Franchi, president.

The Newton construction firm has gained a national reputation in the construction field based on a wide range of modern, practical buildings and installations erected for colleges, churches, and for the government.

15 Cub Scouts Receive Honors At Meeting Here

Passing their initial tests in Boy Scouting, fifteen new members of Pack 243 were awarded Bob Cat pins, Cub neckerchiefs and clasps by Cubmaster Emil Wenning, with the help of Assistant Cubmaster Tom Ward, and the boys' parents. Several regular members received achievement awards and den mothers were given membership certificates.

Most of the boys had attended two or more den meetings this fall in groups of four to six boys at den mothers' homes. The seven dens are engaged in general cub scout activities and this month's program on the science of sound. It was emphasized that

it is not too late for more boys to join by phoning Mr. or Mrs. Wenning at 969-7614.

The pack meeting was held at the Beethoven School from 7 to 9 P.M. on Friday, October 25th. After the Bob Cat ceremony, Fireman Lt. Trainor gave a most interesting and instructive talk on fire prevention, safety, and rescue methods. The boys then had a lively discussion with him. This was followed by a magic show given by Mr. Joseph Alexander.

New Cub Scouts are Steven Alexander, Peter Carey, Ghan Caterina, Richard Duffy, Paul Kelley, Tom Lane, Paul O'Connor, Michael Penzo, Godfrey Quinn, Joseph Quinan,

Andrew Sisson, Richard Tedeschi, Paul Wolf, Daniel Merrian, Daniel Guberman. Service stars were awarded to Dean Erickson, Michael Ferrick, Joseph DiNapoli, and Michael Halgren. This year's den mothers are Alice Merrian, Natalie Duffy, Mary Penzo, June Wenning, Kay Erickson, Carmela Rosata, Joan Monahan, and assistants Mrs. Sisson and Mrs. Wolf.

Health Officers Assoc. In Favor Of Fluoridation

The Massachusetts Health Officers Association today joined the Massachusetts Department of Public Health in urging Newton voters to save their \$115,000 fluoridation system by voting "No" next Tuesday on a referendum which seeks to abandon the system only eight weeks after it was installed.

In a unanimous vote of the state-wide public health organization at its regular meeting in Shrewsbury on Oct. 17, the Massachusetts Health Officers' Association reiterated its "wholehearted support and endorsement of community water supplies for all cities and towns of Massachusetts."

The health officers also were unanimous in their recommendation to the people of Newton that they vote "No" on the fluoridation abandonment referendum Nov. 5, "thereby retaining this outstanding public health measure for the benefit of all its citizens."

Dr. Alfred L. Frechette, Massachusetts Commissioner of Public Health, reiterated his department's position that "fluoridation of water presents the best possible method available at this time to reduce the incidence of dental caries."

"No evidence has been presented," continued Dr. Frechette, "to cause the Public Health Council to alter its position. In fact, scientific data have only strengthened this position."

Air Force Lieutenant

College Launches Music Series

Mayor Gibbs receives program from Newton Junior College Art and Music Series from Edward and Mary McCormack, at left, while Charles W. Dudley, college director, looks on at right. (Chaloe Photo)

Junior College Plans Major Culture Series

Mayor Gibbs has congratulated Charles W. Dudley, director of Newton Junior College, on launching the College Art and Music Series which will begin Wednesday, November 6, at 8:30 p.m. at College Hall, Washington Park. The college will present Miklos Schwalb, noted piano virtuoso, in concert. His program will include music by Mozart, Schumann, and Brahms.

Mr. Schwalb is held in high esteem by major critics both for his work in recital and as soloist with major symphony orchestras. Audiences in this country and in Europe have enjoyed his brilliant performances.

Other events of the series throughout the year are: The Canerata, a group of six instrumentalists, who will present a program of medieval music; "The Treasure of Sierra Madre," an American film of unique artistic quality; Louis Speyer, distinguished oboist of the Boston Symphony Orchestra; the Gabrieli String Trio, composed of members of the Boston Symphony Orchestra, who will present an all-Mozart program; Perry Rathbone, distinguished director of Boston's Museum of Fine Arts; the New England Conservatory Opera Group, one of the most exciting and enjoyable of programs in last year's series, and "Look Homeward, Angel," Ketti Fring's adaptation of Thomas Wolfe's Pulitzer Prize novel, presented by the Newton Junior College Drama Club.

Among the honorary patrons of the Newton Junior College Art and Music Series are: The Honorable

Donald L. Gibbs and Mrs. Gibbs, Dr. Charles E. Brown and Mrs. Brown, Mr. and Mrs. Winslow C. Auryansen, Mr. and Mrs. Haskell C. Freedman, Mr. and Mrs. Fred Alexander, Miss Adelaide B. Ball, Mr. and Mrs. Ernest F. Dietz, Mr. and Mrs. Edwin Hawkrige, Mr. and Mrs. Richard G. Mintz, Mr. and Mrs. William Carmen, Mr. and Mrs. Harry L. Walen, Mr. and Mrs. Irving W. Rabb, Mr. and Mrs. E. Graham Bates, Mr. and Mrs. Mario DiCarlo, Mr. and Mrs. Franklin P. Hawkes, Mr. and Mrs. Edward V. Hickey, Jr., Mr. and Mrs. Franklin D. Jerome, Mr. and Mrs. Norman B. Krim, Mr. and Mrs. Herbert W. McGill, Mr. and Mrs. Philip J. McNiff, Mr. and Mrs. John B. G. Palen, Dr. and Mrs. Wendell Yeo.

Among the patrons of the series are: Mr. and Mrs. John C. Brink, Miss Gretchen Clifford, Dr. and Mrs. William B. Knickerbocker, Dr. and Mrs. Paul G. Myerson, Mr. and Mrs. James H. Lewis, Mr. and Mrs. F. Dow Smith, Mr. and Mrs. Norman Rabb, Mrs. Albert Walker, and Representative and Mrs. John W. Whittemore.

Following the concert by Mr. Schwalb, there will be a reception for the artist and guests.

The entire series is free of charge and open to the public. A calendar of events may be obtained by writing to Newton Junior College, 5 Park Place, Newtonville, or by calling Woodward 9-9570.

Armenian Folk Song Teacher To See His Pupils

Haig Merian of 120 Dickerman road, Newton Highlands, is eagerly awaiting the annual appearance in Boston of the "Tamburitzans" of Duquesne University.

A widely known authority on Armenian songs and dances, he was a guest instructor at the summer training camp of the group in northern Wisconsin. The concert in John Hancock Auditorium Saturday evening, Nov. 2, will give him his first opportunity to see his former pupils perform Armenian songs and dances on the stage under lights.

Bentley Alumni Meets On Nov. 7

Middlesex Alumni Chapter of Bentley College will hold its annual fall dinner on Thursday, Nov. 7, in the Charter Room of N.E. Mutual Life Building, Boston, at 6:45 p.m., following a social hour at 5:30.

Among honored guests will be Paul E. Tierney of Newton Highlands, vice president of the alumni's national association.

Among reports by officers will be one by the secretary, Miss Isabella L. Kregesse of Newtonville.

Committee members planning the event include the following: Joseph E. Driscoll Jr., of Newton, Myer A. Shockett of Newton Centre, John J. Leehan Jr., of Newtonville, Richard J. Bullwinkle of West Newton and Robert F. Cedergren of Newton Upper Falls.

Favor Higher Pay For Mayor

George L. White, president of the Newton Chamber of Commerce and of the Newton-Waltham Bank and Trust Company, announces that the Chamber's directors are unanimously in favor of increasing the mayor's salary from \$15,000 to \$20,000 per year.

"These top businessmen," Mr. White stated, "believe that \$20,000 is little enough compensation in the light of the tremendous responsibility put on Newton's mayor."

Brennan Makes Strong Try For Alderman Post

A vigorous campaign is being waged by Richard P. Brennan of 6 Sharon Ave., Auburndale, for an Alderman-At-Large post from Ward 4.

Among the more emphatic points of his campaign, Mr. Brennan has called for "the adoption of a City Planning Department, a study of all city departments to determine whether they are over or under staffed, immediate detailed study of the Urban Renewal Report to facilitate some of its recommendations, and favorable reaction on the part of the aldermanic board in a quest for a broader tax structure."

Long actively identified with city affairs, Mr. Brennan is at present Exalted Ruler of the Newton Lodge of Elks, a member of the Sgt. Daley Post, VFW, a past campaign worker for the Community Fund and March of Dimes.

He is also past vice president of the Newton West Little League, and the league's newly elected secretary.

Woman Member Of Clergy To Speak Nov. 6

On Wednesday, November 6th at 8 p.m. in the Parish Hall of The Newton Highlands Congregational Church, the Women's Association, the Evening Groups and the Men's Fellowship will join together to hear the Rev. Lillian Gregory of the Mass. Council for Lay Life and Work, speak on "The Wholeness of the Church." Worship of joyful singing, led by the Rev. Arthur F. Fultz, will precede the program and a social hour with refreshments will follow.

Miss Gregory serves as co-executive, along with the Rev. Donald Simpson, of the recently created Massachusetts Conference Department of Lay Life and Work. Miss Gregory was born in Lisbon, N.Y.; received her Bachelor of Arts degree from Green Mountain College, in Poultney, Vermont; and the Master of Religious Education degree from Hartford Seminary.

Marks 25 Years Of Breakfasts

Edward I. Rasnick, 63 Cedar St., Newton Centre, will mark his 25th anniversary as chairman of the annual function of the Jewish Big Brother Association of Greater Boston when the JBBA holds its men's breakfast on Sunday, Nov. 10.

He will chair the event, to be held in the Chestnut Hill Country Club, 91 Algonquin Rd., beginning at 9:30 a. m.

Bowen Speaks At Biloxi Meeting

J. Ellis Bowen, the city's sealer of weights and measures, has returned from Biloxi, Miss., where he attended the 18th annual conference of the Southern Weights and Measures Association.

Mr. Bowen spoke on the activities of the Committee on Education of the National Conference on Weights and Measures, of which he is chairman.

BERTRAM PROMBOIN

Promboin Seeks Ward 8 School Committee Seat

In line with his campaign slogan, "Maintain Excellence in the Newton Schools," Bertram Promboin told a gathering of members of the Chestnut Hill Improvement Association that "the voters must pick a man qualified to follow the pattern of previous School Committee members who established the current high standing of the Newton Public School system."

In seeking election as the Ward 8 member on the committee, Mr. Promboin pointed to his educational background, sound business training and years of work in behalf of the schools here.

A graduate of Boston Latin School, Harvard (A.B. in Economics and Government), and Harvard Graduate School of Business Administration, he has served as president of the Oak Hill School PTA, chairman of Pack 72, Norumbega Council, Boy Scouts of America, ways and means chairman of the Committee to Organize a Newton South High School P.T.S.A., chairman of the Education Committee of that P.T.S.A. on its organization, and a director of the Oak Hill Improvement Association.

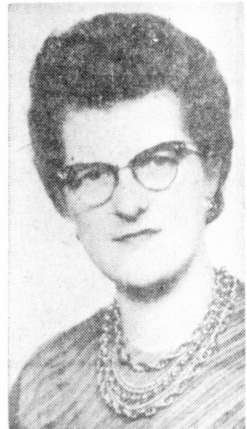

He has regularly attended School Committee meetings, and his informal reports of the meetings to the PTA Council led to creation of the post of Reporter on School Committee Activities to the Council.

Mr. Promboin maintains that his sound budgetary procedure training will enable him to apply a useful administrative technique to program planning and to comparison of accomplishments of past, present and future School Committees. Only by careful scrutiny of results, he insists, can the taxpayers be certain that every dollar appropriated for education is fully and wisely expended.

Mr. Promboin stresses his opinion that his interest, background and experience make him the logical man to occupy the Ward 8 School Board seat and to provide the excellence in performance that the citizens have a right to expect from their elected officials.

Commissary Officer

Second Lieutenant Joel Wise, 23-year-old Newton native, recently assumed the duties of his new assignment as commissary officer of Frankfurt Post in Darmstadt, Germany.

REV. LILLIAN GREGORY

First Church Women To Hold All-Day Event

The Women's Benevolent Society of First Church (Congregational) in Newton Centre will hold an all-day monthly meeting next Tuesday, November 5.

In the morning there will be sewing and surgical dressings, followed by a business meeting. At 12:15 luncheon will be served with Mrs. Milton Grayson and Mrs. Albert L. Sliker acting as hostesses. The worship service, at 1 p.m., will be conducted by Mrs. Warren Ordway.

The program for the afternoon will be "Turning the Pages," with Rev. Lillian S. Gregory, who is an ordained minister of the United Church of Christ, and for 10 years served a parish that was nationwide, seeking to enlist women in local churches in a program of worship, education and service. Miss Gregory was graduated from Green Mountain College, Poultney, Vt., and she also attended the University of Chicago.

Mrs. Frank M. Weiskel is program chairman and Mrs. Gerald R. Cragg is president of the society. All members and their friends are invited to attend this meeting.

Well informed or misinformed—which are you?

It depends to a great extent on which newspaper you read. If you read only one paper and that one happens to be "pro" this or "pro" that, then chances are you'll end up believing exactly what that paper wants you to believe—and nothing more. On the other hand, if you want to understand both sides of all important issues, then you won't be satisfied with anything less than a newspaper such as The Boston Globe. The Globe gives you the news—all of it—national, international, local. And The Globe gives you complete coverage of sports, political, medical, science and religious news. Moreover, The Globe gives you both sides of the news—in depth—which is most important in a day when so many of the issues that make up the news are controversial. Want to be well-informed? Get both sides: get The Boston Globe. If you'd like to have The Globe home delivered, just phone AV 8-8000. PUTS THE WORLD AT YOUR FINGERTIPS

JEROLD WISE

Jerold Wise Determined To Meet Issues

In his campaign for election from Ward 8 as Ward Alderman, Jerold Wise of 39 Nickerson Rd., Chestnut Hill, whose business is cotton textiles, states that he is "running on a basis of issues, and not merely conducting a personality parade."

He adds that "I deplore the archaic system of their presumptive for public office. I am meeting the issues of inequitable assessing practices in Ward 8 without fear of repercussion from Aldermen in the wards having favored real estate valuations."

"Rather than remaining passive, I am speaking out on the issues," he continues, and calls attention to the fact that "I am the only candidate in six years in Ward 8 who for the second time is willing to challenge an incumbent, thereby reversing the trend of unopposed Aldermanic elections in the ward."

Ward 8, he insists, "is the most heavily taxed ward in the city, and lacks some of the services provided in other parts of Newton."

"Recreational facilities for a city of Newton's size are inadequate and corrective measures should be applied there too."

Wise says he can find no reason why a city such as Newton should have grammar school libraries supported and staffed by parents. He says he favors urban renewal, and charges that the talk so far is all in generalities. A more concise plan should be worked out and put into effect, he adds.

Long active in civic affairs, Wise is connected with Temple Beth Avodah, is chairman of membership for the congregation and is on the temple's board of directors. He has worked on local charity drives and in Combined Jewish Philanthropies.

RICHARD H. STEINBERG

Steinberg Goes Door To Door In His Campaign

Richard H. Steinberg, seeking election as Alderman-At-Large from Ward 3, continued his door-to-door canvass of the voters of Newton this week.

Over the last four weekends Steinberg, with his corps of energetic men and women, talked with voters in their homes and on the streets.

Following his many meetings with voters, Steinberg commented: "My canvass convinces me that there are numerous problems facing Newton and that the time for their solution is now, before they become insoluble."

"The people of Newton have indicated they know I care enough about these problems to take the necessary steps to contain them and to eradicate them."

In his talks, Steinberg called the attention of the voters to their right to elect 16 Aldermen-At-Large, two from each of the city's eight wards.

He gave his pledge that as Alderman-At-Large he would be a full-time representative, and would devote himself to the needs of the people through responsible government.

Ride A Broom, Emblems Urge

Newton Emblem Club No. 8 has scheduled its Halloween costume dance for Saturday, Oct. 26, in Elks Hall.

Florence McLaughlin is chairman, and Mae Dodson co-chairman.

Witches, goblins and their running mates will be out to win costume prizes, and there will be refreshments, so all are urged to straddle a broom and fly hallward.

NORMAN S. BERKOWITZ

Berkowitz Says Training Asset On School Board

In seeking to represent Ward 8 on the Newton School Committee, Norman S. Berkowitz, 140 Pine St., Chestnut Hill, a stock broker associated with a Boston firm, stresses his financial background as the sort of training that would enable him to render valuable service on the School Board.

"With my complete and comprehensive background in the financial world, and a thorough training to attain my current fiduciary position," he says, "I expect to become an integral part of a team composed of the mayor, aldermen, educators, and other officials designed to operate our city which includes, among its public facilities, an excellent educational combine."

"I also desire to continue to make the fullest use of our school facilities for outside activities, such as youth and cultural programs."

Berkowitz, who has four sons attending Newton schools, has been active in civic affairs during his 15 years as a Newton resident, having served as president and treasurer of the Oak Hill Park Association and as vice president of the Williams School P.T.A.

He is a member of Temple Emanuel in Newton and of Garden City Lodge AF & AM. He has been a scoutmaster here since 1959.

State Health Commissioner Urges Fluoridation Support

Dr. Alfred L. Frechette, State Commissioner of Public Health, today urged Newton citizens to vote "NO" on the fluoridation question in their election next Tuesday.

Dr. Frechette said that Newton, like most Massachusetts communities, has a serious shortage of the natural element fluoride in its drinking water. Adding a small amount of fluoride (called fluoridation) to raise the content to the desirable level will enable children to grow stronger, decay-resistant teeth, he stated.

"If fluoridation is continued, we can expect tooth decay among school children to be cut by 60 per cent," said the Commissioner. "Many parts of this country and the world have adequate amounts of fluoride occurring naturally in the drinking water, and the people in these places have far less tooth decay than we do."

Tooth decay, while less dramatic than cancer or polio,

causes a great amount of human misery and serious health complications, Dr. Frechette indicated. Once started, tooth decay progresses and unless it is checked, all the affected teeth are destroyed. Teeth, unlike other parts of the human body, cannot heal themselves, he declared.

How extensive is tooth decay in Newton?

"Tooth decay of serious proportions exists in Cambridge and Newton," said Dr. Frechette, "and will continue to exist unless fluoridation is continued."

Fluoridation is not a new measure, national health records show. It is widely practiced in the United States, with over 2,400 communities supplying over 52 million people with the essential nutrient, fluoride. In Massachusetts, 25 communities fluoridate their water; some have been doing it for over 12 years, Dr. Frechette reported.

"Fluoride pills advocated as a substitute for public fluoridation are not the answer,"

emphasized Dr. Frechette. He pointed out that "water fluoridation is the only method of providing nutritional fluorides approved officially by the United States Public Health Service. It is the only method of supplying fluorides to a population that could be guaranteed to be safe, effective and economical."

Hospital Jr. Aid Plans Coffees

Get-acquainted coffee hours have been set for prospective members of Newton-Wellesley Hospital Junior Air Association.

Mrs. Norman E. MacNeill of West Newton will entertain at the first one on Wednesday, Oct. 30, at 10 a. m.

Mrs. William P. Ripley of Newton Centre and Mrs. David L. Currier of Newton Lower Falls will have coffees on Nov. 5, and Mrs. Carl L. Recco of Auburndale will be the hostess on Nov. 6.

A tea for new members will be held Dec. 3 at the home of Mrs. Samuel L. Lowe Jr., of Newtonville.

Local Girl Joins Staff Of S. A. Maternity Home

A Newtonville woman, graduate of Newton High School, Lasell Junior College and Simmons College, where she majored in Social Science, has joined the staff of Brigadier Frances E. Stiffin, administrator of the Salvation Army's Booth Memorial Maternity Home.

Miss Sallie Flowers, daughter of Mr. and Mrs. George A. Flowers, 240 Harvard Cir., will be an intake worker. She is taking graduate work at Boston College School of Social Work.

At Booth Maternity Home, according to Brigadier Stiffin, Miss Flowers will assist in the confidential, specialized service to unmarried, expectant mothers, providing social service, counseling and care to nearly 500 girls each year, returning them to their normal places in society.

Political Highlights

(Continued from Page 1)

Former U. S. Attorney Elliot Richardson of Brookline also is regarded as a possible contender for the Governorship although his plans are considered less certain than those of Graham and Volpe.

Now a trial balloon for Perry is being sent up. Perry, who is known across the Commonwealth for his dogged investigation which exploded the waterways scandal, would be a potent candidate for the Governorship if he agrees to make the run.

Pamphlets containing a collection of editorials and columns on Perry's efforts as an energetic crusader against wrongdoing in government have been mailed to delegates to last year's Republican State Convention, the chairman of GOP ward and town committees, the heads of Republican clubs and GOP legislators.

Accompanying the pamphlet is a letter from Representative Robert C. Hahn of Stoughton who, without directly saying so, makes it plain that he is starting a gubernatorial boom for Perry.

Hahn was Perry's floor manager at the 1962 Republican State Convention when the Duxbury man won the endorsement for Lieutenant Governor.

The Stoughton legislator points out that Perry last year came closer to winning a "secondary" constitutional office than any Republican since Sumner G. Whitier.

He cites also that Perry proved his ability to pull Democratic and Independent votes, that he made a good showing in such Democratic strongholds as Boston, New Bedford and Pittsfield and topped the entire Republican ticket in Democratic Bristol County.

Hahn declares—and with considerable justification—that Perry has a record of significant accomplishment as a fighter against corruption which Republicans could sell to the voters.

"If we are going to survive the devastation of the Democratic redistricting, our party needs to turn to a leader like Frank Perry, known and respected by Mr. and Mrs. Average Citizen," Hahn asserts in concluding his appeal for Perry.

There is little doubt that Perry would be a strong standard-bearer for his party if he should be nominated as its candidate for Governor.

The fact that Perry was defeated last year for the Lieutenant Governorship would not disqualify him from running for higher office.

Political history has shown that in Massachusetts a Republican has a much better chance of winning election as Governor or U. S. Senator that he does of achieving a lesser State constitutional office.

Leverett Saltonstall, for example, came back to win the Governorship two years after he was beaten for Lieutenant Governor. So did the late Paul A. Dever.

Although out of office at the present time, Perry is working as a \$1-a-year aide to Attorney General Edward W. Brooke. Whether he actively seeks the GOP nomination for Governor probably will depend on the reaction of Republicans to the letter sent out by Representative Hahn.

Benefit Car Wash Saturday By Teen Group

The Newton High School Key Club will sponsor a benefit car wash on Saturday, November 2nd, at the Newton Community Centre, Cherry street, West Newton.

The club is affiliated with Kiwanis and is a public service organization dedicated to helping worthy causes.

This year the club has thirty-four members under the leadership of Robert Bullock, president, and Jan Volk, vice president. Kenny Fises heads the car wash committee and is assisted by Jeffrey Michelson.

Mary Bonnar's Oils Being Shown

Landscapes in oil, the work of a member of the Newton Art Association, Mary A. Bonnar, 49 Judkins street, Newtonville, are on exhibition at the West Newton Cooperative Bank.

Mrs. Bonnar, widow of James King Bonnar, internationally famed artist, is a member of the Copley Society of Boston, the North Shore Art Association, Concord Art Association and other groups.

Her paintings have won recognition over a long period.

Rated Clerk-Typist

The name of Patricia A. Reardon, 38 Shady Hill road, Newton Highlands, has been added to an alphabetical list of 47 women and four men found eligible by the director of civil service for the rating of senior clerk-typist in the park engineering division of the Metropolitan District Commission.

GOP Leadership Inept in House

One of the things which is hurting the Republican party in Massachusetts is its inept leadership in the House of Representatives.

GOP Senate Leader Philip A. Graham is an effective, articulate, hard-hitting spokesman for his party in the upper legislative chamber.

But Republican House Leader Sidney Q. Curtiss creates the impression of being a fumbler and a bungler who is incapable of any real degree of leadership for the GOP minority in the House.

There are some extremely able Republicans in the House. Representative Mary Newman of Cambridge, for example, is outstanding. And there are a few others who command real respect.

But most of them apparently are satisfied to bumble along in their own political rut, play the political ball game and accept the lackluster leadership provided by Representative Curtiss.

An attempt was made at the start of this year to depose Curtiss, but he managed to survive the challenge.

Responsible Republicans, however, are beginning to realize that their party needs more vigorous leadership in the House than Curtiss is able to provide unless it is going to just wither away.

Bay State Republicans Back Away From Barry

A number of shrewd Republican leaders are becoming increasingly aware that Senator Barry Goldwater would be a millstone around the necks of many GOP candidates in Massachusetts next year if he were nominated for the Presidency.

That is why they are unable to understand the political thinking of those prominent Bay State Republican figures who are beating the drums for Goldwater and striving to line up delegate support for him in Massachusetts.

It is why Senator Leverett Saltonstall and a number of other influential GOP leaders will wage a do-or-die fight to prevent the Massachusetts delegation from being pledged to Goldwater.

Their feeling against Goldwater doesn't stem from the fact that he couldn't carry Massachusetts. They realize that President Kennedy is unbeatable in his home state and that neither Goldwater nor any other Republican nominee for the Presidency could wrest it away from him.

They are fearful that the nomination of Goldwater would drive thousands upon thousands of persons away from the Republican party who normally might vote for GOP candidates.

Goldwater has a hard core of articulate, ebullient right-wing supporters who generate a lot of enthusiasm and make a lot of noise.

But he has no appeal whatever for liberal Republicans who do not believe that the political clock should be turned back to the McKinley era.

Able Senator Jacob Javits of New York, for instance, has refused to say that he would support Goldwater if the Arizona Senator should be nominated as the Republican candidate for President.

Javits obviously is unsure that he could stomach some of Goldwater's ideas.

Goldwater is a right-wing reactionary on domestic ideas.

And his explosive statements on international matters cause many thoughtful people to wonder if he would plunge us into a nuclear war if he were to assume the Presidency.

Goldwater's pronouncements on what he would do about the Berlin Wall, Cuba, Vietnam and the United Nations make interesting listening at Republican fund-raising dinners and draw volleys of cheers.

But the cheers would subside quickly if Goldwater were in the White House where he was in a position to put his ideas into operation.

Goldwater's supporters now declare that he was just jesting when he declared in a speech that it would be a good thing if the eastern United States were cut off from the rest of the nation and allowed to float out to sea.

He probably will be wishing that really happened if he ever gets the Republican nomination for President.

With a steadily increasing number of Republicans coming to realize the political consequences for their party, especially in industrial States, if Goldwater were to be given the Presidential nomination, it is looking more and more as if Richard M. Nixon will be asked to make the fight against President Kennedy a second time.

Vote "Yes" On Mayor's Raise, Freedman Urges

School Committee Chairman Haskell C. Freedman yesterday urged the people of Newton to vote "Yes" on Question No. 1, which would increase the mayor's salary from \$15,000 to \$20,000 a year.

"The community of Newton has been fortunate through the years in having competent men of integrity serve as Mayor of the city," Freedman declared.

"The office of Mayor has for some time been more than a full-time job, and if Newton is to continue to attract men of quality to seek this office of many important responsibilities and with supervision of an overall annual budget of about \$25,000,000, then it is necessary that the salary for the office bear some relationship to its responsibilities," he said.

"Also, the present ceiling of \$15,000 for the office of Mayor or serves as a depressing factor with respect to compensation paid important heads of the various departments of the city which should also be increased in order to retain and attract competent men to fill these vital positions."

"One of the factors that has contributed to the national reputation for excellence of the Newton public schools has been the quality and stature of personnel employed by the Newton School Committee. The Newton School Committee has always sought to have the compensation paid its personnel have some relationship to their professional contributions."

"In the same manner I suggest that Newton can continue to attract good people to seek the office of Mayor—and to retain and attract good department heads by voting YES on Referendum No. 1 on November 5, 1963," School Committee chairman Freedman concluded.

Chapt. 114, O.E.S. To Conduct A Pumpkin Fair

Palestine Chapter No. 114, O.E.S., has scheduled a "Pumpkin Fair" for Saturday, Nov. 9, from 10 a. m. to 8 p. m., at the Masonic Temple, 460 Newtonville Ave., Newtonville.

A snack bar will be open until 1:30 p. m., and from 5:30 to 7 p. m. a turkey dinner will be served. The latter is by reservation only, and Mrs. Jane Marston should be called at BI 4-6075 before Nov. 6.

Mrs. Mildred Broderick and Mrs. Beatrice Pray will be in charge of the snack bar. Mrs. Sarah Temperly will supervise the dinner.

A free baby sitting service will be provided, and for that, Mr. and Mrs. Melvin Laurie will be on duty all day.

General chairmen for the affair are Mrs. Jean Brennan, Mrs. Patricia Ingalls, Mrs. Charlotte Lowery and Mrs. Gladys Bishop.

Decorations will be the responsibility of Miriam Morrow, and publicity is in the hands of Mrs. Margaret Page.

In charge of tables will be: Arts and crafts, Mrs. Patricia Ingalls; ceramics, Mrs. Myrtle Kelly and Mrs. Yadviga Lamont; jewelry, Emily Dolbier and Mrs. Hilda Stewart; food, Mrs. Avis Eldert; candy, Mrs. Grace MacPhee and Mrs. Mildred Strange; hand-painted articles, Mrs. Miriam Sawyer; what-nots, Mrs. Helen Crandall; aprons, Mrs. Marguerite Packer, Mrs. Barbara Burkhardt and Mrs. Dorothy Mackay; Christmas decorations, Doris Fogg, and children's table, Mrs. Jane Stomberg.

Seek Musicians

A small Newton group of recorder players, amateurs who play for pleasure, would like to add to their ensemble, and could use a cellist or bassoon player. The number to call is LA 7-7420.

FLUORIDATION AND MOTTLED TEETH

WHAT IS MOTTLING?

Mottled enamel is "a chronic endemic dental fluorosis that is found in communities using a drinking water that contains ONE PART OR MORE OF FLUORIDE PER MILLION. The permanent teeth of children so raised tend to erupt more or less chalky white in color and later tend to become pitted and stained yellow, brown, or almost black." (Dorland's Illustrated Medical Dictionary, 21st Edition)

NEW EVIDENCE OF DAMAGE TO TEETH AND BONES

"Tooth enamel is likely to be mottled in a person whose customary water supply has a fluoride content of 1 part per million or more. A scattering of white opaque patches on the enamel is probably the earliest visible sign of mild fluorosis. With progression, a brown stain develops and the enamel becomes pitted and may be chipped at the edges. Roentgenographic examination may show irregularities of the roots, calcified masses in the apical regions, and occasionally periapical root resorption." (Drs. Singh, Jolly, Bansal and Mathur—Modern Medicine, September 2, 1963)

HOW MANY NEWTON CHILDREN WOULD SUFFER FROM MOTTLED TEETH?

According to the U.S. Public Health Service, 10 to 20 percent of the children drinking water fluoridated at 1 ppm will experience mottled tooth enamel. Based on the 17 percent mottling in the Newburgh, New York experiment, one Newton child out of very six may suffer this affliction if the public water supply is fluoridated.

ARE MOTTLED TEETH OBJECTIONABLE?

Promoters of artificial fluoridation contend that this mottling is "not objectionable." This should be decided by the person whose teeth are afflicted or by his parents, not by the arbitrary assertions of public officials.

WHAT DO THE WHITE SPOTS MEAN?

White spots on the teeth are the first signs of fluorosis (fluoride poisoning). Any drug powerful enough to have such a dramatic effect upon the teeth, the hardest substance in the body, must also have a serious effect upon the bones and the soft tissues. "Better understanding of the diagnostic significance of 'white spots' becomes an urgent necessity today in view of the large scale experiments with fluoridation of certain public water supplies." (Dr. F. O. Hurme, former Director of Research, Forsythe Dental School)

PROGRESSIVE DISINTEGRATION OF MOTTLED TEETH

1. "There is ample evidence that mottled teeth, though they may be somewhat more resistant to the onset of decay, are structurally weak, and that unfortunately, when decay does set in, the result is disastrous." (M. C. Smith and H. V. Smith, "American Journal of Public Health," (30:1050-1051)
2. "Once a mottled tooth starts to decay, it deteriorates rapidly, as they are difficult to repair because of the brittle enamel and the hard dentine." (C. H. Boissevain, "Colorado Med.," vol. 30)
3. "When the teeth do decay, the frail condition of the enamel makes it extremely difficult to make good and effective fillings. For this reason many individuals will lose their teeth because of caries, though the number of carious cavities is fewer than elsewhere." (G. V. Black, "Dental Cosmos," vol. 58)
4. "Teeth affected with mottled enamel . . . erupt showing a dull, chalky, white appearance which in many instances later takes on a characteristic brown stain, the frequency of the stain increasing with age." (H. Trandley Dean, so-called "Father of Fluoridation, Journal of the American Medical Association")

THE VOLUNTARY WAY PROVIDES FOR INDIVIDUAL CONTROL

Under an individual fluoride program supervised by a child's own physician or dentist, when mottling of the teeth or other symptoms of fluoride poisoning appear, the dosage can be reduced.

Many local pediatricians in Newton were already prescribing drops or tablets prior to fluoridation and prior to the warning of the Newton Health Department against using tablets and fluoridated water.

The Newton Citizens Opposed to Compulsory Fluoridation has proposed that free fluoride be made available on a voluntary, individual basis for those who wish it. THE VOLUNTARY WAY thus avoids compulsion, allows parental choice, provides for a personal fluoride prescription, and protects the one child in six who might be susceptible to mottled teeth. Isn't this a better way.

He resides in Newton with his wife Pauline and two children, Linda, a student at the Brimmer and May School, and Roger, a student at Roxbury Latin School.

DR. D. A. WAITE

Dr. Waite Would Return Bible To Newton Schools

The Rev. Dr. D. A. Waite, pastor of Faith Baptist Church, Newton Corner, cites an imposing educational background in campaigning for membership on the Newton School Committee from Ward 1.

"With more than 13 years of schooling beyond high school that led to the A.B. degree in classical Greek, the M.A. degree in Speech, the Th.M. degree in New Testament Greek, the Th.D. degree in Bible Exposition, and the Ph.D. degree in Speech, my interest and familiarity with educational matters goes without saying," Dr. Waite declares.

"In addition to my own schooling," he continues, "I gained insight into the problems involved in the educational process by valuable teaching experience in the following institutions: The Southern Bible Teaching School for Negroes in Dallas, Texas, Dallas Bible Institute, Cedarville Baptist College in Ohio, Purdue University, University of Maryland, Far East Extension Department in Okinawa and Shelton College in Ringwood, N. J."

Dr. Waite saw approximately five years of World War II service as an overseas Navy chaplain. In addition to his many pastoral duties, he has served since last June 17 as assistant to the founder of the John Birch Society.

Dr. Waite describes the basic platform on which he is running his campaign as the issue of Bible reading in the Newton public schools.

In that connection, he says, "I believe that the Massachusetts General Laws, Chapter 71, Section 31, still exists, is binding, and must be obeyed by the Newton School Committee."

Martha-Dorcas Military Whist Tomorrow Night

A Military Whist will be held at the Newton Highlands Congregational Church Friday evening, November 1st at 8 o'clock, under the sponsorship of the Martha-Dorcas Guild. There will be refreshments and prizes and an evening of fun for all attending.

Mrs. Howard Jacobs is president of the Guild and Mrs. Arthur Marden is in charge of tickets. Late comers will be admitted at the door.

Engineer Made Army Lieutenant

Second Lieutenant Eliot F. Tucker, son of Mr. and Mrs. Francis E. Tucker, 17 Goddard St., Newton Highlands, has completed a nine-week officer orientation course at the Engineer Center, Fort Vlelor, Va.

He was given instruction in the duties of a newly commissioned officer in the Army Corps of Engineers.

A 1962 graduate of Northeastern University, he earned his Master of Science degree at California Institute of Technology, where he majored in civil engineering, specializing in sanitation. He is a member of Tau Beta Pi fraternity.

Pioneer Women Meet On Nov. 6

Mrs. Frederick Greene of Newton, president of the Greater Boston Council of Pioneer Women, announces that the council will meet in Hotel Bradford, Boston, Wednesday evening, Nov. 6.

Those invited to attend other than club presidents and council delegates are all project chairmen. An attendance of about 75 women is expected. Discussions will be held on the forthcoming Workshops to be directed by Mrs. Sara Halperin, a member of the National Board, who has spent two years in Israel. Refreshments will be served, followed by a social hour.

I pledge to do my best to see that the Bible is again returned to the Newton schools, in conformity to Massachusetts law, the Supreme Court decision of June 17, 1963, for Pennsylvania and Maryland, Attorney General Brooke, Commissioner of Education Kiernan, Governor Peabody, and the present members of the Newton School Committee without exception, notwithstanding."

Pats' Season Ends With Win

Their final game of the season saw the Newton Patriots clobber Brookline 26 to 8 on Albermarle Playground Sunday.

Their Pop Warner Football standing when it was over was five wins and two losses.

Sunday's game featured a 60-yard pass play from quarterback to Bill Ellingwood for a score, and a dash of 68 yards by Fran Delicandro for another, both in the opening quarter.

Congregational Women To Meet

Members of the Women's Association of Central Congregational Church of Newtonville will meet at the church on Wednesday, Nov. 6.

The sewing and surgical dressing groups will meet at 10 a.m., and luncheon will be served at 12:30 p.m. At 1:30, Mrs. E. E. Jullierat Jr., will talk on "The Baldwinville Protestant Youth Center." Mrs. Robert J. Harding will lead the devotions.

Chairmen of the meeting are: Luncheon, Mrs. Edward Carl and Mrs. Henry Myers; dining room, Olive L. Reynolds; decorations, Mrs. Francis Dahl, and program, Mrs. Wallace M. Ross.

Fitness Talk For Garden Club

Feature of the Nov. 4 meeting of the Auburndale Garden Club will be a talk, "Are You as Fit as Your Garden?" by Mrs. Felicia Kuttan.

The program will be preceded at 1:30 p.m. by a business session presided over by the president, Mrs. Richard L. Kenney. The arrangements are being handled by Mrs. Frank C. Meyer.

The meeting is to be held in the home of Mrs. Ralph D. Weston, 59 Grove St., Auburndale.

THEODORE G. GREEN

Green Sees Too Much Teacher Turnover Here

Theodore G. Green, who is seeking election as the School Committee member from Ward 6, hammered at length this week on the teacher turnover problem in Newton's public schools.

Urging the voters to consider him as "a young man who is firmly committed to action with the eventual hope of reducing it," he termed the problem one that must be "looked into, analyzed and tackled."

"Newton does have a teacher turnover problem," Green says, adding that "Dr. Brown, our superintendent of schools, Haskell Freedman, chairman of the School Committee, and the Committee itself all acknowledge it."

"Dr. Brown, on the one hand," he goes on to say, "would prefer to have a bright and gifted woman teacher for but three years, rather than an adequate teacher on tenure. He does not want to build stability if he must do so with teachers who are only adequate."

"Some School Committee incumbents state we cannot control married women teachers from becoming pregnant. Since Jan. 1 of this year some 150 teachers have resigned. Of these, 25 percent were male and 33 percent were unmarried women. Therefore, 58 percent of the teacher resignations this year to date do not fall into the pregnancy class. There must be other reasons for the teacher turnover problem."

"Haskell Freedman wrote in January, 1963, that your teacher turnover is at an all-time high," and then he went on to say that increased teacher salaries should make us competitive, with certain exceptions. However, he added that the situation should be analyzed. It is now going on 10 months, and I can see no apparent action by Mr. Freedman regarding our teacher turnover problem."

"Another aspect to consider is, why hire some 275 teachers (including 100 part-time teachers) to replace 150 who resigned?"

"School Committee minutes show no mention at all of a discussion of the problem. It has met some 25 percent of the time since the first of the year in executive session, not open to the public nor reported by the press. It may well be that our teacher turnover has been extensively discussed in executive secret session, but I think this was a matter for open meeting."

"Has anyone considered why we might have such a turnover? I propose the following several reasons, among many, although the subject must be extensively researched before corrective action can be taken:

"1—Some teachers may not like being part of a progressive school system."

"2—New teachers may want to be associated with the system for a year or two so they can write their own ticket in another community."

"3—The school system may feel that it can save money by hiring new teachers at lower salaries rather than renewing contracts of the older ones."

"4—There may be too much supervision of teachers, both by parents and by the school system itself."

"5—Perhaps there are too many women teachers, just graduated from college, and not enough men."

"6—There is no adequate minimum teaching requirement after college graduation."

be followed by dinner at 6:15 and the meeting. Conservation temple leaders are asked to make reservations immediately at the regional office in Brookline.

Players Offer First Saturday Show On Nov. 2

The Wellesley Players will present their first production of the season, "Simple Simon" at the Spaulding School auditorium on Saturday, November 2nd at 2 o'clock.

This will be the first Saturday afternoon program of the year sponsored by the PTA. Tickets will be available at the door.

Art Association To Show Films

Three motion picture films will be presented by the Newton Art Association in Beethoven School, Waban, on Thursday evening, Nov. 7, at 7:30.

They are Grumbacher's "Exploring Casein," Elliot O'Hara's "Brush Technique," and "What Is Painting?" by John Canaday.

Friends are invited to attend the meeting, which will be followed by refreshments.

Lesley Alumnae Plan Silver Tea

One of the committee members planning a Lesley College Alumnae Association silver tea to be held at the college Sunday, Nov. 3, is Adele Gruener of 457 Centre St., Newton, a member of the class of 1920. The event will include a Christmas sale.

Halloween will find more than just youngsters out roaming around in old clothes and funny costumes. There are also some men who can induce a few screams of shock and horror when venturing forth in their everyday garb.

The season of the "Great Pumpkin" always seems to bring out the worst in the best of men. If only they'd gaze around at some of the fine men's wear items being shown today.

They'd quickly put aside their thoughts of hobgoblins and weirdies in white sheets if they could drink in the eye-sparking goodies that make up the men's fashion picture today.

There is a smartness and elegance reflected in today's men's clothing such as most men have never seen. Suit and coats are slimmed down in silhouette, and toned down as far as colors are concerned, with lights and brights making new headway.

Trousers of the suits, as well as slacks for leisure-wear occasions, have had a few reefs taken in. Now, a man walking along in a stiff breeze doesn't have the billowing appearance of some entry in the America's Cup Races.

Colorful sports outerwear and knitgoods have also brightened up the men's feeling for smart attire in their spare time. No sense getting arrested for vagrancy while working around the house or doing the weekend shopping!

Yes, the present men's wear scene is an awesome sight. It's not the pumpkin-in-the-window kind of awe. Rather, the awe that denotes eye-sparking pleasure.

A number of leading Newton citizens, including School Committee Chairman Haskell C. Freedman and Alderman Earle D. Wood, have urged a "Yes" vote on that referendum, asserting that a \$20,000 salary will be necessary to in-

duce outstanding men to stand for the office of Mayor in the future. Actually, the salary could be raised by a vote of the Mayor and Aldermen. However, Mayor Donald L. Gibbs took the position that he would not consent to a raise in the mayoralty pay without the matter being submitted to the voters.

of the city for their approval.

Gibbs declared that he had confidence in Newton citizens and would leave the matter up to them.

Persons in private industry who assume responsibilities comparable to those of the Mayor of Newton usually receive substantially more than \$20,000 a year.

Several unusually interesting battles for places on the School Committee will be decided when the returns are counted next Tuesday night.

One contest commanding widespread attention is being waged between Jerome Grossman, well-known businessman and civic leader, and Committeeman Edwin Hawkridge for the right to serve as the School Board member from Ward 5.

Grossman and Hawkridge are both Waban residents. Grossman resides at 115 Dorset rd., Hawkridge at 92 Windsor rd.

Opponents in an interesting fight for the seat as School Board member from Ward 2

are Committeewoman Norma W. Mintz and Richard C. Huselbee.

Four former School Committee chairmen—Ralph W. Taber, David W. Tibbott, Dr. James B. Palmer and Henry W. Keyes—along with Chairman Haskell C. Freedman, present School Board head, joined yesterday in urging the election of Mrs. Mintz.

A three-way battle will be decided next Tuesday for the post Spencer F. Deming is relinquishing as School Board member from Ward 6. Contenders in that race are Norman S. Berkowitz of 140 Vine St., Chestnut Hill, Bertram Promboin of 4 Placid rd., Newton Centre, and Dr. Way Dong Woo of 70 Burdean rd., Newton Centre.

The Rev. Donald A. Waite, pastor of the Faith Baptist Church, is opposing Committeeman Francis P. Frazier for the School Committee post from Ward 1. Dr. Waite is an assistant to the founder of the John Birch Society.

CONFUSING? YOU BET.

YOU HAVE TO VOTE "NO" ON TUESDAY TO SAVE NEWTON'S \$115,000 FLUORIDATION SYSTEM.

WHAT'S IT ALL ABOUT?

Question 2 on the ballot reads: "Shall the fluoridation of the public water supply for domestic use in this City be discontinued?"

WHY VOTE NO?

Says our Board of Health: "It would be a real tragedy should Newton vote to discontinue fluoridation just after the equipment for fluoridation has been installed. In the last few years the scientific evidence favoring fluoridation is even stronger."

WHO IS QUALIFIED TO ADVISE YOU HOW TO VOTE? Fluoridation should not be a political issue. It's a public health measure now enjoyed by more than 52 million Americans. This is a matter for the experts — not for the mysterious, heavily financed group who lead the attack on fluoridation — discredited health faddists, chronic "againters" and self-seekers.

WHOSE ARGUMENTS CAN YOU BELIEVE?

Some anti-fluoridation propaganda is intended to scare you to death. The people who prepare it have no honest arguments against fluoridation from a single reputable scientific source — so they confuse you with half-truths and distortions. Don't panic. Don't guess. Do this:

1. ASK YOUR PHYSICIAN.

Every single national, state and local medical society favors fluoridation. Dr. Spock favors it; Dr. Paul Dudley White; Dr. Howard Root, the Joelin Clinic; the director and staff, Newton-Wellesley Hospital; Rt. Rev. Dalton, director, Catholic Hospitals, Archdiocese of Boston. So do the American Medical Assn.; American Cancer Society; Mass. Medical Society; Charles River District Medical Society; Commission on Chronic Illness; Newton Pharmacists Assn.; Newton Visiting Nurses Assn.

2. ASK YOUR DENTIST.

Every single national, state and local dental society favors fluoridation. That includes the American Dental Assn.; Newton-Wellesley Dental Society; Mass. Dental Society; entire staff, Forsyth Dental Center. They know one big truth, accepted by the entire scientific community: fluoridation, 1 part per million in the public water supply, cuts tooth decay in children by 65%. Automatically. Safely. No harmful side effects. Year after year.

3. ASK YOUR PUBLIC HEALTH OFFICER.

Fluoridation is strongly endorsed by Dr. Greenleaf, Newton; Dr. Frechette, Commissioner for Mass.; the Mass. Public Health Assn. and Mass. Health Officers Assn. They know fluoridation costs only about 10¢ per person per year. It's much cheaper than pills — and how often do you forget to give the kids their pills?

4. ASK YOUR LAWYER.

He'll tell you why the courts have consistently ruled that fluoridation is constitutional and does not infringe the civil rights of any group.

5. ASK THE NEWTON LEAGUE OF WOMEN VOTERS.

This organization rarely takes a stand on election issues. Now it advises its members that a "NO" vote on fluoridation Nov. 5 is consistent with the League's position in support of fluoridation.

Other Newton civic organizations backing a "NO" vote: Kiwanis, Lions, and Governing Board, Newton Community Council.

We live next door to one of the world's great medical centers. Isn't it absurd to listen to anti-fluoridation arguments by unqualified laymen, when our own medical centers and their staffs wholeheartedly support fluoridation? They agree: fluoridation is a major public health advance and is completely safe.

Angier School PTA To Offer Voter Special

Lucky voters at the Angier School can have their cake and eat it too. They will be able to purchase coffee and doughnuts from 7 a.m. until 8 p.m., or make their choice from home baked specialties contributed by members of the Angier P.T.A. Both functions, under the auspices of the P.T.A., will be held in the basement kindergarten room on Election Day.

Mrs. Julius Kritzman is in charge of the coffee and doughnut sale, while Mrs. E. M. Dannenberg and Mrs. Frank E. Hanauer will take care of the cake sale.

Michael J. Galvin, School Committeeman Francis P. Frazier, Representative Irving Fishman and former Alderman Alfred R. Guzzi.

Another hot fight is being waged in Ward 3 where Paul J. Burke of 53 Jerome ave., West Newton, is battling to unseat Ward Alderman Robert Tennant of 183 Mount Vernon st., West Newton. An upset is considered possible in that ward.

John L. Vaccaro of 150 Islington rd. and David W. Jackson of 362 Wolcott st., both of Auburndale, are fighting it out for the seat from which Allard E. Valentine is to retire as Ward Alderman from Ward 4.

In Ward 2 Donald C. Howard of 3 Church st., is standing against Ward Alderman George L. Hicks of 5 Fairfield st. Both Howard and Hicks live in Newtonville.

Kevin Lane of 17 Halcyon rd., Newton Centre, is battling Ward Alderman Ernest F. Dietz of 83 Hancock ave., Newton Centre, in Ward 6.

Jerald Wise of 39 Nickerson rd., Chestnut Hill, is making a strong run against Jack M. Roberts of 210 Upland ave., Newton Highlands, for the office of Ward Alderman from Ward 8. Roberts was appointed to the position earlier this year when a vacancy had occurred. Wise has claimed that assessments on homes in Ward 8 are out of line with those in other sections of the city.

Ward Alderman Edward C. Uehlein in Ward 5 and William Carmen in Ward 7 are unopposed for reelection.

Newton voters will settle five contests for positions as Aldermen-at-Large when they go to the polls next Tuesday.

Three candidates are battling for two places as Aldermen-at-Large from Ward 1. They are John F. Holden of 27 Jackson ter., Kenneth F. Yukes of 234 Church st., and Alderman Adelaide B. Ball. At least one political newcomer will emerge victorious from that contest since Alderman William A. Diman is retiring from office.

A free-for-all fight is being waged for two seats as Aldermen-at-Large from Ward 3. Aldermen John P. Nixon and Melvin J. Dangel are standing for reelection from that ward.

Opposing them are John M. Loftus of 92 Cleveland st., West Newton; Richard H. Steinberg of 473 Crafts st., West Newton, and Paul F. Malloy of 719 Watertown st., Newtonville.

In Ward 4, where Alderman Earle D. Wood is retiring from office, another hard fight is being waged.

Alderman Harry H. Ham, Jr., is standing for reelection. The candidates for the seat Wood is to vacate are Richard P. Brennan of 6 Sharon ave., Dennis M. Cronin, Jr., of 37 Oakland ave., and former Ward Alderman Warren A.

EDWIN HAWKRIDGE

School Board 4th Term Bid By Hawkridge

Edwin Hawkridge of 92 Windsor road, Waban, is seeking reelection to a fourth term as a Member of the Newton School Committee from Ward 5. He was first elected in 1957 to fill the vacancy that arose when Ward 8 was separated from Ward 5.

Mr. Hawkridge was born in Boston in 1921. His family moved to Newton in 1926. He was graduated from the Rivers Country Day School and Dartmouth College (Cum Laude) with a Bachelor of Arts Degree, and was elected to Phi Beta Kappa, the National Scholastic Honorary fraternity.

He served in the Naval Reserve during World War II as a destroyer gunnery officer, returning to civilian life in 1946 as a lieutenant with four battle stars for action in the Pacific and a Presidential Unit Citation. Joining Hawkridge Brothers Company, a metals distributing company founded by his grandfather, he became vice-president and a director in 1951 and president in 1957. He has served as president of the New England Chapter of the Steel Service Center Institute and as a national director of that trade association. He is a director of the Vulcan Tool Mfg. Co. and of Alcoma Assn. Inc.

Active in the community, he worked for many years in the annual Red Feather campaigns rising to Assistant Residential Chairman. He is a former director of the Newton Taxpayers Assn. and is a

Sutherland of 40 Williston rd., all of Auburndale.

With Alderman William P. Ripley stepping out of the Aldermanic Board at the end of the year, five candidates are seeking election as Aldermen-at-Large from Ward 6.

Alderman Charles F. Hovey is standing for another term. In that field and asking public support of their candidacies are Herbert S. Cohen of 36 Chestnut Hill ter., Chestnut Hill; William L. Bruce of 934 Beacon st., Newton Centre; William J. Johnston of 71 Oxford rd., Newton Centre, and Peter F. Harrington, Jr., of 50 Crosby rd., Chestnut Hill.

H. James Shea of 61 Marlboro st. and Melvin Morris of 47 Cotton st. are fighting to provide an upset in the election of two Aldermen-at-Large from Ward 7. They are battling Aldermen William E. Hopkins and John P. McCarthy.

Unopposed for election as Aldermen-at-Large are Winslow C. Auryansen and William E. Glosky from Ward 2; Franklin N. Flaschner and Harry L. Walen from Ward 5 and Wendell R. Bauckman and Theodore D. Mann from Ward 8.

Mayor Gibbs is unopposed for reelection to a third term.

Five Cited For Their Standing In Merit Test

Five Newton students were among 13 at Roxbury Latin School who received letters of commendation for outstanding performance in the National Merit Scholarship qualifying test given last spring.

Although they just missed being among the semi-finalists, the following boys did so well they earned a tribute from Frederick R. Weed, headmaster, and John M. Stal-maker, president of the scholarship foundation:

Steven L. Hahn, son of Mr. and Mrs. Arnold L. Hahn, 60 Hartmann Rd., Newton Centre; Roger E. Kozol, son of Mr. and Mrs. Solomon M. Kozol, 78 Lakewood Rd., Newton Highlands; Jeffrey M. Reece, son of Mr. and Mrs. George M. Reece, 42 Wolcott Rd., Ext., Chestnut Hill, Roy D. Shapiro, son of Mr. and Mrs. Saul Shapiro, 60 Cedar St., Newton Centre, and Franklin E. Smith, son of Mr. and Mrs. Solomon Smith, 102 Princeton Rd., Chestnut Hill.

Eight On Dean's List At Bentley

Eight residents of the Newtons attained the Dean's List for academic achievement during the spring semester at Bentley College's evening division.

They were: Tamara Elkins, 80 Arnold Road, Newton Centre; Sophie Panos, 15 Simpson St., Newton, Louis D. Shain, 232 Derby St., West Newton, Steven L. Sugarman, 79 Longfellow Rd., Newton Lower Falls, James A. Bradley, 34 Melbourne Ave., Newtonville, Curtis F. Brown, 111 North St., Newtonville, John M. Weeks, 21 Lodge Rd., West Newton, and Alan M. Kurinsky, 31 Salisbury Rd., Newton.

member of the Republican City Committee. He is an incorporator of the Rivers Country Day School and a director of AMHIC. He is chairman of the Dartmouth College Alumni Interviewing Committee in Newton. He is married to the former Edith Crouse. They have five children. Mrs. Hawkridge has been a Board Member of the Angier P.T.A., a member of the Visiting Nurse Association, and serves as a Grey Lady for the Red Cross.

In discussing his candidacy, Mr. Hawkridge stated: "The unfortunate dilemma facing every school committee is that there can be but little compromise between excellence in education and its cost. Good education is expensive and the reliance in Massachusetts in the Real Estate Tax for funds to support the Public Schools places this cost mainly on the property owner. Despite this, the Voters of Newton have made it abundantly clear that they are pleased with the nation-wide reputation of their schools and want no lowering of their standards.

"The challenge, therefore, to any conscientious School Committee member is to constantly watch for unnecessary waste while encouraging the school administration to seek methods of teaching that permit increased attention for the individual pupil or more effective teaching at the same level of attention with a minimum impact on cost."

Committeeman Hawkridge declared.

"We have made significant progress in recent years in this endeavor in areas such as reading and guidance and studies are now underway in other areas which may permit additional gains.

I sincerely hope that the voters of Newton will permit me to continue my efforts in their behalf," Committeeman Hawkridge concluded.

DEDICATE MANY "WOMAN" HOURS—These local members of Noemi No. 11, United Order of True Sisters, have contributed a record 22,715 hours of volunteer service to the Children's Hospital Medical Center since 1952. JOSEPH M. McDONNELL

Prominent Men Endorse Joseph M. McDonnell

Attorney Joseph M. McDonnell, candidate for Ward Alderman in Ward I, announced today the endorsement of his candidacy by four men of prominence.

They are Senator Michael J. Galvin, State Representative Irving Fishman, School Committee member Francis P. Frazier and former Alderman Alfred R. Guzzi.

In his announcement, Mr. McDonnell noted that he was proud of the faith in his integrity and ability shown by these men and by the hundreds of other Ward I residents he has met and talked with in his door-to-door campaigning.

"From Commonwealth Ave. to California St., the people of Ward I have indicated vital interest in the concerns of their ward and their city," he said.

"They have eagerly expressed their opinions to an Alderman candidate, whether it be on a question of how a neighborhood can obtain a 'Slow-Children' sign for its street, or more general questions arising out of the Community Renewal Survey.

"This exchange of opinions," McDonnell went on, "has deepened my knowledge of the neighborhood and its people." This knowledge, along with his educational background and professional experience will, he feels, equip him to be an Alderman responsive to the needs and interests of the people of Ward I.

Joseph McDonnell is a graduate of Boston College cum laude, and its Law School. For the past five years he has been associated with the firm of Parker, Coulter, Daley & White. In his campaign he has repeatedly called attention to the necessity for foresighted and intelligent land use planning.

"The importance of proper planning cannot be over-emphasized," he said, "if we are to enhance the traditional values that have made New-

Five Weekly Discussions Planned By Local Church

"The Challenge of Racial Justice," a series of five weekly discussions, will be presented this fall by the Adult Education Committee of Auburndale Congregational Church.

The first four programs in the series will be panel discussions by people who are leaders on a variety of fronts in the struggle for equal rights.

First topic for discussion will be "The Nature of Prejudice," to be presented Wednesday, November 6, at 8 p. m. in the church's parish hall.

Panelists will include Dr. Herbert Levine, psychiatrist, a member of the Newton Fair Housing and Equal Rights Committee (NFHERC); Rev. Thomas Lehman, rector of Grace Episcopal Church; and Rev. Preston Williams, Harvard graduate student and former chaplain of Pennsylvania State University.

The following Wednesday, November 13, "Fair Employment and Education" will be discussed. Panel members will include Hubert Jones, social worker, chairman of STOP, and a member of NFHERC; Jerome Grossman, president of the Massachusetts Envelope Company, a Steering Committee member of NFHERC, and past president of the Newton PTA; Melvin King, director of youth services for the South End Federation of Settlements, and Boston School Committee candidate; and Joel Leighton, director of the Massachusetts Association of General Contractors and former organizer and administrator for the Textile Workers' Union of America.

The third discussion, entitled "Techniques to Gain Equal Rights," will be held Wednesday, November 20. Included in the panel will be Mrs. Helen Kistin, chairman of the Housing Advisory Commission of Massachusetts and a member of the Steering Committee for NFHERC; Joseph McDonnell, candidate for Ward I; and Dr. Robert J. Glaser, president of the Affiliated Hospitals Center of Harvard, Tuesday evening, Oct. 22, during an open meeting in Chestnut Hill Country Club of the Suburban Boston Chapter, Children's Research Institute and Hospital of Denver.

Dr. Glaser, an outstanding national health authority, spoke on "The Challenge and Opportunities in Asthma and Allied Diseases."

Research in an effort to control the ravages of asthma in children is conducted at the Denver clinic, of which the Suburban Chapter is a supporter.

"Equal Rights in Housing" will be discussed at the fourth meeting Tuesday, November 26. Panelists will include Lewis Watts, Brandeis graduate student and former executive director of the Urban League of Seattle, Washington; Samuel Turner, teacher in the Newton Public Schools and director of NFHERC; and William Bowers of Bowers Real Estate, former member of NFHERC.

The final program of the series will be a discussion on "Christian Involvement in Racial Justice" by Richard French. This meeting will be held Wednesday, December 4.

All programs will begin at 8 p. m. in the Assembly room of the church's parish house, at the corner of Hancock Street and Woodland Road, Auburndale. The public is invited to attend.

Five 15 Years In Newton Chorus

Five of the original members of the Newton Community Chorus are still taking part in formal concerts and in informal minstrel-wanderings singing in hospitals.

They are Betty McKinnon, Viola McDonnell, Rob. Royster, Tom Brehm and William Papien.

The group was organized in 1948 when World War II was fading into the background, and its purpose was "singing for the enjoyment of singing."

Today, the basic theme is, as it was then, "If you enjoy singing, sing with us."

As the chorus begins its 15th year, a cordial invitation goes out to all persons who like to sing. If interested in joining, they should call Mrs. Jean Miller at BI 4-4424.

Aldermen Draw Names Of 21 For Jury Duty

H. JAMES SHEA, JR.

Shea Attacks 2 Opponents On Attendance

H. James Shea, Jr. is actively campaigning throughout Newton for one of the Alderman-at-Large positions from Ward 7. Today he challenged his two incumbent opponents to explain their attendance records.

"While I will not base my campaign on the deficiencies of my two incumbent opponents, I feel it my duty as a candidate to call attention to their problem of attendance," Shea stated.

"From my own experience in attending the Board of Aldermen meetings, and from discussion with certain present members of the Board, I know these incumbent Aldermen from Ward 7 have failed to appear at a disproportionately large number of Aldermanic meetings. These Aldermen often fail to attend many of the meetings, and, up to the present, have escaped public censure because we in Newton do not have a public attendance record."

"If the people of Newton elect me to the Board of Aldermen, at my first meeting I will move to amend the rules of the Board of Aldermen to provide for the publishing of an annual attendance record of all members of the Board, which shall be a public record open to the inspection of all Newton citizens," Shea emphasized.

"If our national and state legislatures have such attendance records then certainly our City of Newton should have such a record. If elected, I pledge my best efforts to effect this improvement in our city government."

Mr. Shea also stated that in an effort to make Newton government more responsive and to inform citizens of their local government's actions, he will publish a newsletter of the activities of the Board of Aldermen, and of his activities as a member of the Board.

H. James Shea, Jr., Alderman-at-Large candidate from Ward 7, plans, if elected, to distribute this newsletter throughout the City of Newton.

St. Demetrios' Church Women Plan Penny Sale

The members of the women's auxiliary of St. Demetrios Church of Newton-Wellesley are planning another outstanding event this fall. A giant Penny Sale is to be held on Friday evening, November 15th, at 8:00 p. m., in the Normandie Room at Norumbega Park. This well-

known landmark is easily accessible from all areas and there are unlimited parking facilities.

The success of past endeavors by the Ladies of St. Demetrios indicates that the group has a talent for presenting the unusual in a delightful and enjoyable manner which assures a memorable evening for the assemblage.

Under the leadership of Mrs. Nicholas Papadonis of Needham as chairman, this Penny Sale is off to a flying start. 500 outstanding gifts are being assembled for the lucky winners. Among the choice items offered during the evening will be dinnerware, linens, records, crystal, sterling, perfume, jewelry, cosmetics and, of course, turkeys, hams and other fine foods to grace the Thanksgiving table. A door prize is offered and refreshments will be served.

Proceeds are earmarked for the Children's Educational and Welfare Fund.

Can your child afford not to have a college education?

Advanced education does not miraculously confer health, wealth and wisdom. But it helps—as millions have learned.

U. S. Census statistics show the cost of college is returned many times over in extra earnings in later years. And this takes no account of the extra satisfactions college education can give.

One way to assure your children have the education best suited to their abilities is Metropolitan's Education-Estate Builder Plan.

Planning for your children is not a thing to put off. It is never too late to call me for details—today?

Auburndale Group Restates Norumbega Motel Position

The Auburndale Village Improvement Society's Board of Directors reaffirmed the Society's position on the controversial Marriott Motel petition now pending before the Board of Aldermen in the following statement issued last night:

"1 — The Mayor has stated that if the Board of Aldermen approved the Marriott petition to rezone Norumbega's prime 10 acres, he would appoint a committee to study the remainder. This Society and many other civic organizations maintain that the study should be made now and should include the entire Norumbega Park area. If the land is worthy of a study, then surely the study should be made prior to any zone change, not after. Once the best acreage is zoned commercially it is of little value to call upon a committee to study the remainder.

"2 — The argument that Norumbega Park is becoming run down is not debatable. It was purchased by real estate promoters in 1958 as a speculative venture. If the zone could be changed to commercial, their investment would be greatly increased. Obviously any attempts by the promoters to maintain the amusement park would be self-defeating. Because the park has been allowed to deteriorate does not justify its replacement with a large commercial enterprise.

"3 — The sum of \$65,000 has been spent for a Community Renewal Study in the City, \$18,000 on an incinerator site study, and various other large sums on studies. Norumbega Park deserves at least as much consideration.

"4 — Commercial zoning for the immediate tax dollar is short sighted. When a huge commercial enterprise is placed in a residential area, there is an inevitable decline in home values.

"5 — The Chamber of Commerce endorsement of this project is understandable. They exist to further their business interests. Has the Chamber taken a survey of any kind to justify their stand in favor of a motel? Their endorsement would imply as much. On the contrary, no study has been made by the Chamber or any other group and no consideration has been given to the fact that less than six months ago the Board of Aldermen approved a 6-story, 200-unit motel one-half mile from the Norumbega site.

"6 — The Marriott Motel petitioners have allowed three years, or until February 7, 1965, for the zone change. They have stated that Norumbega is one of the most valuable pieces of real estate for their purposes on the eastern seaboard. They are prepared to wait. They have everything to gain and nothing to lose. There is time to study the matter objectively. The Mayor, the Chamber of Commerce and others who are maneuvering in behalf of the present Marriott petition appear short-sighted in their quest for the quick tax dollar. If their actions were based on a professional planning study we would not be so alarmed.

Easter Seals Treasurer Is Given Honors

Miss Ruth Burns assistant vice president of the Newton-Waltham Bank and Trust Company, Newton Centre, was honored for her 15 years of service to crippled children and adults, and Ollie A. Cohen of Newton, chairman of the board for King's Department Stores, was named a member of the state-wide corporation at the annual meeting of the Bay State Society for the Crippled and Handicapped.

Perhaps more widely known as the Easter Seal Society, the organization held its meeting Tuesday, Oct. 22, in Boston.

Paul Sonnabend of Chestnut Hill was elected the society's president. He is vice president of the Hotel Corporation of America.

Miss Burns is one of nine Massachusetts bankers who have served as area treasurer for 15 years or more in the annual Easter Seal appeals. She is treasurer of the Society.

Sumner G. Whittier, former lieutenant governor of Massachusetts, who was recently made executive director of the National Society for Crippled Children and Adults, told the more than 200 persons at the meeting that the "wizardry of progress" has created a "titanic challenge" to the American people to rehabilitate millions of crippled.

Karen Keough of 17 Clarendon St., Newtonville, an English major, Susan R. Quinn of 29 Irving St., Newton Centre, also an English major, and Michaelina M. Lentino of 535 Boylston St., Newton Centre, are seniors at Regis College in Weston.

7 — The City employs a competent city planner. He has recommended to the Mayor that a comprehensive study of the entire Park be made before any zone change. Some Aldermen contend that the petition must be approved immediately in spite of the simple logic and merit of conducting a study before any action is taken. This urgency seems ludicrous in view of the fact that Marriott is protected by a three-year option on the proposed motel site.

8 — If the aldermen who have recorded themselves in favor of this motel proposal do indeed have the best interests of the city foremost, should they not double-check their reasoning by requesting an impartial professional study? Is a motel the best use of the land? What effect would a motel have on the remainder of the park? On the surrounding area? On the City as a whole? These are some of the questions which should be answered by qualified persons before any irrevocable decision is made."

Shulman Goes All-Out In Try For Alderman

In his campaign for election as Ward Alderman in Ward 1, Herbert L. Shulman of 41 Converse avenue, Newton, a real estate management and investment specialist, declares that his background enables him to make decisions that will affect the people of the ward in "these so wonderful and demanding times."

"Newton is on the threshold of a new era," he says, as the climax of the campaign draws near. "That being the case, it behooves all of us to see that taxes are kept within reason, that our school system remains one of the best in the country, that our city employees are given fair and equitable treatment, that our senior citizens receive every consideration — all this to the end that the city itself will go forward to accept the challenge of a changing world."

A Newton resident for more than 25 years, Mr. Shulman attended the local schools, and was graduated from Rhode Island State College, where he majored in accounting and earned a degree in Business Administration.

Father of two, one of his children is a Bigelow Junior High School pupil and the other goes to Cabot School.

The candidate's outside activities include cub scout work, PTA, Newton Little League and Newton civil defense.

"As an Alderman," he promises, "I will try to see that the construction of new schools where needed will be started as soon as possible before costs rise any higher, and I will continue to advocate the retention and maintenance of good park and recreational facilities for the residents."

Weeks PTA Has Grand Halloween Party Arranged

Plans for the John W. Weeks Junior High School Halloween celebration have aroused considerable enthusiasm among students, parents and teachers.

This year, Mrs. Samuel Citron and Mrs. Harry Weiner are in charge of the festivities for the 7th and 8th graders. They have completed plans for a movie, dance and carnival which will be held at the school from 7:30 p.m. until 10:00 p.m. There will be many prizes awarded and refreshments for everyone.

Mr. and Mrs. Dan Gordon, chairmen of the 9th graders' celebration, have planned a "fun for everyone" evening to be held in the Newton Centre Women's Club. Upstairs, the "Twilighters" will play for dancing. Downstairs there will be a carnival with many exciting booths. There will be a 9th grade group singing folk songs, and novelty singing by Rena Bornoff and Martha Koppelman.

Art department students have prepared posters and decorations.

Refreshments will be served.

5 School Board Heads Endorse Norma W. Mintz

Unusual, if not unique, is the public endorsement and support of School Committeewoman Norma W. Mintz by four former chairmen of the Newton School Committee, as well as by the current chairman, Haskell C. Freedman.

The former chairmen are Ralph T. Taber, 1942-43; David W. Tibbott, 1946-49; Dr. James B. Palmer, 1950-53, and Henry W. Keyes, 1954-57.

The many supporters of Mrs. Mintz throughout Newton feel that such welcome endorsements will help many voters to make up their minds to join these distinguished Newton citizens in voting to retain Mrs. Mintz. They point out that only the most unusual qualifications on the School Committee would have brought out this highly valued support.

Mrs. Mintz' activity on behalf of the Newton schools the past 10 years including being vice president of the Clafin School PTA conference on "The Revolution in Education;" member of the board of directors of the Newton Junior College, and last but not least, present member of the Newton School Committee.

Among Mrs. Mintz' other Newton activities are past directorships in the Newton Taxpayers Association, Newton Civic Association and the League of Women Voters.

"As a school committeewoman this past year I have developed a better understanding of the strength and dynamic stability of our system," Mrs. Mintz says, and explains that "it came as a result of visiting schools while they were in session. The male members of our School Committee have told me that the daytime visiting by Mrs. Whitmore and me (as the only two women members) has been most helpful to the committee and to the administration."

Mrs. Mintz is in the somewhat unusual position of being a member of an elected body while campaigning for membership in it for the first time. Over a year ago she was appointed to the Newton School Committee by the committee and the Aldermen in joint session when a replacement was needed for Mrs. Genevieve Oncley, who had moved to the mid-West.

Now, more than a year later, she says that "serving on the Newton School Committee has been a great privilege. If elected next Tuesday, I will continue to try in all ways to fulfill the duties and responsibilities of a member."

Women's Society Stages "Life Of John Wesley"

Members of the Women's Society of Christian Service of the Newton Centre Methodist Church enjoyed an interesting program on the occasion of their first meeting of the season.

Following an inspiring devotional program led by Mrs. Seaton M. Woodley Jr., a play, "The Life of John Wesley" was presented under the direction of Mrs. Rodney Jarvis, secretary of literature.

Taking part in the presentation were Mrs. Jarvis, Mrs. Tyler Parkhurst, the Rev. Seaton M. Woodley Jr. Mrs. Hoyt Hallas, Mrs. Walter G. Muelder Mrs. Victor D. Baer, Miss Marion Child Greene and Mrs. Paul Schilling.

After the meeting Mrs. Gordon Rowe and Mrs. Albert MacMillan poured at a tea. The next meeting will be on Nov. 13, and will feature a program on "The Role of the Christian Woman," led by Mrs. Harold H. Cramer.

Jackson's Door To Door Visits Produce Results

With election day in the offing, David W. Jackson of Auburndale, a candidate for Ward Alderman in Ward 4, continues to visit homes in Auburndale, Newton Lower Falls and West Newton to discuss campaign issues.

Meantime, he expresses gratitude for the "cordial, enthusiastic reception given me."

"Campaigning," he says, "has been an enormously enriching experience for me. In discussing the problems of urbanization, I have become increasingly convinced that Newton must undertake a comprehensive long-range program to plan and guide the changes which face us. I have gained depth of knowledge

ogy. She was chosen for the courses on a basis of high school academic records, class rank, college entrance score and strong indications of intellectual curiosity.

that could not be achieved in any other manner, and have laid the foundation for a victorious election next Tuesday.

"It is important to have a candidate who will serve you with distinction. Of equal importance in a candidate is the ability to provide leadership and the willingness to sacrifice the time and energy necessary for civic improvement."

Mr. Jackson has served as president of the Auburndale Village Improvement Society, has worked to improve or replace the Burr School, led the movement for a new incinerator in Newton Highlands, and served on the mayor's civil defense committee.

"As a professional engineer," he says, I have the perspective and the ability, the interest and the energy, and most important of all, the political independence to perform this office without fear or favor."

Newton Coordinator

Gerald G. Aransky, a senior at Babson Institute of Business Administration, has been named co-ordinator for Newton in the initiative petition campaign being conducted by the Council for Constitutional Reform in Massachusetts.

Newton residents as possible before next Tuesday dawn.

"My personal contact campaign," he says, "is in line with my campaign slogan, 'Responsive to the Wishes and Responsible for the Needs of Newtonites of Every Ward.'" Paul Malloy points out that he became one of the youngest attorneys in Massachusetts when he was admitted to the bar at the age of 22.

A year prior to that he was married and the owner of his home. His wife is the former Sally Quinn, daughter of Lawrence Quinn of West Newton. They have a son, also named Lawrence.

Attorney Malloy is the son of Mr. and Mrs. Matthew J. Malloy of Centre St., Newton. His father is the president of a large private junior college. Two of Paul Malloy's sisters teach in public school. Two brothers are school administrators. His mother is a former teacher. All are Newton residents.

Says Mr. Malloy, "My personal contact campaign has uncovered a variety of problems facing Newton residents throughout the city. Many of the problems are local. Others are city-wide. What is needed is a fresh, professional approach to them."

DENNIS M. CRONIN JR.

Cronin Sees A Need To Uphold City's Character

Dennis M. Cronin Jr., long resident of Auburndale, is campaigning for election as Alderman-at-Large from Ward 4.

"Our city has suffered numerous changes in the past few years," he says. "Newton is in need of men who will recognize the fact that changes occur, and will therefore exert efforts toward maintaining the city's true character."

"I honestly believe I have a contribution to make, and I am willing to put forth every possible effort on behalf of my city."

A practicing attorney in Newton, Cronin is a product of the Newton public schools. He is a graduate of Boston

Fluoridation Foes Urge Yes Vote In Next Tuesday's City Election

A statement issued today by the Newton Citizens Opposed to Compulsory Fluoridation urged Newton residents to vote "Yes" on the fluoridation question when they mark their ballots in next Tuesday's municipal election.

A "Yes" vote is a vote to halt the fluoridation of Newton's water supply.

Mrs. Lina Brenner of 65 Clark st., Newton, secretary of the Newton Citizens Opposed to Compulsory Fluoridation, charged "that the promoters of artificial fluoridation are running out of arguments opposing the voluntary method of administering fluoride."

Mrs. Brenner cited that a law suit was brought in an effort to "deprive Newton residents of their right to vote on the fluoridation issue at all."

She pointed out that this move was blocked by the Supreme Court.

"We cannot understand the great drive to disprove the existence of the many voluntary methods of helping tooth decay and we wonder if the main interest of the promoters of artificial fluoridation is in fluorides or in the over-all health of individual children," Mrs. Brenner declared.

College A.B. Cum Laude, and of Harvard Law School LL.B. He is with the law firm of Cronin and Cronin, and is 2nd vice president of the Waltham, Watertown, Weston and Newton Bar Association.

His affiliations include the Corpus Christi Holy Name Society of Auburndale, of which he is a past president, and Newton Council No. 167, Knights of Columbus.

He has been identified with a number of charitable activities, among them the United Fund, for which he acted as a solicitor in a number of the drives.

Honor Students

Two Newton youths have earned high honors for the second marking period at Williston Academy, Easthampton. They are Ralph K. Miller, a junior, son of Mr. and Mrs. Daniel Miller, 61 Brush Hill road, Newton Highlands, and Richard A. Reingold, a sophomore, son of Mr. and Mrs. Arnold Starr, 126 Valentine street, West Newton.

DR. WAY DONG WOO

Candidate Woo Outlines Views On Education

In seeking election to the Newton School Committee from Ward 8, Dr. Way Dong Woo, a long-time resident of the city, declares that "the most important elements in the education of our young people are the quality of teachers and the material that is being taught."

Continuing his views, Dr. Woo says, "Physical facilities are only aids to provide an environment more conducive to learning. We must continue to maintain a high standard of teaching staff. But the most important problem now is to keep our programs of teaching in step with the rapid changes in social and technological development."

"On the one hand, for students who are going on to college, we must prepare for the ever-increasing admission requirements. For those who will not be going to college, there is an even more pressing need. Many of the present jobs or trades may be obsolete or reduced in importance in the next 10 to 20 years. Many new jobs will be created at the same time. We must, therefore, modify the curriculum so that the youngsters can adapt themselves to the new opportunities that will be open to them."

"Similarly, a continuing study of the curriculum at the Newton Junior College should be maintained, so that the Junior College graduates can easily make use of the many job opportunities available from the field of medicine, electronic and space industries in the greater Boston area."

"I would like to see the school system work with local universities and industries in order to develop a better range of studies for those non-college bound students."

Paul Crocker of 40 Nehoiden Rd., Waban, a retired member of the Northeastern University Alumni Committee, helped plan the university's Homecoming Day celebration, which attracted 34,000 graduates.

West Newton Woman's Club Opens Season

The first Fall Meeting of The West Newton Woman's Club was held on Wednesday, October 16, at the Second Church Parish House, West Newton.

Mrs. Marion Rudkin, speaker of the afternoon, and Mrs. Joseph F. Leavitt, Twelfth District director of the Massachusetts State Federation of Women's Clubs, were special guests at the luncheon which was served at 12:30 p.m. by co-chairmen Mrs. John F. Leonard and Mrs. Theodore C. Danker. They were assisted by their committee and members of the American Home Class.

The president, Mrs. John B. Naylor, welcomed all members and guests, and then introduced club officers and special guests at the head table including Miss Avis C. Walsh, past president of The West Newton Woman's Club, who gave the blessing.

Following the luncheon Mrs. John B. Naylor, president, conducted the business meeting. The club's State Federation Secretary, Mrs. Alden W. Read, gave a report of the annual meeting of the Massachusetts State Federation of Women's Clubs held at the New Ocean House, Swampscott, last May.

The president announced two new members in the club: Miss Ruth Morgan, 40 Washington park, Newtonville, and Mrs. John W. Philbin, 51 Perkins street, West Newton.

Mrs. Joseph F. Leavitt, Twelfth District Director of the Massachusetts State Federation of Women's Clubs, presented by the president, congratulated the club on its work in the community and the continuing work on the scholarship which the club presents each year to a deserving student from the Newton High School.

Mrs. Earl L. Ham, program chairman, presented Mrs. Marion Rudkin, the speaker of the afternoon. Mrs. Rudkin said that this Fall she was able to bring several worthwhile novels to her audiences. She reviewed four categories: novels, travel, biography and humor.

WILLIAM F. JOHNSTON

Johnston Tells Voters To Make A Choice Tues.

Attorney William F. Johnston, Alderman-At-Large candidate from Ward 6, reminds voters on the eve of election, that "it is you that will decide who will govern and guide our city government."

"Please allow me to serve you," he asks, "and be one of your two Aldermen-At-Large from Ward 6, and one of the 16 that you will be voting for in this non-partisan election. Remember," he warns, "a blank vote cannot serve you."

In calling attention to his qualifications, Johnston lists the facts that he is a veteran, a graduate of Suffolk University and Suffolk Law School, a member of the Massachusetts and American Bar Associations, a realtor and a businessman.

A member of the Knights of Columbus, he lives at 71 Oxford Rd., Newton Centre. "Newton needs a full-time city planner," he says, and adds that he "favors the recommendations that have been made for resurrection of the city's blighted areas."

Air Force Promotion

James Pearson, whose wife is the former Angela C. Bartberger of 518 California street, Newtonville, has been promoted to Airman 1st Class in the U. S. Air Force. He is assigned as an illustrator at Sheppard Technical Training Center, Texas.

THESE CITIZENS HAVE BEEN HARMED BY FLUORIDATION

(Mrs.) Grace L. DiComes Erline O. Colp (Mrs.) Margot E. Bruce

To the Newton Voters:

Some years ago while residing in Ohio, I became quite seriously ill. My physician stated that the public water supply in that city had been fluoridated, and that I obviously had an acute allergy to sodium fluoride, and should not remain in a fluoridated area. We sold our home and our business in Ohio and came to live in Winchester, Massachusetts.

I enjoyed fine health in Winchester until the water supply there became fluoridated. My allergy returned and I was unable to use the fluoridated water for drinking or cooking purposes.

We then purchased a home in Newton and established a business. Our family enjoyed living in Newton where we made many fine friends. Too, I enjoyed excellent health while there. But when fluoridation was accepted in Newton, we immediately offered our property for sale.

At that time, two years ago, we purchased a home in Manchester, New Hampshire. On our property is a fine well — a happy solution to our problem of fluoridation of the public water supply!

Sincerely,

(Mrs.) Grace L. DiComes

To the Newton Voters:

As the question of continuing the fluoridation of the Newton water supply is soon to appear on the ballot, I feel that I should state my experience with fluoridated water.

While vacationing in Cohasset a few years ago, I became quite ill. I had been drinking considerable water while there, and did not know that the water had been fluoridated. When I learned of this, I wondered if I might have an allergy to sodium fluoride. I immediately changed to bottled spring water, and my illness disappeared. During my vacations in Cohasset, I now use bottled water, with excellent results.

However, a few weeks ago I had a recurrence of exactly the same symptoms — a burning sensation in mouth, throat and stomach with severe pains and nausea. When my wife 'phoned the City Hall to ask if fluoridation had started in Newton, she was informed that our street had been fluoridated for about two weeks.

I am convinced that I have a serious allergy to sodium fluoride. A few years ago, we purchased our home in Newton, we like living here, and would not prefer to leave, but if fluoridation is to continue in Newton, we have no alternative but to dispose of our property and move to some unfluoridated area. I can buy new teeth, but I cannot buy new organs.

Respectfully,

Erline O. Colp

 Newton 58, Massachusetts

To the Voters of Newton:

In the November election in Newton and in Cambridge, there will appear on the ballot a referendum on the question of discontinuing the fluoridation of the public water supply in these cities. I wish to tell the reason why I was compelled to leave both of these cities when sodium fluoride was added to the water supply.

Some years ago, while summering in Beverly, I had been drinking fluoridated water without my knowledge, and in about a month developed symptoms of fluorosis — a fact which has been verified by my medical doctor. The symptoms were nausea and uncomfortable burning sensation in my mouth, tongue and throat.

When I returned to my home in Cambridge, which was then an unfluoridated area, I experienced no further trouble. But when the public water supply in Cambridge became fluoridated, my unquestionable allergy returned and I was obliged to leave that city, and came to Newton.

Naturally, I was deeply concerned when fluoridation was accepted in Newton. I realized that once again I must leave my home and friends, because I obviously cannot live in a fluoridated area.

I ask each of you — do you know if you're allergic to the toxicity of sodium fluoride as I am?

Since alternative methods are available for treating the teeth of young children, why should the entire population of a community be exposed to the effects of artificial fluoridation? Certainly there must be many individuals, like myself, who are physically unable to accept this form of medication.

 NEWTON CITIZENS OPPOSED TO COMPULSORY FLUORIDATION

"In asking the people of Newton to elect me as Alderman-At-Large from Ward 1, I pledge to them diligent and conscientious service in return for their trust in me," Holden declared.

"It will be my purpose to serve the best interests of our city and its citizens at all times. I will devote myself to my Aldermanic duties and will be faithful in my attendance at the meetings of that body," Holden asserted as he asked for public support next Tuesday.

Senator Galvin, in endorsing Holden, expressed the belief that he has all the qualifications necessary to make an excellent Alderman.

Galvin, himself, recently commanded state-wide attention when he left a hospital bed in order to vote for the passage of Governor Peabody's bill for the reorganization of the State Department of Public Works.

Time To Apply For Yule Post Office Work

Local applicants for Christmas employment in the Boston Postal District can obtain forms either at the Newton State Employment Service office or in Room 323 of the main post office in Boston. Postmaster Ephraim Martin advises.

Application forms obtained from the state office or the post office should be returned there when filled out, the postmaster says, and adds that the post office will not mail any applications this year.

Students must indicate the earliest date they will be available.

The postmaster pointed out that any citizen 18 or over who lives in the district is eligible to apply, and he emphasized that equal consideration will be given to all, regardless of race, creed, color national origin or sex. First consideration will be given to veterans with compensable service connected disability of 10 percent or more.

Closing date for filing applications is Friday, Nov. 15.

A graduate of Southern College, she taught school in

School Committee Desires Quick Contractual Dispute Decision

The School Committee meeting Monday night, with Hugh M. Tomb as acting chairman, voted to ask the city solicitor whether it would be possible to hasten a court decision on a contractual dispute that is holding up work on the addition to the Lincoln-Eliot School.

Mayor Donald L. Gibbs told the members that he doubted if there was any way to expedite court procedure, but said that Matt B. Jones was better able than he to give an opinion.

The members discussed at some length the advisability of their putting together questions before the city solicitor. They had to do with allowing the use of school buildings to organizations that are outside the city.

One proposed question: Could the committee set a differential rate for such use, one that would cover all costs to the city such as light, heat, custodial service, etc? The other: Could a rate be charged that would return a profit to the city?

During the ensuing discussion it was brought out that it would be difficult to arrive at a differential rate from which the city could profit. Committeemen Edwin Hawkrice and Manuel Beckwith agreed that requests for school use by outsiders were few in number. Beckwith asserted that such use was too small to make a major issue of the matter.

The mayor suggested that there be an investigation and report made for attention at a later meeting. "I feel there has been a certain amount of abuse along this level," he said, "and there should be a re-determination of policy."

After reviewing the provisions of Section 10, Article VI of the School Committee regulations, which state, in part, "... The cost for the first three hours of such service

(i.e. custodial service) for five regular evening meetings at each local Parent-Teacher Association shall be borne by the city," it was voted to delete the three words, "first three hours."

During a brief mention of social studies textbooks for school use, committeewoman Norma W. Mintz said she had read eight of them since the previous meeting of the committee, and commented, "I deplore the fact that in all the books there was not one picture of a non-white child."

Francis P. Frazier said he had been particularly impressed with the high quality of a book called "Your Country and Canada," intended for 5th grade pupils, and expressed the thought that the youngsters should find it most interesting.

There was no objection to a suggestion by Dr. Charles E. Brown, superintendent of schools, that the committee meeting scheduled for Nov. 11, a holiday, be held on the following day, Tuesday, November 12.

Two appointments in the superintendent's report were approved. One was that of Mrs. Susan Breitman as Grade 1 teacher in the Williams School, effective next January 2. A graduate of George Washington University with an A.B. degree this year, she has done student teaching in Arlington, Va.

The other was that of Mrs. Marie F. Fagan to a 10 months position in the Mason-Rice School, effective on October 3.

College Hosts Officials

Dr. Blake Tewksbury, left, Lasell president, and students, left to right: Patricia Perry, Barbara Zink and Joan Keefe, greet Justin T. Horan and George L. White, left to right: director and president of Newton Chamber of Commerce, at recent "At Home" of Lasell Junior College.

Community Day To Be Observed Here

The United Church Women of Newton will observe the 20th anniversary of World Community Day tomorrow, Friday, November 1, at the Auburndale Congregational Church, according to the announcement by Mrs. Clarendon L. Southmayd, president of the church women's organization.

A coffee hour will be held at 9:30 a.m. and a service of worship at 10 a.m.

Mrs. John Burgess, Christian World Relations chairman, is chairman of the day and has been assisted in her arrangements by members of the executive board, Mrs. Stewart Holmes, vice president; Mrs. Wallace Ross, corresponding secretary; Mrs. William Rauha, public relations chairman and president of the Auburndale Congregational Fellowship, the Rev. Mrs. Helen Terkelsen, spiritual life chairman.

The Rev. Mrs. Terkelsen will conduct the worship service. Mrs. Burgess will introduce Mrs. Paul Deats who will speak on "Nation Building and the United Nations." Mrs. Deats, wife of Professor of Social Ethics at Boston University School of Theology, recently travelled with her husband in Europe and Africa. She holds B.A. and M.A. degrees from Southern Methodist University of Dallas, Texas.

In the parish hall of the church there will be on display the friendship packets for children containing toilet articles, also layettes, yard goods, boys underwear and good used clothing. These have been provided by the women of the member churches of the United Church Women of Newton and will go to areas of acute human need.

The offering will mark the 20th observance of World Community Day by enabling selected women from every State in the Union and from twenty areas overseas to examine the relationship of the mission of the Church to the U.N.

In periods of two weeks' duration from May through September 1964, these women will receive in-service training at the recently dedicated new Church Center in New York for effective peace action.

This is in addition to the scholarships and the training program the United Church Women regularly supports in Chile and Brazil. Study groups are now in preparation.

The morning coffee will be in charge of Mrs. Guernsey Camp, Jr. vice president of the Auburndale Women's Fellowship assisted by the women of the church. Serving coffee will be Mrs. Lyle Beal of the host church and Mrs. Earle D. Wood of the Church of the Messiah. Mrs. William Rauha, in charge of ushers, announces that the following presidents of women's organizations in the member churches of the United Church Women of Newton will serve as ushers:

Mrs. Chester B. Lomax, Myrtle Baptist Church, West Newton, Mrs. Patrick of the Sec-

ond Congregational Church, West Newton, Mrs. Lyman Beggs of the Church of the Messiah Episcopal, Auburndale, Mrs. Gordon Fraser of the Centenary Methodist Church, Auburndale, Mrs. L. Fabian Bachrach of the Unitarian Church, West Newton, and Mrs. Frank L. Springer of the Union Church Waban.

Flower arrangements on the altar and coffee table will be done by Mrs. Richard Kenney vice president of the Auburndale Congregational Fellowship.

Motor Hotel At Norumbega Up Once More

Most prominent on the list of items scheduled for action by the Board of Aldermen at their meeting in City Hall next Monday night is the much-debated matter of a zone change and permissive use for a \$4,000,000 motor hotel complex on 10 acres of Norumbega Park land.

The petitions, brought by Marriott Motor Hotels, Inc., of Newton, and pending for almost exactly a year, were defeated by the Board at its meeting October 21, when proponents could muster only 14 of the needed 16 votes.

Should Aldermen Ernest F. Dietz and William H. Prentice, who were absent that night, be present this time, the proposal may win approval.

After the previous meeting was adjourned, Alderman Robert Tennant filed a motion for reconsideration, and that motion is due for action this Monday.

Another item before the Board will be a request by Mayor Donald L. Gibbs for \$210,000 additional funds beyond the \$580,000 that has been appropriated for construction of the replacement for the burned out Horace Mann School.

Also coming up are four appointments of the mayor that were tabled at the previous meeting. They are: Wallace F. Forbes, 281 Otis street, West Newton, to fill a vacancy on the Zoning Board of Appeal; Phil Fine, 42 Annawan road, Waban, as a member of the trustees of the Free Library; Alan T. Shaw, 165 Berkeley street, West Newton, as a member of the Recreation Commission, and Robert M. Segal, 74 Sylvian avenue, West Newton, as a member of the Housing Authority.

Newtonites Prominent At Hastadrut Dinner

Fran Shriver of Newton will present a program of Yiddish, Hebrew and English songs at the third annual awards dinner of the Greater Boston Israel Histadrut Committee Thursday evening, Oct. 31, at 6, to be held at 575 Warren street, Roxbury.

Samuel Goldberg of Newton and Milton Kaplan of Chestnut Hill are co-chairmen for the affair.
